

Dave Ramsey Chapter 6

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

Guides people working in jobs they hate on how to make successful career decisions by creating a compass from their natural skills and abilities, personality traits, values, dreams, and passions, directing them to a more fulfilling vocation.

Written for administrators who want to enhance their budgeting skills, this third edition incorporates new professional leadership standards and information about budgeting for technology enhancements.

Financial Peace Revisited

Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people

who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It ' s time to exit the daily grind and use your talents to start living your dream once and for all.

“ Claudette inspires you to fail into your success by transforming old patterns within yourself . . . to reach new levels in business or personal endeavors. ” —Sabrenay Brandon, YES INC. team member BAD (Begin Again Differently) is an inspiring guide to starting over again after suffering a major loss. Claudette Yarbrough empowers readers to use the 7 Smart Processes that led her to “ restart ” her nonprofit after she lost her annual four million dollar contract after eighteen years. Claudette teaches readers how to make a comeback when they acknowledge and embrace their failure. In BAD (Begin Again Differently) readers learn: How to embrace the power of believing again How to find their organization ' s new “ why ” for existing The value of over-communicating How to find the decisiveness needed to make good decisions How to cultivate rock stars for their team How to use the power of motivating themselves to get back on the right track Any thoughts of starting over can seem like a hill that is too high to climb, but just because you ' ve lost a lot doesn ' t mean you have to be lost. If you want to restart, BAD will be your essential guide to navigating the changes needed to triumph. “ An inspirational reflection and pragmatic roadmap that is useful for anyone looking for a way to recover from a significant setback. ” —Matthew J. Pepper, EdD, coauthor of Leading Schools During Crisis

This book is designed to introduce students to programming and computational thinking through the lens of exploring data. You can think of Python as your tool to solve problems that are far beyond the capability of a spreadsheet. It is an easy-to-use and easy-to-learn programming language that is freely available on Windows, Macintosh , and Linux computers. There are free downloadable copies of this book in various electronic formats and a self-paced free online course where you can explore the course materials. All the supporting materials for the book are available under open and remixable licenses. This book is designed to teach people to program even if they have no prior experience.

Follow God ' s rules for financial freedom. In today ' s uncertain times, how can you achieve the goal of financial independence? Success depends on a balanced strategy that is based on timeless biblical wisdom and up-to-date financial guidance. Finding Financial Freedom is your guide to prosperity that lasts. Written by Bible scholar and professional financial planner Grant R. Jeffrey, this book shows how you can: · identify and avoid financial traps · escape the spiritual bondage created by a lifestyle of debt · develop a disciplined savings plan that leads to successful investing · claim God ' s promise of giving and receiving · shift your thinking from “ more income ” to “ keeping more of your income ” · make decisions today that will protect your family and guarantee an income through your retirement years. Here is biblical financial wisdom that ' s as immediate as the bills crowding your mailbox. Get started today on the biblical road to wealth with Finding Financial Freedom.

How to Ruin Your Life

The Smartest Investment Book You'll Ever Read

The Unfinished Story of Jeremy and Adrienne Camp

The Simple, Stress-free Way to Reach Your Investment Goals

The Wealth of Nations Book 1

In Unison

A Blueprint for Identity

How to Ruin Your Life is a powerful self-help tool in the form

of a work of humor. It is sardonic advice, presented with tongue in cheek, explaining how people can "ruin" their lives. The essays cover topics such as "Convince Yourself That You're All That Matters," "Think the Worst of Everyone," "Pour Salt on Those Wounds," and "You Can Change People." Seriously, though, to anyone who reads this book, it is an earnest warning about falling into traps of self-destructive behavior that can ruin any man or woman's life. More than that, it comprises 35 steps that - if read and understood - provide a road map to making life work in the most effective way possible. It is humor and self-help all in one, delivered by Ben Stein, a man who has witnessed more than his share of people who did ruin their lives - as well as those whose lives have been wildly successful. It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

Adam Smith's ground breaking work in economics, "The Wealth of Nations." Book 1: BOOK I. OF THE CAUSES OF IMPROVEMENT IN THE PRODUCTIVE POWERS OF LABOUR, AND OF THE ORDER ACCORDING TO WHICH ITS PRODUCE IS NATURALLY DISTRIBUTED AMONG THE DIFFERENT RANKS OF THE PEOPLE. CHAPTER I. OF THE DIVISION OF LABOUR. CHAPTER II. OF THE PRINCIPLE WHICH GIVES OCCASION TO THE DIVISION OF LABOUR. CHAPTER III. THAT THE DIVISION OF LABOUR IS LIMITED BY THE EXTENT OF THE MARKET. CHAPTER IV. OF THE ORIGIN AND USE OF MONEY. CHAPTER V. OF THE REAL AND NOMINAL PRICE OF COMMODITIES, OR OF THEIR PRICE IN LABOUR, AND THEIR PRICE IN MONEY. CHAPTER VI. OF THE COMPONENT PART OF THE PRICE OF COMMODITIES. CHAPTER VII. OF THE NATURAL AND MARKET PRICE OF COMMODITIES. CHAPTER VIII. OF THE WAGES OF LABOUR. CHAPTER IX. OF THE PROFITS OF STOCK. CHAPTER X. OF WAGES AND PROFIT IN THE DIFFERENT

