**The Fast and the Fabulous! Looking for knits that take only a little time but are big on style? Weekend Wraps features 18 designs that make short work of knitting gorgeous accessories. Cecily Glowik MacDonald and Melissa LaBarre, along with some of today's top design stars, have created a chic and cozy collection of cowls, shawls, shrugs, and ponchos. Many of these quick knits require less yarn than a sweater, making them the perfect projects for those special skeins you've been hoarding. The projects are all worked in worsted-weight or heavier yarn, so they'll fly off your needles, and keep you warm on a brisk walk in the woods, at an outdoor concert, or while strolling through town. Grab your needles and Weekend Wraps and you'll be ready for your next knitting getaway!**

Drawn to a beautiful, unique yarn, but not sure what to do with it? Look no further. Gorgeous hand-dyed, variegated, self-striping, speckled, and other fun yarns abound for the knitter today, but sometimes the color variations and changes can make it difficult to find patterns that allow the yarn to shine. Oftentimes, the simpler the pattern, the more the yarn gets to take center stage. With this book--hats, shawls, mittens, sweaters, and more--to let the yarn be the main feature. The 21 designs are written at a level for the motivated knitter who has made a scarf or two and is ready to move on to something a little more interesting and unique. Sidebars with photos and notes explain techniques that may be unfamiliar to beginners so that you can fearlessly make any piece. More experience is required for some projects, but the author's clear instructions and helpful tips make it all so easy. This is a showcase yarn as it slides along their needles and becomes a masterpiece of color.

These knitted and crocheted fashion accessories and decorative accents for the home vary in their required levels of skill, but all can be completed quickly and require only one skein of yarn. The stitch patterns and clear instructions make it easy for even procrastinators and the less-than-diligent to create a ruffled cravat, a drawstring bag, a tank top, cozy scarves, arm and leg warmers, lace wristlets, fingerless gloves, a mohair pillow, and even a sweater for a baby. Several projects do not require any new yarn at allinstead projects such as the Felted Striped Tote or the Labyrinth Circle Rug are designed using up a skein's worth of leftovers from other projects. A guide to terms and techniques, a resource directory, and a bibliography are also included.

The Don't Laugh Challenge(TM) - 8 Year Old Edition is HERE! Why did the astronaut quit his job? He heard the sky is the limit! Welcome to The Don't Laugh Challenge(TM) (A.K.A. The BEST kids joke book and game)! If you are open-minded about your kids learning new jokes, becoming more self-confident, AND developing a stronger sense of humor then this book is for you, well really... THEM! I'm sure by now you have heard of The Don't Laugh Challenge(TM) Joke Books Series, but in the rare case, you haven't, please allow me to explain what all of the fuss is about! The Don't Laugh Challenge(TM) Joke Books are unlike any other joke books on the market! It is not meant to be read in isolation, but instead, it is a game or a challenge that is to be played between friends, siblings, cousins, or any two people who like to tell jokes. In this case, our 6 Year Old Edition is the ultimate showdown between two players or '2 Jesters' that include kid's jokes AND silly scenarios! This book is hours of fun, and great gift ideas for 8 year old boys and girls! If you haven't heard of the rules, here they are: Each round is set up so that the 2 jokesters will take turns reading jokes to the other player. Next comes the Silly Scenarios, where each player will read the scenario to themselves, and act it out to get the other player to guess what in the world they are doing (think Charades)! Don't forget to use your silliest faces to get your opponent to crack a smile! When the person listening laughs or even cracks a smile, the joke teller gets a point. Follow the instructions at the bottom of each page until you tally up the final score and crown the Don't Laugh MASTER! Who should I get this new take on toy for, you ask? Do you know a boy or a girl that likes to laugh? The Don't Laugh Challenge(TM) game is good for all girls and boys age 8 and up! Give it as a stocking stuffer, Christmas gift or present! This imaginative book will spark your child's creative side all while being screen-free! Some old-fashioned, friendly competiitiion never hurt anybody! Whether you are looking for the newest gifts, games, presents, best sellers, or toys on the market, this renovated classic is a guaranteed hit for all ages! Your children will love it and so will you. Try it today!:) )

*Shawls are practical, versatile, and an ever-popular project among knitters. Noted designer Melissa Leapman has developed an innovative technique that promises hundreds of beautiful shawl design options in Knitting Modular Shawls, Wraps, and Stoles! Beginning with a simple triangular wedge, Leapman shows how multiple knit triangles can be joined together to create square, rectangular, trapezoidal, and semicircular shapes. Her easy and customizable technique offers knitters of all levels endless flexibility in design and yarn choices. Charted patterns for 185 different stitches allow readers to select their favorite embellishment for the main fabric of their shawl. Colorful photographs of 20 of Leapman's original designs illustrate the creative potential of this technique.*

*Combine mosaic and lace in your knitting for easy colorwork with impeccable style The impact of two-color knitting made while knitting with only one color yarn per row--yes, please! Add in a dash of lace to keep the fabric flexible, and what you end up with are knockout colorful knits with beautiful and comfortable drape. Barbara Benson has been experimenting with the fusion of mosaic knitting and lace stitches over the past few years, and has created this breathtaking collection of 20 shawls, cowls, scarves, hats, and other accessories. To make the patterns accessible to any knitter, she has added a helpful instructional section that covers the basics of knitting slip stitches, how to read lace and mosaic charts, how to work mosaic in the round, and tips and tricks to help you avoid potential pitfalls. The book has projects for all level knitters. Start with a project in which the mosaic and lace are worked in different sections, such as a hat with alternating bands of mosaic and lace. Then progress to more complex patterns where the slip stitch and lace stitches are worked at the same time. Each stitch plays an important role--these patterns will keep the interest of even the most experienced knitter!*

*Capelets, cowls, and collars are as chic as they are fun to make. But until Knit & Wrap, there have been few books that focus exclusively on these popular accessories. For this designer collection, Nathalie Mornu has chosen 25 varied projects that range from dramatic to sensible, bold to dainty, sassy to romantic - something for every style and mood. Wear a capelet and you'll want to shrug or flounce often, drawing all eyes on you. Whether it's a spectacular cabled number with an antique brooch closure or a fairy tale showstopper featuring woven ribbons galore, these projects exude sophistication. Cowls can either snuggle up under the chin or venture further, draping around the shoulders. The projects in this section easily capture attention with spectacular details. Collars are trims and embellishments that fit close to the neck. Get pretty in a wide cabled wool beauty with a flirty look or a multi-coloured dazzler edged with crocheted eyelash yarn. With Knit & Wrap, you'll soon discover how just a little bit of fabric can convey so much.*

*Three leading dolls artists share doll-making techniques, as well as step-by-step instructions to creating beautiful dolls of your own. Patti Culea, elinor peace bailey, and Barbara Willis are three of the leading doll artists and teachers in the country. They are also friends. Each of these artists has her own distinct approach to the design and development of a cloth figure. In this book, each artist's process will come alive through their choice of fabrics, sketches, simple patterns, and skill-building variations. The book is oriented toward beginning doll makers but offers unique variations and embellishments to please even more experienced doll designers. Two introductory chapters cover basic materials and techniques. Each artist's chapter includes step-by-step illustrations, instructions, and patterns to make a complete doll, plus variations that create completely new figures. Readers are treated to full color photography and a look inside of each artist's workspace. A gallery of additional creations by each artist, along with commentary on each work completes the collection. This is a must-have book for any aspiring or experienced doll making.*
