

Curious George The Movie Touch And Feel Book

From the creators of Curious George, this is the happily-ever-after story of Pretzel, the longest dachshund in the world, and the lengths he goes for puppy love. The inspiration for Pretzel and the Puppies, streaming on Apple TV+. One morning in May five little dachshunds are born. One grows up to be the longest of all! Pretzel easily wins a blue ribbon at the dog show and the admiration of everyone—everyone except Greta, the little dachshund across the street, who doesn't care for long dogs. But Pretzel is able to use his unique gift to win Greta over, and before long they have puppies of their very own. This story that begins and ends with puppies is perfect for dog lovers, fans of Margret and H. A. Rey's picture books, and anyone who is a little bit different and special in their own way. Pretzel, Greta, and their adorable puppies return in the sequel, Pretzel and the Puppies.

When the man with the yellow hat tells George that he is planning a surprise, of course George is curious. Before long George finds a hat, noisemakers, decorations, and games. It must be a birthday! But whose birthday is it? That's the surprise! This paperback edition now includes a maze and a birthday vocabulary seek-and-find.

There's nothing like a cold glass of lemonade on a hot summer day! With that in mind, George decides to set up his own lemonade stand to earn money for a new soccer ball. But George has a lot to learn about running a stand. With help from his friend Betsy, George's stand becomes such a success that there are too many customers and not enough lemonade. Will he figure out how to satisfy all his customers and earn enough money for a new soccer ball? This Green Light Reader based on Curious George, the Emmy Award-winning PBS TV show, also includes bonus activities to help reinforce the concepts presented in the story.

The movie that George and the man with the yellow hat have been waiting to see is now playing! Once inside the darkened theater, George is curious about the light coming from the back of the room. As usual, George's curiosity gets him into trouble but his clever tricks save the day. The adventures of Curious George continue in an all-new series beginning in fall 1998 with eight new stories. Written and illustrated in the style of Margret and H. A. Rey, the books will appear in paperback (8 x 8") and hardcover editions and will feature the art of Vipah Interactive, the animators of HMI's Curious George CD-ROMs.

An entertaining picture book that teaches the importance of asking for permission first as a young girl attempts to escape the curious hands that want to touch her hair. It seems that wherever Aria goes, someone wants to touch her hair. In the street, strangers reach for her fluffy curls; and even under the sea, in the jungle, and in space, she's chased by a mermaid, monkeys, and poked by aliens...until, finally, Aria has had enough! Author-illustrator Sharee Miller takes the tradition of appreciation of black hair to a new, fresh, level as she doesn't seek to convince or remind young readers that their curls are beautiful--she simply acknowledges black beauty while telling a fun, imaginative story.

Inspired by a vignette in the classic Curious George Flies a Kite, this amusing episode shows George at his curious best trying to catch a fish.

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

George Hall is an unobtrusive man. A little distant, perhaps, a little cautious, not quite at ease with the emotional demands of fatherhood or of manly bonhomie. "The secret of contentment, George felt, lay in ignoring many things completely." Some things in life can't be ignored, however: his tempestuous daughter Katie's deeply inappropriate boyfriend Ray, for instance, or the sudden appearance of a red circular rash on his hip. At 57, George is settling down to a comfortable retirement, building a shed in his garden and enjoying the freedom to be alone when he wants. But then he runs into a spot of bother. That red circular rash on his hip: George convinces himself it's skin cancer. And the deeply inappropriate Ray? Katie

*announces he will become her second husband. The planning for these frowned-upon nuptials proves a great inconvenience to George's wife, Jean, who is carrying on a late-life affair with her husband's ex-colleague. The Halls do not approve of Ray, for vague reasons summed up by their son Jamie's observation that Ray has "strangler's hands." Jamie himself has his own problems — his tidy and pleasant life comes apart when he fails to invite his lover, Tony, to Katie's wedding. And Katie, a woman whose ferocious temper once led to the maiming of a carjacker, can't decide if she loves Ray, or loves the wonderful way he has with her son Jacob. Unnoticed in the uproar, George quietly begins to go mad. The way these damaged people fall apart — and come together — as a family is the true subject of Haddon's hilarious and disturbing portrait of a dignified man trying to go insane politely. A Spot of Bother is Mark Haddon's unforgettable follow-up to the internationally beloved bestseller *The Curious Incident of the Dog in the Night-time*. Once again, Haddon proves a master of a story at once hilarious, poignant, dark, and profoundly human. Here the madness — literally — of family life proves rich comic fodder for Haddon's crackling prose and bittersweet insights into misdirected love.*

When his friend Bill asks George to mind his model boat, George accidentally sinks the boat right before a model boat competition. Experimenting with the buoyancy of his toys, though, George is able to construct another boat that floats. Level one in Houghton's new reader line means that text is minimal and simple, perfect for readers learning to sound out words and looking at art for visual clues. Activities include making a paper boat and experimenting with buoyancy.
