The manuscripts that form the Greek New Testament are scattered throughout the world and are usually only accessible to scholars and professionals. These were the manuscripts read by the earliest Christians, which comprised their "New Testament." In his volumes, Philip Wesley Comfort bridges the gap between these extant copies and today's critical text by providing accurate transcriptions of the earliest New Testament manuscripts, with photographs on the facing pages so readers can see the works for themselves. Comfort also provides an introduction to each manuscript that summarizes the contents, date, current location, provenance, and other essential information, including the latest findings. This allows students and scholars to make well-informed decisions about the translation and interpretation of the New Testament. Volume 1 includes manuscripts from Papyrus 1-72. Volume 2 includes manuscripts from Papyrus 75-139 as well as from the uncials. In addition, it features a special section on determining the date of a manuscript. This two-volume set replaces the previously published single volume Text of the Earliest New Testament Greek Manuscripts, as it contains many new manuscripts, updated research, and higher quality images of all manuscripts previously covered.

Carson Kressley, the Emmy-winning TV star and New York Times bestselling author of Queer Eye for the Straight Guy, has spent the last decade transforming thousands of women and connecting with millions more on Oprah Winfrey, Good Morning America, and countless other national broadcasts. He knows what makes women tick. Whether we live in Tacoma or Tallahassee, there is a common thread among all of us: we want to feel beautiful but don't always know where to start. We're frequently frustrated by fashion and can't figure out which trends to follow and which to flee. Does This Book Make My Butt Look Big? is a roadmap for all of us to build unshakable body and fashion confidence. Nowhere else is there a fun and accessible book created for the underserved masses like us, who just want to get out the door looking and feeling fabulous. Who don't have gobs of money to drop on our wardrobe and feel left out of the game. And when it comes to how we feel about our bodies, all we see are roadblocks...and signs for Burger King! We need to be reminded that fashion is FUN. We need to know that with the right tools, we have the power to transform our self-perception by shifting our mindset from woe-is-me to wow-is-me. We need the secrets of playing to our strengths and minimizing our flaws. We need to take more chances, and leave what doesn't work in the dust. Most of all, we need Carson, our peppy, blond fairy godstylist, to show us the way!

Between 1928 and 1971, nearly one million immigrants landed in Canada at Pier 21 in Halifax, Nova Scotia. During those years, it was one of the main ocean immigration facilities in Canada, including when it welcomed home nearly 400,000 Canadians after service overseas during the Second World War. In the immediate postwar period, Pier 21 became the busiest ocean port of entry in the country. Today, people across Canada still enjoy connections to Pier 21 through family history and stories of arrival at the site. Since 1998, researchers at the Pier 21 Interpretive Centre and now the Canadian Museum of Immigration have been conducting interviews, reviewing archival materials, gathering written stories, and acquiring photographs, documents, and other objects reflecting the history of Pier 21. Pier 21: A History builds upon the resulting collection. It presents a history of this important Canadian ocean immigration facility during its years of operation and later emergence as a site of public commemoration. Published in English. Also available in French: Quai 21: Une histoire.

This book provides the most comprehensive treatment to date of microeconometrics, the analysis of individual-level data on the economic behavior of individuals or firms using regression methods for cross section and panel data. The book is oriented to the practitioner. A basic understanding of the linear regression model with matrix algebra is assumed. The text can be used for a microeconometrics course, typically a second-year economics PhD course; for data-oriented applied microeconometrics field courses; and as a reference work for graduate students and applied researchers who wish to fill in gaps in their toolkit. Distinguishing features of the book include emphasis on nonlinear models and robust inference, simulation-based estimation, and problems of complex survey data. The book makes frequent use of numerical examples based on generated data to illustrate the key models and methods. More substantially, it systematically integrates into the text empirical illustrations based on seven large and exceptionally rich data sets.

