two main categories of porcelain dolls modern and antique. Modern dolls are those sculpted by modern artists. Antique dolls are those that were first introduced and sold either more than fifty years ago or, by some definitions, more than one hundred years ago. Actual antique dolls can be purchased for enjoyment and

possibly to use as models for the making of reproductions. Excellent reproductions of the antique dolls can be made by modern-day artists. Modern dolls are those sculpted by current-day sculptors. Modern dolls can be painted and dressed in any way the doll artisan prefers. They can have painted eyes, or the holes can be cut

patterns and colors as they were initially done on the specific dolls. This means reproducing the eyes with the same number of lashes that the artists painted on the antique dolls, the same slant and the same spacing. Dressing the antique reproductions poses another challenge as the dolls should be dressed in a period
