The Ender Dragon, infected by the Herobrine virus, has escaped into the Overworld! Gameknight999 and his father, Monkeypants271, traveled all the way to The End and banished the evil virus Herobrine to the only place they knew nothing could survive: the Void. They thought they had finally destroyed the enemy . . . But through the Void, Herobrine's viral lines of code were able to spread all throughout The End, infecting the horrible Ender Dragon. After gaining the teleportation powers of the endermen, the dragon escaped out into the Overworld! Terrorizing Minecraft, the dragon's evil presence is now transforming the lush and beautiful land into the dark and desolate world of The End. It will be up to Gameknight999, his dad, and their NPC friends to defeat the dragon without releasing Herobrine, while at the same time battling a massive army led by Feyd, the king of the endermen, and Xa-Tul, the zombie king. With everything on the line, Gameknight must use every bit of skill and bravery to save the entire Overworld from destruction. Being Coach Herobrine is not without a challenge. After successfully helping two other Herobrines complete their mission, the third Herobrine was stubborn and arrogant causing him and Mark to be imprisoned by the very people they come to help. Since Mark is an experienced Herobrine, Jeb trusted him to assist all the new Herobrines during these hard trials. Some of the missions are easy enough to be completed in a matter of a few days. However, others will prove to be too challenging that Mark has to put all of his experience as Herobrine into use, if he wants to succeed at helping others. The Herobrines must complete their objectives if they want to stay in their respective servers. Failing one or more missions might result in a permanent ban from the game. Mark is committed to never let that happen to anyone, but the third Herobrine is a different story. Will Mark be able to help him if the third Herobrine is not willing to follow Mark's advice?