How to Have a Good Day

Halogen Bonding in Solution

Digital Humanities Pedagogy

A Cheeky Guide to Feeling Sexier in Your Own Skin & Unleashing Your Personal Style

About Love, Sex, and Other Matters of the Heart and Mind

**Subject: Delete this message after you read it... Dear Hayley, I'm assuming you're still hungover, so I'll make this brief. Last night, you slipped under my sheets (without my permission), and we almost had sex. I got the hell out of the bed once I realized it was you, and I took you home. That's the story. The end. Period. Just in case you've forgotten, you're my best friend's little sister. We will never be anything more. (We can't be anything more.) Our previous friendship is still unresolved--or "over" in your terms, so I'd prefer if we worked on becoming 'just friends' again since you're in town. Nonetheless, I'm not a man who leaves questions unanswered--even the drunken ones, so to properly close our inappropriate conversation: 1) Yes, I liked the way your lips felt against mine when you were on top of me. 2) Yes, I do "prefer" rough sex, but I'm pretty sure I wasn't rough with you. 3) No, I had no idea you were still a virgin... This message never happened, Corey Grant Farred examines the careers of international soccer stars Lionel Messi and Luis Suarez, along with his own experience playing for an amateur township team in apartheid South Africa, to theorize the relationship between sports and the intertwined experiences of relation, separation, and belonging.**

**Long-awaited on the importance of halogen bonding in solution, demonstrating the specific advantages in various fields - from synthesis and catalysis to biochemistry and electrochemistry! Halogen bonding (XB) describes the interaction between an electron donor and the electrophilic region of a halogen atom. Its applicability for molecular recognition processes long remained unappreciated and has mostly been studied in solid state until recently. As most physiological processes and chemical reactions take place in solution, investigations in solutions are of highest relevance for its use in organic synthesis and catalysis, pharmaceutical chemistry and drug design, electrochemistry, as well as material synthesis. Halogen Bonding in Solution gives a concise overview of halogen bond interactions in solution. It discusses the history and electronic origin of halogen bonding and summarizes all relevant examples of its application in organocatalysis. It describes the use of molecular iodine in catalysis and industrial applications, as well as recent developments in anion transport and binding. Hot topic: Halogen bonding is an important interaction between molecules or within a molecule. The field has developed considerably in recent years, with numerous different approaches and applications having been published. Unique: There are several books on halogen bonding in solid state available, but this will be the first one focused on halogen bonding in solution. Multi-disciplinary: Summarizes the history and nature of halogen bonding in solution as well as applications in catalysis, anion recognition, biochemistry, and electrochemistry. Aimed at facilitating exciting future developments in the field, Halogen Bonding in Solution is a valuable source of information for researchers and professionals working in the field of supramolecular chemistry, catalysis, biochemistry, drug design, and electrochemistry.**

**Sharpen your French grammar with skill-building exercises If you want to be proficient in French, you eventually have to clear the bothersome hurdle of grammar. The best way to conquer this obstacle is through hands-on experience. Covering all facets of French grammar--from prepositions and pronouns to verbal forms and tenses--French Grammar Drills helps you learn often-perplexing topics with fun and engaging exercises. This comprehensive book features: More than 150 exercises that demonstrate how the French grammar system works as well as review exercises to reinforce your learning An answer key to give you immediate clarification on any concept o Quick reviews bring you up to speed on grammar Topics include: Indefinite and definite articles \* Demonstrative adjectives \* Possessive pronouns \* Conjunctions \* Imparfait and passé composé \* Verbal expressions and idioms \* and more**

Humanism of the Other

The State and Revolution

"The essays in this collection offer a timely intervention in digital humanities scholarship, bringing together established and emerging scholars from a variety of humanities disciplines across the world. The first section offers views on the practical realities of teaching digital humanities at undergraduate and graduate levels, presenting case studies and snapshots of the authors' experiences alongside models for future courses and reflections on pedagogical successes and failures. The next section proposes strategies for teaching foundational digital humanities methods across a variety of scholarly disciplines, and the book concludes with wider debates about the place of digital humanities in the academy, from the field's cultural assumptions and social obligations to its political visions." (4e de couverture).

