

Dinosaurs Divorce A Guide For Changing Families

A teenage brother and sister whose parents are divorced discuss topics relating to this situation, and their mother offers her own insights. Original.

Dinosaur characters illustrate the value of friends, how to make friends, and how to be and not to be a good friend.

Understanding divorce--a healing drawing and activity book for kids Unlike other divorce books for kids, My Family is Changing helps your child (age 5-7) process what's happening through sympathetic stories that feature a diverse collection of children. Each story also serves as a starting point for a host of activities and drawing pages that provide a safe space for them to explore and express their feelings. My Family is Changing goes beyond other divorce books for kids, with: Understanding divorce--Help your child deal with some of the new challenges they might face--like separate houses, different weekend activities, and changing traditions--in a supportive way. 7 Insightful stories--Your child will discover that they aren't alone thanks to comforting stories about other children whose parents are also divorcing. Emotional discovery--Activities like drawing their changing family to making a calendar of things they want to do make this a standout among divorce books for kids. Divorce books for kids should provide tools for kids to not just learn, but also share their feelings--and this book delivers results.

For use in schools and libraries only. Offers practical travel tips and encourages young travelers to participate in every stage of a trip--choosing a destination, packing, getting there, enjoying the sites, and finding ways to remember the experience.

Putting Children First

A Child's Affirmation of Love in the Midst of Divorce

Kids are told, "it's for the best"--and one day, it may be. But right now, divorce is the worst. Frank but funny, Anastasia Higginbotham conveys the challenge of staying whole when your entire world, and the people in it, split apart. Exceptional in its child-centered portrayal, Divorce Is the Worst is an invaluable tool for families, therapeutic professionals, and divorce mediators struggling to address this common and complex experience.

Addison's parents are divorced and he lives in one house with his mom and another with his dad, but one thing he knows above all is that both his parents love him and they always will.

As an ordinary rabbit in real life is portrayed as a bionic bunny on his television series, the reader views all the production efforts that provide that illusion.

Offers advice to girls dealing with various aspects of divorce, remarriage, and stepfamilies.

Down-to-earth, practical, and full of friendly real-world help for kids, What Happens When Parents Get Divorced? is a unique book for families transitioning to two households. Unlike other books, What Happens When Parents Get Divorced? focuses on how divorce and shared parenting will affect a child's life and uses a visual calendar kids can understand. Kids and grown-ups have lots of fears, but for many of us, the "unknown" edges out pretty much everything else. When something big like a divorce or separation happens in a child's life, they often feel like everything they know is thrown into chaos. Kids (like the rest of us) handle change best if they know what to expect, both on a day basis and long-term. What Happens When Parents Get Divorced? makes sense of marital separation and creates a visual routine that helps kids feel safe. Join Mia and her stuffed giraffe Stuart as they explain what separation and divorce is and how it affects a kid's day-to-day life. Using an illustrated calendar to explain how divorce affects a child's daily routine, What Happens When Parents Get Divorced? focuses on the child's experience and removes the unknowns from the equation. This book takes the proven technique of using a custody calendar and brings it to book form, helping parents show kids exactly what to expect. By creating a routine that kids can see and understand,

parents can restore a sense of safety and predictability in their kids' lives, helping them to be more resilient in the face of life's inevitable challenges. What Happens When Parents Get Divorced? is the perfect book for families that want to reduce their kids' anxiety surrounding divorce and separation. It aims to empower kids with knowledge that is proven to help kids through traumatic situations.

