The sparkling Christmas novel from the Sunday Times bestselling author Heidi Swain! Will love bloom this winter? Freya Fuller is living her dream, working as a live-in gardener on a beautiful Suffolk estate. But when the owner dies, Freya finds herself forced out of her job and her home with nowhere to go. However, with luck on her side, she’ s soon moving to Nightingale Square and helping to create a beautiful winter garden that will be open to the public in time for Christmas. There’ s a warm welcome from all in Nightingale Square, except from local artist Finn. No matter how hard the pair try, they just can’ t get along, and working together to bring the winter garden to life quickly becomes a struggle for them both. Will Freya and Finn be able to put their differences aside in time for Christmas? Or will the arrival of a face from Freya’ s past send them all spiralling? The Winter Garden is the perfect read this Christmas, promising snowfall, warm fires and breath-taking seasonal romance. Perfect for fans of Carole Matthews, Cathy Bramley and Sarah Morgan. Praise for HEIDI SWAIN: ‘The queen of feel-good’ Woman & Home ‘Full of Heidi’ s trademark gentle charm. Lock the door, pour some mulled wine and settle into this wonderful Christmas treat!’ Milly Johnson ‘More Christmassy than a week in Lapland - we loved it!’ heat ‘Sprinkled with Christmas sparkle’ Trisha Ashley ‘Give yourself a Christmas treat and curl up with this magical book!’ Sue Moorcroft, author of The Little Village Christmas ‘A real Christmas cracker of a read!’ Penny Parkes, author of Practice Makes Perfect ‘Cosy, Christmassy and deeply satisfying! Another wonderful read!’ Mandy Baggot, author of One Christmas Kiss in Notting Hill

Wasted. Covered in glitter. Wearing the ugliest dress in existence. Also known as: me, the night I stumble into bed with a Fairfield. -- Back cover.

In the post genomic era, understanding of the innate immune system is enriched by findings on the specificity of innate immune reactions as well as to novel functions that do not strictly correlate with immunological defense and surveillance, immune modulation or inflammation. This volume covers natural killer cells, mast cells, phagocytes, toll-like receptors, complement, host defense in plants and invertebrates, evasion strategies of microorganisms, pathophysiology, protein structures, design of therapeutics, and experimental approaches.

Get ready for The Undoing, soon to be the most talked about TV of 2020. From the creators of Big Little Lies, The Undoing premieres this autumn starring Nicole Kidman, Hugh Grant and Donald Sutherland. ‘A great psychological thriller ... I couldn’t put it down.’ Daisy Goodwin ‘Gripping ... had me in its thrall from page one ... Brilliant.’ Metro A New York Times bestseller Grace Sachs, a happily married therapist with a young son, thinks she knows everything about women, men and marriage. She is about to publish a book called You Should Have Known, based on her pet theory: women don’t value their intuition about men, leading to serious trouble later on. But how well does Grace know her own husband? She is about to find out, and in the place of what she thought she knew, there will be a violent death, a missing husband, and a chain of terrible revelations. Left behind in the wake of a very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for herself and her child. To My Arrogant Boss

Shades of Lovers

George is excited about his new rug, but happiness gives way to dread when he accidentally spills grape juice on it. George tries everything he can think of to clean the stain, with hilarious results!

Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love.The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire.Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

Come home to 59 Memory Lane with a new novel from the top Kindle and USA Today bestselling author Celia Anderson!

love comes in many colors. this is a story of breaking and healing, of forgiving but not forgetting, of understanding and balance. it is not only something to enjoy, but something to learn from. here are the things i did right, and the many things i did wrong. i give them to you, so that when love comes knocking, you will have a sense of what to do when you open the door.

Explore the experience of six different relationships in this moving collection that dives into the highs and lows of love.

“This heartfelt, witty addition to women’s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen.” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow’s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, “What is family, really?”

A delightful book for preschoolers who are curious about counting! Curious George is a monkey who’s learning math—that is, how to count all his favorite things. Not only that, but he’s going to do it both forward and backward—from one to ten, and then ten to one! With this colorful book featuring classic illustrations by H.A. Rey, “youngsters count along with ‘1 curious monkey’ as he points out ‘2 dinosaurs,’ ‘3 tasty donuts’ and up to ‘10 paper boats’ before counting down again” (Publishers Weekly).

One hot summer day, George and the man with the yellow hat go to the beach. What fun George has at the beach! What fun he has feeding the seagulls! It’s fun, that is, until they fly away with something valuable and George must find a clever way to save the day. One Hot Holiday

"Climate change? Global warming?"... We've probably all heard these words over and over again, from media reporters, from elected officials, and even from friends and co-workers. Scientists argue about what they mean for our future. What is the truth?

