Enjoy this steamy BBW series by USA TODAY Bestselling small town romance author Mary E Thompson Hudson From the moment Anna Charlotte stormed into my bar and demanded answers from me, I hadn't been able to get her out of my mind. She was infuriating, and she had no right to question the way I ran my business. Who did she think she was? Just because her son was one of my employees, she didn't get to stick her nose in. She could sit her curvy, cute butt on a stool and stew, but she couldn't say a peep. Who was I kidding? Anna didn't know how to sit still and not talk. Or complain. Or instruct me to fix all the things I was doing wrong. Which seemed to be everything. There was only one way to shut her up. And it was damn effective. Anna Trust was a four-letter word in my life. Whenever I thought I could trust someone, they taught me real quick that I was wrong. So, why would I trust Hudson Grant? He owns a bar, for crying out loud. He wasn't looking out for my son's best interest. It didn't matter that his grades had improved since starting to work for Hudson. Or that he was focused on his future. Or that he helped out at home without being asked and did his homework and helped his brother. None of that had to do with Hudson. Right? It couldn't. That wasn't who he was. I knew men like him. Men who were only interested in one thing. Men who didn't care if they broke your heart. Men who...were nothing like Hudson Grant.

Guys aren't supposed to fall for their curvy best friends. They're also not supposed to walk away. Eighteen months ago Cameron left. Left Twin Rivers. Left his friends. Left her, Peyton Callahan. And she moved on. The accident that took her brother's life ripped her world apart. The one person who could understand wasn't there, and Peyton hated him for it. When he shows up back in town, all she wants to do is prove how well she recovered without him, how little she thinks about the past. But her past... well, he still thinks about her. Escape into this heartwarming and sweet young adult romance with unbreakable friendships and exciting first loves where the nice guys don't have to lose. Curvy Girls Can Rule is the first book in the completed About That Girl series. It's a standalone story with a happy ending, perfect for fans of Kasie West and Julie Murphy. Keywords: clean romance, young adult romance, YA, sweet romance, friends to lovers, friendships, healing, grief, bullying, curvy girls, free, free romance books, download and read, teen romance

Enjoy the 10th book in the steamy BBW small town contemporary romance series from USA TODAY Bestselling Author Mary E Thompson. Xavier The day I walked away from Karissa was the hardest day of my life. Until the mother of my newborn daughter walked out of the hospital and left both of us behind. My daughter and I built a life, just the two of us. We were happy, and we were together. But when she started getting into trouble at high school, a change had to be made. Nothing mattered to me more than her. So, I did what I couldn't do for Karissa. I embraced small town life. I never expected we'd end up in Karissa's

small town. With her best friend and my best friend starting a family, and trying to make us a part of it. Keeping my distance from her was the smart thing, but I was never the smart one out of the two of us. Karissa I thought of myself as smart. Someone who could use her brains to figure things out. When I designed a dating app, I thought it was good. For everyone except me, apparently. The app matched me with my ex. My ex who decided all the things he wanted in his life were the opposite of what I wanted. Small town? Nope, moving to the city. Regular job? Nope, something big and flashy. Quiet life together? Ha! That was the biggest joke of all. He had all those things. He got the big job in the big city and lived his big life. But now he 's in my small town. He 's eating at my favorite places and making space for himself within my group of friends. He 's infiltrating my world. But he 's not getting back inside my heart.

Starla Parks has spent two years quietly in love with her boss, billionaire philanthropist Cole Mason. When a search for a missing report on his computer leads to her discovering a very secret, very dirty file revealing exactly what turns him on, she can't believe her eyes, or the timing of it all. They've got a work overnigher coming up, which means she's got one crazy chance to make his most wicked fantasies come true. ...Along with all of hers as well. This is Book #1 in the Hot Insta Ever-After's Collection, a series of (some very) dirty lil ' novellas for the busy reader looking for: 1) alphalicious heroes & curvalicious heroines, 2) a few smiles w/ their steam, and 3) no-wait, no-drama insta ever-afters. Curvy for Brute is book 2 of the Dark Vultures MC trilogy. Book 3, Bent for Brute, is available everywhere now! The brute only saved me so he could break me. I woke up in a strange city with no memory of how I got there. The biker found me, and took me in. But this motorcycle club is no safe haven. And there's a devil coming after me... determined to drag me to hell. Vera. I remember my name, but nothing else. And even if I didn't already have amnesia, the outlaw brute's burning eyes would have wiped my mind blank. When I'm looking into those dark irises, there's only him. Tall. Raw. Tatted. Powerful. Staring back and owning me with just a glance. Rascal never asked to be the man I turned to for answers. But something in my gut tells me I can trust him - even though his leather kutte and cocky swagger tell me I should be running in the other direction. I need him in more ways than I know. And after a night spent bending for him - serving him - begging him for just one more touch - it seems like I've lost everything... Only to find where I'm truly meant to be. But this unlikely paradise is about to come crashing down around me. Because there's someone else out there. Chasing me. Hunting me. And the phantoms of my past won't until they've consumed us all: Me. Rascal. And the baby in my belly.

