

Desi Girl Chut Wallpaper

From GPO Bookstore's Website: Authors with diverse backgrounds in science, history, anthropology, and more, consider culture in the context of the cosmos. How does our knowledge of cosmic evolution affect terrestrial culture? Conversely, how does our knowledge of cultural evolution affect our thinking about possible cultures in the cosmos? Are life, mind, and culture of fundamental significance to the grand story of the cosmos that has generated its own self-understanding through science, rational reasoning, and mathematics? Book includes bibliographical references and an index.

This is a movie tie-in edition and any reviews posted before October 10, 2019 are from the previous edition of the same title published in 2015. Aisha Chaudhary was born with SCID (severe combined immune deficiency) and underwent a bone-marrow transplant when she was six months old. She lived in New Delhi, where she was born. The year 2014 was brutal for Aisha as her disease progressed, and her lungs started giving up on her. The last few months of the year felt like a roller-coaster ride, one that seemed to be mostly going down. Spending almost all her time lying in bed, Aisha wrote down her thoughts to get some relief, to get them out of her head. Aisha's life was not anything like the average life of an urban teenager, but she had experienced a lifetime of emotions; life and death, fear and anger, love and hate, the depths of utter sorrow and the happiest one can be. In *My Little Epiphanies* she took a hard look at her own feelings and what it was that gave her a sense of hope and control. This book gave her life purpose and meaning, something to hold on to. Sometimes, Aisha's little epiphanies had morphed into doodles that capture what was going on in her mind as her destiny played itself out. Through the book she wanted the world to understand her unusual life and she hoped that it will inspire others, going through similar hardships, to find peace.

Winner of the Healthy Teen Network's Carol Mendez Cassell Award for Excellence in Sexuality Education and the American Sociological Association's Children and Youth Section's 2012 Distinguished Scholarly Research Award For American parents, teenage sex is something to be feared and forbidden: most would never consider allowing their children to have sex at home, and sex is a frequent source of family conflict. In the Netherlands, where teenage pregnancies are far less frequent than in the United States, parents aim above all for family cohesiveness, often permitting young couples to sleep together and providing them with contraceptives. Drawing on extensive interviews with parents and teens, *Not Under My Roof* offers an unprecedented, intimate account of the different ways that girls and boys in both countries negotiate love, lust, and growing up. Tracing the roots of the parents' divergent attitudes, Amy T. Schalet reveals how they grow out of their respective conceptions of the self, relationships, gender, autonomy, and authority. She provides a probing analysis of the way family culture shapes not just sex but also alcohol consumption and parent-teen relationships. Avoiding caricatures of permissive Europeans and puritanical Americans, Schalet shows that the Dutch require self-control from teens and parents, while Americans guide their children toward autonomous adulthood at the expense of the family bond.

The Swiss Family Robinson (Diversion Illustrated Classics)

"Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family, who were Kashmiri Pandits: the Hindu minority within a Muslim-majority Kashmir that was by 1990 becoming increasingly agitated with the cries of 'Azaadi' [freedom] from India. The heartbreaking story of Kashmir has so far been told mainly through the prism of the brutality of the Indian security forces, the pro-independence demands of Muslim separatists or India and Pakistan's rivalry. But there is another part of the story that has remained unrecorded and buried. Our Moon Has Blood Clots is the untold chapter in the story of Kashmir, in which hundreds of thousands of Kashmiri Pandits were tortured, killed and forced to leave their homes by Islamist militants, and to spend the rest of their lives in exile in their own country. Rahul Pandita has written a deeply personal, powerful and unforgettable story of history, home and loss."--Page 4 of cover.