How can we decipher exactly what really are the effects of environmental damage? Where can we go to get dependable, clearly-written information so we can join in the conversation and take the right action? THE CURIOSITY GUIDE TO GLOBAL WARMING fills that need, with a scientifically accurate introduction to perhaps the most important issue of our time. It unravels the mysteries of nature and settles any issue of "reasonable doubt" about the reality of global climate change. Dr. Ernest Zebrowski, a prominent scientist and educator, examines everything from melting glaciers and disappearing snow covers to increased levels of carbon dioxide in our atmosphere; patterns of climate change through the centuries, and the potentially disastrous effects (including rising seas, more violent storms, and alterations in agricultural productivity) of environmental damage. If you need to understand what's in the news, in print and on line about this subject, this is the one book to read. From the Hardcover edition.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

She’s running for her life. He’s the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It’s a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He’s charming, he looks way too good in a Santa hat, and, oh, yes, he’s her new landlord. The hits just keep coming. She can’t afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It’s purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that’s just sexy Spencer. Usually, Haley falls for the bad guy. It’s the whole reason she’s running for her life. She can’t help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish.

Sheriff Spencer Lane can’t believe his luck. The most beautiful, fascinating woman he’s ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy.

Probably because of the badge. And if she wants him to be the hero, that’s a role that he’s happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don’t make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

A beguiling celebration of the extraordinary in ordinary people’s lives, this gently moving and beautifully written novel tells the stories of the people of Currawalli Street across the generations. It’s a modern classic in the making that will stay with you long after the last page is turned.

Cupid in Early Modern Literature and Culture

The Cottage of Curiosities (Pengelly Series, Book 2)

As we approach the 21st century, the Advances in Computers serial remains the oldest continuously published anthology chronicling the evolution of the information technology field. Since 1960, this series has described the ever-changing nature of computing. In this volume, we will emphasize the major themes that have dominated computing in these latter days of the 1990s. Of course we mean the distributed nature of information technology. The growth of networking, the Internet and the World Wide Web have greatly changed the role of the computer, and in turn, our lives as well. Starting as a computer science research topic in 1969, the ARPANET, funded by the U.S. government's Advanced Research Projects Agency (ARPA), tied together university, research, and military computing centers. By the mid-1980s the ARPANET evolved into the Internet under funding by the U.S. National Science Foundation (NSF). The computer experimenter, the so-called "computer geek," discovered the Internet and joined the fun. By the early 1990s, the World Wide Web (WWW) grew as a subnet of the Internet, and email and Web browsing became available to all. Today millions of "computer illiterate" individuals daily use these resources to send mail and search for online information. No longer is the Internet the domain of the serious computer researcher. In this volume we will describe some of the changes the Internet has brought us.

Current Issues in School Leadership examines controversies about, and affecting, school practices. Focusing on two essential questions--what is important to today's school leaders? and what is interfering with schooling processes?--it includes chapters by a broad range of authors, with expertise on their specific topic. The text is organized in three sections: *Social and Political Issues; *Curriculum and Learning Issues; and *Organization and Management Issues. The goal of this text--designed for school leadership, educational administration, and foundations of education courses--is to challenge readers to think carefully and critically about each of the issues presented, leading to positive action and leadership.

Cupid became a popular figure in the literary and visual culture of post-Reformation England. He served to articulate and debate the new Protestant theory of desire, inspiring a dark version of love tragedy in which Cupid kills. But he was also implicated in other controversies, as the object of idolatrous, Catholic worship and as an adversary to female rule: Elizabeth I's encounters with Cupid were a crucial feature of her image-construction and changed subtly throughout her reign. Covering a wide variety of material such as paintings, emblems and jewellery, but focusing mainly on poetry and drama, including works by Sidney, Shakespeare, Marlowe and Spenser, Kingsley-Smith illuminates the Protestant struggle to categorise and control desire and the ways in which Cupid disrupted this process. An original perspective on early modern desire, the book will appeal to anyone interested in the literature, drama, gender politics and art history of the English Renaissance.

Almost four decades of innovative and intensive research on Alzheimer’s disease (AD) have brought major advances in our understanding of its pathogenesis, improved tools for diagnosis, and strategies for its treatment. This research has helped build a solid foundation of knowledge in the neurosciences and biological basis of AD and AD-related neurological disorders. Scientific background and insightful hypotheses are of major relevance in order to approach to an effective therapy for this devastating disease. Current Hypotheses and Research Milestones in Alzheimer’s Disease contains 20 seminal chapters by authors with varying views on the neuroanatomical, neuropathological, neuropsychological, neurological, and molecular aspects of AD. These chapters grew out of “Current Hypothesis on Alzheimer’s Disease”, held in Viña del Mar, Chile, in November of 2007. Participants included the world’s leading Alzheimer’s researchers, whose work has illuminated AD investigations during the past few decades. Students, academics and medical professionals will find this text an invaluable addition to the study of this important subject.

When the man with the yellow hat promises to buy George a holiday surprise during their trip to the city, George decides he wants to give his friend a surprise too. But it isn't long before the little monkey's curiosity gets him into trouble and he gets separated from his friend. all the sparkling decorations, what he enjoys most is finding his best friend and enjoying the city together.

