"Lucht's engaging prose style and keen ethnographic eye provide for a captivating narrative on a form of population movement often in the news but rarely if ever really understood." --Jeffrey E. Cole, author with Sally Booth of "Dirty Work: Immigrants in Domestic Service, Agriculture, and Prostitution in Sicily." "Few ethnographers manage to integrate in-depth multi-sited fieldwork, enthralling narrative and innovative theory as well as Hans Lucht does in this study of existential reciprocity among Ghanaian fishermen forced by dwindling catches to embark on hazardous migrations to Europe in search of the wherewithal of life. In Lucht's capable hands, these stories become an allegory of our times." --Michael Jackson, author of "Life Within Limits: Well-Being in a World of Want." Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The road to success can be a long, arduous journey. It is a journey that needs a step-by-step, clearly defined strategy to arrive at the final destination. To accomplish this goal, Gary A.

McAbee has laid out a series of success principles, carefully placed in a logical order, which can lead to greater success. These principles have been used consistently by many of the highest achievers in our society. If they can use these concepts to reach success, then they can also be used by everyone to achieve victory. The book Defining Success: One Word at a Time

starts with defining and visualizing the end result: victory. From there, concepts like faith, passion, knowledge, and patience are introduced to the reader as building blocks toward success. Finally, the book ends with an all-encompassing definition of success. This definition, like all of the success keywords before it, includes the previous concepts outlined in this

book. Projects, known as Call-to-Action exercises, are located throughout the book as samples that can be used to supplement the success keywords. In essence, these exercises serve as written examples that allow the reader to work toward success. By completing projects such as The Success Book, Goal Worksheet, and Define Your Success, the success keywords and the

concepts associated with them come to life. Defining Success: One Word at a Time serves as a road map to success. Make no mistake about it; the road to success can be daunting. Yet this

book, along with the teachings and exercises it contains, is the ultimate guide to producing greater results. It is a guide book to reach the ultimate goal: success!

Are you or someone you know in the midst of grief? When I was dealing with the death of my wife I found it difficult to read narrative. Books and study guides on grief seemed difficult and impersonal. Most days I barely had enough energy to function. I desired encouragement and found it in daily devotions or personal accounts of how others dealt with this journey. I chose poems for this book because they can be digested in small bites and hopefully are helpful for the hurting heart.

Andy tackles his guilt and grief in the first book of Sharon M. Draper's award-winning Hazelwood High trilogy. Tigers don't cry—or do they? After the death of his longtime friend and fellow Hazelwood Tiger in a car accident, Andy, the driver, blames himself and cannot get past his guilt and pain. While his other friends have managed to work through their grief and move on, Andy allows death to become the focus of his life. In the months that follow the accident, the lives of Andy and his friends are traced through a series of letters, articles, homework assignments, and dialogues, and it becomes clear that Tigers do indeed need to cry.

After their counselor told them a story about spirits in the woods near their campsite, Ziggy and his friends get lost in that very place.

After the shocking death of her husband, Maggie Bennett is out for revenge, but life keeps getting in the way. Her younger sister has a dead man in her bathtub, her former lover and nemesis Randall is suddenly hovering, and a crazed murderer is lurking.
