Universal
Biography

From social
psychologist Dr.
Devon Price, a
fascinating and
thorough
examination of what
they call the
“laziness lie”—which

Access Free
Depression Is A
Liar Kindle Edition

falsely tells us we are not working or learning hard enough—filled with practical and accessible advice for overcoming society's pressure to “do more.” Extra-curricular activities. Honors classes. 60-hour work weeks. Side hustles.

Access Free
Depression Is A
Liar Kindle Edition

Like many Americans, Dr. Devon Price believed that productivity was the best way to measure self-worth. Price was an overachiever from the start, graduating from both college and graduate school early, but that

Access Free
Depression Is A
Liar Kindle Edition

success came at a cost. After Price was diagnosed with a severe case of anemia and heart complications from overexertion, they were forced to examine the darker side of all this productivity.

Laziness Does Not Exist explores the

Access Free
Depression Is A
Liar Kindle Edition

psychological underpinnings of the “laziness lie,” including its origins from the Puritans and how it has continued to proliferate as digital work tools have blurred the boundaries between work and life. Using in-depth research,

Access Free
Depression Is A
Liar Kindle Edition

Price explains that people today do far more work than nearly any other humans in history yet most of us often still feel we are not doing enough. Dr. Price offers science-based reassurances that productivity does not determine a person's worth

Access Free
Depression Is A
Liar Kindle Edition

and suggests that the solution to problems of overwork and stress lie in resisting the pressure to do more and instead learn to embrace doing enough. Featuring interviews with researchers, consultants, and experiences from

Access Free

real people
drowning in too
much work,
Laziness Does Not
Exist encourages us
to let go of guilt and
become more
attuned to our own
limitations and
needs and resist the
pressure to meet
outdated societal
expectations.
