Winner of the Newbery Medal, this remarkably moving novel has impressed the hearts and minds of millions of readers. Set in Mississippi at the height of the Depression, this is the story of one family's struggle to maintain their integrity, pride, and independence in the face of racism and social injustice. And it is also Cassie's story—Cassie Logan, an independent girl who discovers over the course of an important year why having land of their own is so crucial to the Logan family, even as she learns to draw strength from her own sense of dignity and self-respect. * "[A] vivid story.... Entirely through its own internal development, the novel shows the rich inner rewards of black pride, love, and independence."—Booklist, starred review
Becky McCullough: Once she'd shared her bed, her children, her world, with Mike. Though their marriage had ended, she'd never stopped caring about him.... Mike McCullough: He'd

thought the worst was over when Becky walked out. Now his family was being stalked, and Mike's nightmare was just beginning. Yet so was his sweetest dream.... At the snowbound cabin deep in the storm-swept woods, Mike fiercely guarded his son—and the woman he still loved. He knew it was too late to recapture what they'd lost. But as danger closed in, he couldn't help remembering those long-ago promises of forever....

NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her

mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, Crying in H Mart is a book to cherish, share, and reread.

A love-at-first-sight meeting between Mary Jo and Jack leads to a rash, young marriage. Reality soon hits the excited newlyweds. Yet from their despair and despondency come the desire and ability to learn how to follow God's path instead of their own.

Sex, love, and forgiveness? can they coexist, and can romance author Sarah write them into her life? Although bestselling author Sarah O'Malley is sure her next erotic-romance novel will be another hit, she finds it near to impossible to replicate the same results in her personal life. At forty-five years old, Sarah now finds herself divorced and a single mother of two. Sarah journeys back to her childhood home to nurse her mother who is suffering from Alzheimer's, and she inevitably encounters the ghosts of her past? the death of a child, its devastating effect on family relations, youthful sexual exploration, and an unplanned pregnancy. However, the haunts of the past open up a whole new world to Sarah as she learns to forgive the traumas that had happened before. Amid a great awakening, Sarah also comes to terms with being a sexually active middle-aged woman, and begins to accept sex again, even in the most inappropriate but titillating circumstances. As she unlocks her own physical desires, she also stumbles upon a heavy secret that her mother had been hiding from her for the past fifty years. This trip might prove to be a better story than anything Sarah could have possibly hoped to write. Skyhorse

Here are more scathingly funny tales from the wild side! Laurie Notaro survived the debauched ride of her twenties and the bumpy road to matrimony. Now she's ready to take on the thirtysomething years . . . and almost middle age has never been more hilarious. Laurie is married, mortgaged, and now—miraculously—employed in the corporate world, discovering that bosses come in all shapes, sizes, and degrees of mental stability. After maxing out her last good credit card at Banana Republic, she's dressed for success and ready to face the jungle: surviving feral, six-foot-plus Gretchen ("Three Thousand

Faces of Eve”) before battling the overbearing, overstuffed (in way-too-small pants) new mom Suzzi, who ruthlessly cancels Laurie’s newspaper column and learns that payback can be a bitch. Laurie also explores the backstabbing world of preschoolers at a Halloween party, the X-rated madness of a family trip to Disneyland, and the pressure from her QVC-addicted mother and the rest of the world to reproduce. But while losing more friends to babies than to booze, she realizes there’s a plus side: at least for a couple of months she gets to be the thinner friend. *I Love Everybody (and Other Atrocious Lies)* is Laurie Notaro at her deliciously quirky best. Can a woman prone to what her loved ones might term “meltdowns” (she considers them “Opportunities to Enlighten”) put a smile on her face and love everybody? Take a guess.

For Fauziya Kassindja, an idyllic childhood in Togo, West Africa, sheltered from the tribal practices of polygamy and genital mutilation, ended with her beloved father's sudden death. Forced into an arranged marriage at age seventeen, Fauziya was told to prepare for kakia, the ritual also known as female genital mutilation. It is a ritual no woman can refuse. But Fauziya dared to try. This is her story--told

in her own words--of fleeing Africa just hours before the ritual kakia was to take place, of seeking asylum in America only to be locked up in U.S. prisons, and of meeting Layli Miller Bashir, a law student who became Fauziya's friend and advocate during her horrifying sixteen months behind bars. Layli enlisted help from Karen Musalo, an expert in refugee law and acting director of the American University International Human Rights Clinic. In addition to devoting her own considerable efforts to the case, Musalo assembled a team to fight with her on Fauziya's behalf. Ultimately, in a landmark decision in immigration history, Fauziya Kassindja was granted asylum on June 13, 1996. Do They Hear You When You Cry is her unforgettable chronicle of triumph.

for Nick. As they get closer to the Lord, they record worship albums. This book includes lyrics and a prayer.

