

Dear Me A Letter To My Sixteen Year Old Self Joseph Galliano

Inspiration for the Netflix Limited Series, *Tales of the City* The second novel in the beloved *Tales of the City* series, Armistead Maupin's best-selling San Francisco saga. The tenants of 28 Barbary Lane have fled their cozy nest for adventures far afield. Mary Ann Singleton finds love at sea with a forgetful stranger, Mona Ramsey discovers her doppelgänger in a desert whorehouse, and Michael Tolliver bumps into his favorite gynecologist in a Mexican bar. Meanwhile, their venerable landlady takes the biggest journey of all—without ever leaving home. From the popular Tumblr of the same name comes a collection of heart-warming, tear-jerking, and gut-wrenching anonymous letters that people never intended—or didn't have the courage—to send. The Tumblr *Dear My Blank*—created by 16-year-old Emily Trunko and followed by over 35,000 people—is now a carefully curated gift book with more than 160 anonymous letters covering a range of topics from heartbreak, unrequited love, and loss, to inspiration, self-awareness, and gratitude. Featuring exclusive content not available on Tumblr, these unsent letters are addressed to secret crushes, lost loved ones, boyfriends, siblings, parents, grandparents, and many more. Art and design by Lisa Congdon enhance these messages, making the book a beautiful keepsake for all readers. "A visceral and voyeuristic offering that covers the spectrum from fleeting angst to gut-wrenching grief." —Kirkus Reviews "Stirring and soulful." —Booklist Praise for the Tumblr *Dear My Blank* "An addictive site full of strangers' secrets." —Cosmopolitan "A safe haven for hundreds of letters that will never be sent." —Distractify "Tumblr's newest obsession." —Hello Giggles

"The *Dear One Letters*" are overflowing with practical spiritual and psychological wisdom. They encourage you to consider that you are a soul first and a human second. On this path, you may step into your own power as a Divine being who has the potential to create your life in any way you want. Letter by letter, they inspire you to tap into the consciousness of who you really are: a soul whose purpose is to live a human life as fully as possible while spiritually evolving to its fullest potential. They free you to be all you came here to be, feeding it to you in bite-size pieces of love. This uplifting book uses everyday situations to deepen your relationship with yourself in order to become a happier and wiser person. With specific techniques and fascinating stories from the author's own life, the letters offer a process for diminishing fear, understanding how life is created, finding love of self, and learning how to hear and re-connect with your own Divine Magnificence.

A collection of advice and reflections by young adult authors who reveal personal experiences from their teen years shares recommendations on topics ranging from abuse and relationships to bullying and body issues.

I Will Always Write Back

Dear Siena

Letters to Myself, For All of My Emotions

How One Letter Changed Two Lives

Dear Me, I Love You

A Letter to the Man Who Shot Me

From a full-sized hockey rink to earplugs for blocking out his little sister, Jimmy Dobbins wants a lot of things for Christmas. This hilarious series of his letters to Santa record his outrageous requests and ultimate change of heart. Full color. More than 60 celebrities, writers, musicians, and actors deliver letters to their younger selves that give words of comfort, warning, humor, and advice. Often handwritten and shown alongside a photograph of the writer at around that age, these letters present intimate, moving, and witty insights, comprising a collection that readers will want to talk about and share with others. Letters of Note, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, Letters of Note is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

If you were to write a letter to your 16-year-old self, what would it say? In Dear Me, some of the world's most famous and best loved celebrities, from actors to chefs, directors to musicians, have written just such a letter. The letters range from the compassionate to the shocking via hilarity and heartbreak, but they all have one thing in common: they offer a unique insight into the teenager who would grow up to be... J.K. Rowling, Hugh Jackman, Kathleen Turner, Stan Lee, James Belushi, Moon Zappa, Seth Green, Piers Morgan, Jodi Picoult, Stephen King, Phil Ramone, Michael Winner, Alan Cumming, Jerry Springer, Armistead Maupin, E from The Eels, Ferran Adrià, Rose McGowan, James Woods or Gillian Anderson. It is the perfect gift for your mum or dad, sister or

brother, gran or granddad, or someone who is a teenager, even turning 16.

Letters to a Young Poet

Letters to the Oval Office from the Files of the National Archives

Drawn from the National Archives, a compelling assortment of correspondence collects letters written over the centuries to American chief executives by both ordinary citizens and famous figures, accompanied by information providing historical context for the writers' concerns and ideas. Reprint. 50,000 first printing.

