

Doctors Delight Big Girls Lovin Trilogy 1

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

It had seemed so simple, even fun, when they explained it: New York needed non-satellite-based relay towers. Commco sent me to find towns along the needed pathway, to offer to restore some of the boons of civilization in return for an agreement to build, power and guard the towers. After all, it had only been fifty years. I would never have believed that the countryside would have turned barbaric so fast. Thus begins Martin Barrister's journey through an unfamiliar landscape, where his training and skills are of little help, and only quick wits and creativity will allow him to survive. When his job turns out to be a ruse, and he becomes bait in a dispute he can barely fathom, Martin discovers what loyalty is worth. And what civilization is - and isn't - comprised of.

How does a man pick up the pieces when his world crashes around him? Misplaced priorities shattered his marriage. Problems almost crushed him. Love motivated him to mend the damage, once he found all the pieces. After only a few months of marriage, Lorraine left Dylan on a wintry night after he'd spent one too many nights out with the guys. Unable to cope with the loss, Dylan escapes the painful feelings by drinking them away. This decision costs him a year-and-a-half of his life after he stops in a little mountain town and ends up in the local jail. When he's released, he returns home in search of a job to get his life...and his wife back. The Missing Piece is not only a love story about a man who loves a woman, but is also a love story about a merciful God who loves mankind, even when he falls. The novel is an emotionally-charged journey of hope and redemption with a touch of spunk, a hint of humor, and a few twists along the way. Fresh dialogue, realistic characters, a powerful message. When someone in a child's life goes through a personal hardship, parenting is put to a test. Finding the the right words to answer difficult questions can be a challenge. This is a story of a hardship of mine that I explained to a child, gently teaching him in the process, some important lessons about faith, pride, hope, justice and love. This fairy-tale flavored story involves a trip to the County jail, and will help a child understand a situation like this better when the same happens to someone in his or her life. Every child needs to understand the pitfalls of pre-judging people, and missing out on what they can offer you to make your journey in life better. Every child needs to understand the importance of perseverance through the dark times in life and of holding your head up high when times get tough. And finally, every child needs to believe that everything will be okay

Self Made Bitch

Pondering Life

The road to love has never been a smooth one. From Adam and Eve's problem with produce, to Samson and Delilah's unplanned makeover couples have struggled to find and keep a healthy relationship. Most will agree that the secret to a happy healthy relationship is honest communication and common interest, mixed with a sense of humor and a liberal dash of understanding. But what do you do when things are already on a rocky path? How to you preserve your relationship? Or even rekindle the dying flames of love? This book will teach you the tools you need to have a happy healthy committed relationship that will let you get the most out of life. Rekindle your love will not only teach you the secrets to reclaiming lost love but it will help you to keep the relationship you have healthy and moving in a positive direction. This book will help you to achieve the kind of romance you have been dreaming of!

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a

self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death. Lenore Lee wants nothing more than to make new friends in her new town of Whitby, Yorkshire, and to forget about the disturbing dreams that hold her captive at night. But what she discovers in Whitby, might be even more disturbing than the dreams. Dreams which may hold the key to her survival in the hidden world of the Supernatural...

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to

experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

THE AMERICAN EDITION Satan is being outsourced. According to the Powers That Be, Hell isn't hellish enough, and Satan is given seven days to figure out how to bring back the fire and brimstone days of Hell's fury. The Devil takes on human form-a ramshackle, disease ridden body-and sets out on a road trip exploring new and novel miseries of the human condition to save his job. From L.A. to Miami, Satan, accompanied by Eustice Seeney, the only man who managed to escape Hell twice (and live to never shut up about it), some bent doctors, an average medium femme fatale with a Tarot tattoo, and an angelic escort service hit the road. Satan manages to finagle his way into one mess of life's affairs after another culminating in an explosive finale revealing who or what puts the lighting in our dreams, and begs the question of who would rid the world of the Devil they know?

