Shaktipat is the extremely rare art where an enlightened Siddha ignites the student's kundalini in such a way that the student's kundalini will take him or her to enlightenment. This is a handbook for students who have received this rare and sacred initiation. It is also an easy but to the point introduction to those who are curious about this path but have not embarked on it. The book discusses the various aspects of shaktipat initiation, of the supreme Self, of spiritual practices and of what is required of the student and the guru. The meditative practices of Shaktipat Siddhayoga (sadhana) are also discussed - as well as basic kundalini yoga addenda. The main practice of Shaktipat Siddhayoga is to surrender to the Grace of the Divine Mother. Other meditation practices are discussed in context of this. The important subtle energy channels are introduced as well as the chakras and the three basic knots blocking our spiritual progress. Karma and Free Will is discussed. Finally is a comprehensive list of psychological defense mechanism as discovered

**Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

Modern mystic Debra Clemente shares the intimate story of her discovery of the voice of Love speaking to her heart. "I become more confident each and every day in the truth for all that the words in my book Listen Hear, A Divine Love Story declare. In these past few years I have come to know that I am not the only one nor am I to be the only one whom is so aware of the Indwelling Spirit of God which is present to lead us unto all truth and goodness. This message deserves a perfect presentation and yet I know that can never be by my book or any other. It can only be a signpost along the way for any others journey. For with surety I say, the truth of God forever can be and only be heartfelt." - Debra Clemente

"Intensely personal, faithfully rendered from observation and experience, refreshingly innocent in reporting on interactions with the Divine Presence, astute in its commentary on stale approaches to Truth, chock full of exciting encounters with a remarkably down-to-earth God, profound, mystical, practical, humorous, fast-paced and highly enjoyable reading. A gem, which I am sure will spur many on to seek their own inner enlightenment. Your detailed descriptions of what you did to get into the flow can help anyone to take similar steps

adapted to personal characteristics and temperament. I can see it becoming one of the handbooks for this age of ascension; it is that good and applicable. I for one feel inspired by your example and enheartened by the thread of hope running through the book." - Hanspeter, Austria

"Beautiful... Love this book. Its not one you can complete at one go... there is so much in each page that I feel at times its my book of answers. I open a page and I get my answer to what's on my mind... Its rich beyond words just like your paintings." - Deepthy, India

"Simply so fresh to read, packed with truth and encouragement, a certain whirlwind to take you forward. I love how the way thoughts are conveyed are bordering on (and even being) more like art with depth, with a sense of humor, with freshness, word plays, sparks of light amongst words." - Zak, Finland

"It is something to sit quiet with. Allow words to have their say. Don't rush. I feel that while I am reading I am in a place of prayer. I found many different places where the eye of my heart was glued to the page. Your writings about the Divine Love and the transformation of the soul they are simply beautiful! Thank you for choosing to listen and hear, for being a conduit for truths that exist for all, but few stop to listen." - Joseph, USA

Hands are indeed remarkable tools. They are used for repairing cars, saving lives, and even that most simple but profound of functions: making others feel loved and cared for. For centuries, hands have been revered as vessels for imparting blessing, spiritual gifts, the Holy Spirit, and healing-through touching one another. Traditionally known as the laying on of hands, this Christian practice has been given by God for laypeople and clergymen alike to gain insight, heal the sick, receive spiritual gifts, and bless others on their journeys. One of the most beautiful and intimate things we can do is be active participants and partners with God by using touch to impart healing and blessings to the sick,

oppressed, and those who hunger for more. When we use our God-given hands in conjunction with prayer to touch others, we are accomplishing God's will here on earth. The Power of Touch not only explores the history and substantiation of the efficacy and importance of hands throughout time, but taps into readers' very souls as it illustrates the power that to help and heal our fellow man-and, in turn, ourselves, through the power of God that flows through us.

Michael Henry Dunn's spiritual journey began with heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine - passionately, romantically in love - and still find sweet and fulfilling human love as well, led him to seek and find intimacy with the ultimate Soul Mate.

Romancing the Divine is Dunn's deeply moving, intensely

personal account of a love affair with the Source of Life: the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced (and continues to experience) transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is "seductive beyond thought of competition." It's a love we all deserve.

This 1880 work by Dr. M. La Fayette Byrn is the eighth edition of a hugely popular manual on the distillation of spirits from a variety of fruits and vegetables. Providing directions for the distillation and preparation of brandies and other spirits, this edition had appended to it M. Flinz's "Practical Directions for Distilling," a text that had appeared separately in Paris and which the author felt would provide vital information to the reader.

For the first time, Dr Sha teaches readers how to increase their longevity, attain wealth and prevent illness through a fusion of Eastern and Western medicine and philosophy that will revolutionize their understanding of healing. Through his internationally acclaimed principles and techniques, Dr Sha provides a simple answer to the age-old question: what is the real secret to healing? Heal the soul first, and the mind and body will follow. This third book in his bestselling Soul Power series dives deep into spiritual

mysteries and reveals ancient secrets and lessons that readers can apply to every area of the daily routine, clearing up negative energy, blockages and discovering their capacity for unconditional love and forgiveness.

