Lost treasure is the last thing fourteen-year-old River Ereckson expects to hear about when she visits a powwow to explore the traditions of her American Indian ancestors. Yet when a fur-clad stranger says she must recover what's lost, the task soon becomes an unavoidable mission. Her precarious journey takes her into the Spirit world where she confronts the absolute evil of Vega who wants to drop the treasure into the bottomless Well of Sorrow. It's up to River to retrieve what's been lost so everything female in Creation—human, animal, and plant—can become fully empowered. Along the way she finds help from a Mystery man, unusual creatures from the other world, and her own great-grandmothers who have transcended time. Relying on intuition and improvisation, River accomplishes things she never imagined. But will it be enough to defeat her enemies?

"Applaud for KLAUDE. Two paws up!"--Dav Pilkey, creator of the Dog Man series. "Funny, savage, and brilliant, Klawde is

the pet I wish I had."--Max Brallier, New York Times Bestselling author of The Last Kids on Earth. Klawde is not your basic cat. He's an emperor from another planet, exiled to Earth. He's cruel. He's cunning. He's brilliant... and he's also Raj Banerjee's best friend. In book six of the Klawde series our feline warlord has begun his reign as Emperor of the Universe! His headquarters? The litterbox command center in the Banerjee family basement. But be careful what you wish for--as Klawde finds out, even the lord of all living matter has to follow the rules, even if they're designed to squelch evil dreams. What's more, plots to overthrow him are rampant, and Klawde needs allies. Who can he turn to? Barx and the space rangers of the Dog Star Galaxy? (Hairball.) Ffangg and the other Allied Warlords of Evil? (Double hairball.) Or--least appealing of all--the Calico Queen, his former earthcat protege and current ruler Lyttyrboks? Meanwhile, Raj is trying to survive in an even more perilous group of enemies and allies: the students and parents of the Elba Middle School Newspaper Club. Heavily illustrated, with a hilarious, biting voice that switches between

Raj's and Klawde's perspectives, this is the story of an unlikely friendship that emerges between a boy and the evil cat who arrived on his doorstep.

[Siren Classic ManLove: Erotic Alternative Contemporary Romance, M/M, HEA] Welcome to Cedar Falls, a small North Carolina town nestled amongst the Smokey Mountains. Where the people are friendly and the men are hot. Tobias Walker grew up hearing about white knights and princes riding in on a white horse to save the day. That was until his father died and he was forced to live in the basement of his stepmother's home. Then he was forced to face the harsh reality of life--fairy tales didn't exist. Finch Jarsdel had recently retired from England's infamous SAS. Had he known he'd sit in his flat all day binge watching the telly, he might never have left his special forces unit, even if his heart had no longer been in it. When he

received a phone call to chase down Bigfoot, he thought the guy was touched in the head. But with nothing else to do, Finch headed to a small town in North Carolina called Cedar Falls. Warning: Buckle up for the ride of your life as Jesse celebrates the New Year as Mayor, Finch and Tobias fall in love, and Bigfoot takes out the gunmen intent on terrorizing the town. **