Grab some hot cocoa (and a glass of ice water) and celebrate Christmas with two curvy girl romances! Ample & Alluring I hate Christmas. I know that's harsh, but all the fake, happy families and people letting the pressure of a perfect holiday get to them really got to me. The one thing making it easier is Mayor Wyatt Ramsey. We're friends, and he decided to make it his mission to change my mind about his favorite holiday. I am less than confident in his skills, but his excitement is more than a little contagious. Just like his kisses. And his touches. And the sexy looks that make me hot. Falling for Christmas is easy. Falling for Wyatt is, too. But not everything is so easy. Like finding out I'm pregnant... His Curvy Gift Gavin Spending the holidays with my aunt in her small town would have made me insanely happy as a kid. As an adult, I'd outgrown the idea of settling down in a small town and enjoyed my city life. The month I was staying would go fast and I'd be back to normal before I knew it. I hoped. Then I met the curvy server. The one who handled the overly friendly customers with ease and ignored me just as seamlessly. Walking her home at the end of the night felt normal, almost like I could belong there. First, I had to get over everyone knowing everything. But there were perks. Like running in to Piper again. And getting matched with her on an online dating app. Piper Online dating worked for me. I was not looking for more than one night. Relationships and me didn't mix. I was good with that. But there were always times when I didn't want to be quite so alone. Like during the holidays. Gavin was different than most of the men I knew. He said we could be friends. He didn't try for anything more. He said he's leaving after the holidays and not looking to get involved. He has a life, and it's not in my small town. So when he asks me to spend the holidays pretending to be dating him, I go along with it. But every fake relationship has to include kisses, and gentle touches, and nights spent between the sheets. I let myself trust him.

Curvy Girl Romance Series - USA Today Bestselling contemporary romance author Nothing worth having ever came easily. Colin Small town living was not what I was used to. I liked my quiet and solitude, but there didn't seem to be much of that in a town so small everyone knew I was a newcomer. They knew more about my family history than I did. They were all nice, and friendly, and wanted to know me, but it all just made me want to hide from them. Except for Elise. She was the one woman I wanted to get to know. She was a mystery, a mystery that intrigued me. She talked and laughed and enjoyed life, but when I was around she closed up. And when we our dating profiles were matched and we met out for a drink, she bolted. Flat out refused to stick around. And refused to give me another chance. She didn't know I wouldn't give up that easily. Elise I knew online dating was a risk. Sometimes he was a freak. Sometimes he was just wrong. And sometimes he was the guy I was trying to convince myself I wasn't interested in. Getting involved with a man wasn't an option for me. Not since my ex almost destroyed me. He was sweet and kind at first, like Colin, but it hid an evil that shattered my faith in men and my ability to ever trust one again. Colin didn't back off like most men did. One rejection

usually sent them running for the next bed to jump into, but Colin kept trying. He made me feel special. Like I was important. Resisting him was harder with each kiss and each touch. He wanted all of me, the good and the bad, and he wasn't stopping until he got it. **KEYWORDS:** curvy girl romance, BBW romance, plus size romance, happily ever after, online dating romance, love stories, romantic novels, small town romance, guaranteed HEA, no cliffhangers, instant attraction, interracial romance

The summer guests were drifting home and the sleepy town I ran fast and far from decades ago became the home I remembered. The home I loved. I let it get to me. I let myself get sucked in. But after one night, she was trying to trap me into a lifetime together. Ha! She couldn't trick me. I wasn't falling for it. Or her. *Finley Finally*. I finally got things settled at work. I was good for nine months. Time

