Longtime astrologers Shiva Das and Mercy Ananda take readers through every aspect of astrology, from its history, principles, components, and meanings, to its use as a tool to raise awareness and to understand possibilities in cause and effect. With nearly 180 black and white illustrations, including zodiac, primary wheel, and sign relationship depictions, Divine Love Astrology provides a thorough education in this ancient system. This essential guide embraces the immediate personal and practical applications of astrology and encompasses the broadest philosophical and universal values, guiding us from Earthly mundane to the celestial Divine. With its spiritual and applicable lens, Divine Love Astrology will help both professional astrologers and laypeople alike take charge of their lives from the inside out.

Astrology is the Divine science that makes sense of the order of the Universe. In this book you will come to understand how mathematically numbers are the bases of astrology. The houses in astrology are the core essence that will give numbers meaning. Once the meanings of houses are understood in terms of the numerical order the perfection of the Universe is revealed. The houses reflect the purpose and meaning of life and how everything is interconnected and related. In this book the meanings of numbers and how they relate to each other come alive through the meanings of the houses. It will reveal our spiritual journey through life from birth to old age. The houses are divided into the categories of the 4 Aims of life, which are the 4 elements. This gives an understanding of the energetic flow of how life unfolds and the purpose and meaning of our lives. This is revealed from the understanding of Fire-Dharma, Earth-Artha, Air-Kama, and Water-Moksha. As the planets are placed into the houses the areas of one's life and destiny become clear as to the karmas of the soul. The houses the planets rule and the houses they are placed indicates the intricacies of an individual's life. The houses are assessed through the experiences of seasoned astrologer Joni Patry from many years of working with planets, signs, and houses in her personal life and with clients. In each chapter all 12 houses, are explored with deep and profound understanding leaving no stone unturned. The book is organized in this way: The houses are grouped according to the 4 elements or 4 Aims of life. Each house is analyzed as it is in relation to all the other houses giving deep perception into the meaning of numbers. For example, the 2nd house rules our personal finances. Therefore, the 2nd house to any house indicates financial gains from the house in question. The 8th house is the 2nd house from the 7th house indicating the partner's (7th house) money (2nd from the 7th house). Each house is understood by its relationship to other houses, and Bhavat Bhavam. For example, the 5th house represents children. Counting 5 houses from the 5th house is the 9th house. So the 9th house is our children's children or grand children. Each planet is analyzed and interpreted in all the houses. And the planet's rulership of each house is analyzed as it is placed in all 12 houses. Each house has 2 birth charts of famous individual's to explain the core essence of what the house means. Finally, all the planets are analyzed as they transit through all the houses. Future predictions are revealed through the understanding of all the transiting planets through all 12 houses. This is the most in-depth analysis of the understanding and meaning of the astrological houses, using numbers, signs and planets in astrology. Amazing and powerful, this will change the way you view astrology through and understanding of the Divine Order of the Universe!

Tapping into the political power of magic and astrology for social, community, and personal transformation. In a cross-cultural approach to understanding astrology as a magical language, Alice Sparkly Kat unmask the political power of astrology, showing how it can be channeled as a force for collective healing and liberation. Too often, magic and astrology are divorced from their potency and cultural contexts: co-opted by neoliberalism, used as a force of oppression, or distilled beyond recognition into applications that belie their individual and collective power. By looking at the symbolic and etymological histories of the sun, moon, Saturn, Venus, Mercury, Mars, and Jupiter, we can trace and understand the politics of magic--and challenge our own practices, interrogate our truths, and reshape our institutions to build better frameworks for communities of care. Fearless, radical, and fresh, Sparkly Kat's Postcolonial Astrology ushers in a new wave of astrology revival, refusing to apologize for its magickism and connecting its power to the spirituality and politics we need now. Intersectional, inclusive, and geared towards queer and POC communities, it uses our historical and collective constructs of the planets, sun, and moon to re-chart our subconscious history, redefine the body in the world, and assert our politics of the personal, in astrology and all things.