In 1980, Jacques Derrida published La carte postale: De Socrate a Freud et au-dela. At the occasion of the 40th anniversary of the English translation, Going Postcard: The Letter(s) of Jacques Derrida revisits this seminal work in Derrida's oeuvre. Derrida himself described The Post Card in his preface as "the remainders of a destroyed correspondence," stretching from 1977 to 1979. A cryptic text, it is riddled with gaps, word plays, and a meandering analysis of the interface between philosophy and psychoanalysis. The contributors who offered the fourteen essays gathered in Going Postcard were each provided with a deceptively simple task: to write a gloss to a fragment from the first part of The Post Card, "Envois." The result is a prismatic array of commentaries, excursions, and interpretations that take Derrida "to the letter." The different glosses on lemmas such as genre, erasure, telepathy, philately, and sperm transport The Post Card into the twenty-first century and offer a "correspondence," if fragmentary, with Derrida's work and the work to come. Contents J. Hillis Miller - Glossing the Gloss of "Envois" in The Post Card Michael Naas - Drawing Blanks Rick Elmore - Troubling Lines: The Process of Address in Derrida's The Post Card Nicholas Royle - Postcard Telepathy Wan-Chuan Kao - Post by a Thousand Cuts Eszter Timar - Ateleia/Autoimmunity Hannah Markley - Reading, Touching, Loving the "Envois" Eamonn Dunne - Entre Nous Zach Rivers - Derrida in Correspondances: A Telephonic Umbilicus Kamillea Aghtan - Glossing Errors: Notes on Reading the "Envois" Noisily Peggy Kamuf - Coming Unglued James E. Burt - Running with Derrida Julian Wolfreys - Perception-Framing-Love Dragan Kujundzic - Envoiles. Post It. Vincent W.J. van Gerwen Oei - Postface

For many centuries the library of lawless hell hole Santa Mondegá, in South America, has held a gruesome secret. There is on its shelves a nameless book, by an anonymous author, and everyone who has ever read it ... is dead.

Queer Settler Colonialism and Indigenous Decolonization

**Emmanuel Levinas (1906-1995) was a leading philosopher and Talmudic commentator. This book is a major collection of essays representing the culmination of Levinas's philosophy. It gathers his important work and reveals the development of his thought. It looks at issues of suffering, love, religion, culture, justice, human rights, and legal theory.**

**Glamorous fashion editor Mary Russell's personal photographs capture the effervescence of the 1960s and 1970s from within the international fashion and art scenes. As Paris fashion correspondent for Glamour, Vogue, Women's Wear Daily, and the New York Times, and as photo stylist for Helmut Newton, David Bailey, Lord Snowdon, Francesco Scavullo, and Henry Clarke, Mary Russell both captured the mood and became part of the international clique of elite bohemians who ruled the world of art and fashion. Participating in fashion history as it happened, Russell traveled from couture events to glamorous holidays with the people who invented cool modernity, mining the élan of the period and exploding the boundaries between reportage and fashion. Published here for the first time and accompanied by Russell's personal memoirs, this collection includes intimate portraits of Andy Warhol's visit to Paris with the Factory, Yves Saint Laurent and Pierre Bergé's circle, Jane Birkin, Peter Beard, Gunter Sachs, and others.**

**Learning French is easy with Barron's 501 French Verbs. The authors provide clear, easy-to-use review of the most important and commonly used verbs from the French language. Each verb is listed alphabetically in easy-to-follow chart form—one verb per page with its English translation. This comprehensive guide to French verb usage is ideal for students, travelers, and adult learners. It includes: 501 verbs conjugated in all persons and tenses, both active and passive The 55 most essential French verbs used in context A bilingual list of more than 1,250 additional verbs Helpful expressions and idioms for travelers Verb drills and short tests with all questions answered and explained**

**Ever wonder what gives French women that je ne sais quoi? At first you might think it's the elegant figure, matchless style, and mysterious allure. Then you realize those qualities don't come from just anywhere. They come from generations of women raised to cultivate an extraordinary sense of self. French women know who they are, like who they are, and excel at presenting who they are. The rest of us are often susceptible to the next fad, the new thing, the ultimate diet. We're always seeking, instead of realizing that what we already are may be just right. Rarely does an American woman feel as comfortable in her own skin as her French counterpart. And rarely does an American woman have that essentially French ability to say no---to refuse anything that doesn't suit her, whether that thing is a job, a man, or the season's latest styles. Provocative and practical, lively and intelligent, Entre Nous unlocks the mystery of the French girl and the secrets of her self-possession. Why do French women always look inimitably stylish? How do they manage to sit in a café for a three-course lunch and a glass of wine...by themselves? How do they decide when they're ready to let someone become a part of their very private lives? Laced with practical tips, engaging sidebars, and essential observations about French women and their ways, Entre Nous is a delightful book that will help you take the best of all pages from the French girl's book---the page that reveals how to really enjoy life.**

