

Darth Bane Rule Of Two

For the first time ever, the "Star Wars" adult fiction program ventures back to the past, to a time when the Sith were as numerous as the Jedi. Anakin Skywalker searches for the evil Darth Sidious, struggles with his duty as a Jedi Knight and role as the secret husband of Senator Padme Amidala, and strives to eliminate all resistance to the Empire in his new role as Darth Vader.

Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Tom Wright captures the verve and sparkle of these letters. Paul wrote the letters while in prison facing possible death, but their passion and energy are undimmed. They reveal Paul's longing to see young churches grow in faith and understanding, rooted in Jesus himself, and to see this faith worked out in practice - in one case, through the rehabilitation of a runaway slave. Wright's stimulating comments are combined with his own translation of the Bible text.

The Star Wars saga begins! Join Anakin Skywalker, Obi-Wan Kenobi, Queen Amidala and Yoda for one action-packed adventure after the next! This collection features 18 stories from the Star Wars prequel trilogy, beautifully illustrated by Star Wars artist Brian Rood. With foil on the cover, gilded pages, and over 250 pieces of both spot and full-page art, this storybook is a must-have for fans!

When the Sith Wars were over, the Jedi thought the Sith had been destroyed. But one remained: Darth Bane, the most powerful Sith Lord ever. And now, in secret, he is setting out to build his new Sith Order, with which he intends to rule the galaxy, with his new apprentice by his side.

Millennia before the rise of Darth Vader and Darth Sidious, in an Old Republic marked by an ongoing struggle between the Sidi and Jedi, Darth Bane plots to bring down the Brotherhood of the Sith and to replace it with a more powerful order.

A lavishly illustrated fan's portrait traces the complete story of the infamous Star Wars villain, exploring his history, myth, and cultural impact while providing coverage of both his development by George Lucas and spin-off tales as portrayed in comics and novels.

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular “Deceived” and “Hope” game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book. Darth Plagueis, a Sith Lord who knows the Dark Side so well that he has power over life and death, joins forces with his apprentice, one-day emperor Darth Sidious, to try to dominate the whole galaxy. Movie tie-in.

NEW YORK TIMES BESTSELLER Set before the events of Star Wars: Episode I The Phantom Menace, this new novel is a thrilling follow-up to Star Wars: Darth Plagueis. It's kill or be killed in the space penitentiary that houses the galaxy's worst criminals, where convicts face off in gladiatorial combat while an underworld gambling empire reaps the profits of the illicit blood sport. But the newest contender in this savage arena, as demonic to behold as he is deadly to challenge, is fighting for more than just survival. His do-or-die mission, for the dark masters he serves, is to capture the ultimate weapon: an object that will enable the Sith to conquer the galaxy. Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize. And one of the power-hungry duo has his own treacherous plans for it. But first, their fearsome apprentice must take on a bloodthirsty prison warden, a cannibal gang, cutthroat crime lord Jabba the Hutt, and an unspeakable alien horror. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for Lockdown “Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us.”—Jedi News “Fans of the dark side should rejoice. Lockdown delivers a can't-put-this-down tale of scum and villainy.”—Club Jade “[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis.”—Roqoo Depot “Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray either genre. It's really quite masterful.”—Big Shiny Robot “Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read.”—Coffee with Kenobi “The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way.”—Knights' Archive “By the fiftieth page, I was hooked. . . . Lockdown is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more Star Wars books from Schreiber.”—Seattle Geekly

Thousands of years before the rise of Darth Sidious and Darth Vader, the Old Republic was rife with the evil Sith, who were a constant thorn in the side of the Jedi. But greed and

hunger for power were eating away at the Sith Order, destroying it from within. In the midst of this rose a new Sith, Darth Bane, who recognized that the Sith Order would fall if nothing was done. Thus it was he who, learning to cultivate patience and cunning, hid from the strife until it was over, and then rose to become the most powerful Sith Lord ever. This is the story of the transformation of Des, a young miner, into the legendary Sith Lord Darth Bane. Des - like many of the disenfranchised who live on the Outer Rim - is disillusioned with the stagnancy of the Old Republic. When the Sith unite to bring the Republic down, Des is one of many to join their cause. His heroism and skill in battle - along with his remarkable connection to the Force - draw the notice of the Sith Masters, and Des eventually finds himself studying at the Sith Academy on Korriban. He takes the name of Bane and, amidst the deception and back-stabbing of the other students, he learns to unlock his latent dark-side talents. As his power grows, Bane realizes the Sith have lost their way. Under the leadership of Lord Kaan and his Brotherhood of Darkness, the Sith have turned their back on the true nature of the dark side. Through manipulation, cunning and strength, Bane destroys Kaan's Brotherhood and wipes out all the other Sith so he can found a new Order based on the rule of two: one Master, one apprentice.

Darth Bane Rule of Two : a Novel of the Old Republic Del Rey Books

Darth Plagueis The Wise has become one of the most infamous and interesting characters in *Star Wars* despite never appearing on screen. He was directly responsible for just about everything that happened over the course of the *Star Wars* movies, and unbeknownst to many, was even alive for most of Episode I. *Darth Plagueis* was a bit of a recluse, especially in his later years, so not much is known about him beyond the secondhand accounts of his former apprentice Palpatine. This book will dispel much of the mystery surrounding the famous Sith Lord by exploring his history, his relationship with the Emperor, and how the ripple effects of his actions are still being felt in the *Star Wars* universe today.

In this essential *Star Wars Legends* novel, Mace Windu must journey to his long-forgotten homeworld to confront a terrifying mystery with dire personal consequences. The Jedi Council has sent Depa Billaba—Mace's former Padawan and fellow Council member—to Haruun Kal to train the local tribesmen as a guerrilla resistance force. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle . . . a recording in Depa's own voice. Mace Windu trained Depa. Only he can find her. Only he can learn what has changed her. Only he can stop her. He will leave behind the Republic he serves, the civilization he believes in, everything but his passion for peace and his devotion to his former Padawan. And he will learn the terrible price that must be paid when keepers of the peace are forced to make war. . . .
