

Dont Be Deceived

In *Be Not Deceived*, Michelle Wolkomir explores the difficult dilemma that gay Christians face in their attempts to reconcile their religious and sexual identities. She introduces the ideologies and practices of two alternative and competing ministries that offer solutions for Christians who experience homosexual desire. Through careful analysis of the groups' ideologies, interactions, and symbolic resources, *Be Not Deceived* goes far beyond the obvious differences between the ministries to uncover their similarities, namely that both continue to define heterosexuality as the normative

and dominant lifestyle. Jesus made clear statements within the gospels that leading up to His return many will be deceived by false teachers who will present a different gospel to which was given to the Early Church. In this book Russell gives a chronological historical view of the antichrist spirit that has obscured the original understanding of Scripture. The Ante-Nicene Fathers' writings of the first 300 years of Church history have been deliberately suppressed to bolster political factions within the Church; many of the answers to denominational theological questions can be resolved in the study of the Ante-Nicene Fathers and their connection to the Disciples of

Christ. They would have dealings with the Gnostic plague that would infect all denominations of the Christian faith and other world religions, many of the issues the Church is facing today are warning signs that were talked about by Jesus and the Early Church. Subjects include: Satan's chronology of deception, Divine Kingship, Infiltration of Greek Philosophy, Gnosticism, Pseudo writers, False eschatologies, Replacement theology, Spiritual elitism, Church liberalism, Cultism, Darwinism, Communism, Nazism, Capitalism and the building of a Gnostic Social World Order. Russell Jones is a Biblical apologist, having served 5 years as the State Co-ordinator of

'Answers in Genesis' (now known as C.M.I. Creation Ministries International) in Perth, Western Australia. He has a strong interest in Science and history, especially the question to the why, how and where the origin of various beliefs come from and who's telling the truth? This has also led him to the question why the Church today is so divided when the Bible is supposed to be their authority and reference map to God's plan to restore His fallen creation. Russell has found that many of the answers to denominational differences can be found within the suppressed writings of the Ante-Nicene Fathers, who were the first Biblical apologists and defenders of Christ's teaching of the first

three hundred years.

Paul Washer escorts readers through a biblical overview of the good news about Jesus.

Presenting passage after passage from the Bible, Washer describes the holy character of God, the human problem of sin, and the divine solution found in Jesus's redemptive life, death, and resurrection for all who repent and believe. If you are interested in knowing the basic claims of the gospel or know someone exploring the truths of Christ, this succinct treatment of the greatest news the world has ever heard is just what you need. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions,

grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

THE INCREDIBLE DISCOVERY THAT THE BOOK OF REVELATION HAS BEEN A MONSTROUS DECEPTION WHICH HAS FOOLED CHRISTIANS FOR ALMOST 2000 YEARS *The Apocalypse, also known as the Book of Revelation is the last book of the New Testament. It begins with these words: "The Revelation of Jesus Christ, which God gave unto him, to show unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John: Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw." through an unnamed angel, they are part of a monstrous deception that has plagued Christianity ever since they were first penned. Furthermore, contrary to popular belief, the Apocalypse was not written by John the Apostle, the son of Zebedee nor is it. Who then wrote the Apocalypse? He is the same person that John the Elder confronted in the Roman Baths of Ephesus and called "the enemy of the Truth." If as I will show, that the Book of Revelation was written by this person, then clearly, he is an enemy of the Truth, the Apocalypse cannot be included the Christian Canon of the New Testament This book expands upon the scholarly work, "The Apocalypse" written by R.H. eschatology and apocrypha. Now take heed of a prophecy that Jesus made about a future time after his crucifixion. "Watch out that you are not deceived. For many will come in my name, claiming, 'I am he, ' and, 'The time is near.' Do not follow them." (Luke 21:8) Do not follow anyone who says "the time is near" Jesus says. Do not be deceived he says. Yet this is exactly what the writer of the Apocalypse says. "Do not seal up the words of the prophecy of this scroll, because the time is near." (Revelation 22:10) As a Christian, as long as you adhere to the words of Jesus and the Apostles recorded in the Gospels and the other writings of the New Testament, then the council of John the Elder, the disciple that Jesus loved and the author of the Fourth Gospel, will serve you well. "So He said to the Jews who

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his

comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Beware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Avoiding the Hidden Dangers

In this humorous and perceptive exchange

between two devils, C. S. Lewis delves into

moral questions about good vs. evil,

temptation, repentance, and grace.

Through this wonderful tale, the reader

emerges with a better understanding of

what it means to live a faithful life. On June 6, 1944, two million allied troops invaded five beaches on the coast of Normandy, France to ultimately defeat Nazi Germany in WWII. It was a massive invasion force. Likewise, there has been a massive invasion force of demons into our world that is millions of times larger than the force at Normandy. They invaded thousands of years ago and have spanned the globe to infiltrate every place that humans exist and live. They have doomed untold billions to hell for all eternity through their deceptions. How have they done this? You may be shocked and surprised at the answers. Don't be deceived!

Nicole has been tattered and torn. Growing up in a privileged and sheltered Christian home cannot be easy; she took things at face value, never digging beneath the surface. This led her into an

abusive marriage that she ended up running away from with her children. While running, she meets a suave, debonair Dominos, with a secret of his own. She turned away from God for just a minute, and everything went chaotic. Ask yourself, are these two relationships the end of her? Can she find her way back to Christ? How do these relationships affect the life of her children?

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know

something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. One of the century's respected theologians reveals the elegant and meticulous analyses of two of the most important and least understood religious concepts--the fall from grace and the nature of evil. Reprint. No one on the planet can deny the Physical Signs of the Era in which we live. We see them every day on television, the internet or in newspapers. But, the Real Signs are "unseen" and are Spiritual in nature. In the King James Bible, Deception is not only mentioned four times in Matthew chapter twenty-four,

but Jesus mentions it first among the signs of the end. Certainly it must be among the most significant and perhaps the most powerful sign before His return. We will discover this in great detail as we study the Bible together.
