

Doctor Who The War Master Series 1 Doctor Who The War Doctor

From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

On nineteenth Century Earth artist Edvard Munch hears an infinite scream pass through nature. Centuries later his painting of that Scream hangs in a gallery on the barren dust world Duchamp 331. Why is there a colony of artists on a planet that is little more than a glorified garage? What is the event that the passengers of the huge, opulent pleasure cruiser 'Gallery' are hoping to see? And what is hidden in the crates that litter the cargo hold? The Doctor's diary indicates that the painting is about to be destroyed in 'mysterious circumstances', and when he and Ace arrive on Duchamp 331, those circumstances are well underway. This story takes place after "Survival."

“Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan’s books.”—The Washington Post Book World (front page review) In Cosmos, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In Pale Blue Dot, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. “Takes readers far beyond Cosmos . . . Sagan sees humanity’s future in the stars.”—Chicago Tribune

Mission to the Unknown

Doctor Who: Wishing Well

Doctor Who and the Space War

The Mutant Phase

Blood of the Daleks

The vampiric sorcerer Uctebri has at last got his hands on the Shadow Box and can finally begin his dark ritual—a ritual that the Wasp-kinde Emperor believes will grant him immortality—but Uctebri has his own plans for both the Emperor and the Empire. The massed Wasp armies are on the march, and the spymaster Stenwold must see which of his allies will stand now that the war has finally arrived. This time the Empire will not stop until a black and gold flag waves over Stenwold's own home city of Collegium. Tisamon the Weaponsmaster is faced with a terrible choice: a path that could lead him to abandon his friends and his daughter, to face degradation and loss, that might possibly bring him before the Wasp Emperor with a blade in his hand—but is he being driven by Mantis-kinde honor, or manipulated by something more sinister? From the Trade Paperback edition.

"The death of billions is as nothing to us Doctor, if it helps defeat the Daleks." The Great Time War has raged for centuries, ravaging the universe. Scores of human colony planets are now overrun by Dalek occupation forces. A weary, angry Doctor leads a flotilla of Battle TARDISes against the Dalek stronghold but in the midst of the carnage, the Doctor's TARDIS crashes to a planet below: Moldox. As the Doctor is trapped in an apocalyptic landscape, Dalek patrols roam amongst the wreckage, rounding up the remaining civilians. But why haven't the Daleks simply killed the humans? Searching for answers the Doctor meets 'Cinder', a young Dalek hunter. Their struggles to discover the Dalek plan take them from the ruins of Moldox to the halls of Gallifrey, and set in motion a chain of events that will change everything. And everyone. An epic novel of the Great Time War featuring the War Doctor as played by John Hurt.

The Air War is the eighth book in the critically acclaimed epic fantasy series Shadows of the Apt by Adrian Tchaikovsky. An empress demands her birthright . . . All is in turmoil as the world moves towards war. In Solarno, spies eye one another and ready their knives – while the people of Myna watch troops gather at its borders. Emotions run high as old fears reawaken. And in Collegium students argue politics, too late to turn the tide. At the heart of the Empire, new powers complete their secretive training, generals are recalled to service and armies are readied to march. Their Empress, heir to two worlds, intends to claim her birthright. For nothing – either within the Empire or beyond it – will stand in her way.

The Air War is followed by the ninth book in the Shadows of the Apt series, War Master's Gate.

Dust Breeding

Exile

People of Red Rocket Rising, my fellow citizens. Our long night is over. I've been contacted by a benevolent people. They too have known great trials, but they have overcome them and made it their mission to help others do the same. They have offered us refuge, and passage to the nearest human worlds. They have the resources, and the patience and compassion, to evacuate every one of us. My fellow citizens, my friends, rescue is at hand!

Continuing from Volume I, Volume II intersperses numerous soldiers´ letters with those from home. The issue of slavery from both the owners and individuals is brought forth. Did colored men really serve as Confederate soldiers? Did free black men? Union soldiers described southern women as defiant, beautiful, crude, and pitiful. Read of women aboard blockade-runners, the fall of Wilmington, Sherman´s march, Stoneman´s western raiders, and the end of the war. Did any civilians die due to these raids? Did they idly sit by as their lives and homes were destroyed? The war did come to their doorstep during the second half of the conflict. Both Volume I and II tell something from each of the state´s 87 counties. Perhaps you may find information about your ancestor among these pages.

Information from period newspapers, as well as mostly unpublished letters, tell their stories.