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

This is an account of one of life's most painful experiences--the sudden death of a child. A mother's anguish compels her to examine beliefs about what comes after death and to explore ancient healing methods in Mexico, Brazil, and Bali. At its core a spiritual odyssey, The Sacred Wound is about creating meaning from life-shattering events--events which can utterly destroy us or serve as a call to extraordinary courage and growth. A life-shattering event is a modern day "sacred wound," a wounding so profound that it pierces the soul and penetrates the veils of who we are and what we think life is about. Like a mythological hero, we will emerge from the ordeal another person. As the author says, "For three years grief was my consort, it became my teacher." This inspiring and searingly honest book is about more than survival following the death of a loved one; it is about the gift in tragedy's other hand. It is about discovering the truth that love is the central experience of life and not simply mortality, and that this truth can emerge in ways we can never predict or expect

everyone there is a perfect and loving heart, and that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."

A unique translation from the original Greek of the second century spiritual master Origen, developed and handed down by a reknown Scottish scholar and made available nearly one hundred years later in memory of Dr. Charles Ashanin whose last days were devoted to this project. impossible thing, by the surpassing grace of God, becomes possible; for he who was caught up unto a third heaven traced out things in the three heavens through having heard unutterable utterances which it was not permitted for man to speak. Who can say that it is possible for the mind of the Lord to be known by man?

There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called

nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

What is a soul? Are miracles real? When the soul is healed, how does the body respond? Throughout history, there have been countless cases of "miracle" healings, unexplainable by modern science. Dr. and Master Zhi Gang Sha has personally healed thousands of patients, usually in front of dozens of witnesses. Hundreds of videos of these healings can be seen on YouTube. But how can these healings be explained? Soul Mind Body Science System is the first book to explore the scientific explanations for why soul healing miracles are genuine. Written with Dr. Rulin Xiu, an expert on string theory and quantum physics who trained at The University of California, Berkeley, Dr. Sha shares, for the first time, the scientific theories that explain why all actions on Earth are guided by the reality of the soul. In Soul Mind Body Science System, the complex and fascinating relationships present between matter, density, information, soul, and consciousness are thoroughly examined. Written for armchair and professional scientists alike, this book makes a significant contribution to the ongoing debate about the true nature of reality. As the lines between "science" and "spirit" blur, this investigation becomes ever more important. The groundbreaking Soul Mind Body Science

Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of The Battle and Victory of the Soul, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring

collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. It's a spiritual wealth of hope and healing that may just bring new light to the darkest days.

Celebrating Seasons of the Goddess restores the original vision of celebrating cultural and natural landmarks from the perspective of Goddess feminist activism. By taking such categories as time, seasons, nature and the female divine as a point of departure, this book brings modern minds out of patriarchal holiday conventions and invites the reader to join the sobering chorus, led by our 35 authors-writers, researchers, poets, artists, ritualists, photographers and activists from around the world. Its Goddess Spirituality, which may be called Engaged Goddess Spirituality, is characterized by the impetus to derail the cultural and spiritual paradigm of patriarchal religions. In other words, this book, fueled by the commitment to feminist social change, undertakes the task of undercutting the main nerve of patriarchal advancements that peril the terrestrial community at an ever-magnifying scale. However, Celebrating Seasons of the Goddess does not stop there. Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for, the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to carry on the battle against the hidden powers of darkness-perhaps not quite so hidden today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall

discuss during the insuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his fellowmen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal words, "I am the Resurrection and the Life." Fortified with these precious heritages it is our hope to

carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians-. Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire, republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

"Overflow" can be the norm for every believer in Jesus. It's our privilege as His people, our calling as His followers, and our power as His church. The Christian life is not intended to be about us striving to please

God through our noble intentions, or attempting to serve Him in our own strength. Our lives can be an adventure of experiencing the power of God overflowing into our everyday lives through the power of the Holy Spirit. "We all need to live with the abundance of the Holy Spirit that has been given to us as a gift from God. Pastor Clint lives this life and I'm so grateful he wrote this book. May the Holy Spirit burst forth from its pages and saturate every part of our lives." - Brady Boyd, author of "Addicted to Busy" and "Sons & Daughters" "Overflow is one of the most simple, practical, and biblically based introductions to the Holy Spirit's nature and ministry I have ever read." - Dean Sherman, author of "Relationships" and "Spiritual Warfare"

We all carry baggage in life and into a relationship. What is packed in your bag? Do you bring family issues? Do you bring issues from past relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These questions are covered and more. Extraordinary communication is extremely important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are

addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. This book is the culmination of many years of education (both formal and informal), observation, personal experience and prayer. God has blessed Rick and Penny by bringing them together to create this work. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years. It is our grandest hope that this book will help at least some of our readers make better dating (and life) decisions and start Dating Backward.

From the award-winning author of Writing the Divine comes a spiritual guidebook of attainable lessons and exercises to teach you how to engage in direct connection with the Universe and live a soulful life. How can I live authentically? What is my life's purpose? How can I tap into my soul's wisdom? How can I receive Divine guidance? To learn the answers to these questions, gifted intuitive, visionary teacher, and author Sara Wiseman gives you Messages from the Divine. Timeless and affirming, the lessons in this book will teach you the secrets of how to live from your soul's wisdom and awaken to your true life's path. And by living a soul-led life, you move from confusion, fear, and feeling unfulfilled to a life that is open, original, and profoundly meaningful. After a harrowing near death experience that resulted in a sudden opening of consciousness, Sara's spiritual understanding expanded, and she began to see "beyond the veil" and receive messages from spirit guides. It is from this process of Divine receiving that the lessons in this book were transmitted and transcribed. Each of the lessons ends with a brief exercise—an easy-to-do practice, meditation, or reflection to help anchor the
