

## Dark Deception

"As a concerned physician, I have researched electro-pollution and its effects since cell phones were first introduced. I commend Carleigh for her courage and diligence in writing this long awaited, much needed and well documented expos about the hazards that non-ionizing microwave radiation pose to living systems. She also makes us aware of the lack of regulation." Carla A. Visha, M.D. Cell Phones and The Dark Deception is a must read for every cell phone user. It's a comprehensive, heavily referenced, easy-to-understand non-fiction book that scrutinizes the evidence to resolve a question that's been lingering since 1993: Are Cell Phones Safe? After years of an incessant influx of seemingly unrelated health disorders experienced by her late husband, Carleigh Cooper began an exhaustive search to identify his problem and pinpoint the cause. Steve had been building and testing high power microwave amplifiers for cell tower base stations for more than a decade when he started suffering from chronic headaches, nausea, fatigue, and convulsive vomiting bouts. As time went on, the list of abnormalities grew and so did the severity of his symptoms. Prior to his tragic death at age 48, Steve was diagnosed with toxic encephalopathy-brain damage due to carcinogenic exposure. The prognosis? Brain tumor or brain

cancer. There seemed to be a direct correlation between his myriad of symptoms and his long-term, close-range exposure to non-ionizing radiofrequency microwave radiation (i.e. wireless communication signals). Carleigh's research proved there was. By peppering pieces of her personal story atop the nearly 300 references from world renowned scientists, biophysicists, epidemiologists, and industry-hired experts, *Cell Phones and The Dark Deception* becomes a distinctively moving annex that not only identifies a serious problem cell phone users have a right to know, but one that brings the potential outcome of its effect into a painful reality. Carleigh's sincerity and transparency right from the beginning will capture your heart and make this informative publication difficult to put down. *Cell Phones and The Dark Deception* is one of the most comprehensive compilations of scientific data on wireless communication signals and how they impact the human body. This is the first work of its kind to expose alarming truths about the cell phone industry; to leak insider secrets; to identify 25 serious and unknown exposure-related health risks; to provide insight on cell tower regulation, placement, and hazards; to blow the lid off numerous deceptions that have led cell phone users to believe their mobile devices are safe; and to offer safety tips proven to reduce exposure and minimize risk. After reading *Cell*

Phones and The Dark Deception there will no longer be any speculation. All your questions will be answered and you will finally understand why there are so many contradicting reports; why a multitude of health risks are being concealed; why the public is being led to believe brain tumors and brain cancer are the only threats; and why top scientific researchers, even some governments, are warning parents to keep cell phones away from children. There's no denying that cell phones are here to stay, but while the industry believes users are willing to assume some level of risk, you have a right to know exactly what those risks are. If exposure-related symptoms aren't recognized as such, prolonged exposure will likely result in irreversible damage. Ignoring the facts doesn't change them.

Third book of the Dark Deception series Are the evil forces too powerful to stop? To the demon, the games have just begun... As a couple begin their new lives with their newest adopted family member, Elaina, they begin to discover that there is much more to this child than what they originally thought. Follow them as they struggle to rid their home of this entity and move on to the normal life that they both desire. Will they win the battle with the demon?

It's the classic girl detectives like you've never seen them before! Daphne Blake and Velma Dinkley

have a terrifying new mystery to solve and this time, the culprit is far more frightening than any man in a mask... Daphne Blake and Velma Dinkley have a reputation to uphold. Despite their differences, the two teens worked together to solve the case of the Vanishing Girl. But there are still a lot of mysteries buried in the town of Crystal Cove. Including one the Vanishing Girl herself (aka Daphne's friend Marcy) asked them to look into- what deep dark secret is their old friend Shaggy Rogers trying to protect? The two teen detectives have barely started investigating that case when another mystery strikes. Hundreds of valuable gems begin washing ashore, and soon everyone is convinced it's a sign from the Lady Vampire of the Bay, a ghostly creature who's said to have haunted the town a hundred years earlier. Daphne and Velma are convinced there's a logical reason the jewels have appeared, and they're determined to find out what it is. But asking questions about Crystal Cove's legends can be dangerous. It seems like everyone in town has something to hide . . . especially the families who've profited off the town's mysterious past. Can the girls discover what's lurking behind all this dark deception? Six years prior to the 'People's Temple' murders and mass suicide, twenty one years before David Koresh and the Mount Carmel Center disaster in Waco and twenty five years earlier than the coming of a

lunatic named Marshall Applewhite and the Heaven's Gate fiasco, there was Catherine Brown. In this chilling sequel to THE EVERMAN JOURNAL, take a trip back to 1972 as Cole Everman continues the documentation of his life's work. This time, it's about family.

