A tender and intimate memoir by one of the most remarkable, trailblazing, and tenacious women in music, the two-time Grammy Award-winning “premiere song-stylist and songwriter of her generation” (Hilton Als), Rickie Lee Jones. This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. Last Chance Texaco is the first-ever no-holds-barred account of the life of two-time Grammy Award-winner Rickie Lee Jones in her own words. It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, the “Duchess of Coolsville” (Time) takes us on a singular journey through her nomadic childhood, to her years as a teenage runaway, through her legendary love affair with Tom Waits and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs – “Chuck-E's in Love,” “Weasel and the White Boys Cool,” “Danny's All-Star Joint,” and “Easy Money”— but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, a pimp with a heart of gold and tales of her fabled ancestors. In this tender and intimate memoir by one of the most remarkable, trailblazing, and tenacious women in music are never-before-told stories of the girl in the raspberry beret, a singer-songwriter whose music defied categorization and inspired American pop culture for decades.

New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, Pieces of You, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In Never Broken she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

Take Me Home, Country Roads, a book following the lyrics of John Denver's first hit song, is a great teaching tool for young readers about family and appreciation for the natural world around us. This brilliant picture book adaptation of John Denver's first hit song is all about roots, family, and country. Set in Appalachia, a humorously diverse bunch of relatives and their in-laws go up, down and around the hills of West Virginia to converge by car, pickup, and motorcycle to a family reunion at Grandma and Grandpa's country home. True to Appalachian style, Canyon portrays it all as if on a quilt, complete with little stitches between the "fabric." The lyrics demand to be sung! A book for: fans of John Denver wanting to share his music with their kids! anyone who wants to inspire children to appreciate the country! Parents and children looking for feelings of security and comfort!

I hope it was worth it," challenged Spencer. Abqarah countered, "It was! It's a better way to shoot things than with a Katashnikov! I wish I could turn all guns in the world into cameras." From what she showed them on the LCD panel, she did get some pretty pictures of the Arc de Triomphe by night, with yellow headlights beaming down on her from the oncoming traffic. Waldemar (Wally) Guenter wrote a murder mystery, entitled The New Crusades, about Aamir killing his older sister, Hazirah, in a fictional honour-killing at a real place, Ball's Falls, Ontario, in October 2011. Waldemar Guenter, a scenery photographer, discovers Hazirah's body which prompts him to write the first novel as a kind of therapy. The sequel itself takes up the plot in October 2014 with the last two months of Wally's life. He is dying of pancreatic cancer. Even as he lay dying, life goes on for his young friends who get engaged and get married with high hopes for their future. Alexander Kucharski the main writer of this sequel, reconnects with his old flame, Lana. Also Detective Ed Spencer, from the first novel, courts and marries, Abqarah, the youngest daughter of the Ibrahimis who went to prison for their part in their daughter's honor-killing. The Spencers become Christian and plan on a lovely honeymoon in Paris. They arrive on Wednesday morning, January 7th, 2014. This couldn't be at a worse time. Bryce Lockwood has amassed a trove of unique military experiences during a brief span of time. Born on a small farm in rural New York State in 1939, he graduated from high school in Afton, New York in 1957. He soon made the decision to enlist in the Marine Corps and, in 1960, married his fiancée, Lois. In the next few years, his military career led to language school in Monterey, California, where he completed Russian linguist training followed by Cold War assignments in locations such as Scotland, Turkey and the former West Germany. However, the most unforgettable moment of his military assignments came with temporary orders for service aboard the USS Liberty - a U.S. intelligence ship. While serving as a Russian linguist aboard the vessel, he lived through an attack by Israeli warplanes and torpedo boats during the Six-Day War, resulting in the deaths of 34 and wounding 174 Americans. As the only U.S. Marine to survive the incident, Lockwood became the recipient of a Silver Star medal for rescuing three sailors trapped in flooded compartments in addition to receiving a Purple Heart for severe burns incurred in a torpedo explosion. Lockwood later served a tour in Vietnam and, in 1971, received a medical retirement after thirteen years of service. In recent years, he has sought the truth behind the unprovoked assault on the USS Liberty, which left many of his friends severely wounded or dead. In recent decades, Lockwood has joined other Liberty survivors in petitioning Congress for an open and thorough investigation of the attack.

What do you get when you cross a journalist and a banker? A brewery, of course. "A great city should have great beer. New York finally has, thanks to Brooklyn. Steve Hindy and Tom Potter provided it. Beer School explains how they did it: their mistakes as well as their triumphs. Steve writes with a journalist's skepticism-as though he has forgotten that he is reporting on himself. Tom is even less forgiving-he's a banker, after all. The inside story reads at times like a cautionary tale, but it is an account of a great and welcome achievement." —Michael Jackson, *The Beer Hunter(r)* "An accessible and insightful case study with terrific insight for aspiring entrepreneurs. And if that's not enough, it is all about beer!" —Professor Murray Low, Executive Director, Lang Center for Entrepreneurship, Columbia Business School "Great lessons on what every first-time entrepreneur will experience. Being down the block from the Brooklyn Brewery, I had firsthand witness to their positive impact on our community. I give Steve and Tom's book an A++!" —Norm Brodsky, Senior Contributing Editor, Inc. magazine "Beer School is a useful and entertaining book. In essence, this is the story of starting a beer business from scratch in New York City. The product is one readers can relate to, and the market is as tough as they get. What a fun challenge! The book can help not only those entrepreneurs who are starting a business but also those trying to grow one once it is established. Steve and Tom write with enthusiasm and insight about building their business. It is clear that they learned a lot along the way. Readers can learn from these lessons too." —Michael Preston, Adjunct Professor, Lang Center for Entrepreneurship, Columbia Business School, and coauthoer, *The Road to Success: How to Manage Growth* "Although we (thankfully) never had to deal with the Mob, being held up at gunpoint, or having our beer and equipment ripped off, we definitely identified with the challenges faced in those early days of cobbling a brewery together. The revealing story Steve and Tom tell about two partners entering a business out of passion, in an industry they knew little about, being seriously undercapitalized, with an overly naive business plan, and their ultimate success, is an inspiring tale." —Ken Grossman, founder, Sierra Nevada Brewing Co.
