

Dont Call Me Fake The Real Story Of Dr D David Schultz

How far would you go to protect the people you love? With the joy of leaving Undraland behind, the anticipation of returning back to the Other Side, where Lucy is most familiar, has everyone in high spirits. Soon she realizes that there will be no white picket fence, no home, and no life until the final portal to the Land of Be is destroyed. Pesta uses every tool at her disposal to claw at Lucy, stopping at nothing to take down the one girl who's managed to escape her clutches time and time again. Lucy Kincaid sheds her pacifist ideals once and for all as she fights for the people she loves, destroying the remnants of hope for a happy future in the process. The Other Side is book five in a nine-part fantasy romance series written by USA Today Bestselling Author Mary E. Twomey. Invisible Child

A Puffin Island Novel

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

No Marketing Blurb

Weddings are big business in picturesque Sweetheart, California, and Something Borrowed’s rent-a-bridesmaid service is thriving among the Hollywood elite. For the women who work there, a walk down the aisle is just a paycheck—until the right guy makes it priceless . . . RULE #1: GROOMSMEN ARE STRICTLY OFF LIMITS Marley Stevenson never imagined her stint as a rented Maid of Honor would practically become a career. Then again, nothing in her life has gone according to plan. At least the money’s good—and she needs it to pay off student loans and help out her mom. But the job has rules, which have never been an issue . . . until one encounter with a gorgeous best man—and his swoon-worthy Southern

accent—sends Marley reeling. Determined to get through the weekend with her professional reputation intact, Marley grits her teeth and sends out her best “unavailable” vibes, but Luke Jessup doesn’t give up that easy. A former Marine and a current SWAT team officer, his focus is legendary—and it’s on Marley. Jeopardizing her job is bad enough, and starting a relationship based on half-truths is worse—yet Marley is beginning to wonder if certain risks are worth taking, especially in the name of true love . . . “Flirty, fun, and fabulous!” —Bestselling author Candis Terry “Fun, lighthearted, and full of emotion. You can't help but smile while reading Cody Gary.” —K.M. Jackson, author of Insert Groom Here “Codi Gary is the queen of romance. She'll make you fall head over heels.” —T.J. Kline, author of the Healing Harts series

Piper Winslow's life comes to a screeching halt when her mother is arrested for kidnapping her as an infant. With her mom in jail and her real family about to reclaim her as Greta, her birth name, what can she do? Run, of course. Escaping close calls and dominating headlines while eluding authorities, Piper and an unlikely passenger are on a harrowing adventure. Piper's birth parents are not far behind. She is discovered and returned to her real family but not everyone is happy to see her. As Piper struggles to cope in her new life, she hits one obstacle after another. This family that appears so perfect on the outside harbors secrets.

A NATIONAL BESTSELLER * A NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE *

A WASHINGTON POST BEST BOOK OF THE YEAR "An invigorating work, deadly precise in its skewering of people, places and things . . . Stylish, despairing and very funny, Fake Accounts . . . adroitly maps the dwindling gap between the individual and the world." —Katie Kitamura, The New York Times Book Review A woman in a tailspin discovers that her boyfriend is an anonymous online conspiracy theorist in this “absolutely brilliant take on the bizarre and despicable ways the internet has warped our perception of reality” (Elle, One of the Most Anticipated Books of the Year). On the eve of Donald Trump's inauguration, a young woman snoops through her boyfriend's phone and makes a startling discovery: he's an anonymous internet conspiracy theorist, and a popular one at that. Already fluent in internet fakery, irony, and outrage, she's not exactly shocked by the revelation. Actually, she's relieved--he was always a little distant--and she plots to end their floundering relationship while on a trip to the Women's March in DC. But this is only the first in a series of bizarre twists that expose a world whose truths are shaped by online lies. Suddenly left with no reason to stay in New York and increasingly alienated from her friends and colleagues, our unnamed narrator flees to Berlin, embarking on her own cycles of manipulation in the deceptive spaces of her daily life, from dating apps to expat meetups, open-plan offices to bureaucratic waiting rooms. She begins to think she can't trust anyone--shouldn't the feeling be mutual? Narrated with seductive confidence and subversive wit, Fake Accounts challenges the way current conversations about the self and community, delusions and gaslighting, and fiction and reality play out in the internet age.

Perfect for fans of Jennifer E. Smith and Huntley Fitzpatrick, Don't Call Me Baby is a

sharply observed and charming story about mothers and daughters, best friends and first crushes, and our online selves and the truth you can only see in real life. All her life, Imogene has been known as the girl on that blog. Imogene's mother has been writing an incredibly embarrassing, and incredibly popular, blog about her since before she was born. The thing is, Imogene is fifteen now, and her mother is still blogging about her. In gruesome detail. When a mandatory school project compels Imogene to start her own blog, Imogene is reluctant to expose even more of her life online . . . until she realizes that the project is the opportunity she's been waiting for to define herself for the first time.