The purpose of this book is to present some of the unpublished writings and published professional journal writings of Dr. Kenneth Wapnick in all their diversity. I use the word diversity because his poetry and his short stories are so exquisitely different, his poetry especially being a dedication to God and Jesus, while his short stories explore different themes. (From the Preface by Gloria Wapnick) The book begins with two very powerful unpublished autobiographies, My Life with God and My Life with Jesus. The first, My Life with God, Kenneth wrote at the request of Helen Schucman, who urged him to do that project in 1973. The second, My Life with Jesus, was done mostly after we moved to Temecula in 2001, since people kept asking for one. One of the reasons My Life with Jesus is short compared to My Life with God is that I had asked Kenneth not to write about our relationship. (From the Introduction by Gloria Wapnick)

This book shows how to use agreement to transform the biggest areas of marital conflict into closeness, cooperation, and mutually desirable outcomes. Licensed psychologist, marriage, and relationship coach Jack Ito PhD illustrates with clear, easy to follow examples, how to communicate about the biggest problems that couples face. These are the same techniques his coaching clients use to stop divorces, end affairs, deal with addicted spouses, solve problems, end blaming, improve dating, handle money issues, parent cooperatively, get out of debt, and more. This book is unique in offering communication training to couples when one spouse (or significant other) is not ready or willing to work on the relationship. When bad boy movie star Gage Maddox thinks his starlet girlfriend has cheated on him this alpha male wants pretty much everyone's head on a platter. He heads home to his family's estate to regroup and put his plans in action. But what happens when information comes to light that may prove her innocence? What would the hotshot leading man do to get even with the people who tried to destroy the one thing that means everything to him?

OFF THE GRID WITHOUT A PADDLE is the true story of two greenhorns, escapees from the gritty City Of Los Angeles, who buy a home off the grid in a tropical mountain rainforest in rural Hawaii, with fantasies of utopia and dreams of self-sufficiency, but no real idea of what they're getting into. In their first year in an unfamiliar new world, the high-tech, low-tech, no-tech learning curve is steep and hilarious: exasperating, exhilarating . . . exciting! Whether or not you share the dream of moving off the grid, you'll get a laugh out of their unexpected adventures.

Reforming Urban Transport in India is an attempt to take stock of the various issues our cities and towns are facing in the area of urban transport, efforts made and being made both at the policy level as well as the field level to address the problems, the ever increasing complexities of challenges in the area of urban mobility and some of the laudable initiatives on the ground to handle the problems. This book would be a valuable addition to the limited literature available on the subject of urban transport in India. The topic has not attained much prominence even in the broader discussions on the transport sector issues in the country. The fact that we address our urban transport issues in a casual manner but there is need to take them up in a focused and purposeful manner and this can no longer be delayed is probably the one loud message which is emerging out of this volume. The wealth of knowledge of the contributors, each one of them having huge experience behind them in this sector, makes the book a valuable addition to the literature and a helpful guide in policy discussions.

Love Me Gently

We both know it's forbidden but the course of true love never

did run smooth! Dr. Oliver Foxx is living the dream. A successful career, plenty of women, abundant wealth but still far from settling down. Louise Wilder is an ambitious young medical trainee who has no intention of trading anything in her career even if that's love. Not even when she's assigned to shadow the handsome, Oliver Foxx or the famous DR. Delight. But little did she realize that her training program is going to be far more challenging for reasons she didn't consider. Things soon get complicated when sparks fly between the two and even more when they both try to forget each other. How the hell are they gonna get out of this alive? Will either of them be able to fight it forever?

Raw, gritty, and witty. This unexpected tale of the good girl with trap habits that shoots for her dream as "The Plugs Lawyer!" Kinda hood, more classy, Tia Jones. Midwest raised, southern paid, the lawyer that talks the talk & walks to walk, as we see what made her become the "legal genius of the nation." The Plugs Lawyer is made for that girl looking to escape her past for a better life. Ride the wave of life with Tia in the first installation of three as she builds the Jones Law empire. Betrayal, desperation, desire, & persistence, this story is the voice for the smart, hood girl looking to find where she belongs... which is at the top.

Have you ever just wondered about life? What is Life? Is there God? How do we fit into the universe? What is our relationship with other living things? What does it mean to be human? Doctor Ergo provides you with a firm background and vantage point from which to view those questions. You will gain a comprehensive perspective on Life and the human condition - from the Big Bang, through Life history on this planet, to the current condition of our human mind and species, and some solid thoughts on what Life...is. This is a Story of Life. In a Darwinian world, our mental capacity has enabled us to ascend to the pinnacle of the survival pyramid. Therefore, the essence of the story about our species centers on our mind. Our cognitive skills are built upon the neural architectures that originally developed for vision and for speech/hearing. We can be aware of the 2 sides of our mind through introspection of our own consciousness: Vision based - non-verbal emotions, feelings and intuitions coming from our vision-based cognition in our Right Brain. Speech based - words, thoughts, and reasoning coming from our speech-based cognition in our Left Brain. Vision developed quickly in the Cambrian Period (570 million years ago) when the earliest animals with body forms emerged. Vision enabled the animal to see the "world," and gave the animal a sense of "self," i.e. that which was viewing the world. Consequently the concepts of