"I've got my monsters and they all look like my father." Even after starting a successful company at 24, expanding from Washington, DC to LA, and securing extensive national media coverage, Kanchan still suffered from self-destructive behavior, depression, and anxiety. Kanchan Singh, Founder and CEO of Crumbs and Whiskers, was doing great. But Kanchan was hanging by a thread. Deeply unhappy, insecure, and afraid, Kanchan began a journey of self-work to heal from the traumas she had buried deep within her in the process of becoming a successful entrepreneur. At the advice of her mentor, she began therapy to uncover wounds from her childhood (an absent and abusive father, an emotionally abusive mother, sexual assault, bullying, and immigrating to the US), and from doing arduous work and self-discovery, Kanchan arrived at self-love and healing. *Dear Me, I Love You* is the story of that healing. Through poetry, prose, and conversations with her therapist, *Dear Me, I Love You* explores the feelings and realizations Kanchan had in therapy. The book creates a map and guide of what it takes for a successful young woman to confront what she thought made her weak to come out from the shadows of her past. The book inspires others to feel their pain and heal from it, to overcome their limiting beliefs and conditionings, and become who they really are. Let Kanchan take you on her self-healing journey and explore with her what it takes to finally say to yourself, *Dear Me, I Love You*. RENOWNED ARTIST R. O. BLECHMAN'S illustrations are instantly recognizable. For more than fifty years, his work has appeared on the covers of *The New Yorker*, run alongside op-eds in *The New York Times*, graced the pages of *Harper's Bazaar*, and, more recently, been featured on *The Huffington Post*, providing unspoken commentary on the world at large. In *Dear James*, Blechman has compiled all the wisdom he has accumulated over the course of his esteemed career into a series of poignant yet instructive letters written to an imagined young illustrator, "James." The result is a wise and mesmerizing meditation on creativity. Flush with wit and candor, Blechman's correspondence delves into his own trash can of false starts and failed beginnings, in addition to his artistic triumphs, to offer James both encouragement and criticism. He urges him to reach his potential as an artist, advising him on practical aspects -- proper technique, choice of work environments, dealing with editors -- and along the way provides invaluable insights on art, and life, that lay bare the challenges James will face as he aims to be successful in this demanding field. In the tradition of Rilke's *Letters to a Young Poet*, *Dear James* is an indispensable tool for any up-and-coming creative person looking for advice and inspiration, as well as a memorable read for those daring enough to chase their dreams.

Dear Me, Letters to Myself For All of My Emotions teaches young children how to recognize and manage the emotions they feel throughout the day. Through a series of letters that begin with, "Dear Me," a young child writes down his feelings. These letters allow him to recognize that he can change how he feels while practicing self-kindness and compassion. *Dear Me* serves as a guide to help kids learn about expressing feelings, understanding those feelings, and then deciding what to do about them in ways that are healthy, helpful, and kind. The book models several approaches for parents, but, more directly, models how children can develop the social-emotional skill of managing emotions by naming emotions, journaling, and mindful breathing. Beautiful illustrations support this empowering message designed to help children understand and appreciate all of their emotions. *Dear Me, Letters to Myself For All of My Emotions* teaches children: - Self-love - Self-regulation - Self-advocacy - Managing emotions - Empathy - Journaling - Mindful breathing

The Surprising Reasons Why Some Kids Struggle and Others Shine

Dear Santa

Dear Teen Me

Gertrude LaRue receives typewritten and paw-written letters from her dog *Ike*, entreating her to let him leave the *Igor Brotweiler Canine Academy* and come back home, but instead, *Ike* escapes and runs home--just in time to save *Mrs. LaRue's* life.

More Letters of Note is another rich and inspiring collection, which reminds us that much of what matters in our lives finds its way into our letters. These letters deliver the same mix of the heartfelt, the historically significant, the tragic, the comic and the unexpected. Discover *Richard Burton's* farewell note to *Elizabeth Taylor*, *Helen Keller's* letter to *The New York Symphony Orchestra* about 'hearing' their concert through her fingers, the final missives from a doomed *Japan Airlines* flight in 1985, *David Bowie's* response to his first piece of fan mail from America and even *Albus Dumbledore* writing to a reader applying for the position of *Defence Against the Dark Arts Professor* at *Hogwarts*.

Including letters from: Jane Austen, Richard Burton, Helen Keller, Alan Turing, Albus Dumbledore, Eleanor Roosevelt, Henry James, Sylvia Plath, John Lennon, Gerald Durrell, Janis Joplin, Wolfgang Amadeus Mozart, Janis Joplin, Hunter S. Thompson, C. G. Jung, Katherine Mansfield, Marge Simpson, David Bowie, Dorothy Parker, Buckminster Fuller, Beatrix Potter, Che Guevara, Evelyn Waugh, Charlotte Brontë and many more.