*“Yeah, I’ve gone through some rough times in my life, but was it really trauma?” You may have found yourself thinking something along these lines, and you wouldn’t be alone. Trauma comes in many shapes and sizes, and on some level, we have all experienced it. The unfortunate reality is that many of us pass off or downplay situations or circumstances in our lives that are, in fact, emotionally traumatic. Left unattended, this trauma can wreak havoc on our minds and bodies, bringing about physical symptoms of pain and rendering us unsafe, anxious, and feeling unfulfilled. In *The Unspoken*, author Ashley Haseotes shares her story of hitting rock bottom and finally coming to grips with the reality of her trauma. Suffering deeply and feeling overwhelmed, she becomes debilitatingly ill with chronic migraines and vertigo that leave her confined to her bed for months. Unable to work and take care of her children, lost and disconnected from her life purpose, she stares down feelings of unbridled failure and unsurmountable stress. Through Ashley’s journey of chronic pain, a breathtaking spiritual healing is catalyzed. Her memoir is a story of walking through the storm to emerge reborn—to be healed. And if you are willing to do the work, you’ll find an opportunity for your own healing woven into each page.*

This book is about my childhood and how I dealt with the difficulties of my life. I know that my life is a lot better than some others, but I wrote this book to let others know that they are not alone. You can SURVIVE anything, you just have to keep that in your mind. I talked to God (higher power), it seemed all the time. I SURVIVED to live and to finally enjoy life to it’s fullest. One day life will get easier.

Supreme Court of the State of New York - Appellate Division - Third Department

Short stories of suspense by the author of *Strangers on a Train* and *The Talented Mr. Ripley*—“a brilliant collection” with a foreword by Graham Greene (*The Sunday Times*). Master of tension Patricia Highsmith is best known for her novels of ever-increasing suspense, but she is equally adept at the short story, where “she is after the quick kill rather than the slow encirclement of the reader.” *Eleven* is Highsmith’s first collection of short stories—dark masterpieces of obsession and foreboding, violence and instability (Graham Greene, from the foreword). In these pages, naturalists meet gruesome ends and unhinged heroes disturb our sympathies; simple cases of murder turn out to be something even more sinister, and the cruelties of childhood come to unsettling life. This is a captivating, important collection from “one of the truly brilliant short-story writers of the twentieth century” (Otto Penzler).

That is because if he comes for you, you will beg him to kill you. Lucifer is his master. Deceit is his power. Eternal life is his goal, and your youth is what he is after. Retired Special Forces expert Stormy Rain Clouds, known as Rain, has no way of knowing if he is in a dream or in the real world. Will Rain be the first to figure out how to defeat the servant of hell, or will his youth nourish the eternal life of the most evil being walking the earth?

Dear Mama, Love Sarah . . . Did You Hear Me Cry? tells of

suffering, love, and redemption. Sarah's Patriot family disowns her when her husband, Reuben, remains a Tory and leads a regiment in the Battle of Ramsour's Mill where the Patriots are victorious and the Tories routed. Wanted by his enemies, Reuben hides leaving Sarah to tend a large plantation under enemy siege, rear thirteen children, and await his return. When he reunites with his family, Sarah struggles as he refuses to accept himself as vanquished. They are forced to move to the squabble lands of the frontier and Kentucky. Through all, almost twenty years, Sarah writes Mama, reminiscing her past happy childhood, telling the joys and sorrows of her children and pleading for reconciliation. During their shattered lives, Reuben's belief that the British would win cuts their life's thread, separating their hearts from each other. Years pass before he realizes that it is Sarah's forgiveness which makes them one again. Kentucky strong, she no longer blames him, but loves him. Reconciliation with Mama does not come. At the news of Mama's illness, Sarah and her thirteen

In this shocking memoir, Cassie Moore gives a very open description of how she suffered and survived a lifetime of abuse: The sexual, physical and emotional abuse she suffered at the hands of her parents, who sold her into marriage at the age of 16; the 23 years of domestic violence she endured and what she did to save herself and start a new life
