A far-from-warm welcome greets Hercule Poirot as he arrives for lunch at Lucy Angkatell` s country house. A man lies dying by the swimming pool, his blood dripping into the water. His wife stands over him, holding a revolver. As Poirot investigates, he begins to realize that beneath the respectable surface lies a tangle of family secrets and everyone becomes a suspect.

Shakespeare Survey is a yearbook of Shakespeare studies and production. Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme, or play, or group of plays; each also contains a section of reviews of the previous year's textual and critical studies and of major British performances. The books are illustrated with a variety of Shakespearean images and production photographs. The current editor of Survey is Peter Holland. The first eighteen volumes were edited by Allardyce Nicoll, numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells. The virtues of accessible scholarship and a keen interest in performance, from Shakespeare's time to our own, have characterized the journal from the start. For the first time, numbers 1-50 are being reissued in paperback, available separately and as a set.

Agatha Christie's imaginative crime novels and thrillers made her a household name from the 1920s right through to her final books in the early 1970s. She was the creator of Hercule Poirot and Miss Jane Marple. This work brings together N or M?, Towards Zero, Sparkling Cyanide and Crooked House, all four stand-alone novels written by her.

A Miss Marple Series Novel Six people sit down to a sumptuous meal at a table laid for seven. In front of the empty place is a sprig of rosemary: rosemary for remembrance. A strange sentiment considering no one is likely to forget the night exactly a year ago, that Rosemary Barton died at exactly the same table, her beautiful face unrecognizable, convulsed with pain and horror.But then Rosemary had always been memorable: she had the ability to arouse strong passions in most people she met. In one such case, strong enough to kill.

“Writing Crooked House was pure pleasure and I feel justified in my belief that it is one of my best.” --Agatha Christie
Described by the queen of mystery herself as one of her favorites of her published work, Crooked House is a classic Agatha Christie thriller revolving around a devastating family mystery. Agatha Christie created magnificent works of suspense for the theater, and eight of her riveting stage dramas are collected in The Mousetrap and Other Plays—including the title piece, the longest running play in history, still a smash hit in London's West End after 60 years! On an isolated island, ten people have been brought together to be killed off. An evil old woman has a rendezvous with death in the desert heat of Jerusalem. A scheming wife testifies against her husband in a shocking murder trial. And a homicidal maniac terrorizes a group of snowbound guests to the refrain of "Three Blind Mice." This collection of eight works proves that Agatha Christie's plays are as compulsive as her novels, with their colorful characters and ingenious plots providing yet more evidence of her mastery of the detective thriller. Includes: And Then There Were None, Appointment with Death, The Hollow, The Mousetrap, Witness for the Prosecution, Towards Zero, Verdict, and Go Back for Murder.

With his signature wit, the award-winning author of Anno Dracula, Kim Newman, reimagines the lives of Raymond Chandler and Boris Karloff in this daring and horrifying tale. "If more mysteries were written like this, I`d read more mysteries." - Grady Hendrix, author of The Final Girl Support Group
Hollywood, the late 1930s
Raymond Chandler writes detective stories for pulp magazines, and drinks more than he should. Boris Karloff plays monsters in the movies. Together, they investigate mysterious matters in a town run by human and inhuman monsters. Joh Devlin, an investigator for the DA`s office who scores high on insubordination, enlists the pair to work a case that threatens to expose Hollywood`s most horrific secrets. Together they will find out more than they should about the way this town works. And about each other. And, oh yes, monsters aren`t just for the movies.

The Sittaford Mystery is Dame Agatha at her most intriguing, as a séance in a snowbound house predicts a particularly grisly murder. In a remote house in the middle of Dartmoor, six shadowy figures huddle around a table for a seance. Tension rises as the spirits spell out a chilling message: "Captain Trevelyan . . . dead . . . murder." Is this black magic or simply a macabre joke? The only way to be certain is to locate Captain Trevelyan. Unfortunately, his home is six miles away and, with snowdrifts blocking the roads, someone will have to make the journey on foot. . . .