Written in a light-hearted manner for kids and teens, this divorce survival guide for kids is authored by two teens who share tips and tricks they learned over more than a year while moving from mom's to dad's house. They decided to write it after realizing that when their friend's parents were divorcing, they were the 'go-to' divorce kids for their friends. They realized they were sharing the same information each time. So, they wanted to share the information with all kids that are going through this difficult time, but in a fun and easy kind of way. In an easy to read format you'll find tips for what to expect, getting used to two homes, dealing with the divorce drama, what to do when you don't know what to do, and tips for sharing homework and school information between parents and teachers. So many things you didn't have to think of when your parents were together! Most importantly, this book shows kids that they're not alone and others have successfully survived their parents divorce. So why go through it with trial and error when you can read this brief guide and get all the tips you'll need to survive?! Deliberately kept short so you can get back to your friends, facebook, twitter and everything else kids do to pass the time. From the bestselling, trusted team behind the Dino Tales: Life Guides for Families series (1.5 million copies sold life to date!) comes this introductory guide that encourages even the youngest readers to become engaged citizens of the world around them. This essential, kid-friendly non-fiction guide isn't just for families looking to share genuine values during an election year--it's for everyone. Using accessible dinosaur characters and clear language, Democracy for Dinosaurs explores key civic values on every child's mind and helps show young readers how the things they do every single day can be guided by principles we must share in a democratic society: freedom, fairness, the rule of law, equality, respect for free speech and respect for the truth. By modeling accessible ways to practice being a good citizen, children will understand they are part of a larger community and country and that they have an important role to play. Other Dino Tales: Life Guides for Families How to Be a Friend Dinosaurs Divorce When Dinosaurs Die For use in schools and libraries only. Text and illustrations of dinosaur characters introduce aspects of divorce such as its causes and effects, living with a single parent, holidays in two separate households, and adjusting to a stepparent.

Young children experience many confusing emotions in their early years and I feel Sad looks at sadness, in light-hearted but ultimately reassuring way. This picture book examines how and why people feel sad, illustrates scenarios of people feeling sad and upset, and the best way to deal with it with age-appropriate content. Ideal for home or the classroom, this book contains notes for parents and teachers with suggestions of ways to help children deal with being sad. Filled with colourful illustrations by the every-popular, award-winning illustrator Mike Gordon.

An internationally renowned authority on children and divorce reveals the latest research-based strategies for helping children survive and thrive before, during, and long after their parents divorce. The breakup of a family can have an enduring impact on children. But as Dr. JoAnne Pedro-Carroll explains with clarity and compassion in this powerful book, parents can positively alter the immediate and long-term effects of divorce on their children. The key is

proven, emotionally intelligent parenting strategies that promote children's emotional health, resilience, and ability to lead satisfying lives. Over the past three decades, Pedro-Carroll has worked with families in transition, conducted research, and developed and directed award-winning, court-endorsed programs that have helped thousands of families navigate divorce and its aftermath. Now she shares practical, research-based advice that helps parents: -gain a deeper understanding of what their children are experiencing -develop emotionally intelligent parenting strategies with the critical combination of boundless love and appropriate limits on behavior -reduce conflict with a former spouse and protect children from conflict's damaging effects -learn what recent brain research reveals about stress and children's developing capabilities Filled with the voices and drawings of children and the stories of families, Putting Children First delivers a positive vision for a future of hope and healing.

With simple, direct text and illustrations of dinosaurs, this book aims to help young children and their families to deal with the confusion, misconceptions and anxieties which can arise from divorce. It encourages young readers to acknowledge and express their own fears and feelings, and suggests ways of handling the new situations and difficulties that divorce brings. There are explanations of divorce words and what they mean, and why parents divorce, and other topics include living with one parent, having two homes, telling friends, living with stepparents and having stepbrothers and stepsisters.

From exercise and nutrition, to first aid, relationships, and dealing with stress and worries, this book gives young readers a head start on learning healthy habits that will last a lifetime

Why Do Families Change? Read-Along

A Grandma's Magic

Was it the Chocolate Pudding?

This is an enhanced ebook with a read-along function. Separation and divorce are difficult on the entire family. Often young children blame themselves or are unsure of their place in the family if these events occur. Child psychologist Dr. Jillian Roberts designed the Just Enough series to empower parents/caregivers to start conversations with young ones about difficult or challenging subject matter. Why Do Families Change? is part of the Just Enough series. Other topics in the series include birth, death and diversity. For more information, visit www.justenoughseries.com.

