'A Must For [Anyone] Who Wants To Understand Tamil Nadu Politics' New Indian Express Tamil Nadu Is A State Very Different From The Rest Of India, Both Culturally And Historically. It Has Retained A Fundamentally Separate Identity For Itself In Language And Caste Structure, And This Is Most Evident In Its Politics. Cut-Outs, Caste And Cine Stars: The Word Of Tamil Politics Tells A Political Story That Has All The Elements Of A Blockbuster Film, Where Ironies And Larger-Than-Life Characters Abound: Periyar, A Kannada-Speaker, Who Introduced The Notions Of Tamil Self-Respect And Regional Pride, Yet Dismissed Tamil As 'A Barbaric Language'; The Matinee Idol Mgr, A Malayalee Born In Sri Lanka, Who Became Tamil Nadu'S Most Popular Mass Leader; The Dravidian Movement Which, By Its Own Ideology, Should Have Helped The Dalits But Has Instead Supported Only The Upwardly Mobile Middle Groups; And Parties That Rose To Power By Propagating Anti-Hindi And Anti-Brahmin Sentiments But Have Now Allied Themselves With The Bjp. It Is Fitting That This Reel-Like Scenario Is Presently Dominated By The Electoral Politics Of Karunanidhi And Jayalalithaa, One A Scriptwriter And The Other A Former Actress. Well-Known Writer And Journalist Vaasanthi Has Observed The Dramatis

Personae In This Epic Drama At Close Quarters For A Decade. Now Updated With An Additional Chapter On The War Of Succession Cut-Outs, Caste And Cine Stars Offers An Objective And Insightful View Of A Political World That Is Both Fascinating And Perplexing.

Practising Journalism brings together experts from the field of journalism: journalists; freelance writers; lectures; and media practitioners to provide a comprehensive collection of current articles. Offering a unique view of the way journalism is both practiced and taught, this book is divided into four sections: core values in journalism; specialisation within the craft; the constraints of practice and implications for the future. It covers areas including: gender and identity in the popular press; sports journalism; urban reporting; embedded journalism; censorship; and alternative media. This book is essential reading for students of journalism and all those considering a career in the field.

What I didn't know was that just as I was searching for my friend, My friend was also searching for me. And that search had started a long time ago.' This is the story of a friendship between a young girl and her piano. The piano was made many decades before the girl was born. And it travelled from leipzig, Germany, through war-torn France and England come to Calcutta during the independence struggle. Finally the girl and the piano

found one another, until circumstances separated them... This is a story of love and loss, of unexpected bonds and loneliness, and above all, it is a celebration of the power of music.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so

many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Original text, modern Tamil, and English translations of Tirukkur ø al , ancient Tamil didactic verse work, by Tiruval l uvar, Tamil poet.

We all have that one person in our lives in whose absence our existence seems meaningless! Virat and Kavya are like chalk and cheese. While Virat is cautious and reserved, Kavya is outgoing and likes to lead a life full of reckless fun. In spite of their differences, they are best friends, and not even Mahek—the love of Virat ' s life—can come in the way of that. But, as happens in every relationship, their friendship is put to the test by an unforeseen incident. Can Aditya, along with his cousin, come to their

rescue yet again? You ' re the Password to My Life is a true story that shows how friendship is the only ' ship ' that does not sink.

No ordinary collection of tales, this anthology was the result of extensive research that led Shah to conclude that there is a certain basic fund of human fictions which recur again and again throughout the world and never seem to lose their compelling attraction. This special paperback version of World Tales concentrates on the essentials, the text of the stories, and omits the illustrations which were part of a previous edition.

Covers all the 25 states and 7 union territories of India.

Collective political projects have become ephemeral and are subject to radical forms of erasure through cooptation, division, redefinition or intimidation in present times. Media and Utopia responds to the resulting crisis of the social by investigating the links between mediation and political imagination. This volume addresses those utopian spaces historically constituted through media, and analyses the conditions that made them possible. Individual essays deal with non-Western histories of technopolitics through distinctive perspectives on how to conceive the relationship between social

form, everyday life, and utopian possibility, and by examining a range of media formats and genres from print, sound, and film to new media. With contributions from major scholars in the field, this book will be of interest to researchers and scholars of media studies, culture studies, sociology, modern South Asian history, and politics.

Throughout history, speech and storytelling have united communities and mobilized movements.

Protestant Textuality and the Tamil Modern examines this phenomenon in Tamil-speaking South India over the last three centuries, charting the development of political oratory and its influence on society.

Supplementing his narrative with thorough archival work, Bernard Bate begins with Protestant missionaries' introduction of the sermonic genre and takes the reader through its local vernacularization.

What originally began as a format of religious speech became an essential political infrastructure used to galvanize support for new social imaginaries, from Indian independence to Tamil nationalism. Completed by a team of Bate's colleagues, this ethnography marries linguistic anthropology to performance studies and political history, illuminating new geographies of belonging in the modern era.

The cricket spends the warm summer days playing and singing while the ant collects food. What will happen when winter comes?