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our

hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

One day, as you're traveling down your life's road, you'll encounter your Creator. Chances are, you have already encountered Him, possibly many times, but did not realize it. Or maybe you did realize it and chose to turn the other way. But this time, He will get your attention. You will hear Him calling you. You will feel the cry of your soul in response. And you will recognize the pull of God-consciousness on your self-consciousness. What do you do? Since everybody is different, your encounter with the Creator will be orchestrated especially for you. But at the same time, everybody's life experiences will follow the same model. Encounter proposes that how you interpret your experiences in life determines to a large degree whether or not you will see God's model of the perfected man in yourself. Once you meet Him, God is easy to fall in love with. The hard part is being remade in His likeness. Encounter describes this make-over, this transformation process, so you will be able to follow it in your own life. The author suggests new ways of considering and understanding past and current events, and explains the forces at work and play within the human psyche. To help you through this trying and sometimes painful process, the Creator has given you a two-edged Sword of Forgiveness and Faith to release you from guilt and fear, Gloves of Compassion and Gratitude to resolve painful memories, and a Plow of Wisdom and Discernment to uproot misconceptions and allow the seed of truth to take hold in your heart and mind. Encounter describes the function of each in detail and provides easy-to-follow instructions for their use. The Creator is the guiding force behind the transformation process. He created Universal Law to guide you and Divine Love to empower you. Your part is to love Him with all your heart and walk in His way. This means gradually relinquishing your Free Will and surrendering to God's Will... not an easy task for the only creature on Earth with the power to say No to God! Indeed, free will is powerful, but, as argued in Encounter, free will is not free: we pay dearly for it. Encounter introduces man's Lower Self and Higher Self, describes the beauty of Universal Law, talk's about man's God qualities, his childlike nature, his innocence, and his reason for being here. The book states that we can all have a one-on-one relationship with our Father God and reveals how you should react when you encounter your Creator. Expect some surprises along the way.

The secret to success in every endeavor is timing. What Divine Time are you on now? Take a look inside to find out! This is The Power of Divine Timing 2019! The Power of Divine Timing 2019 is an annual astrological guide and method that helps readers to nurture the correct source at the right time to create desired results based on astrological timing. You've heard the term, "have an attitude of gratitude"; but how can you be gracious if you can't see the blessings, you're supposed to be grateful for? Indeed, sometimes we have starved the blessings so much, it's as if they do not exist, or they have simply withered and died. That's sad; right? Humans tend to naturally feed the wrong source, challenges. You may also know that whatever we feed, whatever we nurture, grows stronger. You hear this time and time again from wise and prophetic teachers: "Live in the moment." How do you do that when you don't know what moment you're in—or where to place your intention and energy? That's where The Power of Divine Timing 2019 comes in! This is The Power of Divine Timing 2019—the technique that locates your specific, personal Universal

blessings and challenges in real time and simply teaches you how to starve your challenges and to nurture and grow your blessings! The question then becomes: what happens to something that starves? It cannot exist without a source of energy feeding it. So, this, simply put, means you can starve your challenges to death until they have no power to survive and wreak havoc in your life. For, what I have intrinsically found is that when you focus on the blessings in your life, solutions for life's challenges can be found there. It's really quite easy. Each chapter focuses on the planet's current transits and movements, how they affect each astrological sign from the perspective of Challenges, Blessings, Change, and how to approach your current chart utilizing The Power of Divine Timing Technique. You should read both your Sun and rising sign. As you get familiar with this year's challenges and apparent Universal Blessings, you can start to nurture the right source. As you nurture the correct source, you will notice your life shifting, the challenges diminishing, and the blessings increasing. I have included exercises and suggestions for each of the astrological signs, and transits, to assist you in nurturing the right source.

Secrets of the Astrology of Intimacy Revealed

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

Michael Henry Dunn's spiritual journey began with heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine - passionately, romantically in love - and still find sweet and fulfilling human love as well, led him to seek and find intimacy with the ultimate Soul Mate. Romancing the Divine is Dunn's deeply moving, intensely personal account of a love affair with the Source of Life: the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced (and continues to experience) transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is "seductive beyond thought of competition." It's a love we all deserve.

Explore whether romance is in the stars with the original New York Times bestselling book from the world's most respected astrological authority.

Worldly and Devotional Love compared and contrasted. Worldly Love is an intoxication of the Astral Light. It is a state of severe mental perturbation. Divine Love is the Law of Universal Sympathy. Worldly and Devotional Love are the two opposing paths of One Divine Love in the mayavic universe of being. Monosexual consciousness is a characteristic of psychic development. But in spiritual de-velopment consciousness is asexual. The first step in true occultism is to try to apprehend the meaning of Universal Brotherhood. Devotion and aspiration will help to raise consciousness to higher planes, where faith, self-sacrifice, and loyalty to the Teachers is rewarded. Give it all away or you will lose it. Can devotion to inner contemplative life, and a life of fine unselfishness, allow of the growth of faculties otherwise dormant, and a growing recognition of the underlying unity of man and his surroundings, so that truth will make itself known from within, and help one to develop a greater physical command of the forces of nature? Without Esoteric Philosophy guiding the soul, neither meditation nor devotion to duty can make the Wisdom of Love bare her bosom to the inner eye and reveal the sublime secrets of Cosmogony to the multitude. Angel worship is misplaced and ill-advised.

