Unconditional love is eagerly promised at weddings, but rarely practiced in real life. As a result,

romantic hopes are often replaced with disappointment in the home. But it doesn't have to stay that way. The Love Dare, the New York Times No. 1 best seller that has sold five million copies and was major plot device

standard of discipleship. We read a book or hear a sermon which challenges us to follow Christ, and we agree. The problem is, seldom do we know what to do about it. We may pray a little harder for a few days,

maybe read a little more Scripture (both great ideas, by the way!) for a week. But in the end, we are no more following Jesus than were the disciples before they stepped off their boats and out of their prior

all who wish to truly follow Jesus, but don't quite know where to begin. Whether you are new to the faith, or you simply recognize that, even after years in the church, your stated beliefs have not led to real transformation in

your life, this book was written for you. We ought to take seriously the words of Jesus, when He said, "if anyone would come after me, he must deny himself and take up his cross daily and follow me" (Luke 9:23,

Get ready to leave defeat and disbelief in your dust, and step boldly into the life God has

your God-given purpose in this exact moment. The world is hurting and our lives are waiting, we don't have time stay stuck--we've got to make a move. You Are the Girl for the Job is not an empty catchphrase.

## Where To Download Daring To Live On The Edge

It's the straight-up truth God has proclaimed over your life from the beginning. It's not a statement about your capacity, but rather about His--and that's why we can dare to believe it's true. With powerful insights and