"world" and "self" are deeply embedded in the cognition that developed from the vision neurological architecture. Likewise, Darwinian survival necessitated identification of same-species animals (for protection and reproduction); hence the concept of "group" is also deeply embedded in the vision-based neurology. Our speech-based left brain has no equal anywhere else in Life on this planet. This is what has made possible the major advances of the human mind, separated us from the animals, and enabled us to conquer the planet. This Sensory Mind model clarifies Plato's writings and the psychological models that were developed by Sigmund Freud and Carl Jung. The personality types tested by Myers-Briggs, which are based on the theories of Carl Jung, are consistent with the Sensory Mind. Major trends in human history have been about the growth of our collective left brain in the governance of human affairs and its interplay with our vision-based (non-verbal) right mind. Our human "advances" have largely resulted from development of our speech-based mind, but the essence and truth of life comes to us from our vision-based mind. Our earliest groupings and civilizations were largely governed by vision-based animal grouping models. These have evolved into newer civilizations and human groupings that include participation and/or leadership of our left brain "group-think." We are very familiar with the concept of Darwinian survival and its role in the evolution of Life. However, Darwinian survival is simply the strategy or tactic that governs the advancement of Life. What is it that drives Life to engage in the Darwinian struggle for survival? There IS a Life Drive that fuels evolution...what is it? The Life Drive permeates all of life and is the force that drives Darwinian evolution. It is theorized that Life is a previously unidentified parameter in Einstein's Theory of Relativity and that it exists at the conditions opposite to the Big Bang conditions. Most religious and belief systems, whether god-based such as Judaism, Christianity, or Islam, or spiritually-based such as Buddhism or Taoism, are oriented towards the ultimate truth that is Life. The first in the Heart of Stone series by New York Times and USA Today bestselling author K.M. Scott What would you give up for everything? Tristan Stone was powerful, commanding, sex incarnate. And he wore it all so well. From the moment his mesmerizing gaze met mine, I had no choice but surrender to everything he was. His power. His decadence. His passion. He was all I never knew I needed. He wanted to possess me, and I wanted to be his everything. All I had to do was accept what he offered. But everything has a price. The world he gave me fulfilled my wildest dreams, but would that be enough when the past crashed into the present?

Dying of Health Care

Dr. Delight

The Top 10 bestseller It's never too late to change... After a health scare, 77 year-old spinster Barbara goes to convalesce in the sleepy picture-perfect English country village of Winsley Green with her sister Pauline. The sisters are chalk and cheese - Barbara, outspoken and aloof and Pauline, good natured and homely - so it's not long before the tension starts to rise. When Pauline accidentally knocks down a vagrant called Bisto Mulligan, the ladies find themselves with another houseguest. As he recovers, it becomes apparent that Bisto is not who he first seemed and, as the sisters get to know the kind and courageous man he really is, it's clear Bisto could change both of their lives. As the spring turns to summer, and the English countryside comes to life, can the three friends make the changes they need to, to embrace fresh starts, new loves, new journeys and new horizons. Or do old habits die too hard? Funny, joyful and with a spring in its step that reminds you to live every day like it's your last. Nineteen-year old CeCe Mackenzie leaves Virginia for Nashville with not much more to her name than a guitar, a Walker Hound named Hank Junior and an old car she'd inherited from her grandma called Gertrude. But Gertrude ends up on the side of I-40 in flames, and Nashville has never seemed farther away. Help arrives in the form of two Georgia football players headed for the Nashville dream as well. When Holden Ashford and Thomas Franklin stop to offer CeCe and Hank Junior a ride, fate may just give a nod to serendipity and meant to be.

Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the 'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for

jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

Have you ever thought about what your life would be like if it revolved around you? Me First: A Deliciously Selfish Take on Life is an unapologetic and hilarious perspective on what it takes to get to the top and to live life on your own terms. Before making any big decision such as getting into a relationship or choosing a career path-you will start with the most important question: What do I want? The second question you will ask is: How does this decision, action, or choice benefit me directly? If it's not what you want or does not benefit you directly, don't do it. At the heart of Me First is the belief that YOU deserve to be happy and fulfilled. Its "Delish-isms" will show you how to become the number one priority in your life and become smarter and more strategic about your relationships, career, health, and finances. Every chapter also contains "Kick Starters" to help you get moving in the right direction. How selfish, right? Absolutely! A deliciously selfish life means taking a step back from the craziness to figure out who you are and what you want, and once you do, to own it. Because the only person holding you back from getting what you want is you.

The first time Flynn Long sees her, she's lying on a bed in lingerie. The picture is soft, just like her curves, and instantly he's obsessed. Cali Carr is at the end of her full-figure modeling career when she's hired for a new campaign. But when the owner of the company steps out of the shadows and starts calling the shots, a job is the last thing it feels like. Love at first sight isn't supposed to be real. One touch isn't supposed to ignite so much. A single picture isn't supposed to drive a man insane. But luckily for us it's happening in Curvy! Warning: Over the top isn't strong enough for what this short story is. It's velvety sweetness coated in insta-love cheese, and it's waiting for you to take a bite.

If you ever read "Rich dad poor dad" and "Think and Grow Rich" you would love to read "Think Big Grow Bigger." This book will help you to understand exactly your sequence of Actions that cause results. You'll enjoy in changing the sequence to gain better results. You'll enjoy to add some actions or delete that... you'll enjoy testing other sequences. The incredible fact is that you'll

have the chance to recognize and apply the sequence of wealthy people. The Stickies Strategy (r) is really powerful!!! What happen If you need some help? The Author, Riccardo Proetto, is here to help you with seminars, courses and coaching. He applied this theory for himself. In 2009 he lost everything. Something like some million euros, house... car.. everything. The problem: Even if he has frequented courses and seminars for himself, that is always a good thing, no one has explained to him how to avoid the same mistakes. He used a lot of strategies, listened a lot of guru... but what his was looking for was not the cure. He wanted the healing. He wanted to help people and himself to avoid mistakes, to accelerate the learning process, to recognize the actions sequence of everything: wealthy style, healthy style... The good news is that he found the solution and the funny thing is that everything is based on personal meanings. The result: the system is always applicable. If you'll have the opportunity to participate at one of his seminars you'll listen with your ears and you'll see with your eyes how is his story. Inside Of This Book You'll Discover The Results To These Shocking Tests: 80% of modern millionaires were able to get there on annual incomes of \$55,000 or less. Even meager savings eventually add up to thousands or millions of dollars.... A tale of forbidden romance, adventure, and unprecedented betrayal awaits you in *The Royal Rogue*. Let your heart pound to the rhythm of clashing swords and thundering hooves in this adrenaline fueled adventure. Set within the fabled city of Nevaharday, the story begins with Jaycent Connor, a reluctant prince who refuses to assume his father's title after a mysterious illness took his parents lives. The lords of the land couldn't sway the prince to ascend the throne and assume his rightful place as ruler. The harder they tried, the farther the prince seemed to drift into a realm of apathy and solitude. Then the

nightmares began. Terrible, brutal dreams that crossed the threshold into reality as the prince found himself waking up to the wounds he had sustained in his sleep. Rest became impossible as the life of Nevaharday's only heir teetered in the balance. Healers were baffled, their remedies useless. So Prince Connor took matters into his own hands. He sought the help of an outlawed band of horse folk known as "the gypsies." Particularly, a green eyed beauty named Levee Tensley. Together they unravel the truth. The prince was never ill. Neither were his parents. It all led back the magic and lies of an illusionist bent on seizing his kingdom and extinguishing the Connor line. However, the more they uncover, the more they wonder: can they stop him? Or are their efforts too little, too late? Whether you're a fantasy connoisseur, horse lover, or casual reader, Carlton's debut novel will have you enchanted from the first paragraph to the very last page. Her race of "horse folk" are original, charming, and so believable, they will pull you right into the story.

