Electronic home shopping is, without a doubt, one of the most sensational

Get Free Cox Communications Tv Guide Ri

developments to hit the retailing world since the advent of mail order shopping in the nineteenth century. One of the fastest-growing segments of the retail industry, it has mushroomed from a mere \$350 million to \$3 billion in volume in less than a decade. For the

Get Free Cox Communications Tv Guide Ri

businessperson thinking about entering these new markets, the time has never been better. And now this unique study provides you with all the detailed information and analysis you need to do it right. The Electronic Retailing Market explores, in depth, every aspect of

Get Free Cox Communications Tv Guide Ri

this dynamic new retailing segment, from its history and evolution, to the factors and trends that have contributed to its phenomenal growth of recent years, to its prospects for future growth. It begins with an overview of electronic retailing in the United States and then

Get Free Cox Communications Tv Guide Ri

zeroes in for a detailed look at each of its three major markets: television shopping channels, infomercials, and interactive retailing (shopping by computer). Numerous charts and tables define and trace the development of trends, while insightful commentary explains

Get Free Cox Communications Tv Guide Ri

how these trends are shaping electronic retailing today and how they are likely to impact upon its future. But that's not all. This unique study also features a series of Competitive Profiles in which leaders in each of the three major markets reveal the strategies they used to beat out the
