Activities Workbook and Student Tape Manual SE: Both components are in one volume. Workbook contains many activities in "game" formats. Tape Manual contains "Listen and repeat," "Listen and answer," and "Listen and choose" activities.

This program emphasizes the importance of correct spelling and word usage in written communications, knowledge that will help students progress on the job. To aid learning retention, words are generally grouped by spelling pattern so that students learn how to apply spelling rules and avoid learning words by rote. For practice and reinforcement, the text includes exercises on spelling rules and homonyms or confusing words in each chapter, review exercises, and enrichment exercises.

Content Comprehension, Grades 6-12

Takes on the challenge of helping students apply reading comprehension strategies in any subject. Shows how teachers can expand on their content expertise to provide instruction students need to understand specific technical and narrative texts. The book includes: examples of how teachers can model their reading process for students; ideas for supplementing and enhancing the use of required textbooks; detailed descriptions of specific strategies taught in context; stories from different high school classrooms to show how reading instruction varies according to content; samples of student work, including both struggling readers and college-bound seniors; a variety of 'comprehension constructors'; guides designed to help students recognize and capture their thinking in writing while reading; guidance on assessing students; tips for balancing content and reading instruction.

Compiles grammatical errors and English language quirks and addresses the correct use of modifiers, punctuation, and pronunciation.