It's the year 2021 and we're all stuck inside our homes under our blankets. An insane pandemic hit the world in March 2020 with the spread of a highly contagious virus called coronavirus or Covid 19. It has transformed our lives like never before. It was 2 a.m. in the night. It was just me alone with my night lamp, a cup of green tea, a fountain pen, my beloved black diary, and an antique typewriter gifted to me by my grandfather. As I read the last words of his letter, the ink vanished into thin air leaving me baffled yet excited to get on with my mission. I kept my pen and paper aside and dragged the typewriter towards me. I closed my eyes and went into a short flashback of my entire life until now. My face went from smiles into sadness to grin to laughter to remorse as I remembered all the precious moments and regrets. My fingers grazed all over the alphabet keys while I kept my eyes closed and my emotions got the best of me. I took a deep breath and started typing the first letter to my younger self. Imagine if you were allowed to send letters to your own past? What would you do? What would you love to change about your past that would impact your today?!

These letters, From Jeanie Arthur to Frank Arthur, were written in the year of their engagement between July 1882 and May 1883. The correspondence served as the inspiration for their great-great granddaughter, Kathleen Shoop's, novel, The Last Letter. Her novel is fiction, of course, but these heartfelt, optimistic love words have their own story arc, and tell an old-fashioned love tale that has a surprisingly modern tone that deserves to see the light of day.

Dear Me, Letters to Myself For All of My Emotions

The Letters That Inspired the Novel, the Last Letter

Advice on Love and Life from Dear Sugar

Letters to a Young Illustrator

The Paris Letters Collection

The Dear One Letters

In this book a young girl pens a love letter to libraries and books, and powerfully expresses the need for diversity and the importance of representation in stories! There was just this one thing, this nagging suspicion, that I didn't meet the criteria for a heroine's condition. In the books that I read, an absence of melanin was a clear omission. A voracious young reader loves nothing more than going to the library and poring through books all day, making friends with characters and going off on exciting adventures with them.

However, the more she reads, the more she notices that most of the books don't have characters that look like her, and the only ones that do tell about the most painful parts of their history. Where are the heroines with Afros exploring other planets and the superheroes with locs saving the day?

The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

Dear Me A Letter to My Sixteen-Year-Old Self Simon and Schuster

The bestselling author of UnSelfie offers 7 teachable traits that will safeguard our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we're modeling the wrong traits--like rule-following and caution--and research shows it's NOT working. This kind of "Striver" mindset isn't just making kids unhappier, says Dr. Michele Borba...it's actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart--confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In Thrivers, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids how to cope today so they can thrive tomorrow.

My Little Book Of Dear God Letters

The Love Letters of F. Scott and Zelda Fitzgerald

A Love Letter to Libraries

Dear Me,

India's biggest sports stars share their secrets for finding greatness From Anju Bobby George's unexpected gold medal at the World Athletics Final in Monaco to Abhinav Bindra's Olympic gold in Beijing, India's sportspersons have constantly proved that they stand shoulder to shoulder with the world's best. However, as easy as they might make it look, their success is the result of years of struggle, focused training and relentless hard work to overcome several challenges. Dear Me is a collection of letters from some of the most-celebrated names in sports-Milkha Singh, Vishwanathan Anand, Bhaichung Bhutia and many more-who write to their younger selves and remember the moments that changed their lives. An uplifting reminder that dreams do come true, this book allows you to be inspired by their extraordinary stories.

As a child who lost her daddy at such a young age, I don't have the pleasure of many memories with the man I thought of as my hero. All I have left of him are some pictures, a handful of memories, and whatever stories others who knew him well have shared with me. I've always desperately wished I had more. When I became a mother, I instantly felt the other side of the story. My whole life I'd only been the child... and now I was the parent. I suddenly knew what it was like to literally wear my heart on my sleeve. To feel not only all of my own fears and emotions, and pain. But, now I've taken on all of hers as well. This switch in perspectives inspired me to give her something I never had. A piece of me she can have and hold, and refer to forever. A way to give her advice and comfort. Whether it be when she's a teenager and too scared to come ask for help or confide in me. Or, when I'm long gone and she's a mommy herself. A way for her to get to know me, know who I am, what is important to me. What I struggled with, what I conquered, what I accomplished. What I failed at, what I hope for her, how much I believe in her. And most importantly, how so very, very much I love her. So, I've written her letters, periodically, since the day she was born. Letters about life, advice, stories, memories, anything I am inspired to write to her about. Something that can not only help her, but hopefully others as well. My hope is you walk away empowered, inspired, and plum full of love and hope, because we all need it.