Curvy Girl Romance Series - USA Today Bestselling contemporary romance author I had

no intention of staying, but she was impossible to leave. Rowan Hiding in plain sight was never easy. Sure, no one in town knew my history, but I still didn't like feeling so exposed. Knowing that it wouldn't take much for them to figure out that I was there for a reason, and not staying forever. But after a few months, the small town was winning me over. The night life could use a little more excitement, and the dating options were minimal at best, but she caught my eye the first time I saw her. The angry look on her face hid the pain in her eyes. Maybe I was crazy for wanting to know why she was hurt, or maybe I just recognized someone I could relate to. Someone who might not judge me the way I'd been judging myself. I just needed a way to get her to talk to me. Willow The last thing I needed was a cop on a power trip trying to make a name for himself. I knew I was an easy target. No one in town liked me. But did he have to give me a ticket? And worse, did he have to buy me a drink? Yeah, because that was going to make it all better. I shouldn't have had the drink. I shouldn't have talked to him. Or let him kiss me. Or let him walk me home. I knew I was playing with fire because he was gorgeous and snarky and the first person in far too long who acted like I mattered. It was a mistake to let him in, to open myself up to him. But by the time I learned just how big of a mistake, it was far too late to keep myself from wanting something I'd never get from him. From wanting more. **KEYWORDS:** curvy girl romance, BBW romance, plus size romance, happily ever after, online dating romance, love stories, romantic novels, small town romance, guaranteed HEA, no cliffhangers, police officer romance, enemies to lovers, instalove

Genre: Paranormal BBW Romance / Short Shifter Romance Novellas

Three separate stand alone stories of curvy women and the werewolves that love them. Read about a curvy Southern girl with a strong right hook crashing a secret werewolf mating ritual, a BBW bounty hunter revisiting a childhood friend with a hairy secret, or a

full-figured girl hunted in the swamp as a muscled Louisiana shifter watches in the shadows. This 30,100+ word Steamy Shifter collection includes: Curves for Her Shifter Mate, Curves for Her Werewolf Lover, and Hunted for Her Curves. Curves for Her Shifter Mate Glenn and Emma have always been best buds, and for a short time, they were something more. That is, until Glenn broke up with her out of the blue. She thought it might be because she's a curvy girl. Instead, her almost-boyfriend has a secret - and a big one. He's a werewolf and he's been promised to a cruel she-wolf, making him her property. Werewolves mate for life, and that means unless she does something soon, Glenn will be lost to her forever. Is there any way for Emma to save her best friend — and maybe rekindle their romance? Curves for Her Werewolf Lover Julie's a curvy bounty hunter who catches men for a living. So why she can't find one to call her own? Is it because she's a BBW? Or is she still hung up on the one that never was - her childhood sweetheart, now grown up and hotter than ever? It's time to let the secret out, but as it turns out, he's got a big one of his own. One that could get them both killed, and much as Julie wants Nash, his supernatural side is too dangerous to set free. Hunted for Her Curves Crystal is lost, and that's not her only problem. This curvy girl is deep within the Louisiana bayou, and two sadistic hunters are right behind her. If only they knew what else was lurking in the swamp. They're not the only one hunting Crystal. A muscular shifter has set his sights on this curvy BBW, and won't let anything get in his way. Can he save her, and if he does, what's the proper way for a full-figured Southern girl to repay her werewolf rescuer? Note: Title changed from Werewolf Lust Set.

Curvy Girl Romance Series - USA Today Bestselling contemporary romance author The best relationships are the ones that end quickly. Gavin Spending the holidays with my aunt in her small town would have made me insanely happy as a kid. As an adult, I'd outgrown the idea of settling down in a small town and enjoyed my city life. The month I was staying would go fast and I'd be back to normal before I knew it. I hoped. Then I met the curvy server. The one who handled the overly friendly customers with ease and ignored me just as seamlessly. Walking her home at the end of the night felt normal, almost like I could belong there. First, I had to get over everyone knowing everything. But there were perks. Like running in to Piper again. And getting matched with her on an online dating app. Piper Online dating worked for me. I was not looking for more than one night. Relationships and me didn't mix. I was good with that. But there were always times when I didn't want to be quite so alone. Like during the holidays. Gavin was different than most of the men I knew.

He said we could be friends. He didn't try for anything more. He said he's leaving after the holidays and not looking to get involved. He has a life, and it's not in my small town. So when he asks me to spend the holidays pretending to be dating him, I go along with it. But every fake relationship has to include kisses, and gentle touches, and nights spent between the sheets. I let myself trust him. I let myself believe he was different. I almost let myself fall for him. Never mind. I fell. I just hope he can catch me. **KEYWORDS:** curvy girl romance, BBW romance, plus size romance, happily ever after, online dating romance, love stories, romantic novels, small town romance, guaranteed HEA, no cliffhangers, holiday romance, Christmas romance, fake romance, temporary romance

Books saved my life after losing my parents as a teenager. Now as a librarian, sharing books with teens to get them through hard times is a privilege and joy. So imagine my surprise when I meet Prescott, a man who values the same things as me. He runs the teen outreach center and is giving his life to make the world a better a place. It's like we're a match made in heaven. After a whirlwind night where love is at the tip of both our tongues, I learn that maybe we aren't the same after all... I wanted him to check me out on a long-term loan, but maybe it's too good to be true. Maybe we better shelve this romance before both our hearts get broken. His Curvy Librarian is a new filthy-sweet series brought to you by Frankie Love and Kaylin Evans. It's full of heat, heart, and literary innuendo. What's sexier than a man who loves to read? How about a naked man who loves to read?

