Hello everyone,My friend Kahn & I have decided to release our latest Minecraft handbook. We thought of covering the primary things needed for fellow Minercrafters who are new to the game as well adept. We consider this the ultimate Minecraft handbook as in depth step by step instructions are included in many of the tutorials along with pictures. Many Minecraft potions are included within this book showing you the reagents & instructions needed. Whether if you have been playing this game for some time, there will still be some Minecraft secrets you will discover. This Minecraft Guide goes through very specific instructions of shelter & furniture creation, showing what is needed along with the outcome. Some shelter designs within this book contain the Desert temple, Micro mansion, Mushroom tower, and many more. We understand that Minecraft survival can sometimes be challenging therefore we decided to include information on brewing (equipment, formula's, etc), enchanting (methods, anvil combinations, etc), and mining. We have given information on the types or ores all the way to where to find them and the precautions to take. A New York Times Best Seller! What will Gameknight999 do when his own friend is infected with the evil Herobrine virus? This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. With the destruction of the infected Ender Dragon, the monster kings were forced to retreat. Herobrine's poisonous XP has been captured in an obsidian box and sealed tightly. Gameknight999 and his friends know that the obsidian box will have to be destroyed to eliminate the evil virus once and for all. But how? And who will be brave enough to do it? Gameknight and his friends decide to take the infected ender chest far from their village, to a place where it will do no harm. But during the voyage, Herobrine takes control of Herder and has him steal the ender chest, taking it to the Nether where the blaze-king, Charybdis, awaits. But while they're battling a host of blazes, zombie-pigmen, and ghosts, the obsidian box is broken, infecting Herder with Herobrine's XP. As Herder is overcome by the virus's poisonous wickedness, Gameknight must face his friend in battle if he hopes to defeat this monster. But how can he destroy Herobrine without destroying his friend? Will a griever destroy Steve's hope of winning the elite building competition? This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. In this third installment of the Minecraft Gamer's Adventure series, Steve is invited to participate in an elite building competition on Mushroom Island. His friends—Max, Lucy, and Henry—are impressed and want to join their friend on a journey to the island. Yet not everyone is happy: Steve's neighbor Kyra is upset because she wasn't chosen as a contestant. Steve asks Kyra to come to the competition and help the gang build boats to get to Mushroom Island. She agrees, and the group sets out on an adventure to the contest. Getting there is half the fun, and the group treks through the jungle, where they find a rare temple filled with treasure! But getting the treasure isn't easy, and they have to fight fierce battles to continue their journey. After their exhilarating and rewarding journey to the contest, they finally make their way onto the island and meet the judges, as well as the other four contestants, whose egos are as big as the houses they are building. Steve builds his dream house to impress the judges, but just as they begin judging, the island is overrun with Endermen. Mushroom islands are known for not having hostile mobs, so everyone knows it's the work of a griever. Is it one of the contestants? Nobody knows, but they all have to work together to battle this invasion of the Endermen. Will they be able to defeat the Endermen and find out who the griever is? And who will win the building contest? Find out in this thrilling third installment of the Minecraft Gamer's Adventure series! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults.