EMPLOYMENTS OF LABOUR AND STOCK. CHAPTER XI. OF THE RENT OF LAND.

Learn what you didn't learn in school! The truth is, graduates around the world are clueless about where they want to go next in their lives. How can they pursue their dreams if they don't understand more practical subjects like developing a solid budget? This book is for people confused by everything from financial terms to getting married. In *Graduated and Clueless* you'll learn from these chapters: 1. What's Most Important (Housing) 2. What To Do With Time 3. Let's Talk Jobs and Passion 4. Insurance is So Confusing 5. Financing My Life 6. Good Old Retirement 7. Dating for the Masses 8. Add Marriage On Top of All This 9. Never Stop Dreaming This book will reveal subjects and issues you likely haven't considered with easy-to-understand examples. Don't be an overwhelmed and confused graduate any longer. Be the graduate who is informed. The tips and tricks in this book will help you move forward in life confidently and optimistically. Each chapter will give you new insight into life beyond the diploma. All you have to do is read it.

Baby Steps Millionaires

The Generosity Secret

And the greatest of these is... Jeremy Camp became a GRAMMY®-nominated singer and songwriter, released four gold albums, and received two American Music Awards nominations. While on a three-month-long tour, Jeremy met and built a friendship with the lead singer of another band. In a beautiful and inspiring story their love unfolded taking them both by surprise. After 16 years of marriage, Jeremy and Adrienne have experienced devastating losses and incredible joy, and have grown alongside each other. They continue to build a friendship as they juggle life and frequent separations, due to tour schedules, with the demands and stressors of parenting their three kids. In *Unison* is the story of the lessons they've learned in love and marriage told from each of their voices. They vulnerably share the highs and lows of life together and offer practical advice for how to deal with conflict, manage finances, move through grief, and work to build your own family culture. You can't do marriage without Jesus, and when you keep Him in the middle, together, you can build a lasting love.

The Legacy Journey A Radical View of Biblical Wealth and Generosity Ramsey Press

The wedding day is just one day in the life of a couple. But God's design is for marriage to last a lifetime. So how can someone know that the person they're

with is the one they can truly build a life with--especially when so few marriages around them work? Pastor Scott Kedersha has worked with more than 5,000 premarital couples to prepare them for the biggest decision of their lives. In **Ready or Knot?** he offers practical and Christ-centered guidance for couples for all of the days after the wedding day. Through authentic stories from real couples about the decisions they made (or wish they'd made), Scott asks the hard questions so his readers can break free from the watered-down Hollywood version of marriage and build their lives together on the right foundation--the unchanging Word of God.

Lowe was shocked when she realized how the small, everyday expenses of living just added up until her family was being threatened by one dragon of a debt. Through hard work and God's help, the family paid off their creditors in just under four years. Lowe shares how her war on debt strengthened her marriage and brought her whole family closer to God and to one another.

Antipatterns and Patterns for Business Agility

Ready or Knot?

You never thought divorce would happen to you. But it did. You may feel traumatized, relieved, hopeful, afraid, or all of the above. What choices will help you heal? How can you minimize the trauma for your kids? When is too soon to date...and what about sex? How can you learn from your mistakes instead of repeating them? And where is God in all of this? Michelle and Connie have been where you are. They 're Christian women who are a little ahead of you on the journey. Michelle was divorced seven years and now is happily remarried. Connie is ten years into the journey and at peace with being single. They 've each made good choices and their fair share of mistakes. In this book they rally their collective experience to help you navigate some of the twists and turns of the post-divorce journey, avoid pitfalls, and emerge stronger and more confident. This is not one of those authoritative, "do as we say" tomes. It 's a woman-to-woman, been-there-done-that, faithful, and hopeful approach to such topics as acceptance, forgiveness, loneliness, online dating (or "CON-line dating"), sex, money, respect, finding friends, and caring for your physical, financial, and spiritual health. Most of all, it 's a powerful reassurance that no matter what has happened or what may happen next, God still has good plans for you. You will live and laugh and love again. This book can help you do it. When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In **Retire Inspired**, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in

retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

Presents a plan for personal financial success that emphasizes the use of trusted, brand-name fund managers, and shows investors how to create and monitor portfolios while avoiding common investment mistakes.

