The debut novel from one of the twentieth century’s most fascinating authors. Pepper Street is a street in suburban California, home to a firmly middle-class group of families, families who have carved out a space for themselves that falls short of the glamour of the nearby upper class communities, but is comfortable and respectable nonetheless. Their communal calm, built on strict social hierarchy, racism, and exclusion, is shattered when a hole opens up in a wall at the end of the street, and things for the inhabitants of Pepper Street become much less stable and much less clear. A definitive collection of stories from the unrivaled master of twentieth-century horror “I think it is beyond doubt that H. P. Lovecraft has yet to be surpassed as the twentieth century’s greatest practitioner of the classic horror tale.” –Stephen King Frequently imitated and widely influential, Howard Phillips Lovecraft reinvented the horror genre in the 1920s, discarding ghosts and witches and instead envisioning mankind as a tiny outpost of dwindling sanity in a chaotic and malevolent universe. S. T. Joshi, Lovecraft’s preeminent interpreter, presents a selection of the master’s fiction, from the early tales of nightmares and madness such as “The Outsider” to the overpowering cosmic terror of “The Call of Cthulhu.” More than just a collection of terrifying tales, this volume reveals the development of Lovecraft’s mesmerizing narrative style and establishes him as a canonical- and visionary-American writer. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Some extraordinary rats come to the aid of a mouse family in this Newbery Medal Award-winning classic by notable children’s author Robert C. O’Brien. Mrs. Frisby, a widowed mouse with four small children, is faced with a terrible problem. She must move her family to their summer quarters immediately, or face almost certain death. But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. And Mrs. Frisby in turn renders them a great service.

In the uproarious sequel to *Life Among the Savages*, the author of *The Haunting of Hill House* confronts the most vexing demons yet: her children In the long out-of-print sequel to *Life Among the Savages*, Jackson’s four children have grown from savages into full-fledged demons. After bursting the seams of their first house, Jackson’s clan moves into a larger home. Of course, the chaos simply moves with them. A confrontation with the IRS, Little League, trumpet lessons, and enough clutter to bury her alive—Jackson spins them all into an indelible reminder that every bit as thrilling as a murderous family in a haunted house is a happy family in a new home.

Numbers in the Dark

The Rough Guide to Sri Lanka

A bewitchingly brilliant collection of never-before-published letters from the renowned author of “The Lottery” and The Haunting of Hill House NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS • “This biography-through-letters gives an intimate and warm voice to the imagination behind the treasury of uncanny tales that is Shirley Jackson’s legacy.”—Joyce Carol Oates Shirley Jackson is one of the most important American authors of the last hundred years and among our greatest chroniclers of the female experience. This extraordinary compilation of personal correspondence has all the hallmarks of Jackson’s beloved fiction: flashes of the uncanny in the quotidian, and the veins of humor that run through good times and bad. I am having a fine time doing a novel with my left hand and a long story—with as many levels as grand central station—with my right hand, stirring chocolate pudding with a spoon held in my teeth, and tuning the television with both feet. Written over the nearly three decades, from Jackson’s college years to six days before her early death at the age of forty-eight, these letters become the autobiography Shirley Jackson never wrote. As well as being a bestselling author, Jackson spent much of her adult life as a mother of four in Vermont, and the landscape here is often the everyday, raucous holidays and trips to the dentist, overdue taxes and frayed lines of Christmas lights, new dogs and new babies. But in recounting these events to family, friends, and colleagues, them into remarkable stories: entertaining, revealing, and wise. At the same time, many of these letters provide fresh insight into the genesis and progress of Jackson’s writing over nearly three decades. The novel is getting sadder. It’s always such a strange feeling—I know something’s going to happen, and those poor people in the book don’t: they just go blithely on their ways. Compiled and edited by her elder son, Laurence Jackson Hyman, in consultation with Jackson scholar Bernice M. Murphy and featuring Jackson’s own witty line drawings, this intimate collection holds the beguiling prism of Shirley Jackson—writer and reader, mother and daughter, neighbor and wife—up to the light.