George is taking pictures of wild animals and their tracks for his photo collection. While looking for the fawn his friend Bill spotted, he finds an unusual set of tracks. George thinks he has discovered dinosaur footprints—which would make the perfect addition to his collection! I lure the dinosaur with food, but quickly remembers that some dinosaurs are not friendly. Eventually George discovers the real culprit behind the tracks and it's not what he expects!

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. I doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

Curious George's 1 to 10 and Back Again

The Undoing

This book addresses prominent trends in learning disabilities in a systematic and comprehensive manner. The book's major premise focuses on the early identification and intervention of learning disabilities which can positively impact a child's academic performance by making achievement possible. Critical information is discussed to prevent undected learning disability which may lead even an older student to struggle with poor grades, low self-esteem, loss of interest in higher education, and reduced employment. The book presents current knowledge based information on forces outside of the school that impact the field of learning disabilities such as, advances in evaluation and testing, diagnostic imaging of the functioning brain, evolving ways of conceptualizing learning disabilities that include multicultural perspectives, challenges to conventional views of intelligence and new federal laws that place performance demands upon schools. Additionally, instructional best practice approaches and new technology is provided that should enhance the academic teaching of students. There is even a chapter on a model inner city program that discusses teaching of students with severe learning difficulties. Finally, there is a chapter on the role that school counselors play in planning for college and careers in a climate of societal expectation that promotes a college education as an obtainable goal for students with learning disabilities. The book is valuable to general and special education teaches, school psychologists, teacher educators, practicing mental health clinicians, and school and career counselors. A secondary audience is graduate students in special education and counseling graduate programs who need a comprehensive resource book on current trends and best practices.

Here comes a Clancy first: a new series of novels for young adults starring a team of troubleshooting teens--the Net Force Explorers--who know more about cutting edge technology than their teachers!

Travis King is the worst kind of asshole.He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him.It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to.His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more.Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear.He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing.Because the King is about to get played at his own game-and lose.Checkmate.

It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay...

This Is War

Current Issues in School Leadership

A Gentleman's Collection of Beastliness

Current Perspectives on Learning Disabilities

The best libraries in Victorian Britain kept this tome under lock and key, permitting access only to doctors and professors. Scotland Yard had a copy in their reference library, and even Sherlock Holmes may have had recourse to a copy in certain investigations. In private collections across the English speaking world, it was kept on top shelves, or safely stowed in locked cabinets, beyond the reach of minors, domestics and spouses. Any woman who gazed upon its pages was said to have fainted away. The church campaigned to have it banned and the German translation was burned at Nuremberg. Many antiquarian book sellers believe the book to have been a myth, others claimed it changed hands at enormous cost, and some are certain all original copies are now lost. But Curious Pleasures does exist and is back in print - nearly a century since it's last apocryphal edition. This encyclopaedic treasure of adult pleasures, dysfunctions and unacceptable female behaviour has been fully restored with the original illustrations intact. In modern hands, this forbidden work of scholarly madness will prove hilarious.

Brisbane lawyer Clare Mitchell has a structured, orderly life. That is, until she finds herself the unlikely guardian of a small, troubled boy. In desperation, Clare takes Jack to stay at Currawong Creek, her grandfather's horse stud in the foothills of the beautiful Bunya Mountains. Here life moves at a different pace, and for Clare it feels like coming home. Her grandad adores having them there. Jack loves the animals. And Clare finds herself falling hard for the handsome local vet. But trouble is coming. The Pyramid Mining Company threatens to destroy the land Clare loves – and with it, her newfound happiness. 'An excellent read.' Newcastle Herald 'Delightful, thoughtful and heartwarming.' Book'd Out 'Ms Scoullar's love of the land truly shines through ... Told with warmth and humour, this is a story about family, the risks and rewards of selfless devotion and the powerful bonds we form with animals and the land.' Book Muster Down Under Praise for Jennifer Scoullar's Brumby's Run: 'A lovely story of family and self-discovery, of love of the land and the wildlife that live on it.' 1 Girl . . . 2 Many Books 'Celebrates the country and, more importantly, the bush as a life-changing environment...A heart-thumping romance.' The Weekly Times

Death Waits in the DarkBlackstone Publishing

"A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months.

Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? A Novel

Current Medical Diagagnosis Treatment 2001

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: "Enchanting and mesmerizing!" —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words)

Love can be blinding and by the time the truth shines through, it's too late to escape. Fame.Fortune.Success.Is that too much to ask?All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be.Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control.Over my heart.My career.My entire life.My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt.Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone.Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series.

Cure Student Underachievement is the culmination of the authors' research, practice, and experience as principals, superintendents, graduate professors, and consultants in efforts to improve school performance and increase student achievement. Searching for the real causes of underperformance, the authors explored problem-solving strategies in several fields. The authors find that clinical practice identifies the root causes rather than the symptoms of problems, focusing valuable time, resource, and energy on prescriptions with greater promise for improved performance health. The concepts of diagnosis, prescription, and prognosis establish a foundation for improved planning and problem solving. This book introduces practicing leaders and leaders-in-training to the protocols of clinical practice by taking the reader through the twelve steps of the clinical cycle with specific strategies and exercises to provide practice in the application, use, and assessment of the model.