**A novel of dating, betrayal and violence. A man is dating two women that are best friends, but neither woman knows they are dating the same man-- and he doesn't know they're best friends.--Publisher.**

**Well-heeled American corporations have long had a financial stake in undermining scientific consensus and manufacturing uncertainty. In The Triumph of Doubt, former Obama and Clinton official David Michaels details how corrupt science becomes public policy -- and where it's happening today. Opioids. Concussions. Obesity. Climate Change. America is a country of everyday crises -- big, long-spanning problems that persist despite their toll on the country's health. And for every case of government inaction on one of these issues, there is a set of familiar, doubtful refrains: The science is unclear. The data are inconclusive. Regulation is unjustified. It's a slippery slope. Is it? The Triumph of Doubt traces the ascendance of science-for-hire in American life and government, from its origins in the tobacco**

**industry in the 1950s to its current manifestations across government, public policy, and even professional sports. Amid fraught conversations of "alternative facts" and "truth decay," The Triumph of Doubt wields its unprecedented access to shine a light on the machinations and scope of manipulated science in American society. It is an urgent, revelatory work, one that promises to reorient conversations around science and the public good for the foreseeable future.**

**There's a killer on the loose in the Five Lands. When resistance members are slain in mysterious ritual sacrifices, Ann and Ceara are asked to help. When the only Council member sympathetic to the resistance goes missing, even Ann knows this is something she can't ignore. The ritual killings aren't the only problem on their plate. Ceara has been targeted, but by who--or what--she isn't sure. She suffers blackouts and a voice in her head accuses her of being the murderer. Even she starts to believe it--until she realizes she's fighting for her life against the real killer. And it's a losing battle. There's a dark entity slowly invading her body. It's draining her more every day even as new victims are claimed by an enemy who is only growing in power. She can't keep this up forever. Time is running out. The killer must be found soon or Ceara will be added to the list of victims--and if the killer wins, no one in the Five Lands will be safe.**

*Dark Deception debunks the widespread myth that sunlight is harmful to your health and demonstrates how sunlight exposure can improve your quality of life. For decades sunbathing has been considered evidence of poor health judgment, an activity comparable to smoking cigarettes. This depiction is a gross distortion of the truth. Dark Deception reveals that there is no proof that moderate sunlight exposure is harmful to your health. Sunlight exposure, which produces vitamin D, a crucial hormone for the functioning of organs, provides many therapeutic benefits, including reducing chronic degenerative diseases. Dark Deception elucidates the health benefits of sunlight exposure and the dangers of avoiding it. It offers tips for safe sunbathing. It demonstrates that oral vitamin D supplements can be toxic replacements for the natural vitamin D your body produces when exposed to sunlight. Dark Deception will change how you understand the sun and your health.*

Brave new world or the same old crap? Warlock Milo Velazquez has always dreamed of a day when “monsters” like him don’t have to hide in the shadows. Now, on a planet far from Earth, he’s hoping the old prejudices have been left behind. Though from what he’s seen so far—not a chance. Their new leader could make life a living hell for Milo and the other immortals illegally transported across the galaxy. Under cover, he scopes out the threat, but he never expected to find a beautiful woman locked in a cell underground. He should ignore her and focus on his mission, but instead he sets her free. Milo has met all kinds, paranormal creatures and humans, in his centuries of life, but Destiny is like nothing he’s ever encountered before. She’s flawless, and strangely naïve, though she can spout off facts like a walking encyclopedia. He isn’t sure who—or what—she is, or why someone so innocent would be a prisoner. All he knows is Destiny is different...and finding out why could be their only hope for survival. Each book in the Dark Desires Origins series is STANDALONE: \* Malfunction \* Deception

My husband. My Tormentor. The most notorious man in the city offers me a job. Act as his dead

wife. Adrian Volkov isn't the type of person who takes no for an answer. He commands with an iron fist and all his orders are met. When he approaches me with the offer, I have two options. Go to prison or put myself under his wrath. I choose to have a roof over my head. What's so hard about acting, right? Wrong. The moment I step into his wife's shoes, everything spirals out of control. My only way of survival is through Adrian. Or is it? This book is part of a trilogy and is not standalone.

A ruthless vampire king. An alluring crime family heiress. A dark desire that won't be tamed? After the mysterious death of his father, newly crowned vampire king Dorian Redthorne has more responsibilities than he can count. Keep New York City's supernatural factions in line. Protect what's left of his family. And above all, keep his father's secrets buried? before his enemies discover the royal family's greatest weakness. Charlotte D'Amico is a complication he doesn't need. She's a thief. A con woman. An amateur seductress playing a deadly game she's got no business entering. But the scent of her blood is intoxicating, her heartbeat a siren call he can't resist. As far as he's concerned, there are only two ways this can end: He claims her. Or he bleeds her dry. Falling for her? Not an option. Love is an indulgence the dark king can no longer afford. Unfortunately, Dorian's heart is as treacherous as his enemies. The question is?

which will destroy him first?

