Written in a clear, non-churchy, easy-to-read style, here are the ABCs of spiritual warfare that will help people break free from demonic oppression and also equip them to minister to others.

*The war is on. The Devil plots to defeat you. Meet some battle-tested warriors who fight at your side. Satan is real. He's a formidable foe who wants to snatch us away from God, and the thought of doing battle with him can seem daunting. Even so, the saints who have gone before us have engaged the Devil, armed with the power of Christ ... and emerged victorious! These fellow warriors in heaven now fight on our behalf. In *Saints Who Battled Satan*, Paul Thigpen, author of *Manual for Spiritual Warfare*, details the heroic combat of 17 saints who defeated the Enemy. In *Saints Who Battled Satan*, discover: How Satan attacks us through extraordinary assaults and everyday temptations. How these 17 saints used prayer, Scripture, the sacraments, and other spiritual weapons against the Enemy. How the virtues served these saints as combat armor. How these victorious saints now offer their aid to those of us still battling on earth. Read the inspiring and triumphant stories of Padre Pio, Francis of Assisi, Catherine of Siena, Teresa of Avila, John Vianney, and a dozen other saints who battled Satan. You'll find the strength, the courage, and the faith to win your own war against the Enemy.*

The Bible is clear that we face three different types of opposition while attempting to successfully navigate life as Ambassadors for Christ. Our opposition is identified in Scripture as "the world" (1 John 2:15-17), "the flesh" (Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather than just sincerely. In Spiritual Warfare, Dr. Karl Payne-- pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.

This book contains powerful warfare prayers and decrees taken from Scripture that will break the powers of darkness and release the blessings and favor of God. Seventeen Holy Warriors Who Can Teach You How to Fight the Good Fight and

Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. But we must lay hold of that freedom. Evil spirits attack and lodge in certain areas of the body, and the Word of God can drive them out. In *From Head to Toe*, John Eckhardt provides Scripture and prophetic declarations to help readers find deliverance and healing in every area of their lives—and experience blessing from head to toe. This book will help you remove evil spirits that lodge in certain areas of the body, arm yourself with God's Word, and experience blessing from head to toe.

The Hurt Lady, Spiritual Warfare Manual... finally is a book that exposes the enemy and goes to the "juggler vein" of what the Church and women in ministry need. This book helps to close the gaps of spiritual trauma that pastor's wives, minister's wives, pastoral families and women in ministry encounter. Bishop Green puts together a literary spiritual masterpiece, designed for any woman that needs spiritual balance, and deliverance from hurtful issues that the Church can no longer afford to ignore. Spiritual warfare transcends all ethnic and denominational barriers. Spiritual warfare comes with the territory of being a woman of God and a woman called to ministry.

"Twenty five years ago, no one told me about the warfare that would come against my marriage, my children and the ministry. But I want to tell my story so others will be better prepared than I was."

Accountability to our pastoral families is long overdue. This book identifies the "taboo" issues good church folk ignore, and offers a godly solution to recovery, restoration and redemption. It is a must read for every minister's wife or woman in ministry, whose calling has been silenced, buried and discounted. This book is also a healing guide for preacher's kids (PK's) and deals with the secret issues of domestic violence in the parsonage. It also addresses "Singleness in Christ," and how to accomplish balance and be aware of the dangers of Prince Charming. Singleness is not a curse, but a privilege. "I am writing this manual as one that has grown in spiritual authority, experience and grace. No matter what people told me or how many books I read, I still had to grow in spiritual authority, experience and God's grace. The secret is being able to come out of it all, not bitter, but better."

