Detective Harry Bosch
was sure he'd shot the
serial killer responsible
for a string of murders

in LA . . . but now, a new crime makes him question his convictions. The Dollmaker was the name of the serial killer who had stalked Los Angeles ruthlessly, leaving grisly calling cards on the faces of his female victims. Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's

nightmare. But the dead man's widow is suing Harry and the LAPD for killing the wrong man-- an accusation that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. So for the second time, Harry must hunt down a death-dealer who is very much alive, before he strikes

again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. night to the last place he ever wanted to go-- the darkness of his own heart. With *The Concrete Blonde*, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a breathtaking thriller that

thrusts you into a blistering courtroom battle-- and a desperate search for a sadistic killer.

placing each
work within
the context of

Detective
Harry Bosch

investigate a
cold case that

. . . very
fast. In the
LAPD's Open-

a man succumbs

from being

ten years
earlier, Bosch

Even a veteran cop would find this one tough going, but Bosch's new

Beginning with

years-old

these soon
reveal that
the shooting
was anything
but random. As
their

picks up
speed, it
leads to
another

greater
stakes: the
deaths of
several
children in a

careers and

decide whether
it is worth

it's safer to