A Pulitzer Prize-winning investigative journalist exposes one of World War II's darkest secrets: that Churchill tricked Hitler into invading Russia by setting up a phony peace between Germany and Britain.

New Edge-of-Your-Seat Read from an Established Romantic Suspense Author Kate O'Brien has been leading a quiet life in small-town Shelter Cove, Arkansas, for the past four years when her past suddenly comes roaring back to life. Four years ago, she and her twin sister were attacked by an elusive serial killer. Only Kate survived, and it was her drawing of the attacker--along with some last-minute evidence--that convicted the suspect. She's been in witness protection ever since, but new evidence suggests the convicted man isn't the murderer and she's been subpoenaed to testify in the new trial. Nervous about the risk, she'll only agree if the same marshal who protected her during the original trial escorts her to St. Louis. Deputy U.S. Marshal Tony DeLuca accepts the assignment to bring Kate to the trial, remembering how her strength impressed him. While in Shelter Cove, however, he gets a call from his chief, advising them to stay in Shelter Cove until a new development in the case can be straightened out. But when Kate's safety is threatened, Tony must race against the clock to keep her alive and put this ugly case to rest

My husband. My villain. We started with death and blood. We started with games and carnal pleasure. Adrian and I shouldn't have been together. He's wrong. I'm wrong. What we have is the epitome disaster. Yet, it's impossible to stop. My husband will either destroy me or I'll destroy him. This book is part of a trilogy and is not standalone.

Princess Guinevere has come to Camelot to wed a stranger: the charismatic King Arthur. With magic clawing at the kingdom's borders, the great wizard Merlin conjured a solution-- send in Guinevere to be Arthur's wife... and his protector from those who want to see the young king's idyllic city fail. The catch? Guinevere's real name-- and her true identity-- is a secret. She is a changeling, a girl who has given up everything to protect Camelot. Arthur's knights believe they are strong enough to face any threat, but Guinevere knows it will take more than swords to keep Camelot free. But when your whole existence is a lie, how can you trust even yourself? -- adapted from jacket

"Creative, humorous, intelligent, outside of the box thinker, able to place current events in light of eternal values..for the book." John E., Los Angeles, CA.

"Thought provoking, exhilarating, and suspenseful. You won't be able to put the book down...The truth is scary, I remember being afraid after reading it at night, only to remember it was just a story!" Jessica D., Los Angeles, CA. This is a story of redemption, family values, and the eternal war being waged behind an invisible veil, one in which humanity is unaware. During the time, Oscar felt led to write *The Dark Deception*, some of the things written in the book have now taken place. Some others are beginning to take place. The lead character, Sean Killian, will learn valuable lessons about love, trust, and the power of redemption. Each character gives insight that we can learn from, and you will relate to them through the diversity of each of their stories. Sean Killian, along with his trusted friends, will embark on a thrilling journey of triumphs and tribulations as they are forced to deal with the troubles coming their way. Oscar Roca has served his family and community for almost three decades. Married to his beautiful wife for nearly 31 years, he is a husband, father, teacher, writer, and pastor whose love of writing was evident in his early teens. During his time serving in the children's and youth ministries at church, this love of writing was made more visible, and soon, he was given the platform to start writing skits and plays for these ministries. He was soon writing and coordinating play productions at church, which were viewed by large audiences of children, youth, and

adults. Soon after, Roca felt led to write a novel that would point people to a higher calling in life, in the anticipation that we run the race and be aware of the spiritual warfare going on around each of us every day."

Kate O'Brien's quiet life in small-town Shelter Cove, Arkansas is shaken when her past suddenly comes roaring back to life. Four years ago, she and her twin sister were attacked by an elusive serial killer. Only Kate survived, and she's been in witness protection ever since. When new evidence arises to suggest the convicted man wasn't the murderer, she's subpoenaed to testify in the new trial. Afraid to go back into that world, Kate only agrees if Tony DeLuca, the deputy Marshal who protected her during the original trial, escorts her to St. Louis. Tony readily takes on the assignment; Kate's beauty and inner strength made more of an impression on him than he expected. But when Kate's safety is threatened, Tony must race against the clock to keep her alive and put this ugly case to rest before anyone else gets killed.

