Everybody begins their YouTube journey from zero. You have to start with no videos, views, or subscribers. Furthermore, more than 400 minutes of content is uploaded to YouTube each minute. To say that it's challenging to grow a channel is an

understatement! In fact, less than 3% of YouTube channels ever gain more than 10,000 subscribers. Yet, in a one-year period, Brian G Johnson gained 10,623 subscribers and drove over half a million video views. Truly beginning from zero. Brian had no previous YouTube success to draw from and had to learn the myriad of camera settings, editing options, and technical details that often become a roadblock. Furthermore, he did it in a small and competitive niche, the YouTube video marketing niche. How, you ask? By researching, testing, and tweaking various video growth methods over a one-year period in order to identify why the YouTube algorithm promotes one video over another. Ultimately, this led to the creation of a video ritual based on his findings—a series of actions according to a prescribed order. More than a mere guide, Tube Ritual is a one-year case study with the goal being to drive more views and convert more viewers into subscribers. For those already creating videos or who want to in the future, Tube Ritual contains detailed, step-by-step information that plain works. From Branding to thumbnails, video structure, YouTube SEO, video calls to action, playlist strategies, channel strategies and more, Tube Ritual leaves no stone unturned.

Building a New Empire is supposed to be dangerous, but training the next generation of leaders? That's not supposed to be dangerous, right? Unfortunately, some of the members of those teaching teams tapped to train the kids don't realize how ... adventurous... the teens can be. Especially if the teachers are Team BMW. Travel with us as we are introduced to Alpha Class, one of the teams in the new Etheric Academy as they merge human's and Wechselbalg (Were's) in a group of five young adults as they learn to become the first cohesive group on their first assignment. With Team BMW as their teachers, nothing could go wrong, right? ***A Kurtherian Gambit Adventure for Younger Readers.... Or those who are young at heart.***

The Kurtherian Gambit

Queen Bitch

The Bitch Is Back

A resource for fans of The Kurtherian Gambit. End of the world as we know it. Plausible. Scary in its simplicity. Horrible in its effect. Set in the Kurtherian Gambit Universe, this story explains how a few mistakes can have grave consequences. Unfortunately, the technology in the following short story is real. Yes, this could happen. Dammit. Who wants to really dwell on these things? This story was written by Craig Martelle, based on the original WWDE Document as authored by Jeff Morris. You get both in this one short story which gives you insight into how a fiction author takes a technical document and makes a story out of it. Otherwise, I would label this, "Crap, I don't want to ever, ever, ever think about."

Baba Yaga has taken over and no one knows if Bethany Anne will ever come back. Beaten on the crucible, Bethany Anne decided she will bring justice to the Kurtherian's that tortured the Leath and her people, personally. The problem? She releases Baba Yaga who has now taken control. Even ADAM and TOM aren't sure they can help their friend. While Baba Yaga is tracking down the Seven Kurtherians, her friends and family are desperately trying to find her. During this time, General Lance Reynolds must start negotiations with other star nations who wish to create an Etheric Federation. The problem? How can you complete an Etheric Federation Treaty, if you can't find the Empress?

What if you were given an offer you shouldn't refuse? Seraphina Waters craves the opportunity to protect Bethany Anne's growing Etheric Empire. Thrown a lifeline when she needs it most, she's given a chance to prove herself. If she can. Pulled into alien politics, and a life beyond her imagination, Phina might just have a chance to have the one thing she's always wanted. Now, she just needs to pull it off without getting killed.

*The World Needs Protecting - Before they can build in space Bethany Anne's Group must GET into space. There is a 'false queen' attacking vampires in Asia - Bethany Anne sends the Queen's Own to look into that. The moon base needs to be settled, can her technology team make it happen? Do they have enough people? CAN they get the right people to help? John's cousin is now part of the team, will she make it? There is a group looking to find her people and they are using Barb to do it. This is the first book in the second arc (books 08-14) for The Kurtherian Gambit. The stakes are raised a lot higher! **Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing. If you haven't read the previous books, you will need to go back to #1 (the book does not explain the characters and previous relationships / deeds). World's Worst Day Ever

Frank Kurns: Tales Of The Unknown World

The Revelations of Oriceran

In the brief pause between apocalypses, one woman standing for honor, courage, and commitment will bring the UnknownWorld back from the brink. WWDE+210 - Earth is silent. Sarah Jennifer Walton had turned her back on humanity after losing everything. Now she's their only hope. Civilization has fallen in all but a few places as the Madness ravages Europe and Asia. America is the last holdout against the corruption causing nanocytes to malfunction. Bethany Anne is far away fighting for the survival of the entire universe, unaware that her technology has turned on humanity. Earth needs a protector from Bethany Anne's line, and the Kurtherian Lilith has found her champion. Sarah Jennifer might not be Bethany Anne's last blood descendant on Earth, but she's the only one with the ability to unite Salem's Weres and magic users and shape them into a force capable of facing the Madness head on. Join her in The Line Unbroken as she takes her first steps on the road to the Age of Magic.