Happy Hours: The Penguin Book of Cocktails is a first of its kind and all that you will need to set up your very own bar and make it the most talked-about one in town. It will show you how to master basic techniques and impress your guests: keep your glasses sparkling clean, create decorative ice cubes and use a cocktail shaker with panache. It will tell you about the origins, production and classification of different types of liquor, and provide smart tips on preserving and serving them. It will treat you to a splendid selection of over 650 recipes—from classics such as the Tom Collins and Daiquiri to unique concoctions like the Maheshwar Margarita (a feni-Cointreau-lemon juice mix) and Mango Bellini to inventive punches, mocktails and heady mixtures guaranteed to cure hangovers—complete with meticulous instructions on measurements, suggested glassware and garnishes, as well as a few tricks to reinvent popular mixes. Along the way, you'll also pick up ? Up-to-date information on premier liquor brands and their availability in India ? Entertaining asides on sundry topics of interest, from the most expensive whisky in the world to the status of alcohol in ancient Indian society ? Crucial advice on how to recover from a night of hectic partying ? A comprehensive glossary that provides clear definitions of otherwise unfamiliar terms Whether you're a professional bartender or a generous host, planning a lavish party or simply looking to add zing to an evening drink, this stylish, sumptuous book is the ultimate companion for your bar.

Poems

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai. A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her "ribald . . . memorable and highly relevant" (The Daily Beast) reflection is "both a eulogy and a paean to the freaks and misfits who have long given their souls to the city" (Matthew Gallaway, author of The Metropolis

Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it's a "sharp, sweetly personal . . . fascinating and honest" narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

*"A Jane Austen-ish plot gets a delicious Indian accent in this effervescent novel by former PEOPLE editor Gage . . . in this exotic, mysterious setting, cultures collide, love grows more complicated and Maya finally discovers just whom - and where - she is really meant to be." --People, **** Maya is an accomplished psychiatry resident with a supportive boyfriend, loving family, and bustling New York social life. When her grandmother dies in India, a family squabble over property ignites a curse that drifts across continents and threatens Maya's life. Or so her father says-- Maya (being a modern woman, an American, and a doctor) doesn't believe in curses, Brahman, or otherwise. But then a series of calamities befalls her family, her career and relationship both falter, and Maya starts to worry. She hopes a trip back to India with her best friend, Heidi, will enable her to remove the curse, save her family, and put her own life back in order. Thus begins a journey into Maya's parallel worlds-- New York and an India filled with loving and annoying relatives, vivid colors, and superstitious customs she doesn't, and does, believe in. But her time in India isn't just a visit "home" or a chance to explore the strengthening and suffocating bonds of family, it's also the beginning of a cathartic quest toward forging one identity out of two cultures as Maya learns unexpected lessons about life and love.*

The Little Book of Pussy

Ace against Odds

Welcome to The Little Book of Pussy, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

A beloved adventure classic, The Swiss Family Robinson is a tale of courage in the face of the unknown that has endured the test of time.

Trapped on a remote island after a storm leaves them shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this Diversion Classics edition is ideal for use in book groups and classrooms. For more classic titles like this, visit www.diversionbooks.com/ebooks/diversion-classics

All the Mowgli Stories is a collection of all nine of Rudyard Kipling's stories about the feral man-cub whose adventures sat at the heart of The Jungle Book is sure to delight readers young and old. Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure. This edition of All the Mowgli Stories is beautifully illustrated by Stuart Tresilian and includes an afterword by the editor Marcus Clapham. Separated from his human parents, Mowgli is raised by wolves, mentored by the cunning panther Bagheera, and taught the Law of the Jungle by Baloo, the strict but kindly bear. But the Indian jungle is full of dangers and he must fight to survive; the tiger, Shere Khan, has sworn to kill him, the sinister monkey residents of the Cold Lairs wish to kidnap him, and his home is threatened by the Cobra and the Red Dog.

The Last of the Live Nude Girls

The Republic of India

Hippocrene Practical English-Hebrew, Hebrew-English Conversational Dictionary

The world in miniature, ed. by F. Shoberl (W.H. Pyne). Containing a description of the manners, customs [&c.] of the inhabitants. With coloured engr. [35 vols. Wanting vol.1,2 of Africa].