These nuggets of wisdom are offered by an Academy Award-nominated actor (James Woods), a popular comedian (Aasif Mandvi), and a world-famous novelist (Jodi Picoult) to their sixteen-year-old selves. No matter how accomplished and confident they seem today, at sixteen, they were like the rest of us—often unsure, frequently confused, and usually in need of a little reassurance. In *Dear Me*, 75 celebrities, writers, musicians, athletes, and actors have written letters to their younger selves that give words of comfort, warning, humor, and advice. These letters present intimate, moving, and witty insights into some of the world's most intriguing and admired individuals. By turns funny, surprising, raw, and uplifting, this singular collection captures the universal conditions that are youth, life, and growing up.

New York Times bestseller *Now* with a new Epilogue, containing letters of response from Palestinian readers. "A profound and original book, the work of a gifted thinker."--Daphne Merkin, *The Wall Street Journal* Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of *Like Dreamers* directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. I call you "neighbor" because I don't know your name, or anything personal about you. Given our circumstances, "neighbor" might be too casual a word to describe our relationship. We are intruders into each other's dream, violators of each other's sense of home. We are incarnations of each other's worst historical nightmares.

Neighbors? *Letters to My Palestinian Neighbor* is one Israeli's powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of "the enemy." In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. This is the first attempt by an Israeli author to directly address his Palestinian neighbors and describe how the conflict appears through Israeli eyes. Halevi untangles the ideological and emotional knot that has defined the conflict for nearly a century. In lyrical, evocative language, he unravels the complex strands of faith, pride, anger and anguish he feels as a Jew living in Israel, using history and personal experience as his guide. Halevi's letters speak not only to his Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

Dear Me, Letters to My Younger Self
Tiny Beautiful Things

Secret Letters Never Sent

Dear Marcus

Dear James

The idea to write to you was not an easy one. The scar from where the bullet entered my back is still there. Jerry McGill was thirteen years old, walking home through the projects of Manhattan's Lower East Side, when he was shot in the back by a stranger. Jerry survived, wheelchair-bound for life; his assailant was never caught. Thirty years later, Jerry wants to say something to the man who shot him. I have decided to give you a name. I am going to call you Marcus. With profound grace, brutal honesty, and devastating humor, Jerry McGill takes us on a dramatic and inspiring journey—from the streets of 1980s New York, where poverty and violence were part of growing up, to the challenges of living with a disability and learning to help and inspire others, to the long, difficult road to acceptance, forgiveness, and, ultimately, triumph. I didn't write this book for you, Marcus. I wrote this for those who endure. Those who manage. Those who are determined to move on.

If you could ask Santa for absolutely anything, what would you ask for? Samuel Johnson OAM, Australia's favourite skylarker, brother and determined cancer vanquisher, has asked his friends and supporters (who just happen to be some of Australia's best writers, comics, actors, artists, musicians and personalities) to share their letters to Santa. Some letters are naughty. Some letters are nice. Some echo a

favourite childhood memory. Some beg forgiveness. Some are angry. Some just want something sweet. Some want to change their own world, others want to change the whole world. Contributors include Helen Garner, Adam Hills, Deborah Mailman, Rove McManus, Leigh Sales, Grant Denyer, John Williamson, Myf Warhurst, John Paul Young, Mia Freedman, Shaun Micallef, Missy Higgins, and many more. This little book of letters is wicked, witty and warm-hearted. It will make you laugh, think and feel and is the perfect Christmas gift for those who speak human. Illustrations by Shaun Tan Every copy sold will contribute to cancer research

Dear Sonali, is a passion project from the TV's Divorce Court Host. Seeking to share her mother's wisdom with a daughter of her own, this mother of six boys has written letters for young women to help them grow, conquer and thrive. From money to men, to passion and profession Judge Lynn gives her best advice From he particular point of view. At once, practical, methodical and motivational, Judge Lynn shares the best she has with all of the women that call her The Auntie in Their Head or Mom2.

Vanessa feels like a disappointment to her parents and to herself. Can she overcome feelings of underachievement-and deep feelings of guilt over earlier choices?

Dear Me: More Letters to my Sixteen Year Old Self

Newbery Medal Winner * Teachers' Top 100 Books for Children * ALA Notable Children's Book Beverly Cleary's timeless Newbery Medal-winning book explores difficult topics like divorce, insecurity, and bullying through the thoughts and emotions of a sixth-grade boy as he writes to his favorite author, Boyd Henshaw. After his parents separate, Leigh Botts moves to a new town with his mother. Struggling to make friends and deal with his anger toward his absent father, Leigh loses himself in a class assignment in which he must write to his favorite author. When Mr. Henshaw responds, the two form an unexpected friendship that will change Leigh's life forever. From the beloved author of the Henry Huggins, Ramona Quimby, and Ralph S. Mouse series comes an epistolary novel about how to navigate and heal from life's growing pains.