*All American women aspire to have the nonchalant style and grace of French women, that je ne sais quoi that makes all of their habits seem natural and effortless. In Une Femme Française, fashion designer Catherine Malandrino, a Frenchwoman who has lived and worked in the US for twenty years, reveals French women’s secrets for an American audience. Grab a café crème and learn: - To be your own creation, not a slave to the latest fashion - What defines une femme Française: the little black dress, the boyish look, the rebel touch, and the carefree attitude - The secrets of Jacqueline Kennedy Onassis, the avatar of American women who admire the French - Hair- and skin-care tricks from Paris It Girls - That nonchalance, more than perfume, is sexy - How to seduce anyone - Why red is a necessity - The real reason French women don't get fat: food is family*

*A powerful nineteenth-century French classic depicting the moral degeneration of a weak-willed woman*

*One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images-from bloodthirsty ogress to benign goddess. So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali-from her origin as a tantric goddess to her metamorphosis into a divinity in mainstream religion-that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources-rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films-she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.*

*Voilà!: An Introduction to French (Book Only)*

*A Photo Memoir by Mary Russell*

This book focuses on the changing gender patterns of work in a global retail environment associated with the rise of contemporary retail and global sourcing. This has affected the working lives of hundreds of millions of workers in high-, middle- and low-income countries. The growth of contemporary retail has been driven by the commercialised production of many goods previously produced unpaid by women within the home. Sourcing is now largely undertaken through global value chains in low- or middle-income economies, using a 'cheap' feminised labour force to produce low-price goods. As women have been drawn into the labour force, households are increasingly dependent on the purchase of food and consumer goods, blurring the boundaries between paid and unpaid work. This book examines how gendered patterns of work have changed and explores the extent to which global retail opens up new channels to leverage more gender-equitable gains in sourcing countries.

Meri, Sudi, and Dallia are three girls living in Washington, D.C., but have little else in common. Or so they think. When an ancient magic is revealed, so are their true identities as Sisters of Isis. Strange things are happening to Sudi. And when her date with her new crush Raul turns into a huge disaster, Sudi can ’t deny the truth anymore—she ’ s got a ghost on her hands. But instead of being scared, Sudi sees this as an opportunity; it ’ s like having a special pet that can spy for her and play tricks on her nemesis, Michelle. Only this friendly ghost turns out to be not so friendly, and Sudi quickly discovers that it is actually a mut, one of the dangerous dead who tormented the ancient Egyptians. Sudi, Meri, and Dalila are soon caught up in the spirit ’ s brutal plan to wreak havoc in the world. Will the magic of the Sisters of Isis be strong enough to stop it?

From SKOTTIE YOUNG’s the New York Times bestselling and Eisner Award-winning cartoonist of The Wonderful Wizard of Oz graphic novels, Rocket Raccoon, and Fortunately, the Milk comes the continuation of Gertrude’s gruesome gallop through the sugar-sprinkled fantasy world of Fairyland. In this second oversized deluxe hardcover collection, our axe-wielding ace really buckles down on getting the FLUFF out of Fairyland, but after battling a cosplay cohort and a riddle-prone goblin king, there’s just the itsy-bitsy, barely worth mentioning, insignificant matter of an extended stay in a fantasy netherworld to deal with. Collects I HATE FAIRYLAND #11-20, I HATE IMAGE FCBD SPECIAL, and exclusive extras!

The Los Angeles Times bestseller! "A Gallic prescription for living a life that is richer, more sensual, messier, and a lot more fun" (Boston Globe) It’s not the shoes, the scarves, or the lipstick that gives French women their allure. It’s this: French women don’t give a damn. They don’t expect men to understand them. They don’t care about being liked or being like everyone else. They accept the passage of time, celebrate the immediacy of pleasure, embrace ambiguity and imperfection, and prefer having a life to making a living. In What French Women Know, Debra Ollivier goes beyond stale ooh- la-la stereotypes, challenging ingrained notions about sex, love, marriage, motherhood, and everything in between. With savvy, provocative thinking from French mistresses and maidens alike, Ollivier presents a refreshing counterpoint to the tired love dogma of our times, and offers realistic, liberating alternatives from the land that knows how to love.