A place of spectacle and ruin, Mumbai exemplifies the cosmopolitan metropolis. It is not just a big city but also a soaring vision of modern urban life. Millions from India and beyond, of different ethnicities, languages, and religions, have washed up on its shores, bringing with them their desires and ambitions. Mumbai Fables explores the mythic inner life of this legendary city as seen by its inhabitants, journalists, planners, writers, artists, filmmakers, and political activists. In this remarkable cultural history of one of the world's most important urban centers, Gyan Prakash unearths the stories behind its fabulous history, viewing Mumbai through its turning points and kaleidoscopic ideas, comic book heroes, and famous scandals--the history behind Mumbai's stories of opportunity and oppression, of fabulous wealth and grinding poverty, of cosmopolitan desires and nativist energies. Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. Shedding light on the city's past and present, Mumbai Fables offers an unparalleled look

at this extraordinary metropolis.

2The Present Book Is The First Account By A Person Who Has Actually Served In Raw At A Senior Level. Though Not An Insider, He Was Part Of The Organisation For A Little Less Than Four Years And Was Able To See Its Functioning From Close Quarters. Since He Was Concerned With Signal Intelligence Rather Than Human Intelligence Operations, Most Of The Coverage Is Devoted To The Former. The Book Brings To Light Several Lacunae In The Functioning Of The Country'S Top Intelligence Agency, The Most Glaring Being The Anomalies In Procurement Of Equipment, Lack Of Accountability And Our Dependence On Foreign Sources, With The Resultant Threat To National Security. Some Of The Hitherto Untold Stories Recounted In The Book Are: -1. How Equipment Was Purchased From Foreign Companies At Prices That Were More Ten Times The Market Price By Altering Technical Parameters. 2. How The Security Of The Prime Minister Was Almost Compromised For A Few Pieces Of Silver.3. The Circumstances Leading To The Death Of One Of Raw'S Brightest Officers, Vipin Handa. 4. The Stories Of Moles In The Country'S Top Intelligence Agencies, Including That Of Rabinder Singh. 5. The Bitter Rivalry Between Raw And Ib, And Its Effects.The Modus Operandi Of Foreign Intelligence Agencies In Recruiting Moles In India.

Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of Only Every Yours women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

Kela Bai; An Anglo-Indian Idyll

Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of milk and honey and the debut audio recording of home body. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

An ancient Hindu text, "The Kama Sutra" is attributed to Vatsyayana-a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world's most famous literary document concerning human sexuality.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban

took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Cultural Evolution in a Cosmic Context

A History of Saudi Arabia

Secrets of Research & Analysis Wing (RAW)

Other Waters

Romanized

Glimpses of Indian Birds

Paying tribute to Ansel Adams and the California Sierra Nevada wilderness area named in his honor, an esteemed National Geographic photographer captures the fragile beauty of the High Sierras through the modern lens of digital photography.

Counter Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia.-from publisher description at <http://catdir.loc.gov/catdir/description/cam022/2001043609.html>.

Many of the earliest books, particularly those dating back to the 1900s and before, are now

'Sania has always faced adversity with single-minded focus, self-belief and self-respect.

I believe she has been instrumental in changing the face of Indian sport.' - Mahesh

Bhupathi 'Sania has a merciless forehand and her well-placed serve starts us perfectly in each point . . . Where other people would break their bones, she calmly produces winners

with an incredible flick of the wrist.' - Martina Hingis Currently ranked World No. 1 in

women's doubles, Sania Mirza became an instant sensation when she won the Wimbledon Championships girls' doubles title at the age of sixteen. From 2003 until her retirement

from the singles circuit in 2012, she was ranked by the Women's Tennis Association as

India's top player, both in singles and doubles. A six-time Grand Slam champion, she

notched up an incredible forty-one consecutive wins with her doubles partner, Martina

