Teaching Stewardship from a Spiritual Perspective—Consecration Sunday Program Guide, Revised and Updated Edition. Consecration Sunday approaches financing the ministries of your congregation by teaching stewardship from a spiritual perspective rather than a fundraising perspective. It focuses on the question, "What is God calling me to do?" rather than, "What does the church need in order to pay its bills?" This revised edition offers updated language, references, and statistics while keeping everything that has resonated with the program for more than 25 years intact. Digital materials available with the Program Guide are now available via Internet download, are updated and include social media posts in addition to letters and other proven communications tools. The Consecration Sunday Stewardship Program is a proven winner; it has helped thousands of congregations increase financial giving by 15% to 30%. What do I need to get

started? Order the Stewardship Program Guide (9781791024024) and gather a team. Purchase copies of the Team Member Guide (9781791024048), one for each member of your team. These resources provide complete instructions for implementing the program successfully. Also Available: Consecration Sunday Estimate of Giving Cards Pkg. of 100 (9780687064069) Consecration Sunday Devotional (9781791024062) Does it work? Thousands of congregations have experienced 15% to 30% increases in financial giving with the Consecration Sunday Stewardship Program the first year plus additional significant increases in subsequent years of its use. One congregation obtained these impressive multi-year results: First year, a 14.4% increase in giving; second year, 10.3% increase; third year, 13.4% increase; fourth year, 13.6%; and fifth year, 19.6% increase. A congregation's financial secretary said, "More than two-thirds of our households made some degree of annual increase each year we used Consecration Sunday. And each year we used the program, four to six

additional households decided to tithe (some of those donors grew from giving 4 percent of their income to giving 10 percent of their income)."

A Disciple's Path is an engaging approach to discipleship from a

distinctly Wesleyan perspective that is perfect for a new member class or other small group. The six-week program guides individuals to take the next step in discipleship and become dynamic followers of Jesus Christ and engaged, vital members of the local church. The study combines a Wesleyan understanding of our growth in God's love and grace with the time-tested practices of spiritual discipline expressed in the membership vows to uphold the church with our prayers, presence, gifts, service, and witness. Participants will develop spiritual practices, discover their unique gifts, and become engaged in ministry that brings transformation in their own lives, the lives of others, and the world. This Leader Guide provides group facilitators with helpful tips for leading a group, material for leading an introductory session or pastor's coffee, and six ready-to-use session guides. Also included is a link to downloadable resources, along with previews of these online tools, including sample e-mails handouts, including customizable templates that can be modified for any

congregation, and PowerPoint presentations. "A Disciple's Path has transformed countless new members into deeply committed disciples – people who are using their gifts, praying in new ways, worshipping regularly and not only when it's convenient, giving sacrificially of their financial resources, and seeking to be a witness to Christ's love and light in the world. I am deeply grateful for this resource and recommend it wholeheartedly." Donna Claycomb Sokol, Pastor of Mount Veron Place United Methodist Church and author of *A New Day in the City Endorsements* "A Disciple's Path has the potential to revolutionize the way we view our participation in the church. Following this 'path' can transform us from wanderers into pilgrims." –Dr. Steve Harper, Retired Professor of Spiritual Formation; author of *Five Marks of a Methodist and Devotional Life in the Wesleyan Tradition* "For churches transforming their invitation to membership into an opportunity for a discipleship journey." – Lovett H. on the company's performance rather than computational errors. Valuation lies at the crossroads of corporate strategy and finance. In today's economy, it has become an essential role—and one that requires excellence at all points. This guide shows you everything you need to know, and gives you the understanding you need to be effective. Estimate the value of business strategies to drive better decision making Understand which business units a corporate parent is best positioned to own Assess major transactions, including acquisitions, divestitures, and restructurings Design a capital structure that supports strategy and minimizes risk As the valuation function becomes ever more central to long- and short-term strategy, analysts and managers need an authoritative reference to turn to for answers to challenging situations. Valuation stands ahead of the field for its reputation, quality, and prestige, putting the solutions you need right at your fingertips.

Henrik's ambitions were different than anyone else in his field, or as a matter of fact, in the world. He could have simply taken the road to success and had an illustrious career as a neurosurgeon with a model wife, four children and a beautiful home in the suburbs, but he wanted more and was driven by a force that could not be explained. A force to conquer the human brain and communicate with it in ways that would change the world as we know it today. His early experiments had already proven that he could retrieve the memories of the dead, but now he had more ambitious goals. He was on a quest to capture the memories of the living and ultimately provide his subjects with new memories, all without harming

them. Memories that he had retrieved from previous subjects. Unfortunately, he could have never predicted the casualties that would occur in the wake of his success.