**TWO BESTSELLING MYSTERIES IN ONE GREAT PACKAGE!** From the Queen of Mystery, The Man in the Brown Suit, in which a young woman makes a dangerous decision to investigate a shocking “accidental” death she witnesses at a London tube station, and Crooked House, where Charles Hayward must solve a devastating family mystery. THE MAN IN THE BROWN SUIT Pretty, young Anne came to London looking for adventure. In fact, adventure comes looking for her—and finds her immediately at Hyde Park Corner tube station. Anne is present on the platform when a thin man, reeking of mothballs, loses his balance and is electrocuted on the rails. The Scotland Yard verdict is accidental death. But Anne is not satisfied. After all, who was the man in the brown suit who examined the body? And why did he race off, leaving a cryptic message behind: "17-122 Kilmorden Castle"? Twisty, clever, and intriguing, The Man in the Brown Suit showcases Agatha Christie once again at her very best. CROOKED HOUSE The Leonides are one big happy family living in a sprawling, ramshackle mansion. That is until the head of the household, Aristide, is murdered with a fatal barbiturate injection. Suspicion naturally falls on the old man's young widow, fifty years his junior. But the murderer has reckoned without the tenacity of Charles Hayward, fiancé of the late millionaire's granddaughter.

IN THE CHILLING TRADITION of Daphne du Maurier and with the acuity of Kate Atkinson comes an atmospheric psychological thriller about an isolated British village and the sinister abandoned house that holds the key to its most shameful secrets. Alison is as close to anonymous as you can get: she has no ties and no home, and her only anchors are her boyfriend and her small backroom job in publishing. Which is exactly how she wants it. Because once, Alison was a teenager named Esme who lived in a remote, dilapidated house by a bleak estuary with her parents and three siblings. One night something terrible happened in the family's crooked house, leaving Alison the only survivor. In order to escape from the horror she witnessed, she moved away from the village, changed her name, and cut herself off from her past. But now her boyfriend has invited her to a wedding being held in her old hometown, which means returning there for the first time since that night. She decides that she's never going to overcome the trauma of what happened to her without confronting it, so she accepts his invitation. But soon Alison realizes that the events of that night left their awful mark not just on her but on the entire village, and she begins to suspect that everyone there might somehow be implicated in her family's murder. Christobel Kent's The Crooked House is a haunting thriller about one woman's search for the truth about her past through a closed community full of dark secrets.

A witty and sophisticated mystery featuring bestselling author Josephine Tey's popular Inspector Alan Grant, a beloved character created by a woman considered to be one of the greatest mystery writers of all time. Literary sherry parties were not Alan Grant's cup of tea. But when the Scotland Yard Inspector arrived to pick up actress Marta Hallard for dinner, he was struck by the handsome young American photographer, Leslie Searle. Author Lavinia Fitch was sure her guest "must have been something very wicked in ancient Greece," and the art colony at Salcott St. Mary would have agreed. Yet Grant heard nothing more of Searle until the news of his disappearance. Had Searle drowned by accident or could he have been murdered by one of his young women admirers? Was it a possible case of suicide or had the photographer simply vanished for reasons of his own?

"The Undertaker's Daughter is a wonderfully quirky, gem of a book beautifully written by Kate Mayfield....Her compelling, complicated family and cast of characters stay with you long after you close the book" (Monica Holloway, author of Cowboy & Wills and Driving With Dead People). How does one live in a house of the dead? Kate Mayfield explores what it meant to be the daughter of a small-town undertaker in this fascinating memoir evocative of Six Feet Under and The Help, with a hint of Mary Roach's Stiff. After Kate Mayfield was born, she was taken directly to a funeral home. Her father was an undertaker, and for thirteen years the family resided in a place nearly synonymous with death, where the living and the dead entered their house like a vapor. In a memoir that reads like a Harper Lee novel, Mayfield draws the reader into a world of haunting Southern mystique. In the turbulent 1960s, Kate's father set up shop in sleepy Jubilee, Kentucky, a segregated, god-fearing community where no one kept secrets—except the ones they were buried with. By opening a funeral home, Frank Mayfield also opened the door to family feuds, fetishes, murder, suicide, and all manner of accidents. Kate saw it all—she also witnessed the quiet ruin of her father, who hid alcoholism and infidelity behind a cool and charismatic façade. As Kate grows from trusting child to rebellious teen, the enforced sobriety of the funeral home begins to chafe, and she longs for the day she can escape the confines of Jubilee and her place as the undertaker's daughter. "Mayfield fashions a poignant send-off to Jubilee in this thoughtfully rendered work" (Publishers Weekly).

A nursery rhyme figures tantalizingly in each of these novels, but there is nothing childlike about the dark secrets and darker deeds of some of the characters, nothing innocent about the murderers. Whether the detective featured is the delightful, sharp-eyed Miss Marple, the redoubtable Hercule Poirot, or Chief Inspector Taverner of Scotland Yard each one is challenged by an adversary worthy of a master of crime. Here is Agatha Christie at her best - baffling, daringly logical, and immensely entertaining.