Modern mystic Debra Clemente shares the intimate story of her discovery of the voice of Love speaking to her heart. "I become more confident each and every day in the truth for all that the words in my book Listen Hear, A Divine Love Story declare. In these past few years I have come to know that I am not the only one nor am I to be the only one whom is so aware of the Indwelling Spirit of God which is present to lead us unto all truth and goodness. This message deserves a perfect presentation and yet I know that can never be by my book or any other. It can only be a signpost along the way for any others journey. For with surety I say, the truth of God forever can be and only be heartfelt." - Debra Clemente "Intensely personal, faithfully rendered from observation and experience, refreshingly innocent in reporting on interactions with the Divine Presence, astute in its commentary on stale approaches to Truth, chock full of exciting encounters with a remarkably down-to-earth God, profound, mystical, practical, humorous, fast-paced and highly enjoyable reading. A gem, which I am sure will spur many on to seek their own inner enlightenment. Your detailed descriptions of what you did to get into the flow can help anyone to take similar steps adapted to personal characteristics and temperament. I can see it becoming one of the handbooks for this age of ascension; it is that good and applicable. I for one feel inspired by your example and enheartened by the thread of hope running through the book." - Hanspeter, Austria "Beautiful... Love this book. Its not one you can complete at one go... there is so much in each page that I feel at times its my book of answers. I open a page and I get my answer to what's on my mind... Its rich beyond words just like your paintings." - Deepthy, India "Simply so fresh to read, packed with truth and encouragement, a certain whirlwind to take you forward. I love how the way thoughts are conveyed are bordering on (and even being) more like art with depth, with a sense of humor, with freshness, word plays, sparks of light amongst words." - Zak, Finland "It is something to sit quiet with. Allow words to have their say. Don't rush. I feel that while I am reading I am in a place of prayer. I found many different places where the eye of my heart was glued to the page. Your writings about the Divine Love and the transformation of the soul they are simply beautiful! Thank you for choosing to listen and hear, for being a conduit for truths that exist for all, but few stop to listen." - Joseph, USA

In our age, when love seems almost forgotten, this emblem book uniting Guyon's poetry and D'Othon Vaenius's illustrations give us a faithful look into what might be. What if Divine love becomes part of the human endeavor and joins to human souls? Otto van Veen and Jeanne de la Mothe Guyon internalized this hope and here reveal to us their vision of the love of God bonding and becoming one with the human soul. Translated into English for the first time here, these emblems of divine love become available to postmodern readers. John Preston D.D. (1587–1628) was a Reformed, English puritan minister, and master of Emmanuel College, Cambridge. It is clear that his heart was firmly set on the propagation of the Calvinistic theology; his posthumous works (edited by Richard Sibbes, John Davenport, Thomas Ball, and partly by Thomas Goodwin, D.D.) are a storehouse of such sentiments. How much do you love Jesus Christ? Is your love true or manufactured? Such questions rub Christians the wrong way since it calls into question whether or not one has true love to the Savior Jesus Christ. Preston not only questions how one loves Christ, but shows both how one might love Christ sincerely, as well as the accursed state of those who do not love the Lord Jesus at all, or in a hypocritical manner. His text is 1 Cor. 16:22 "If any man love not the Lord Jesus Christ, let him be anathema, maranatha." He shows how to love Christ, reasons to love Christ, who Christ is as the one we ought to love, and consequences for not loving him as we should; both as a Christian, and as the result of not being converted. The author explores the idea that the most powerful astrological technique is a quiet, meditative mind. The book presents astrology as a form of active meditation where we contemplate whatever is arising with expectancy, receptivity, and conscious use of will to shape what unfolds. The author presents meditations on the spiritual lessons of the planets and zodiacal signs, and, with the plentiful use of case histories, describes the technique of symbol amplification, which enables us to unfold the deepest meanings of chart symbols. The book ends with a discussion of astrology as a spiritual practice.