Gender and Work in Global Value Chains

Entre Nous: Bohemian Chic in the 1960s and 1970s

Madame Bovary

Marxist Teaching on the State and the Task of the Proletariat in the Revolution

*This work, a philosophical reaction to prevailing nihilism in the 1960’s is urgent reading today when a new sort of nihilism, parading in the very garments of humanism, threatens to engulf our civilization. ---- A key text in Levinas’ work, introduces the concept of the humanity of each human being as only understood and discovered through understanding the humanity of others first.*

*A Finalist for the Edgar Award for Best First Novel “Remarkable . . . This isn’t your ordinary coming-of-age novel, but with his bone-cutting insights into these men and the region that bred them, Joy makes it an extraordinarily intimate experience.”—Marilyn Stasio, The New York Times Book Review "Lyrical, propulsive, dark and compelling. Joy knows well the grit and gravel of his world, the soul and blemishes of the place.”--Daniel Woodrell In the country-noir tradition of Winter’s Bone meets 'Breaking Bad,' a savage and beautiful story of a young man seeking redemption. The area surrounding Cashiers, North Carolina, is home to people of all kinds, but the world that Jacob McNeely lives in is crueler than most. His father runs a methodically organized meth ring, with local authorities on the dime to turn a blind eye to his dealings. Having dropped out of high school and cut himself off from his peers, Jacob has been working for this father for years, all on the promise that his payday will come eventually. The only joy he finds comes from reuniting with Maggie, his first love, and a girl clearly bound for bigger and better things than their hardscrabble town. Jacob has always been resigned to play the cards that were dealt him, but when a fatal mistake changes everything, he’s faced with a choice: stay and appease his father, or leave the mountains with the girl he loves. In a place where blood is thicker than water and hope takes a back seat to fate, Jacob wonders if he can muster the strength to rise above the only life he’s ever known.*

*Organized around seven factors that determine whether we have a good day at work, Webb offers specific tools to use based on how our brains work, and she shows how to incorporate them into conversations, meetings, and projects in a way that will increase productivity, confidence, and enjoyment.*

*Explores the intimate relationship of non-Native and Native sexual politics in the United States*

*Israel’s Armor*

*The Seductive Style of French Women*

*Final Fantasy XIII-2: Fragments Before*

*Entre nous 2 (A2). Livre de l’élève + cahier d’exercices + MP3-CD*

*501 French Verbs*

Entre Nous est une méthode de français langue étrangère dynamique qui répond de façon efficace aux besoins des apprenants. Clairement structurée et organisée autour de la réalisation de tâches finales motivantes, la méthode propose des activités qui impliquent réellement les apprenants. Le Guide pédagogique Entre Nous 2 est un ouvrage conçu pour aider l'enseignant à exploiter au mieux le manuel avec sa classe. Dans cet ouvrage : une présentation claire de l'approche et des objectifs du manuel ; des conseils pour mettre en place et exploiter au mieux les activités ; des idées de variantes pour les tâches finales ; des renvois vers la partie Cahier d'activités et vers le précis grammatical pour une utilisation simple et efficace ; des notes interculturelles ; les corrigés de la partie Livre de l'élève.

The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.

Named a BEST BOOK OF THE YEAR by \* NPR \* Esquire \* O, The Oprah Magazine \* Real Simple \* BBC \* PopSugar \* Bustle \* Kirkus Reviews \* Lit Hub "A gripping, astute, and deeply humane political thriller." —The Boston Globe "Mesmerizing [and] uncannily prescient."—Los Angeles Times A taut, timely novel about what a powerful politician thinks he can get away with and the group of misfits who finally bring him down, from the award-winning author of Ways to Disappear. On an unnamed island country ten years after the collapse of a U.S.-supported regime, Lena suspects the powerful senator she was involved with back in her student activist days is taking advantage of a young woman who’s been introducing him at rallies. When the young woman ends up dead, Lena revisits her own fraught history with the senator and the violent incident that ended their relationship. Why didn't Lena speak up then, and will her family's support of the former regime still impact her credibility? What if her hunch about this young woman's death is wrong? What follows is a riveting exploration of the cost of staying silent and the mixed rewards of speaking up in a profoundly divided country. Those Who Knew confirms Novey’s place as an essential new voice in American fiction.