After ten years of being a successful lawyer in Orange County California, however then suddenly, John Covelli's life quickly begins unraveling after his wife's mysterious disappearance. Tragic stricken, John soon finds that he can no longer make heads or tails of what is reality. The police all seem to be baffled by the case, and John appears to be the only suspect. After Sarah Covelli has been declared missing for almost a year, the only clues now seem to be haunting John.

Just when everything was going so well, someone new

arrives in town. Jack's life is better than ever. He has put old sorrows to rest, and a flirtation with Karen Kilgraff has turned into a real relationship. He's even looking forward to meeting her sister when she visits San Antonio, hoping he gets the sibling seal of approval. For the first time in a decade, he's considering sharing his life with someone else. Then Ollie calls Jack in to look at a body. The corpse was left desiccated and shriveled, though the victim had been seen only two days earlier. Jack detects a strange Nox essence at the crime scene, and starts a search for what kind of supernatural being could kill in such a way. Upon returning to his office, Jack discovers a visitor waiting. A man who wears the same kind of coin around his neck, and needs Jack's help tracking a dangerous Nox that has left a trail of bodies throughout the world. Jack is happy to see his fellow member of the Nine, especially when he learns that his talisman is capable of so much more than he's ever realized. But will he survive long enough to get those lessons?

## **Dark Money and the Science of Deception**

### **John Reid Series/ A Dark Deception**

The second book of the Dark Deception trilogy... Are there dark forces hiding in the shadows around us? Or is there another, more logical, explanation for the things that go bump in the night? For Homicide Detective, Lidia Sanchez, these are serious questions that she is about to find answers to. Her troubles begin when she starts to experience unexplainable events that change her entire life. Are these events a result of dark forces or is there another reason for the problems Lidia is facing? As a non-believer in the supernatural world, she is determined to prove that there is another explanation for the unexplainable. Along with a local paranormal group, she investigates the events and the strange occurrences that have been going on for more than a year. Follow Lidia in her journey as she investigates the mysterious events and strives to find an explanation and solution to the problem that she's facing. Will she be free of this curse in the end? Or will the entity continue to overtake every aspect of her life and eventually push her to insanity? Chicago detective Marti MacAlister has her work cut out for her these days. First, during the filming of a big Hollywood movie on

location in Lincoln Prairie, the body of one of the film's stars turns up dead, along the shores of the Des Plaines River. Then, the skeletal remains of another gunshot victim turn up in a hundred year old building that is being renovated. The closer Marti comes to piecing the clues of each case, the closer they come to understanding how the two cases are connected. But the longer it takes, the more dangerous the killer becomes. This next book in Eleanor Taylor Bland's acclaimed series is a captivating story that will engage both fans and new readers with its suspense and wit. *Dark Deception* is an emotionally engaging and thought-provoking work that centers around a closely-knit trio of women who come to depend on one another as they attempt to live meaningful lives in a authoritarian, faith-based community. The forces their families, friendship, and others in the community exert on the three don't always work in harmony and they face limited freedom addressing issues large and small. The lives of the three and other various characters unfold in a tapestry of emotions and encounters as all attempt to deal with the demands of a restrictive faith that tolerates no loyal opposition. The book's characters - both within and outside the faith - meld and collide

in a series of encounters that involve family, love, betrayal, and a quest for power and control.

A ruthless vampire king. An alluring crime family heiress. A dark desire that won't be tamed... Charlotte... Charlotte D'Amico never met a safe she couldn't crack, a penthouse she couldn't case, or a stuck-up rich guy she couldn't deceive. So when the crime boss who runs her life orders her to spy on yet another reclusive billionaire, Charley's not worried. Smile pretty, keep the boss happy, keep her sister safe. That's how it works. But Dorian Redthorne is no ordinary mark. He's charming, funny, and sinfully hot, with a whiskey-smooth British accent that leaves her aching for more. He's also dark, dangerous, and definitely hiding secrets... Secrets that might just get her killed. Dorian... Vampire king Dorian Redthorne has more responsibilities than he can count. Keep New York's supernaturals in line. Protect what's left of his family. And above all, bury his dead father's secrets... before their enemies discover the royal family's greatest weakness. Charlotte D'Amico is a complication he doesn't need. But the scent of her blood is intoxicating, her heartbeat a siren call he can't resist. One stolen kiss, and Dorian knows

how this ends: He claims her, or he bleeds her dry. Unfortunately, his pretty little con woman is as treacherous as his enemies. The question is... Which will destroy him first? DARK DECEPTION is a free vampire romance and the first book in the Vampire Royals of New York series, a spicy vampire romance featuring a commanding British vampire king and the mortal woman who brings him to his knees. Dark secrets, family betrayals, plenty of twists and turns, and scorching paranormal romance makes this a vampire series with bite!