This question and answer book is the perfect resource guide for equipping individuals with key information about everyday money matters. Questions and answers deal with 100+ of the most-asked questions from The Dave Ramsey Show—everything from budget planning to retirement planning or personal buying matters, to saving for college and charitable giving. This is Dave in his most popular format—ask a specific question, get a specific answer.

The Clear Path to Doing Work You Love

Your Money: The Missing Manual

Using Microsoft Excel and Minitab

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle? The Proximity Principle? can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.

There are a lot of personality and intelligence tests out there designed to label you and put you in a particular box. But Dr. Caroline Leaf says there's much more to you than a personality profile can capture. In fact, you cannot be categorized! In this fascinating book, she takes readers through seven steps to rediscover and unlock their unique design--the brilliantly original way each person thinks, feels,

relates, and makes choices--freeing them from comparison, envy, and jealousy, which destroy brain tissue. Readers learn to be aware of what's going on in their own minds and bodies, to lean in to their own experience rather than trying to forcefully change it, and to redefine what success means to them. Released from the suffocating box of expectations, they'll embrace their true identity and develop a clear sense of divine purpose in their lives. Knowing and understanding our identity empowers our choices. Unlocking one's you quotient is not optional--it is essential.

Get out of debt and stay out with the help of Dave Ramsey, the financial expert who has helped millions of Americans control their money The Financial Peace Planner may be the most valuable purchase you ever make. Dave Ramey's practical regimen, based on his own personal experience with debt, offers hard-won advice and much needed hope to people who find themselves in serious debt and desperate for a way out. This book comes in a workbook format, allowing you to frequently monitor your progress and, most importantly, to face your situation honestly. Loaded with inspirational insights that come from personal experience, this set of books will be life changing for any debt-ridden readers. You'll find help on how to:

- Assess the urgency of your situation
- Understand where your money's going
- Create a realistic budget
- Dump your debt
- Clean up your credit rating

With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers Financial Peace and More than Enough, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right-financially, emotionally, and spiritually. In this new edition of Financial Peace, Ramsey has updated his tactics and philosophy to show even more readers:

- how to get out of debt and stay out
- the KISS rule of investing—"Keep It Simple, Stupid"
- how to use the principle of contentment to guide financial decision making
- how the flow of money can revolutionize relationships

With practical and easy to follow methods and personal anecdotes, Financial Peace is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

The YOU Plan

A Biblical Guide to Your Independence

Dave Ramsey's Complete Guide to Money

A Beginner's Guide to Storytelling with Data

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

Do you want a healthy marriage that will thrive and grow? Enthusiastically and happily married for more than 38 years, award-winning musicians Steve and Annie Chapman offer you time-tested marriage advice based on their experiences, reading God's Word, conducting marriage seminars, and prayer. They believe that "no marriage is perfect, but all marriages can be successful." You can establish a great Christian marriage by implementing their key principles including: creating a positive atmosphere for intimacy knowing what really makes your mate feel loved improving your communication skills working together to set priorities and goals avoiding money problems by establishing boundaries Whether you've been together for days or years, I Love You and I Like You offers biblical marriage advice that will help you have a happy marriage overflowing with love and romance.

A simple, straight-forward game plan for completely making over your money habits! Best-selling author and radio host Dave Ramsey is your personal coach in this informative and interactive companion to the highly successful New York Times bestseller The Total Money Makeover. With inspiring real-life stories and thought-provoking questionnaires, this workbook will help you achieve financial fitness as you daily work out those newly defined money muscles. Ramsey will motivate you to immediate action, so you can: Set up an emergency fund (believe me, you're going to need it) Pay off your home mortgage?it is possible. Prepare for college funding (your kids will love you for it) Maximize your retirement investing so you live your golden years in financial peace Build wealth like crazy! With incentive exercises that really do exercise your spending and saving habits, Ramsey will get your mind and your money working to make your life free of fiscal stress and strain. It's a no-nonsense plan that will not only make over your money habits, but it will also completely transform your life. Practical SQL is an approachable and fast-paced guide to SQL (Structured Query Language), the standard programming language for defining, organizing, and exploring data in relational databases. The book focuses on using SQL to find the story your data tells, with the popular open-source database PostgreSQL and the pgAdmin interface as its primary tools. You'll first cover the fundamentals of databases and the SQL language, then build skills by analyzing data from the U.S. Census and other federal and state government agencies. With exercises and real-world examples in each chapter, this book will teach even those who have never programmed before all the tools necessary to build powerful databases and access information quickly and efficiently. You'll learn how to: - Create databases and related tables using your own data - Define the right data types for your information - Aggregate, sort, and filter data to find patterns - Use basic math and advanced statistical functions - Identify errors in data and clean them up - Import and export data using delimited text files - Write queries for geographic information systems (GIS) - Create advanced queries and automate tasks Learning SQL doesn't have to be dry and complicated. Practical SQL delivers clear examples with an easy-to-follow approach to teach you the tools you need to build and manage your own databases.

