Dilbert is an
American comic
strip written and
illustrated by Scott

years? In How to Fail at Almost Everything and Still Win Big, Adams shares the game plan he's followed since he was a teen: invite failure in, embrace it, then pick its pocket. No career guide can offer advice that works for

everyone. As Adams explains, your best bet is to study the ways of others who made it big and try to glean some tricks and strategies that make sense for you. Adams pulls back the covers on his own unusual life and shares how he turned

Adams discovered some unlikely truths that helped to propel him forward. For instance:

- Goals are for losers. Systems are for winners.
- “Passion” is bull.

What you need is personal energy.

- A combination of

mediocre skills can
make you
surprisingly valuable.

- You can manage
your odds in a way
that makes you look
lucky to others.

Adams hopes you
can laugh at his
failures while
