police and public administration, and police training academies. It also has considerable utility as a classroom text in courses on policing and police administration. Includes a forward by Ronald K Noble, Secretary General of INTERPOL.

Read Book Critical Issues In Police Training

The New Police Officer During the past twenty years the tasks required of police officers have expanded and changed with dramatic rapidity. The traditional roles of the police had been those of law enforcement and the maintenance of public order. As a

Read Book Critical Issues In Police Training

consequence police officers were typically large-bodied males, selected for their physical abilities and trained to accept orders and enforce the law. Over the past two decades, however, the industrialized nations have placed a variety of new

Read Book Critical Issues In Police Training

demands on police officers. To traditional law enforcement and public order tasks have been added social work, mental health duties, and community relations work. For example, domestic disputes, violence between husbands and wives, lovers,

Read Book Critical Issues In Police Training

relatives, etc. , have increased in frequency and severity (or at least there has been a dramatic increase in reporting the occurrence of domestic violence). Our societies have no formal system to deal with domestic disputes and the responsibility to do

Read Book Critical Issues In Police Training

so, in most countries, has fallen to the police. In fact, in some areas as many as 60%. of calls for service to the police are related to domestic disputes (see the chapter in this text by Dutton). As a result the police officer has had to become a skilled

Read Book Critical Issues In Police Training

social worker, able to intervene with sensitivity in domestic situations. Alternatively, in the case of West Germany, the officer has had to learn to work co-operatively with social workers (see the chapter by Steinhilper).

confronting law enforcement officers. Findings of police science research have been incorporated into legal discussions to place the law in a context meaningful to future police officers or executives.

Building on the strength of previous editions, the fourth edition presents a well-conceived, clearly

Read Book Critical Issues In Police Training

stated analysis of complex issues confronting law enforcement officers and administrators. Law enforcement duties sometimes place police officers in vulnerable positions regarding their legal obligations and expose them to charges of misconduct. Civil liability is an extremely expensive proposition

Read Book Critical Issues In Police Training

for police officers, law enforcement agencies, governments, and ultimately taxpayers.

Although substantial resources are often expended by the justice system to resolve liability cases, there are benefits to citizens.

When the government assumes the responsibility to provide service or to protect the

Read Book Critical Issues In Police Training

public, people injured by inadequate performance of those responsibilities deserve compensation; innocent parties who suffer injury should have an avenue for redress. The potential for litigation has been an impetus for better training and more responsible practices. Another excellent resource on the topic,

Read Book Critical Issues In Police Training

Kappeler's edited volume of Supreme Court cases, *Police Civil Liability, Second Edition*, allows students to understand firsthand the legal reasoning behind Court decisions dealing with these same issues.

This dissertation
investigates police
report writing at the
Jackson Police
Department in
Northwest
Arkansas. It
presents three
primary research

Read Book Critical Issues In Police Training

questions which are addressed through qualitative methods of interview, observation, and discourse analysis.

1) In what ways does police training address report writing? 2) What audience awareness do police officers have when

Read Book Critical Issues In Police Training

writing reports? 3)

How do actual
report audience
members read and
evaluate reports?

The police academy
in this study fails to
spend the
necessary time
discussing report
writing. This is not
rectified by the in-
house training

Read Book Critical Issues In Police Training

program, which pairs officers with Field Training Officers that are often reluctant or unqualified to address report writing. There is little to no discussion of the report genre, its purpose, or its readers. The readers of the report

Read Book Critical Issues In Police Training

were unsatisfied with the report presented in the study. They complained that important information was left out and that details of the event were unclear. The audience response was completely underestimated by

Read Book Critical Issues In Police Training

the officer who wrote the report. In his interview, he claimed all the information that he, his supervisor, prosecutor, and other readers would need was included in the report. This assumption was largely misplaced, and his limited

Read Book Critical Issues In Police Training audience

awareness was demonstrated in this study. The primary finding of this dissertation is that current police training programs and literature fail to address important issues such as genre and audience in regards to report

Read Book Critical Issues In Police Training

writing. This lack of training may result in officers that are unprepared to meet the literacy needs of judicial system.

The need for evidence-based practice to enhance current and future police training and assessment has never been greater.

Read Book Critical Issues In Police Training

This need focuses on the procedures and findings of research within the field of police work along with the philosophy guiding these research approaches and commentaries on the methods being used. With many future directions for

The problem is not
overpolicing, it is
policing itself. Why
we need to defund

Read Book Critical Issues In Police Training

the police and how we get there.

Recent weeks have seen an explosion of protest against police brutality and repression. Among activists, journalists and politicians, the conversation about how to respond and improve policing has focused on

Read Book Critical Issues In Police Training

accountability,
diversity, training,
and community
relations.

Unfortunately,
these reforms will
not produce results,
either alone or in
combination. The
core of the problem
must be addressed:
the nature of
modern policing

Read Book Critical Issues In Police Training

itself. This book attempts to spark public discussion by revealing the tainted origins of modern policing as a tool of social control. It shows how the expansion of police authority is inconsistent with community empowerment,