Stephen walked into the office which Barnabas was using as his judge's chamber. While the massive amount of data Bethany Anne's team was throwing at him was more than enough to assuage his curiosity, he had never felt this way in the last one hundred and fifty-two years. He wanted a vacation. He pulled the top

manila-folder and took a look at the name, "Clarissa Bernier, CEO." He opened the folder, and it was now in the agreed upon fashion. There was one page with her typical information of name, age, location, and a two paragraph background and the requested punishment. It was a type of joke now between Barnabas and Bethany Anne. No matter the requested punishment, she would strike it out and write "DEATH" and put a happy face on, with fangs. It let him know that she was not letting up on her desire to make a lot of people pay for Michael's death. The team had already executed six individuals across the world in the last three months. Sean Truitt was just the first one. Stephen interrupted him, "You look tired," he spoke as he took a seat in one of the two blue chairs facing Barnabas's desk. Barnabas leaned back, keeping the folder open, "Is she serious?" He pointed to the document, "Even ADAM, using our agreed punishment matrix is calling for this lady to be punished financially." He closed the folder, "She walks the line towards Michael all the time, brother..." To be continued ...

The problem with court politicians is their ability to stab someone in the back repeatedly. Skharr DeathEater, the Barbarian of Theros, friend of dwarves and emperors, is a liability. The mysterious Dealer in Whispers and Death has let it be known in the right ears they can kill Skharr DeathEater—for a hell of a price. The Dealer has never failed to kill their target in the over two hundred years of their existence, and they love a good challenge. Can Skharr get himself out of this? Will his friends allow him to go it alone? Even the emperor is shocked to learn he must wait to find out what happens. Will Skharr survive the Assassin's Trial for a killing he didn't commit (this time)? If he does, how will he attack a phantom no one can find?

Would you be willing to chance dying to come out of a coma? Would you do the same if it was your son's life? Mary and Senator Tad Williams pushed their son Justin to go on a date that went horribly wrong. Now, they try to figure out a way to help their son out of a coma. At almost \$5,000 a day for ICU expenses, their insurance options are running out. Amber, Nick, and Jacob built a new immersive game system for the future. The only problem is, at \$800 a day, no one can afford it. Dr. Dubois wrote a paper about how you might help a person out of a coma, but it was crushed under the might of the medical lobbyists on Capitol Hill. Now, the three groups need each other to save a life, fight the establishment, and help a young man in need. The only challenge is, Justin can die in real life if he dies in the game. Will he wake up from his coma? Will lobbyists crush the principled senator who needs to talk to his son one more time? And can Justin possibly survive inside a fantasy world built in his own mind, where pain is real? It isn't just the future of humanity at stake, it's Justin's life, too. They say that behind every great man is a great woman...but what if that woman is a Werewolf? THIS IS A MONSTER BOOK - We have taken pains to price the book low. (Craig is crying in the corner, don't mention I reduced it to what you see). The readers LOVE the Nomad! "This series is one of the best I've ever read." "This is the series that keeps on going with great writing and wonderful characters." "I absolutely love this series, and hate the wait at the same time between books." The Forsaken have gone into hiding, and Terry sends the Force de Guerre's tactical teams on missions around the globe to root the evil ones out. When Ted can no longer keep the pod flying, things heat up quickly in a race to corner and finish Mister Smith. Nomad's Force starts nearly one-hundred years before Michael's return to earth and the events that happen in Justice Is Calling. What does the mundane look like when gearing up for war? This snippet is a taste of that. How can TH keep the blade sharp when no enemy stands before him? What will his kids do? Always his children, but not children. The FDG finds out how small they really are when they have to search the world for their enemy. And the New Schwabenland pod is getting old and doesn't charge like it used to. Is Terry's dominance waning?

Under My Heel

This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my

life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive... don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face... I just hope my heart doesn't forget he's the enemy. Crown Princess Academy: Book 1 is the first of a planned trilogy. As it is a series, there will be a cliffhanger. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.

He's inhumanly beautiful, exceptionally strong...and he totally hates my guts. Seems my near-death experience got me ensnared in a witch's curse with twelve other paranormals known as the Outcasts. Supposedly, an ancient prophecy says the thirteenth Outcast will be the one to break the curse. That means me. Lucky number thirteen. As I train to control a dangerous magic I didn't know I possessed, the more I learn about the Outcasts, Jasper's attitude, and my connection to the prophecy. Why is it that thieves and mages never mix? Probably because thieves remind mages too much of themselves. A young female thief is working to help her crew stay alive in Waypoint, a city that exists on the precipice of humanity to one side and in the shadows of Ziammotienth on the other. Also called Tolan's Doom, the mountain torn asunder by a dragon-if you believe in myths. Many an adventurer calls Waypoint the only bastion of civilization before returning to the remains of the once-great half-elven city's remains from which to strike into the darkness underground. Most do not return. Kaylin has no intention of heading to the mountain's grip. But will she be able to evade its grasp? Is Ziammotienth just a story of legends and minstrels or much more? Commerce, adventure, and intrigue swirl around the young thief as she fights her way into a far larger world than she had expected to experience.