Prayers for Defeating Demons and Overthrowing the Powers of Darkness

By the life and power of the blood of Jesus Christ, we take dominion over Satan. By the blood of the lamb, Jesus Christ, shed to deliver us from the power of the enemy, we claim healing. God has extended to us his authority and power to cause the powers of darkness to be bound. We come against the forces of evil according to the holy bible. We come against territorial and other ruling spirits in the heavenlies, and spirits in the waters, earth and sky. We are militant against the gates of hell and victorious over the kingdom of darkness. We have the keys of the kingdom of heaven. We have power to overcome spirits that oppose the kingdom of God. We demonstrate the power and anointing of God. We reverse weapons formed against us. If

the people have deliberately spiritually attacked us, we command the demons to go back and attack the senders. We mirror, return and bind the demons to the senders. Every form of evil that was intended to be done to us, we command it to be done to the senders.

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains the biblical teaching on spiritual

warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today. Matthew 17:21 tells us that there are some spirits in a person, region, or nation that cannot be overcome without fasting. Many believers struggle with certain limitations that they cannot seem to break through. A revelation of the power of fasting will result in victories that would not be ordinarily obtained. A life of consistent fasting will cause many victories to manifest. God's will is for every believer to live a life of victory with nothing being impossible. There is freedom from the torment of the enemy! Best-selling author and trusted teacher on deliverance, John Eckhardt reveals

God instituted the church for His people to have a place to gather and worship together. The church also serves as a spiritual hospital. No matter who you are, you know you can always go to your Heavenly Father for help. As we already know, God is in the business of delivering His children. It is not His will that we live life bound, shackled, broken, and confused. But the enemy has dispatched his evil spirits to keep us drowning in bad habits and feelings of hopelessness. BUT GOD! Like the masterful surgeon He is, God knows what to take out and what to leave intact. He can see the infected areas of our flesh that keep us from His perfect will. But there is no magic wand. Deliverance is a process. There are steps we must take to obtain and maintain our deliverance. The process of deliverance is directly linked to our obedience to God's word. We are in the fight of our lives and cannot afford to throw in the towel of disobedience. If you're ready to fight the good fight of faith, roll up your spiritual sleeves and let's go to work!

What a computer can or can't do is not dependent on the outer components such as the cover, screen, keyboard and mouse pad. What really determines its performance is hidden from the user; the various components on the motherboard and the software it runs. Similarly, the human body has its engine within the body and not visibly on the outside. Just as the activities in the inner parts of body determine the state of the outer body, the things in this world are only the manifestations of the activities in various dimensions of this world and beyond. Darkness fills this world when men are shut from the various dimensions of operations which are supposed to be accessible by their spirits in order to control the affairs of their individual lives and the world at large. This book reveals the dimensions from which these rulers operate in an attempt to limit the operations of men to this physical world, the origin and nature of the retaliation of the rulers of darkness and the defense by which men have been equipped by the kingdom of God to rule as dominions concerning occurrences in their personal lives and the world as a whole, casting down the projections of these rulers of the darkness of this world.

Spiritual Warfare Manual

Revised and Updated

This book was birthed from the author's encounter with a student while lecturing on Spiritual Warfare at Bible School in Japan. The student was a Buddhist and had never been to

church, she had never read the Bible or any book about God. During this encounter, the author explained to the student that if she was to know anything about God or to decide if God is better than Buddha, she would need to read the Bible to know who God is. The student agreed to this line of reasoning and promised to read the Bible. As a result of this encounter along with other reasons, the Holy Spirit impressed upon the author to put together a Deliverance Workbook to help create an awareness and enlighten the upcoming generation on the important subject matter of deliverance. The book explains all the major aspects of deliverance and is strongly recommended to all Churches, Ministries, Ministers of God, Prayer Band/Intercessory Groups, Prayer Ministries, Bible Schools, Seminaries, and all other Christian organizations worldwide. The book address such topics as: "What is Deliverance?", "Satanic Kingdoms", "Can A Christian Have Demons?", "Satanic Initiations", and much more. To reject the teachings on deliverance is sheer ignorance. It is time to rise up and build a militant army, to join hands with Jesus Christ in destroying the works of Satan (1 John 3: 8).