This book uses PostgreSQL, but the SQL syntax is applicable to many database applications, including Microsoft SQL Server and MySQL.

From Paycheck to Purpose

This applied book for engineers and scientists, written in a non-theoretical manner, focuses on underlying principles that are important in a wide range of disciplines. It emphasizes the interpretation of results, the presentation and evaluation of assumptions, and the discussion of what should be done if the assumptions are violated. Integration of spreadsheet and software complete this treatment of statistics. Chapter topics include describing and summarizing data; probability and discrete probability distributions; continuous probability distributions and sampling distributions; process control charts; estimation procedures; hypothesis testing; the design of experiments; and simple linear and multiple regression. For individuals interested in learning statistics--without a high level of mathematical sophistication. Please Note: The CD-ROM originally included is no longer available. However, the data files can be downloaded at www.prenhall.com/sincich. And the PHStat2 content is available for purchase standalone.

This collection bundles all 3 of popular author Melanie Shankle's previous books together in one e-book, for a great value! Sparkly Green Earrings "There is really no better indicator that you're a mother than acquiring the ability to catch throw-up in a plastic bag, disinfect your hands, and immediately ask your friend to pass the beef jerky as you put on another T-shirt. Sing a song and act as if nothing has happened." This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood. Written in the familiar, stream-of-consciousness style of her blog, Big Mama, Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it—Sparkly Green Earrings will make you feel like you're sitting across the table from your best friend. A must-read for anyone who's ever had a baby, or even thought about it. The Antelope in the Living Room Welcome to the story of a real marriage. Marriage is simultaneously the biggest blessing and the greatest challenge two people can take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it's a good idea to hang a giant antelope in your living room wall. In The Antelope in the Living Room, New York Times best-selling author and blogger Melanie Shankle does for marriage what Sparkly Green Earrings did for motherhood—makes us laugh out loud and smile through tears as she shares the holy hilarity of that magical and mysterious union called marriage. Nobody's Cuter than You is nothing as precious in life as a friend who knows you and loves you in spite of your flaws. Over the last couple of decades, we've substituted the joy of real friendship with cheap digital imitations. We settle for "community" on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment. We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It's showing up, laughing loud, and crying when needed. It's forgiving and loving and giving the benefit of the doubt. It's making a casserole, doing

carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The In-Laws*, *Nobody's Cuter than You* is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God has put in our lives with good sense to bring into our lives at exactly the right moments. From the friendships that have lasted over a lifetime to the ones that wounded us and the ones that taught us to love better, *Nobody's Cuter than You* reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace us, our acne related acne reminiscent of our teen years, and our kids have tested the limits of our patience, *Nobody's Cuter than You* are the ones who will look at us and say, "Nobody's cuter than you!"

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties the wrong way—and then went bankrupt. That's when he set out to learn God's ways of handling money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through financial freedom, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and be able to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through financial barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of financial freedom. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you can lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

Dave Ramsey explains those scriptural guidelines for handling money.

The Money Answer Book

The Proximity Principle

In Smart Money Smart Kids, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money.

Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

"This is the official handbook for Financial Peace University. If you are following Dave's teaching, you

already know what is in this book. But if you're new to Dave this is the book for you."--Publisher's website.

It's no secret that we are living in the Digital Age. Technology companies make up seven of the world's ten largest firms by market capitalization. And the key to their success is the key to all modern organizations. Jonathan Smart, business agility practitioner, thought leader, and coach, reveals the patterns and antipatterns that will help organizations from every industry deliver better value sooner, safer, and happier through high levels of engagement, inclusion, and empowerment. Through his decades of experience in the technology world, Smart provides business leaders with a blueprint for creating a world-class organization of the future. Through Agile and Lean ways of working, business leaders can empower teams to improve production, grow together, and create better services for their customers. These better ways of working have overflowed from the IT department to every corner of successful organizations, taking root in every industry from aerospace to accounting, insurance to shipping. This book is not about software development. It is not a book about the computer industry. This book is about applying agility across the entire organization. It's a book that will put you at the front of change and ahead of the competition. What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?