"Darkheart: a faded neutron star surrounded by dead planets. But there is life on one of these icy rocks -- the last enclave of the Earth Empire, frozen in the image of another time. As the rest of the galaxy enjoys the fruits of the fledgling Federation, these isolated Imperials, bound to obey a forgotten ideal, harbour a dark obsession. The Doctor, Jamie and Victoria arrive to find that the Federation has at last come to reintegrate this lost colony, whether they like it or not. But all is not well in the Federation camp: relations and allegiances are changing. The fierce Veltrochni -- angered by the murder of their kinsmen -- have an entirely different agenda. And someone else is manipulating the mission for his own mysterious reasons -- another time traveler, a suave and assured master of his work. The Doctor must uncover the terrible secret which brought the Empire to this desolate sector, and find the source of the strange power maintaining their society. But can a Time Lord, facing the ultimate temptation, control his own desire? This adventure takes place between the television stories The Web of Fear and Fury from the Deep, and after the Missing Adventure Twilight of the Gods."--Page 4 of cover.

Everything you think you know...is a lie. The Doctor and the Master; their conflict of light and dark has spanned many times and faces across the universe. This collection - of five short stories and a novella - explores the depths of darkness in the Master's hearts; the arch-schemer's secrets and sinister ambitions revealed through brand new adventures and encounters. Join six incarnations of evil for undreamed of adventures: a quest to free alien warlords... a dangerous mission to save a vital ally... a meeting with Bram Stoker... a shattering of lives on a distant world... a trial of wits to gain untold power... and drop in on the Master's latest incarnation during his 77 years of imprisonment on Earth.

The Doctor and the Master have been arch rivals for as long as they can both remember - which is a very long time! One wants to save the universe, the other, rule it. But as two of the last remaining Time Lords, they share a deep bond that will always entwine their destinies.

While returning from a mission to Deep Space Station C-15, the U.S.S. Enterprise hits a distortion that puts officers into comas for no apparent reason and McCoy, in an attempt save these dying officers who have psychic abilities, must enter into a nightmarish dreamworld. Original.

The aerodrome in Culverton has new owners and the Doctor is sent to investigate when suspicious things start happening in the village, like black-shirted troops mysteriously appearing on the streets.

Drawing on newly declassified government files, this is the dramatic story of how a forbidden book in the Soviet Union became a secret CIA weapon in the ideological battle between East and West. In May 1956, an Italian publishing scout took a train to a village just outside Moscow to visit Russia's greatest living poet, Boris Pasternak. He left carrying the original manuscript of Pasternak's first and only novel, entrusted to him with these words: "This is Doctor Zhivago. May it make its way around the world." Pasternak believed his novel was unlikely ever to be published in the Soviet Union, where the authorities regarded it as an irredeemable assault on the 1917 Revolution. But he thought it stood a chance in the West and, indeed, beginning in Italy, Doctor Zhivago was widely published in translation throughout the world. From there the life of this extraordinary book entered the realm of the spy novel. The CIA, which recognized that the Cold War was above all an ideological battle, published a Russian-language edition of Doctor Zhivago and smuggled it into the Soviet Union. Copies were devoured in Moscow and Leningrad, sold on the black market, and passed surreptitiously from friend to friend. Pasternak's funeral in 1960 was attended by thousands of admirers who defied their government to bid him farewell. The example he set launched the great tradition of the writer-dissident in the Soviet Union. In The Zhivago Affair, Peter Finn and Petra Couvé bring us intimately close to this charming, passionate, and complex artist. First to obtain CIA files providing concrete proof of the agency's involvement, the authors give us a literary thriller that takes us back to a fascinating period of the Cold War—to a time when literature had the power to stir the world. (With 8 pages of black-and-white illustrations.)

Doctor Who: At Childhood's End

Strange things begin to happen the minute young Kay Harker boards the train to go home for Christmas and finds himself under observation by two very shifty-looking characters. Arriving at his destination, the boy is immediately accosted by a bright-eyed old man with a mysterious message: "The wolves are running." Soon danger is everywhere, as a gang of criminals headed by the notorious wizard Abner Brown and his witch wife Sylvia Daisy Pouncer gets to work. What does Abner Brown want? The magic box that the old man has entrusted to Kay, which allows him to travel freely not only in space but in time, too. The gang will stop at nothing to carry out their plan, even kidnapping Kay's friend, the tough little Maria Jones, and threatening to cancel Christmas celebrations altogether. But with the help of his allies, including an intrepid mouse, a squadron of Roman soldiers, the legendary Herne the Hunter, and the inventor of the Box of Delights himself, Kay just may be able rescue his friend, foil Abner Brown's plot, and save Christmas, too. At once a thriller, a romp, and a spellbinding fantasy, The Box of Delights is a great English children's book and a perfect Christmas treat.

