

Disney Princess Postcard Box 100 Collectible Postcards

A spellbinding story of three princesses and the destiny they were born for: seduction, conquest, and the crown. Immerse yourself in the first book in a new fantasy trilogy from the author of the New York Times bestselling Ash Princess series. Empress Margaraux has had plans for her daughters since the day they were born. Princesses Sophronia, Daphne, and Beatriz will be queens. And now, age sixteen, they each must leave their homeland and marry their princes. Beautiful, smart, and demure, the triplets appear to be the perfect brides—because Margaraux knows there is one common truth: everyone underestimates a girl. Which is a grave mistake. Sophronia, Daphne, and Beatriz are no innocents. They have been trained since birth in the arts of deception, seduction, and violence with a singular goal—to bring down monarchies—and their marriages are merely the first stage of their mother’s grand vision: to one day reign over the entire continent of Vesteria. The princesses have spent their lives preparing, and now they are ready, each with her own secret skill, and each with a single wish, pulled from the stars. Only, the stars have their own plans—and their mother hasn’t told them all of hers. Life abroad is a test. Will their loyalties stay true? Or will they learn that they can’t trust anyone—not even each other?

A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous - look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs, Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're for classics, crime, reference or prize-winning novels, they still follow Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

In Wreck-It Ralph, Disney's expert team of concept, visual development and story artists explore the hidden world of video games from classic 8-bit arcade games to the most modern and inventive offerings of the digital age. At the center of this hilarious and wildly original video-game-hopping adventure is Wreck-It Ralph, an arcade game bad guy who breaks all the rules when he sets off on a mission to prove he can be good. The Art of Wreck-It Ralph captures the fresh artistic vision of the film and the aesthetic journey of the filmmakers through interviews with the film's many artists, including a foreword by director Rich Moore and a preface by John Lasseter. Illustrated with character sketches, storyboards, visual development paintings, colorscripts, and more, this behind-the-scenes look at Disney's latest 3-D animated epic is a treat for video game

and animation lovers alike.

Beloved images from throughout Marvel history, now in collectible postcard format! Frame them, scrapbook them - or mail them to your friends and family, if you can bear to part with them! Your favorite heroes - and maybe a few villains - are captured here in unforgettable moments from across eight decades of Marvel majesty, all illustrated by the artistic superstars of every era! It's what your collection of Marvel stamps has been waiting for! Excelsior!

The Hidden Art of Disney's Golden Age

The Disney Princess Postcard

The Art of Everyday Play

As the Walt Disney Studio entered its first decade and embarked on some of the most ambitious animated films of the time, Disney hired a group of "concept artists" whose sole

mission was to explore ideas and inspire their fellow animators. They Drew as They Pleased showcases four of these early pioneers and features artwork developed by them for the Disney shorts from the 1930s, including many unproduced projects, as well as for Snow White and the Seven Dwarfs, Pinocchio, and some early work for later features such as Alice in Wonderland and Peter Pan. Introducing new biographical material about the artists and including largely unpublished artwork from the depths of the Walt Disney Archives and the Disney Animation Research Library, this ebook offers a window into the most inspiring work created by the best Disney artists during the studio's early golden age. They Drew as They Pleased is the first in what promises to be a revealing and fascinating series of books about Disney's largely unexamined concept artists, with six volumes spanning the decades between the 1930s and 1990s.