The Lottery, one of the most terrifying stories written in this century, created a sensation when it was first published in *The New Yorker*. “Power and haunting,” and “nights of unrest” were typical reader responses. This collection, the only one to appear during Shirley Jackson’s lifetime, unites “The Lottery” with twenty-four equally unusual stories. Together they demonstrate Jack son’s remarkable range—from the hilarious to the truly horrible—and power as a storyteller. The creeping unease of lives squandered and the bloody glee of lives lost is chillingly captured in these five tales of casual cruelty by a master of the short story. Portraying insanity, disturbing encounters, troubling children and a sinister lottery, Shirley Jackson’s work has an unmatched power to unsettle and unsettle.

THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can’t go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s

The Road Through the Wall

The Penguin Book of Dutch Short Stories

From the acclaimed, genre-bending Italian fabulist author, a posthumous collection of career-spanning stories previously unavailable in English. “Everybody telephones everybody at every possible moment, and nobody can speak to anybody . . . Distance has been the warp that supports the weft of every love story.” —from *Numbers in the Dark*
Written between 1943 and 1984, the stories in *Numbers in the Dark* span the career of one of fiction’s modern masters: from Italo Calvino’s earliest fables, to tales informed by life in World War II-era Italy, to the delightful experimentation that would define his later work. Here are speculative stories on life in the digital age, genre-bending wonders, and “impossible interviews” with the likes of Montezuma and a Neanderthal. Deftly translated by Tim Parks, *Numbers in the Dark* shows off Calvino’s lifelong gift for subtle humor and shimmering philosophical insight. Praise for *Numbers in the Dark*
“Numbers in the Dark is a glorious grab-bag . . . [with] enough gems from every phase in Calvino’s career to make it feel indispensable.” —Seattle Times
“These stories reward the patient reader with wisdom, humor, and insight.” —Library Journal
“Calvino . . . is well-represented in this continually surprising collection . . . Novelist Parks’s superb translations capture Calvino’s quirky, iconoclastic voice, helping to make this a worthy addition to the Calvino shelf.” —Publishers Weekly

The stories here will provoke, delight and impress. Joost Zwagerman’s selection forms a fascinating guidebook to a landscape you’ll surely want to wander in again.’ Clare Lowden, TLS
‘There is a lot of northern European melancholy in the collection, though often tinged with wry humour...an excellent book!’ Jonathan Gibbs, Minor Literatures
‘We were kids - but good kids. If I may say so myself. We’re much smarter now, so smart it’s pathetic. Except for Bavink, who went crazy.’ A husband forms gruesome plans for his new fridge; a government empress has a haunting experience on his commute home; prisoners serve an entertainment for wealthy party guests; an army officer suffers a monstrous tropical illness. These short stories contain some of the most groundbreaking and innovative writing in Dutch literature from 1915 to the present day, with most pieces appearing here in English for the first time. Blending unforgettable snapshots of the realities of everyday life with surrealism, fantasy and subversion, this collection shows Dutch writing to be an integral part of world literary history. Joost Zwagerman (1963-2015) was a novelist, poet, essayist and editor of several anthologies. He started his career as a writer with bestselling novels, describing the atmosphere of the 1980s and 1990s, such as Gimmick!(1988) and False Light (1991). In later years, he concentrated on writing essays – notably on pop culture and visual arts – and poetry. Suicide was the theme of the novel Six Stars (2002). He took his own life just after having published a new collection of essays on art, The Museum of Light.

Things We Say in the Dark

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

The award-winning, New York Times bestselling literary masterpiece of Shirley Hazzard—*the story of two beautiful orphan sisters whose fates are as moving and wonderful, and yet as predestined, as the transits of the planets themselves*
A Penguin Classic Considered “one of the great English-language novels of the twentieth century” (The Paris Review), *The Transit of Venus* follows Caroline and Grace Bell as they leave Australia to begin a new life in post-war England. From Sydney to London, New York, and Stockholm, and from the 1950s to the 1980s, the two sisters experience seduction and abandonment, marriage and widowhood, love and betrayal. With exquisite, breathtaking prose, Australian novelist Shirley Hazzard tells the story of the displacements and absurdities of modern life. The result is at once an intricately plotted Greek tragedy, a sweeping family saga, and a desperate love story.

Two men with dangerous secrets find that they have an uninvited guest staying with them . . . A cursed bride forced into an unlucky marriage . . . A mysterious child with an angelic face seems to have misfortune follow him around . . . In this collection of eleven very dark and twisted tales, Venita Coelho lays bare the underbelly of contemporary India. Get ready to gasp and cringe in horror as you have the rug pulled out from under you! This is a book you won't want to read after dark.

