The popular *DISCOVERING COMPUTERS* is now revised, based on customer feedback, to reflect the evolving needs of today's Introductory Technology students. This exciting new edition maintains proven hallmarks that ensure students know what they need to be successful digital citizens in college and beyond. This edition offers the latest coverage of today's digital world with an emphasis on enterprise computing, ethics, Internet search skills, mobile computing, various operating systems, browsers and security. Critical thinking and problem-solving exercises throughout the text reinforce key skills, while end-of-chapter activities provide hands-on practice. *DISCOVERING COMPUTERS* provides the content your students need, presented in a way that ensures their success. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

Representing a significant survey and evaluation of major media literacy projects in the U.S. and selected countries throughout the world, this book covers all aspects of critical viewing skills. It provides comprehensive, theoretical and historical background about the field, the criteria for its evaluation, and various structured programs including the CVS projects and programs sponsored by school districts, individuals, non-governmental national organizations, and private companies. The book can serve as a guide for curriculum planners as well as teachers in the classroom and adult workshops -- and also parents and individual adult viewers -- in applying the best match of theories, practices, readings, and specific exercises to monitor and enhance television's role.

Exceptional Child Education Resources

The Far East, Part III

This text provides comprehensive treatment of major special education topics, giving students (especially non-majors) a firm foundation of knowledge and skills. The authors distinguish critical from peripheral material, giving students a solid background in the research, issues, instructional methods, types of learning disabilities, types of physical and mental handicaps, tools, and treatments in the field. The book features easy-to-read prose and informative illustrations. Provides more than seventy learning situations which integrate library media skills with all areas of curriculum.

2018 Newbery Honor Book and Coretta Scott King Author Award Winner 'Important and deeply moving' JOHN GREEN 'Timely and timeless' JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference. A New York Times bestseller A WASHINGTON POST 'IFEEL-GOOD BOOK guaranteed to lift your spirits' 'A warm, charming tale about the rewards of revealing oneself, warts and all.' 'People The story of a solitary green notebook that brings together six strangers and leads to unexpected friendship, and even love Clare Pooley's next book, Iona Iverson's Rules for Commuting, is forthcoming Julian Jessop, an eccentric, lonely artist and septuagenarian believes that most people aren't really honest with each other. But what if they were? And so he writes in a plain, green journal the truth about his own life and leaves it in his local café. It's run by the incredibly tidy and efficient Monica, who furtively adds her own entry and leaves the book in the wine bar across the street. Before long, the others who find the green notebook add the truths about their own deepest selves and soon find each other in Real Life at Monica's Café. The Authenticity Project's cast of characters including Hazard, the charming addict who makes a vow to get sober; Alice, the fabulous mommy Instagrammer whose real life is a lot less perfect than it looks online; and their other new friends is by turns quirky and funny, heartbreakingly sad and painfully true-to-life. It's a story about being brave and putting your real self forward and finding out that it's not as scary as it seems. In fact, it looks a lot like happiness. The Authenticity Project is just the tonic for our times that readers are clamoring for and one they will take to their hearts and read with unabashed pleasure.

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.
