

Diary Of A Private Prayer

What do you do when your whole spiritual life falls apart? It is in these heart-hungry moments--when we feel overwhelmed or alone, struggle with unanswered prayers, aren't sure what to do, or are crying out for God's help--that we are surprisingly poised to pray the most effective kinds of prayers possible. Extreme Prayer taps into that longing for connection with God when we need it most by teaching us to pray the kinds of prayers Jesus promised to answer with unlimited power. It's not about how to pray more . . . it's about praying differently, and intentionally tapping into all of Jesus's open-ended promises in a way that achieves maximum Kingdom impact. In Extreme Prayer, Greg Pruettt searches the Scriptures to discover the kinds of prayers that God has promised to answer, challenging you to access their power and see His immeasurable glory unleashed in your prayer life.

A unique translation from the original Greek of the second century spiritual master Origen, developed and handed down by a reknown Scottish scholar and made available nearly one hundred years later in memory of Dr. Charles Ashanin whose last days were devoted to this project. From the book: Who would not say that it is impossible for man to trace out things in heaven? Yet this impossible thing, by the surpassing grace of God, becomes possible; for he who was caught up unto a third heaven traced out things in the three heavens through having heard unutterable utterances which it was not permitted for man to speak. Who can say that it is possible for the mind of the Lord to be known by man?

"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a student far from home at the University of Iowa, A Prayer Journal is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You." O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began writing the stories that would become her first novel, Wise Blood, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, A Prayer Journal is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.

Before you begin reading, note that this is not a critique of your prayer life. Hopefully, by the end of this reading, you will have determined whether your prayer life is producing God's desires for your life, or you will know if you need to stop at Heaven's prayer shop for a prayer life tune-up. Don't be shy, test-drive your prayer life!

A Pattern of Prayer is a guide to prayer based on the daily, weekly, and occasional prayers of an intentional, ecumenical, Christian community called Grace and Main Fellowship in Danville, Virginia. It's designed to cultivate a rhythm to the life of prayer either in groups or by individuals. Providing a structure for morning, midday, evening, and night prayer, it is an excellent devotional aid that also allows the reader, or readers, to pray along with others wherever they may be. Also included are some of the prayers and blessings used in the work of the community, as well as the community's "identity statements" or "little rule." To make use of the prayerbook, all you'll need, in addition to the book, is a Bible.

A Christian book and dairy in which you can write down your private prayers - what you daily prayed and when you prayed it - and then when those prayers were answered.

Origen on Prayer

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel."
THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic,

historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

The Deliberate Dumbing Down of America

Sacred Invocation

A diary of private prayer by John Baillie

Volume 1

A Theological Contemplation on Prayer

It's Time

In this book you will discover "how good teachers across America have been forced to use controversial, non-academic methodology in their classrooms; how "school choice" is being used to further dangerous reform goals, and how home schooling and private education are especially vulnerable; how workforce training (school-to-work) is an essential part of an overall plan for a global economy, and how this plan will shortcircuit your child's future career plans and opportunities; [and] how the international, national, regional, state and local agendas for education reform are all interconnected and have been for decades. The deliberate dumbing down of America is a chronological history of the past 100+ years of education reform. Each chapter takes a period of history and recounts the significant events, including important geopolitical and societal contextual information. Citations from government plans, policy documents, and key writings by leading reformers record the rise of the modern education reform movement"--Website: <http://www.deliberatedumbingdown.com/book.htm>.

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.

A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to. The Scriptures say, "In the beginning was the Word, and the word was with God. And the Word was God. He was with God in the beginning" (John 1:1). John's gospel calls Jesus the Word of God. He presents Him as the personal Word of God, which indicates that in these last days God has spoken to us through His Son. The Scripture also revealed that Jesus Christ is the manifold wisdom of God and the perfect revelation of the nature and person of God. Just as a person's words reveal his or her heart and mind, with Christ, it is the same, as the Word reveals the heart and mind of God. All those who know Jesus Christ, earnestly desire to know Him more and more. Our Lord said, "Before Abraham was born, I Am," which means that Abraham is a creature of God, just as Adam and Eve; and Jesus Christ is the Creator; He is the beginning and the end, the first and the last, the Mediator and the Messiah, predicted by the Old Testament prophets long before Abraham was born. Jesus Christ is the manifestation of God's wisdom, righteousness, sanctification and redemption. Jesus Christ is the Lamb of God that was slain before the foundation of the universe. "He is before all things, and in him all things hold together" (Colossian 1:17). God will show His love for you in an active way, in a big way, in a way that you cannot imagine or think, or comprehend. At the present time, your most holy duty and task is to draw close to the Lord and continue in faithful obedience to His commandments, to His Word and to the control and direction of the Holy Spirit. Gain a deeper understanding of Jesus Christ and grow in knowledge, strength and truth through this uplifting read.