In the uproarious sequel to *Life Among the Savages*, the author of *The Haunting of Hill House* confronts the most vexing demons yet: her children Shirley Jackson skewered the trials of domestic life in 1950s America with wry wit and uncanny precision. In this sequel to *Life Among the Savages*, her four offspring have now grown into fully-fledged demons. As their house starts to burst at the seams, the Jackson clan somehow manage (without really planning it) to move into a larger home, only to take the chaos - absent furniture, vanishing children, misbehaving refrigerators, an avalanche of books - right along with them.

The Lottery

Raising Demons

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • From the renowned author of “The Lottery” and The Haunting of Hill House, a spectacular new volume of previously unpublished and uncollected stories, essays, and other writings. Features “Family Treasures,” nominated for the Edgar Award for Best Short Story Shirley Jackson is one of the most important American writers of the last hundred years. Since her death in 1965, her place in the landscape of twentieth-century fiction has grown only more exalted. As we approach the centenary of her birth comes this astonishing compilation of fifty-six pieces—more than forty of which have never been published before. Two of Jackson’s children co-edited this volume, culling through the vast archives of their mother’s papers at the Library of Congress, selecting only the very best for inclusion. Let Me Tell You brings together the deliciously eerie short stories Jackson is best known for, along with frank, inspiring lectures on writing; comic essays about her large, boisterous family; and whimsical drawings. Jackson’s landscape here is most frequently domestic: dinner parties and bridge, household budgets and homework-bound commutes, children’s games and neighborly gossip. But this familiar setting is also her most subversive: She yields humor, terror, and the uncanny to explore the real challenges of marriage, parenting, and community—the pressure of social norms, the veins of distrust in love, the constant lack of time and space. For the first time, this collection showcases Shirley Jackson’s radically different modes of writing side by side. Together they show her to be a magnificent storyteller, a sharp, sly humorist, and a powerful feminist. This volume includes a Foreword by the celebrated literary critic and Jackson biographer Ruth Franklin. Praise for Let Me Tell You “Stunning.”—*Oz* The Oprah Magazine “Let us now-at last-celebrate dangerous women writers: how cheering to see justice done with [this collection of] Shirley Jackson’s heretofore unpublished works—uniquely unsettling stories and ruthlessly barbed essays on domestic life.”—*Vanity Fair* “Feels like an uncanny dollhouse: Everything perfectly rendered, but something deliciously not quite right.”—*NPR* “There are . . . times in reading [these] delectable stories of desperate women in their thirties slowly going crazy that she seems an American Jean Rhys, other times when she rivals even Flannery O’Connor in her cool depictions of inhumanity and insidious cruelty, and still other times when she matches Philip K. Dick at his most hallucinatory. At her best, though, she’s just incomparable.”—*The Washington Post* “Offers insights into the vagaries of [Jackson’s] mind, which was ruminant and generous, accommodating such diverse figures as Dr. Seuss and Samuel Richardson.”—*The New York Times* Book Review “The best pieces clutch your throat, gently at first, and then with growing strength. . . . The whole collection has a timelessness.”—*The Boston Globe* “[Jackson’s] writing, both fiction and nonfiction, has such enduring power—she brings out the darkness in life, the poltergeists shut into everyone’s basement, and offers them up, bringing wit and even joy to the examination.”—*USA Today* “The closest we can get to sitting down and having a conversation with . . . one of the most original voices of her generation.”—*The Huffington Post* “Gripping. . . You won’t put it down” Sunday Telegraph A shocking collection of dark stories, ranging from chilling contemporary fairytales to disturbing supernatural fiction. Alone in a remote house in Iceland a woman is unnerved by her isolation; another can only find respite from the clinging ghost that follows her by submerging herself in an overgrown pool. Couples wrestle with a lack of connection to their children; a schoolgirl becomes obsessed with the female anatomical models in a museum; and a cheery account of child’s day out is undercut by chilling footnotes. These dark tales explore women’s fears with electrifying honesty and invention and speak to one another about female bodies, domestic claustrophobia, desire and violence. “A brilliant collection of stories. . . .
