How to Remove All Negative Items from Your Credit Report

Do you want to learn the best tricks and secrets to repair your credit and improve your score? Your credit score is considered to be one of the most crucial factors in your financial life. Decide if a loan or credit line will be requested. A credit score is a numerically determined number created by the Fair Isaac Corporation (FICO) that lenders use to evaluate potential customers. You are probably one of the millions of people who are struggling to repair your credit. You find yourself trying everything from paying your credit card debt to removing new credit cards and checking your monthly payment. While this helps, however, note that your score is low. You won't be able to buy a home for your family and find yourself struggling to find an auto dealer that will work with your credit. In fact, you end up taking a car loan with high-interest rates because it is considered a serious risk. You may have had health problems, which have caused you financial difficulties for a couple of years. There are dozens of reasons why people find themselves with bad credit. There are also dozens of reasons why people struggle to fix it. How to handle this situation? In this book, I will explain everything you need to know to start managing your money better and change your financial situation. But before you can be alarmed, I immediately want to calm down on one thing. Although it may seem difficult to do, you can manage your money better and everyone can do it. If you strictly follow my instructions and if you commit yourself a little, I am sure that you will not have any problem with doing what I recommend. If you too, like so many other people, find it difficult to manage your money and you cannot live with dignity on your salary or the income from your work, read this book that I have written for you. Look we all pray for good credit. Your Prayers have been answered. Thirty-one States sued the credit bureaus and you won. Updated for 2019. They say one picture is worth one-thousand words. Well one video must be worth one million words.Credit Repair Credit Dispute letter Bible Have you read any of these other credit repair books? I have read almost all of them. Most should be filed in the fiction section of Amazon.Seriously I know most of these people have no idea what they are talking about. It's like someone got something deleted from their report and they are experts.I first started working in the credit business many years ago. My first job was working as a loans officer for a national bank. My job was to get financing for people with very shaky credit.Much of my pay was commission based. This really drove

me to help people get the loans they needed. The only way to do this was to rapidly increase their credit score. At first this seemed impossible but after a chance encounter with a man named Tom Bradley things started to change. Tom worked at a national credit bureau and we met at a business convention about mortgages. Tom showed me many techniques on Rapid Rescoring and Quick Credit Repair Techniques. Me and Tom stayed in touch and a few years before he retired he got me a job at his credit bureau. When I first got there I was very surprised at how high up in the company he was. He took me under his wing and that's when school got kicked into high gear. We worked 9 hour days and every second Saturday. Talk about a lesson on the credit industry. He showed me things that would be the difference between someone losing their house or not. It was very powerful stuff. I could go on and on here about my experience working as a credit bureau manager or how I was a loans officer for 6 years but I won't bore you with all the details. This really is not about me anyways. It's about you and your credit. You can choose to believe me or not. But here are some things to consider 1) I am a real person, with my book I include my phone number and email. 2) Don't ever (like all these books tell you) get your free report from www.annualcreditreport.com. This gives the bureau's 45 days to respond instead of 30 days. 3) When you get your report Opt out of the mandatory arbitration agreement or you are already starting to lose the game. 4) Your credit dispute has been OUTSOURCED TO INDIA. 5) My book was updated in 2016 not some old stuff these books try to tell you will work. For the cost of a few overpriced Starbucks Frappuccino's I am going to sit down with you through my book and give you the real deal. You will learn how to beat the system legally. See you on the other side.

