"For generations, the Bradford family has worn the mantle of kings of the bourbon capital of the world. Their sustained wealth has afforded them prestige and privilege--as well as a hard-won division of class on their sprawling estate, Easterly. Upstairs, a dynasty that by all appearances plays by the rules of good fortune and good taste. Downstairs, the staff who work tirelessly to maintain the impeccable Bradford facade. Now, after two years of staying away, Tulane is finally coming home again, and he is bringing the past with him. No one will be left unmarked: not Tulane's beautiful and ruthless wife; not his older brother, whose bitterness and bad blood know no bounds; and especially not the ironfisted Bradford patriarch, a man with few morals, fewer scruples, and many, many terrible secrets. As family tensions--professional and intimately private--ignite, Easterly and all its inhabitants are thrown into the grips of an irrevocable transformation, and only the cunning will survive"--

“Moonshiners put more time, energy, thought, and love into their cars than any racer ever will. Lose on the track and you go home. Lose with a load of whiskey and you go to jail.” —Junior Johnson, NASCAR legend and one-time whiskey runner Today’s NASCAR is a family sport with 75 million loyal fans, which is growing bigger and more mainstream by the day. Part Disney, part Vegas, part Barnum & Bailey, NASCAR is also a multibillion-dollar business and a cultural phenomenon that transcends geography, class, and gender. But dark secrets lurk in NASCAR’s past. *Driving with the Devil* uncovers for the first time the true story behind NASCAR’s distant, moonshine-fueled origins and paints a rich portrait of the colorful men who created it. Long before the sport of stock-car racing even existed, young men in the rural, Depression-wracked South had figured out that cars and speed were tickets to a better life. With few options beyond the farm or factory, the best chance of escape was running moonshine. Bootlegging offered speed, adventure, and wads of cash—if the drivers survived. *Driving with the Devil* is the story of bootleggers whose empires grew during Prohibition and continued to thrive well after Repeal, and of drivers who thundered down dusty back roads with moonshine deliveries, deftly outrunning federal agents. The car of choice was the Ford V-8, the hottest car of the 1930s, and ace mechanics tinkered with them until they could fly across mountain roads at 100 miles an hour. After fighting in World War II, moonshiners transferred their skills to the rough, red-dirt racetracks of Dixie, and a national sport was born. In this dynamic era (1930s and ’40s), three men with a passion for Ford V-8s—convicted criminal Ray Parks, foul-mouthed mechanic Red Vogt, and crippled war veteran Red Byron, NASCAR’s first champion—emerged as the first stock car “team.” Theirs is the violent, poignant story of how moonshine and fast cars merged to create a new sport for the South to call its own. *Driving with the Devil* is a fascinating look at the well-hidden historical connection between whiskey running and stock-car racing. NASCAR histories will tell you who led every lap of every race since the first official race in 1948. *Driving with the Devil* goes deeper to bring you the excitement, passion, crime, and death-defying feats of the wild, early days that NASCAR has carefully hidden from public view. In the

tradition of Laura Hillenbrand's *Seabiscuit*, this tale not only reveals a bygone era of a beloved sport, but also the character of the country at a moment in time.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless.

When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

souls... Mels Carmichael, reporter for the Caldwell Courier Journal, gets the shock of her life when a man stumbles in front of her car outside the local cemetery. After the accident, his amnesia is just the kind of mystery she likes to solve, but she soon discovers they're in over their heads with his past. Over their heads with passion, too. As shadows walk the line between reality and another realm, and her lover's memory begins to come back, the two of them learn that nothing is truly dead and buried. Especially when you're trapped in a no holds barred war between angels and demons. With a soul on the line, and Mels's heart at risk, what in Heaven—or in Hell—will it take to save them both?