Today, the debate about our health care system is raging, but it often seems too complex or politically-driven for people to navigate. There has perhaps never been a better time to share with the American public a book that explains the state of our health care in an honest, comprehensive, and relatable way. *Dying of Health Care*, authored by a primary care physician with nearly 40 years of experience practicing in the U.S. and U.K., provides an easy-to-understand examination of the American health care system's major problems and potential solutions. Dr. Hanna explores the all-important question facing us today: why are Americans paying much more per person for health care than those in other developed nations, but getting much less in terms of quality? Approaching this painful paradox through a clinician's eyes, Dr. Hanna first makes a careful diagnosis and then prescribes an appropriate treatment to heal our ailing system. He shares real-life examples of patients and provides insights into the minds of doctors, including how their decisions influence the costs and outcomes of treatments. Ultimately, Dr. Hanna exposes how the system harms us - even sometimes kills us - both physically and financially, and he offers innovative solutions that can work to create the quality, affordable system we deserve. Take a 6000 mile American journey with Doo Doo, a golden-orange tomcat who is very lost. But not so lost he doesn't know what he wants more than anything- it's the same thing we all want-love and home.

Some days, all you need is a message from a stranger. Ruby Santos knew exactly what she was getting herself into when she signed up to write a soldier

overseas. The guidelines were simple: one letter or email a week for the length of his or her deployment. Care packages were optional. Been there, done that. She thought she knew what to expect. What she didn't count on was falling in love with the guy.

Parker O'Neill is a man with the world at his feet. Son of the CEO of O'Neill's International, he is ready to take over as head of the company, once his father retires in six months' time. However, Parker has earned himself the ultimate playboy reputation, and not everyone thinks he is ready to take control of the company that he was groomed for all his life. Given an ultimatum that he has to settle down if he wants to take over from his father; Parker decided the only way to solve his problem, is to pay someone to play the part of his dutiful wife. Alice Whitman is a hard working girl, with a kind heart. Raised by her grandmother after losing her parents, she knows what its like to lose everything. Sophia, Alice's grandmother, is getting older and growing weaker by the day. Alice is the only one Sophia has, so it falls to her to do whatever it takes to help her beloved Gram. When Parker makes Alice an offer he thinks she can't refuse, he is stunned to find that money doesn't always mean you get your own way. However, Alice soon realises Parker might be the one person that can help her when she needs it most. Can they make their arrangement work without anyone finding out the truth, or will this thing between them turn into something neither of them expected it to be?

Yoga therapy holds the key to effectively addressing stress and lifestyle diseases.

Conventional medicine is useful for alleviating symptoms, but yoga therapy that is grounded in traditional theory identifies and addresses causes deeper than the physical body. Yoga therapy practices build resistance to stress and increase resilience. Kazuo Keishin Kimura is a Raja Yoga Acharya who has devoted himself to making traditional yogic wisdom accessible in Japan. With this English translation of his book, he hopes to contribute internationally to yoga therapy's development as a respected modality. In this book, Kimura points out how traditional yoga theory is missing from modern-day yoga instruction. He then explains traditional yoga's view of the mind-body complex as five koshas (sheaths), each with specific functions and attributes. Just as medical doctors examine patients before deciding on treatment, yoga therapists must obtain informed consent and assess the conditions of all koshas. Understanding yoga's horse-drawn chariot metaphor for human structure and function is also helpful to see beyond symptoms and to identify root causes of disease. Kimura skillfully guides readers to understand these two theories of human structure and function, and illustrates how they can be incorporated into both yoga therapy assessment and practice.

Michael Dante played the title role in *Winterhawk* (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their

railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.

Having a little sister isn't always a picnic. Older sisters may feel jealous of the time taken away from them, the toys they have to share, and the attention focused on the youngest member of their family. Getting along is often a day-to-day battle, but what can parents do to make this situation easier and to help children realize how special it is to have a sister? In *Spice & Little Sugar*, the delightful new children's book about sibling rivalry, authors Megan Waldrep and Melissa Nelson show big sisters the big benefits, responsibilities, and absolute joys of their role. Told in a whimsical rhyme that children will love to read aloud, *Spice & Little Sugar* first humorously relates all the ways Little Sugar gets on Spice's nerves, from grabbing her favorite toys to sticking to her like glue when Spice wants to be left alone. But gradually Spice comes to realize that Little Sugar does have her good points, including sticking up for her when she gets in trouble with their parents and saving the day with her cute face. Parents will love the warm, gentle lessons the book teaches about understanding how positives can outweigh negatives, and kids will laugh at the playful illustrations and funny story. The perfect book for siblings, *Spice & Little Sugar* can be read and enjoyed by the whole family, time and time again. Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Staring a silly big bad Siberian Husky, the cleverest Guinea Pig this side of a hard hat, and famous London city landmarks, this version of the Three Little Pigs turns the classic children's story into a hilarious tale of London pride!