Are you saying right now DAMN THOSE (Bleeping) CREDIT BUREAU'S? Are those Credit Bureaus stopping you from getting: AN APARTMENT: Sorry here is your damage deposit back your credit application was not approved but thanks for the \$30.00 credit application fee. EMPLOYMENT: Sorry you are qualified and we really liked your interview, but after seeing your credit report we will be going a different route. AUTOMOBILE: Well we did get you approved but unfortunately the down payment we talked about will be significantly more. Your monthly payment will also be \$168 more a month. We understand that's not financially possible for you but if things change let us know. There is a bus stop about a block away thanks for coming in and help yourself to a cup of coffee on your way out. HOUSE: You seem like a nice couple and it's great you are expecting your first child soon but unfortunately we can't get you the mortgage we advertised everywhere. You might want to try those companies online that charge insane interest rates and want a huge deposit as well as your first born child. Thanks for coming in and would you mind filling out a survey online about how well we served you today? "A good friend of mine is a divorce attorney. He knows what I do so whenever we get together the subject always seems to go to credit. He told me he's shocked at how much "spouse has bad credit" comes up during a divorce. He says it's always an issue women have. We have deducted that women love to nest. They want security (I guess we didn't have to be rocket scientist to figure that out)." So anyway STOP RIGHT NOW AND SCROLL TO THE TOP OF THE PAGE AND BUY THIS BOOK SO WE CAN GET STARTED. Is that being forward enough? Seriously we are talking about the cost of a cup of Starbucks coffee. By the way Starbucks in no way endorses my book lol. Howard Schultz the chairman and CEO of Starbucks I'm sure doesn't have credit issues. " So if you are still here you might need some more convincing I guess. Good for you... due diligence." My name is John D. Harris I could go on and on here about my experience working as a credit bureau manager but I won't bore you with all the details. THIS REALLY IS NOT ABOUT ME ANYWAYS. IT'S ABOUT YOU AND YOUR CREDIT. Even though your credit affects your whole life experience you probably know very little about real credit repair. Most of the books I have read online about credit repair are out of date or more often than not don't really have a clue what is going on. Let's face it all our lives are on a clock that is always ticking. Tick Tock Tick Tock. THIS IS NOT A PRACTICE RUN. This is your one life. Every day with bad credit is a day you are not experiencing your full life experience. Imagine knowing you have great credit. You know when you talk to the guy in the suit that you have great credit. You know you will be approved for anything. You can shop around for the best rates. You have the best property and pay less than the guy with the dumpy property. You drive the best car for less than the poor guy driving the seven-year-old vehicle. You might start flipping property. You might buy a business on credit. People respect you because you are the baller, you can get things done because you have access to CREDIT. You can take advantage of great deals because you have CREDIT. My bet is that you know more about cooking a turkey, changing your oil, what's on Netflix, Geography, Donald Trump, Words of a different language, Facebook, etc. THAN YOU DO ABOUT REAL CREDIT REPAIR. I guarantee you can have good credit PS: I am a real person, with my book I include my phone number and email. You will also get unlimited access to my members only website with so many valuable resources. John D. Harris

EMPLOYMENT: Sorry you are qualified, and we really liked your interview, but after seeing your credit report we will be going a different route. AUTOMOBILE: Well we did get you approved but unfortunately the down payment we talked about will be significantly more. Your monthly payment will also be \$168 more a month. We understand that's not financially possible for you but if things change let us know. Thanks for coming in and help yourself to a cup of coffee on your way out. Look a good friend of mine is a divorce attorney. He knows what I do so whenever we get together the subject always seems to go to credit. He told me he's shocked at how much "spouse has bad credit" comes up during a divorce. He says it's always an issue women have. We have deducted that women love to nest. They want security (I guess we didn't have to be rocket scientists to figure that out). So anyway, STOP RIGHT NOW AND SCROLL TO THE TOP OF THE PAGE AND BUY THIS PUBLICATION SO WE CAN GET STARTED. Is that being forward enough? Seriously we are talking about the cost of a cup of Starbucks coffee. So, if you are still here you might need some more convincing, I guess. Good for you... due diligence. My name is John D. Harris I could go on and on here about my experience working as a credit bureau manager, but I won't bore you with all the details. THIS REALLY IS NOT ABOUT ME ANYWAYS. IT'S ABOUT YOU AND YOUR CREDIT. Even though your credit affects your whole life experience you probably know very little about real credit repair. Most of the books I have read online about credit repair are out of date. Or the authors don't really know about credit repair. Let's face it all our lives are on a clock that is always ticking. Tick Tock Tick Tock. THIS IS NOT A PRACTICE RUN. This is your one life. Every day with bad credit is a day you are not experiencing your full life experience. People respect you because, you can get things done, you have access to CREDIT. My bet is that you know more about cooking a turkey, changing your oil, what's on Netflix, Geography, Donald Trump, Words of a different language, Facebook, etc. THAN YOU DO ABOUT REAL CREDIT REPAIR. I guarantee you can have good credit PS: I am a real person. This is really my Publication PSS: You can have great credit just listen to me. Is that blunt enough for you. Purchase the publication.

Do you realize your credit score? You should. A credit score can decide your qualification for the nuts and bolts of life. Your credit rating influences your capacity to buy a home, land a decent financing cost on advances, and even find a new line of work. It speaks to the danger of non-installment that you present to a moneylender. Generally, credit scores fit into any of five classes: excellent, awesome, great, reasonable, and exceptionally poor. Your credit card reports decide your credit score. If you have an "excellent" credit rating, you could wind up paying a much lower price on an obligation because the apparent danger of your default is substantially less than that of an individual with a "reasonable" credit score. You will have practically zero issues getting an advance if your credit score is in any event great. Be that as it may, you can even now get credit cards for having reasonable credit. If you have an exceptionally poor credit score, you will most likely be unable to get advances. This guidebook will cover all of the tips and tricks that you need to know in order to get to know about credit scores.