Hingis, between August 2015 and February 2016. Ace against Odds is the story of this most

iconic Indian player who beat incredible odds to get to the top of her sport. Sania

writes with candour of the hardships along the way, of the physical and emotional trauma

caused by injuries and medical procedures, of the friends and partners who became her

mainstay along with her family, of the pressures of constant public scrutiny and, not

least, the politics and heartbreaks that inevitably accompany success. Sania broke the

rules, she spoke her mind, she pushed herself to the limit, she played for India fiercely

and without care for how it might impact her rankings - she is and will continue to

remain an inspiration long after she steps off the tennis courts.

An honest and deeply reported account of five women and the opportunities and

frustrations they face in the year following their graduation from an elite university.

Recent Princeton graduate Caroline Kitchener weaves together her experiences from her first year after college with that of four of her peers in order to delve more deeply into what the world now offers a female college graduate, and how the world perceives them. Each of the five girls in this diverse group were expected to attend college—but most had no clear expectations for their futures post-graduation. And as Kitchener follows each member of the group, it becomes harder to reduce them to stereotypes, harder either to defend or to judge their choices. Kitchener navigates expertly between the very personal and the wider sociological perspectives as she outlines a chronological year in the lives of all five women, illuminating and clarifying each one of their choices, victories, and foibles. Both a broad and an intensely individual exploration, *Post Grad* is a portrait of the shifting environment of that important year after graduation, as well as an intimate look at how a select group of very different individuals handles its challenges—navigating family tensions, relationships, jobs, and that ever-elusive notion of independence.

A major International conference on this theme took place in January 2003. To coincide with this event, this book documents and expands upon the theme of "drawing the process." Much debate and research is currently undertaken in this area and it is the intention of the book to galvanise this, while providing a vehicle for deep enquiry. The publication will firstly comprise a collection of refereed papers representing a breadth of activity and research around the issues of drawing within the broad context of art and design activity. The second dimension of the book will be an examination of t.

The Girl Who Stood Up for Education and Was Shot by the Taliban

Tagore S English Writings Originals And Translations Have Not Received The Attention That They Deserve. The Purpose Of This Edition Is To Make The English Writings Of Tagore Available To The Widest Possible Range Of Readers Interested In The

Writings Of Tagore All Over The World, With Just The Bare, Minimum Information Necessary For Appreciating The Writings, / Leave The Critical Assessment To The Readers Themselves. There May Be Two Possible Reasons For The Neglect Of Tagore S English Writings. Firstly, Tagore S Prolific Output, Shakespearean Felicity And Protean Plasticity As A Bengali Poet, Who, Tho Well-Versed In English, Chose To Write In The Medium Of His Mother Tongue For Nearly The First Fifty Years Of His Life, And There Is Hardly Any Literary Form That He Did Not Touch Upon And Turn Into Gold. His Creative Genius Found Expression In Poems, Plays, Novels, Essays, Short Stories, Satirical Pieces, Textbooks For Children, And Songs Of All Kinds. The Only Literary Form That He Did Not Try Is Epic. But In His Long, Eventful And Creative Eighty Years Of Life He Virtually Lived An Epic. It Is Largely Due To His Mighty Stature As A Bengali Poet That Nobody Really Bothered About His English Writings And His Own Translations Of His Own Writings. Secondly, It Is Owing To The Supposedly Poor Quality Of His Translations Subsequent To The Translation Of Gitanjali. It Was Only After Tagore Received The Nobel Prize For Literature In 1913 That There Was A Growing Demand For His Writings In The West, And As Tagore Was Not Apparently Satisfied By The Translations That Others Mainly Admirers Made, He Began To Translate His Writings Himself. But The Tremendous Haste With Which He Had To Translate, Possibly Affected The Quality Of Translations. Come What May, The Point Is Whether Tagore S English Translations Are Good Or Bad, Whether The Translation Furthered His Reputation Or Damaged It, Is Immaterial. The Fact Of The Matter Is That They Are His, And His Own Translation Of Whatever Quality It May Be Is More Valuable To A Tagore Lover Than The Best Translation Made By Somebody Else, As Van Gogh S One Original Single Scratch Is More Valuable Than The Best Possible Copy By Some Other Artist. The Value Of Tagore S English Writings Lies Here : They Constitute An Important Part Of His Total Oeuvre, Add A New Magnificent Dimension To It And Offer Us A Glimpse Into The Mystique Of The Creative Anxiety That Could Have Haunted Even The Greatest Writer Of The Twentieth Century, About His Possible Reception In An Alien Culture.