The Hidden Life of Prayer

Every Moment Holy, Volume Two

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

It's Time. Challenges to the Doctrine of the Faith by Michael Morwood. Christianity, along with other major religions, has to make sense of its major beliefs in light of contemporary knowledge about the universe and our place in it. This calls for a major overhaul in how we understand "God", how we interpret Jesus as revealing the Divine Presence in human form, and what this means for worship and prayer. This contemporary "story" is radically different from the traditional Christian story about an elsewhere, heavenly God who disconnected from humanity. This book was created in my prayer closet. It is a transparent and heartfelt account of the challenges and joys on the path of growing closer to God through marital issues, financial strains and everyday challenges that come our way as women. The pages are filled with the sweet and beautiful whispers of reassurance, renewal and love that God provided on this journey. A compilation of scripture, prayers, and spiritual readings, this inexhaustible resource contains thematically arranged material for each week of the year and for monthly personal retreats. Its contents have made it a sought-after desk reference, a valuable library resource, and a cherished companion. Includes excerpts from such writers as Thomas Merton, Henri Nouwen, Carlo Carretto, Evelyn Underhill, Albert Schweitzer, Eugene Peterson, Esther de Waal, Thérèse of Lisieux, and many others. 1. Second in the series. 2. Uses Common Lectionary 3. Daily arrangement is as follows: Invocation, Psalm, Reading and Reflection, Daily Scripture Reading, Reflection (silent and written), Prayers (for church, others, self), Hymn, and Benediction 4.

The "Readings for Reflection" reach back to early Christian classics and include voices from contemporary spiritual writing.

The Vital Importance of Private Prayer

The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child: My Prayers." All books plus the Kindle ebook are available from my authors page: <http://www.amazon.com/author/amyamos>.

The psalms often stretch and perplex readers as they teach, but they also open a divine window on prayer. This collection features meditations on more than 75 psalms and offers brief thoughts and background as well as suggested ways to use the psalms in prayer. The strength of Puritan character and life lay in prayer and meditation. In this practice the spirit of prayer was regarded as of first importance and the best form of prayer, for living prayer is the characteristic of genuine spirituality. Yet prayer is also vocal and may therefore on occasions be written. Consequently in the Puritan tradition there are many written prayers and meditations which constitute an important corpus of inspiring devotional literature. Too often ex tempore prayer lacks variety, order and definiteness. The reason for this lies partly in a neglect of due preparation. It is here that the care and scriptural thoroughness which others found necessary in their approach to God may be of help. This book has been prepared not to 'supply' prayers but to prompt and encourage the Christian as he treads the path on which others have gone before.

What Color Is Your Prayer Life

Conversations with the Father

Early modern private prayer is skilled at narrative and drama. In manuals and sermons on how to pray, collections of model prayers, scholarly treatises about biblical petitions, and popular tracts about life crises prompting calls to God, prayer is valued as a powerful agent of change. Model prayers create stories about people in distinct ranks and jobs, with concrete details about real-life situations. These characters may act in play-lets, or appear in the middle of difficulties, or voice a suite of petitions from all sides of a conflict. Thinking of early modern private prayers as dramatic dialogues rather than lyric monologues raises the question of whether play-going and praying were mutually reinforcing practices. Could dramatists deploying prayer on stage rely on having audience members who were already expert at making up roles for themselves in prayer, and who expected their petitions to have the power to intervene in major events? Does prayer's focus on cause and effect structure the historiography of Shakespeare's Henry VI, Richard III, Richard II, Henry V, and Henry VIII?

You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries I must say this book is the most fulfilling project ever encountered. NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The power of religion and godliness lives, thrives, or dies, as closet prayer lives, thrives, or dies.' This was the deeply held conviction of Thomas Brooks, the author of this book. A pastor who knew his people well, he feared that many Christians do not understand the 'necessity, excellency, and usefulness' of private prayer, and live in 'too great a neglect of this indispensable duty.' Focusing on our Lord's words about 'closet-prayer' in Matthew 6:6, Brooks supplies us with a masterful treatment of a vitally important aspect of the Christian's life. His aim is intensely practical: 'to preserve and keep up the power of religion and godliness both in men's houses, hearts, and lives.