"Dear Black Girl is the empowering, affirming love letter our girls need in order to thrive in a world that does not always protect, nurture, or celebrate us. This collection of Black women's voices... is a must-read, not only for Black girls, but for everyone who cares about Black girls, and for Black women whose inner-Black girl could use some healing." –Tarana Burke, Founder of the 'Me Too' Movement "Dear Dope Black Girl, You don't know me, but I know you. I know you because I am you! We are magic, light, and stars in the universe." So begins a letter that Tamara Winfrey Harris received as part of her Letters to Black Girls project, where she asked black women to write honest, open, and inspiring letters of support to young black girls aged thirteen to twenty-one. Her call went viral, resulting in a hundred personal letters from black women around the globe that cover topics such as identity, self-love, parents, violence, grief, mental health, sex, and sexuality. In Dear Black Girl, Winfrey Harris organizes a selection of these letters, providing "a balm for the wounds of anti-black-girlness" and modeling how black women can nurture future generations. Each chapter ends with a prompt encouraging girls to write a letter to themselves, teaching the art of self-love and self-nurturing. Winfrey Harris's The Sisters Are Alright explores how black women must often fight and stumble their way into alrightness after adulthood. Dear Black Girl continues this work by delivering pro-black, feminist, LGBTQ+ positive, and body positive messages for black women-to-be—and for the girl who still lives inside every black woman who still needs reminding sometimes that she is alright.

"This hilarious collection of letters from Michael to his new teacher comes packed with alligators, pirates and rocket ships, and much, much more. Can Michael's imagination save him from the first day of school?"--Page 4 of cover.

"Pure and lovely...to read Zelda's letters is to fall in love with her." -The Washington Post Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In Dear Scott, Dearest Zelda, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

Essential reading for scholars, poetry lovers, and anyone with an interest in Rainer Maria Rilke, German poetry, or the creative impulse, these ten letters of correspondence between Rilke and a young aspiring poet reveal elements from the inner workings of his own poetic identity. The letters coincided with an important stage of his artistic development and readers can trace many of the themes that later emerge in his best works to these messages—Rilke himself stated these letters contained part of his creative genius.

Eat, Pray, Love meets Claude Monet in this epistolary ode to Paris. What started as a whim in a Latin Quarter café blossomed into Janice MacLeod's yearslong endeavor to document and celebrate life in Paris, sending monthly snippets of her paintings and writings to the mailboxes of ardent followers around the world. Now, Dear Paris collects the entirety of the Paris Letters project: 140 illustrated messages discussing everything from macarons to Montmartre. For readers familiar with the city, Dear Paris is a rendezvous with their own memories, like the first time they walked along the Champs-Élysées or the best pain au chocolat they've ever tasted. But it's about more than just a Paris frozen in nostalgia; the book paints the city as it is today, through elections, protests, and the World Cup—and through the people who call it home. Wistful, charming, surprising, and unfailingly optimistic, Dear Paris is a vicarious visit to one of the most iconic and beloved places in the world.

My Dear Frank

Correspondence Deserving of a Wider Audience

Following his bestselling memoir, It ' s a Long Story, Willie Nelson now delivers his most intimate thoughts and stories in Willie Nelson's Letters to America. A New York Times, Wall Street Journal, and USA Today bestseller! From his opening letter " Dear America " to his " Dear Willie " epilogue, Willie digs deep into his heart and soul--and his music catalog--to lift us up in difficult times, and to remind us of the endless promise and continuous obligations of all Americans--to themselves, to one another, and to their nation. In a series of letters straight from the heart, Willie sends his thanks and his thoughts to: Americans past, present, and future, his closest family members, and his parents, sister, and children, his other family members his guitar " Trigger " , his hero Gene Autry, the US founding fathers, his personal heroes, from our founding fathers to the leaders of future generations and to young songwriters as well as leaders of our future generations. Willie ' s letters are rounded out with the moving lyrics to some of his most famous and insightful songs, including " Let Me Be a Man, " " Family Bible, " " Summer of Roses, " " Me and Paul, " " A Horse called Music, " " Healing Hands of Time, " and " Yesterday's Wine. "

In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"--

Life shared in letters between the younger you and the older you. With foreword written by Jeffrey Zaslow.