An Intimate War tells the story of the last thirty-four years of conflict in Helmand Province, Afghanistan as seen through the eyes of the Helmandis. In the West, this period is often defined through different lenses - the Soviet intervention, the civil war, the Taliban, and the post-2001 nation-building era. Yet, as experienced by local inhabitants, the Helmand conflict is a perennial struggle involving the same individuals, families and groups, and driven by the same arguments over land, water and power. This book is based on both military and research experience in Helmand and 150 interviews in Pashto - offers a very different view of Helmand from those in the media. It demonstrates how outsiders have most often misunderstood the ongoing struggle in Helmand and how, in doing so, they have exacerbated the conflict, perpetuated it and made it more violent - precisely the opposite of what was intended when their interventions were launched. Mike Martin's oral history of Helmand underscores the absolute importance of understanding the highly local, personal, and non-ideological nature of internal conflict in much of the 'third' world.

The girl who changed my life is a story of Adi, with series of events that shattered him and taught lessons in love life. Love is unfathomable. It works in its own way. It has potential to give you the happiest moments and also the saddest ones. What matters is how you look at it. Either you rise or plunge to the abyss, depending on your attitude. Adi gets encouraged by

mother to have never-giving up attitude. And finally when he meets Kavya in his new beginning of corporate life. He mesmerizes her simple yet revolutionary thoughts. She has that potential that changes his life positively... This story takes you to the journey of Friendship, love, disappointments, compassion, inspirations and freedom. Author conveys that no matter how difficult circumstances are, best is yet to come, provided we trust ourselves, stay motivated and never get disappointed. Your love is the way that will transform you.

Drawing the Process

India's External Intelligence

He's good for one thing and one thing only--and she wants it bad. Honey Carmichael has never had a decent orgasm, and she's out to change that with the one man in town known for his superior skill between the sheets. Blake Dempsey is happy to help Honey with her "problem" as long as she knows he's only interested in sex. His heart was broken when his high school girlfriend was killed in the car he was driving, and he has nothing to offer other than more orgasms than Honey can handle. Which is just fine with her--until fantastic orgasms aren't enough anymore for either of them and unexpected feelings turn hot sex into messy entanglement--and that most definitely wasn't in the plans. But you know what they say about plans.

Emma O'Donovan is eighteen, beautiful, and fearless. It's the beginning of summer in a quiet Irish town and tonight she and her friends have dressed to impress. Everyone is at the party, and all eyes are on Emma. The next morning Emma's parents discover her collapsed on the doorstep of their home, unconscious. She is disheveled, bleeding, and disoriented, looking as if she had been dumped there. To her distress, Emma can't remember what happened the night before. All she knows is that none of her friends will respond to her texts. At school, people turn away from her and whisper under their breath. Her mind may be a blank as far as the events of the previous evening, but someone has posted photos of it on Facebook under a fake account, "Easy Emma"--photos she will never be able to forget. As the photos go viral and a criminal investigation is launched, the community is thrown into tumult. The media descends, neighbors chose sides, and people from all over the world want to talk about her story. Everyone has something to say about Emma. Asking For It is a powerful story about the devastating effects of rape and public shaming, told through the awful experience of a young woman whose life is changed forever by an act of violence.