"In this book, readers will learn how to cope with divorce. Social and emotional learning (SEL) concepts support growth mindset throughout, while Grow with Goals and Try This! activities further reinforce the content. Vibrant, full-color photos and carefully leveled text engage young readers as they learn more about coping with divorce. Also includes sidebars, a table of contents, glossary, index, and tips for educators and caregivers"--

The Unexpected Legacy of Divorce gave us new and important insight into the long-term effects of divorce on children who have grown into adulthood. What About the Kids? is a new book that tells parents in unprecedented detail how to help their children over the long haul--what to say, what to do, what to expect--every step of the way. Tapping into the latest findings on how children develop, this clearly written guidebook helps parents understand why children at different ages react the way they do to divorce and how to head off trouble before it begins. The book follows divorce chronologically so parents can find advice for whatever stage of the experience they are in, including how to help older children many years after the breakup. Part One--The Immediate Breakup: What you need to know to get your own life back on track, what to tell the children, how children react, the reasons for their reactions, and thoughts on when is the best time to divorce. Part Two--The First Few Years: Setting routines, getting legal help, choosing the right custody to fit your child, finding support, and how to realistically follow the advice 'don't fight.' Part Three--Assessing the Post-Divorce Family Five and Ten Years Down the Road: Take another close look at yourself and your kids. Divorce requires a new kind of father, mother, and teenager. Part Four--When Outsiders Join the Family: Dating, sex, remarriage, blended families, holidays, and what step-parents need to know. Part Five--Conversations for a Lifetime: How to talk with your children as they enter young adulthood so they feel safe and free to seek relationships based on love, trust, and mutual commitment. What About the Kids? is the ultimate resource for any person wishing to ease the effects of divorce on children, and for all divorced parents who want to ensure their children's future happiness.

Mum and Dad don't live together any more, so sometimes this little girl lives with her mum and her cat, and sometimes she lives with her dad. She has two bedrooms and two sets of toys, but she takes her favourite toys with her wherever she goes.

Two Homes Filled with Love

Divorce Is Not the End of the World

From the author of the classic Mom's House, Dad's House, the essential guide for kids on how to stay strong and succeed in life when parents separate, divorce, or get married again. Isolina Ricci's Mom's House, Dad's House has been the gold standard for inspiring and supporting divorcing and remarrying parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. Mom's House, Dad's House for Kids is packed with practical tips, frank answers, easy-to-use lists, "train your brain" ideas, reproducible worksheets, and things to try when words just won't come out right. Kids will learn how to: · Deal with parents living apart, schedules, and dueling house rules · Settle comfortably in one home or two · Stay out of the "miserable middle" when parents fight · Manage stress, guilt, change, fear, and other feelings · Stay connected with parents, relatives, and the "right" friends · Appreciate the gifts (and deal with the gripes) of their new version of family · Feel better FAST! Kids can't get their parents back together, but they can help themselves get stronger and go on to succeed in life. This book shows them how.

A young girl tries everything she can think of to keep her parents from getting a divorce, but with the help of her school counselor, she comes to realize that the divorce is not her fault.

Text and illustrations of dinosaur characters introduce aspects of divorce such as its causes and effects, living with a single parent, spending holidays in two separate households, and adjusting to a stepparent.

Told from the point of view of a young child whose parents are divorced, Fred Stays with Me follows a girl and her dog, Fred, from one parent's house to the other's, giving her a sense of continuity and stability. With a simple text and childlike language, the story expresses and addresses a child's concerns, highlights the friendship between child and pet, presents a common ground for the parents, and resolves conflict in a positive way. Tricia Tusa's charming and whimsical artwork adds a light, happy feel to this poignant--but not overly sentimental--story.

Text and illustrations of dinosaur characters introduce the earth's major environmental problems and suggest ways children can help.

"Parents looking for a book about separation or divorce will find few offerings as positive, matter-of-fact, or child-centered as this one. . . .

Simple, yet profoundly satisfying." - Booklist (starred review) At Mommy's house, Alex has a soft chair. At Daddy's house, Alex has a rocking chair. In each home, Alex also has a special bedroom and lots of friends to play with. But whether Alex is with Mommy or with Daddy, one thing always stays the same - Alex is loved. The gently reassuring text focuses on what is gained rather than what is lost when parents divorce, while the sensitive illustrations, depicting two unique homes in all their small details, firmly establish Alex's place in both of them. Two Homes will help children - and parents - embrace even the most difficult of changes with an open and optimistic heart.