A never-before action packed retelling of Lord Krishna's life, Krishna Gopeshvara is the first in a trilogy that narrates the early life events of Lord Krishna from the time of Kamsa's capture of the Mathura throne to his killing by his nephew-as was foretold by the tyrant king's own priest. Styled as a historical fiction, Krishna and Kamsa are portrayed as men pursuing their narratives according to their understanding of the world around them. What entails is a clash of two narratives-the dharmic one symbolized by Krishna and the other a totalitarian and despotic narrative epitomized by Kamsa. The only assumption that has been made is that Krishna was a highly gifted young man. In the story of the battle between an uncle he must kill to survive lies embedded the truth of a nation gone rogue and a critique of the social, cultural and religious circumstances of Mathura, Magadha, Kashi, and other leading power centres of Aryavarta-which holds relevance even in our times-thus setting the stage for the great epic of Mahabharata. The careful portrayal of the other kings and princes of the Mahabharata era shows how often flaws in character can lead to devastating consequences, affecting, sometimes, the nation as a whole. Thus, human psychology is laid bare, including the inherent limitations of man. Weaving a riveting account of the life of the Lord, the political intrigues, discussions on dharma and debates on the position of women in the society, Krishna Gopeshvara is a perfect portrayal of the Vedic era with a deep resonance to the times we live in.

Attacks on the press in 1998: a worldwide survey / preface by Roger Rosenblatt.

You can escape your boring 9 to 5 job in 6 months or less! How many times have you felt like quitting your monotonous day job? Have you ever felt that you should be following your heart and doing something better? Are you yearning for the freedom to do what you want, when you want and from wherever you want? Then, why are you still working for somebody else? The answer is simple. You are scared of the consequences of quitting your job. You are worried about your financial security. You are not sure if your business idea would work. Most entrepreneurs would advise you to just leave your job and start your dream venture. Wish life was that simple! But this book would advise you to reverse the equation. Why quit your job and then start your business? Instead, this book suggests you to first start your home-based business, generate a steady passive income from it and then comfortably quit your job. Doesn't that sound more doable? Job Escape Plan is your ultimate 7 Step guide to quit the rat race! In this book you'll learn how to: Design your dream lifestyle Develop the entrepreneurial mindset Choose the perfect niche for your home-

based business Prepare yourself for the transformation from an employee to an entrepreneur Select the perfect online platform to launch your business Grow the business & quit your job within 6 months Includes the interviews and success strategies of top online business owners like Andy Dew, Alex Genadinik, John Lee Dumas, Nick Loper, Rob Cubbon, Steve Scott and Stefan Pylarinos!

In order to do business effectively in contemporary South Asia, it is necessary to understand the culture, the ethos, and the region's new trading communities. In tracing the modern-day evolution of business communities in India, this book uses social history to systematically document and understand India's new entrepreneurial groups.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom.

Nelson Mandela is one of the great moral and political leaders of our time: an

international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph. First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Beyond Those Headlines

The Press in India had been a powerful force since its inception. It not only influenced the minds of the people but has also remained a guiding star in the lives of succeeding generations. During the Colonial era, journals and newspapers started and managed by the nationalist Indians rattled British authorities and forced them to introduce stringent measures against the Press, particularly against the Vernacular Press. Many a time, journals and newspapers were to face proscription from the imperial authorities, as fiery articles, they feared, would push the nation into great chaos. Such was the power of the Press. Since no journalist organisation in Chennai had all the documents related to the study, I made use of websites of different organisations, newspapers and magazines. However, a large chunk of information was culled out from the documents preserved in the office of the Madras Union of Journalists. I profusely thank its office bearers for permitting me the access. But for their help, the task of documentation and study would have been more strenuous. As indicated elsewhere in this book, the splits in journalist's unions has split their office records also. Hence a yawning gap is noticed in the history of different unions in Chennai. Some organisations have only limited records in the form of their constitution, occasional newsletters or handouts.

Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

One of the first ethnographic studies to explore use of social media in the everyday lives of people in Tamil Nadu, *Social Media in South India* provides an understanding of this subject in a region experiencing rapid transformation. The influx of IT companies over the past decade into what was once a space dominated by agriculture has resulted in a complex juxtaposition between an evolving knowledge economy and the traditions of rural life. While certain class tensions have emerged in response to this juxtaposition, a study of social media in the region suggests that similarities have also transpired, observed most clearly in the blurring of boundaries between work and life for both the old residents and the new. Venkatraman explores the

impact of social media at home, work and school, and analyses the influence of class, caste, age and gender on how, and which, social media platforms are used in different contexts. These factors, he argues, have a significant effect on social media use, suggesting that social media in South India, while seeming to induce societal change, actually remains bound by local traditions and practices.

Earning money is important for sustenance and people resort to it by working at a job or starting a venture. But to meet the material aspirations of individuals, it is important to make money earn too instead of lying idle. Wealth creation is the buzzword, and being successful at It is no matter of chance. A proper understanding of the various instruments of investment, how they appreciate and depreciate, and when to buy and sell/invest in or withdraw are important for this. 'Bulls and Bears all about shares' by Soma Valliappan breaks this very myth. Unlike the popular belief, investing in the stock market is not like gambling. It works on certain basic principles and

is well governed by rules and regulations, like all other legal modes of investments. What one requires is the eye to identify good companies to invest in, the right price and a certain watchfulness. 'Bulls and Bears all about shares' was first published in Tamil (by name Alla Alla Panam) and became a handbook for the several people who had always lingered on the sidelines, fearing to take the plunge into the uncertain world of stock markets. The English version is being published to reach out to a wider population across the country so that they may benefit too from Soma Valliappan's experience and insights.