Twelve incredible Doctor Who stories for the long winter nights featuring an exclusive extra story in the Time Lord Victorious arc! Christmas can mean anything . . . For Missy, it's solving murders in 1909. For a little girl in Dublin, it's Plasmavores knocking at the door. For Davros, it's a summons from the Doctor, who needs the mad inventor's help. The perfect collection for the bleakest - and sometimes brightest - time of the year, these are the tales for when you're halfway out of the dark . . . THE book the Time Lords (including the Doctor) read when studying at the Academy, the full-color in-world history that pieces together the true story of Gallifrey from the many and contradictory accounts that survived the Last Great Time War. Doctor Who: A Brief History of Time Lords tells the story of all of this ancient, legendary civilization, of notable historical figures, of Gallifrey itself, of the Time War and much more. The planet Gallifrey. The Shining World of the Seven Systems. Often to be found in the constellation of Kasterborous. Birthplace of one of the oldest civilizations in the universe: The Time Lords. From their technologies and strategies to the renegades like the Master and the Doctor himself, this is the definitive guide to the oldest and most powerful civilization in the universe. They invented black holes, transmits, stellar manipulators, and they atrophied. A bunch of elderly academics in funny hats, the Time Lords watched the whole history of creation. This was the civilization that inflicted some of its most renowned and deadly renegades and criminals on the universe: the Master, the Rani, the Monk, the War Chief, yet it was also the benevolent power that rid the cosmos of the Great Vampires, the Racnoss and the Fendahl. Featuring full-color, never-before-seen illustrations and a beautiful interior design, this is a highly collectible in-world companion no Whovian can be without.

Doctor Who and Philosophy

The Zhivago Affair

Past or future, which path do you choose? Past, present and future collide as the Thirteenth Doctor meets classic Doctor Who companion Ace – in the first epic novel from the woman who played her, Sophie Aldred. Once, a girl called Ace travelled the universe with the Doctor – until, in the wake of a terrible tragedy they parted company. Decades later, she is known as Dorothy McShane, the reclusive millionaire philanthropist who heads global organisation A Charitable Earth. And Dorothy is haunted by terrible nightmares, vivid dreams that begin just as scores of young runaways are vanishing from the dark alleyways of London. Could the disappearances be linked to sightings of sinister creatures lurking in the city shadows? Why has an alien satellite entered a secret orbit around the Moon? Investigating the satellite with Ryan, Graham and Yaz, the Doctor is thrown together with Ace once more. Together they must unravel a malevolent plot that will cost thousands of lives. But can the Doctor atone for her past incarnation's behaviour – and how much must Ace sacrifice to win victory not only for herself, but for the Earth?

War Master’s Gate is the ninth book in the critically acclaimed epic fantasy series Shadows of the Apt by Adrian Tchaikovsky. A city makes its last stand . . . The Empire’s mighty imperial armies are marching on Collegium once more. They’ve learnt from past failures and this time their Empress will brook no weakness. Stenwold Maker’s aviators still dominate the skies, but their rule will soon be over. For the Empire has developed a terrifying aerial weapon to level the battlefield. Yet victory may be decided elsewhere. In an ancient forest, where Mantis clans pursue their own civil war, Empress Seda is seeking a lost power from the old world. Cheerwell Maker knows she must stop her rival at any cost, but their conflict could awaken something far deadlier. Something that would make even their clash of nations pale into insignificance. War Master’s Gate is followed by the tenth and final book in the Shadows of the Apt series, Seal of the Worm.

The old village well is just a curiosity - something to attract tourists intrigued by stories of lost treasure, or visitors just making a wish. Unless something alien and terrifying could be lurking inside the well? Something utterly monstrous that causes nothing but death and destruction? But who knows the real truth about the well? Who wishes to unleash the hideous force it contains? What terrible consequences will follow the search for a legendary treasure hidden at the bottom? No one wants to believe the Doctor's warnings about the deadly horror lying in wait - but soon they'll wish they had... Featuring the Tenth Doctor and Martha as played by David Tennant and Freema Agyeman in the hit sci-fi series from BBC Television.
