Backyard Chickens, Burlesque Beauties, and Handmade Bitters: A Field Guide to the New American Roots Movement

*DIV*Portraits of the American Craftsman is a collection of gorgeous portraits of the people and products made in small workshops all over the country, with lyrical and powerful descriptions of what they make, who they are, and the tradition embedded in their trade. The book is a celebration of the handmade at a time when it's being embraced by a new generation of DIY and local-focused consumers who are averse to the mass-produced. /div