This book introduces readers to the concepts of sustainability and philosophy of slowness for the management of public entities such as cities or regions. While many urban communities face economic challenges that clearly show the limitations of growth and ever-increasing speed, this book explores an alternative, thought-provoking standpoint in five chapters. The first chapter explains the importance and essence of slowness, smallness and sustainability for public organizations, while the second addresses the concept of "slow life" in an emotional society. Chapter three examines the issue of "slow management" and presents arguments for the value of small businesses as the true foundation of the economy. Chapter four rounds out the coverage with a focus on agriculture. Finally, in chapter five, the authors discuss the overall benefits of a "slow and curvy" management style in order to provide happiness, economic and social sustainability.

He turns to me with fury in those blue eyes ... until he sees my generous curves. Mason: I take figure painting classes for the wrong reasons – because I like the lush models, and not because I actually want to improve my artistic abilities. But when the sassy woman next to me squirts me in the face with a tube full of lubricant, suddenly I know that Mimi's days as an artist are done. Instead, she'll be showing me the how that jelly got into her tool box ... and we're not stopping until she's got my baby in her belly! Was art class ever this fun? Mimi's always been a risk-taker, but an innocent mistake gets her into hot water! Good thing Mason's willing to forgive, so long as she shows him exactly how she's going to make up for her boo-boos. She'll finally let her guard down and we'll let our chemistry take it from there. After that, the sky's the limit. If I have it my way that curvy girl of my dreams will be mine forever. ATTRACTION “Ride with me.” Three simple words. A seemingly perfect solution after my car breaks down. So why am I so nervous about this? Sure, I’ve harbored the biggest crush on him for over a decade. But one road trip isn’t going to clue him in on that well-kept secret. I can’t put my finger on what’s making this ride feel like a big deal. That is, until he pulls me close and revs the hard rumbling engine of his bike. Okay, things are definitely different. And the ride hasn’t even begun yet. Previously published as *Riding Curves* (c) 2012 with revisions throughout, newly added content, and an extended ending. Enjoy two-for-one SAVINGS with this **UPDATED 2021 Edition**** that now includes the standalone, *Curvy Perfection* (now included only in this two-book bundle, no longer available separately). * * * * * **CURVY PERFECTION “Marry me.” Two words I’d never imagined would ever come out of his mouth, and he’s saying them to me. One problem. He isn’t proposing so much as proposing a solution to a problem. A big one I never knew existed that’ll take both of us to fix. Pragmatically proposed or not, imagining a life with him is as easy as breathing. We were lifelong friends, after all—until we weren’t. He went away without explanation. Now he’s back. The thing is, it takes more than a slowly rekindling friendship to sustain a marriage. And with each passing day he wears me down, I’m starting to think he’s known that all along. Curvy Girl Romance Series - USA Today Bestselling contemporary romance author Repeat after me: Do NOT fall for your employee. Nico Resisting Laura was getting harder and harder every day. Seeing her talking and laughing with patients and watching the shutters close when she looked at me was painful. I deserved it, but it was not easy. Not when I wanted to know everything there was to know about her. If only I wasn't her boss. Crossing that line wasn't a good idea. We had important work to do. Work that saved lives and helped people. I couldn't risk it. I wouldn't. But hearing about her dates was driving me crazy. If I could meet someone, maybe I could forget about her. There had to be someone on the online dating app who would take my mind off of her. Laura Life's too short for regrets. I learned that day after day working with patients living and dying with cancer. They all told me the same thing. Stop being afraid of living my life and grab it by the balls. So, I listened. I stopped wondering when my boss was going to notice me. I stopped wishing he would see me as more than just his nurse. I stopped declining dates with other men in hopes Nico would one day ask me out. I am not so evolved that I actually stopped hoping something would happen, but I had to move on. People were dying with regrets, and I couldn't live with mine. I never thought dating other men would make Nico notice me. I never expected him to be pissed off. And I sure as hell never thought he'd be jealous. But I definitely liked that side of him. The side that said he wanted me. It wasn't going to be that easy, though. He needed to work for it.