This biography tells the true story of one of history's forgotten women, a Englishwoman named Alice Seeley Harris who has also been called the Mother of Human Rights. She has been hidden by her husband's shadow since she started her African journey near the end of the Victorian era, but now her story is brought to light by author Judy Pollard Smith in *Don't Call Me Lady: The Journey of Lady Alice Seeley Harris*. Armed with her Bible, zeal, and a camera, Harris arrived in the steaming African jungle of Congo and documented the worst atrocities known to humanity. She captured enough evidence on her glass lantern slides to bring down the Belgian King Leopold, who ruled the colony of the Congo Free State. In this biography, Smith uses imagined conversations based on in-depth research to tell Harris's story of her work. She also provides questions that allow her book to be used in classes or discussion groups. The world gave credit to the men in this story, but Smith provides evidence that it was the young, English missionary and photographer whose bravery truly changed history. *She Said* is a collection of poems about life and the ups and downs we face daily.

NEW YORK TIMES BESTSELLER ONE OF TIME'S 100 BEST BOOKS OF THE YEAR *Sex and the City* meets *Bad Blood* and *Catch Me if You Can* in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former *Vanity Fair* photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at *Le Coucou*, infrared sauna sessions at *HigherDOSE*, drinks at the *11 Howard Library* bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-

expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of "glamour, greed, lust for power" (The New York Times), and female friendship.

I would like to dedicate the book to the memory of Allison Miller Ferguson and Bryant Ferguson II. I would like to thank My Lovely Wife Latoya Ferguson, My mother Mae Ferguson, My sisters Karon Hall and Janet Ferguson, My Neice Aisha Ferguson and Henry Chancellor. My Daughters Jazmine and Janyah. My best Friend Lee Bostic his wife Felica Bostic and Scott Williams.

A young woman leaves Appalachia for life as a classical musician—or so she thinks. When aspiring violinist Jessica Chiccehitto Hindman lands a job with a professional ensemble in New York City, she imagines she has achieved her lifelong dream. But the ensemble proves to be a sham. When the group "performs," the microphones are never on. Instead, the music blares from a CD. The mastermind behind this scheme is a peculiar and mysterious figure known as The Composer, who is gaslighting his audiences with music that sounds suspiciously like the Titanic movie soundtrack. On tour with his chaotic ensemble, Hindman spirals into crises of identity and disillusionment as she "plays" for audiences genuinely moved by the performance, unable to differentiate real from fake. *Sounds Like Titanic* is a surreal, often hilarious coming-of-age story. Hindman writes with precise, candid prose and sharp insight into ambition and gender, especially when it comes to the difficulties young women face in a world that views them as silly, shallow, and stupid. As the story swells to a crescendo, it gives voice to the anxieties and illusions of a generation of women, and reveals the failed promises of a nation that takes comfort in false realities.

I used to fly fighter planes for Uncle Sam's misguided children (that's the USMC for any of y'all uninitiated). Now I fly for civilian airlines—lots less exciting but lots more pay and, for the most part, lots less danger. That is until somebody confused me with somebody else . . . somebody who could give a damn. Then again, confusion adds an addicting quality when the addition of others adds up to a whole damn mess. Oh, and did I forget to mention that "unleashing the four horsemen of the apocalypse" thing? How they ain't coming for dinner!

In Too Deep by New York Times bestselling author Lori Foster Private investigator Harry Lonnigan isn't fooled by Charlie Jones's boyish disguise. He knows she's all woman. And if she isn't careful, she'll blow his cover and get herself hurt in the process. But can Harry be Charlie's hero and still keep his secrets? Or has the irresistible woman already pulled him in too deep? One Enchanted Moment by USA TODAY bestselling author Sarah Morgan Life has just thrown Skylar Tempest a serious curveball. So she's returned home to Puffin Island to regroup among friends. Unfortunately, that means seeing Alec Hunter, who's become a big-deal TV historian. Sky's never liked the cynical Alec, and the feeling was mutual. But maybe that was then. And this is now... I shoot war zones, not nuptials. But when my ex-wife lands a starring role in the wedding of the year, it's tempting to change things up a bit. Who's better than me to follow her around before and during the big day, capturing every picturesque moment, snapping every detail as they join together in wedlock? No one. Not to mention, she still owes me for destroying my prized vintage camera during our divorce. As the saying goes, revenge is a dish best served cold.

Chicago in the '60s was a hard place to be for young Tony Tormenti. Racial strife, political corruption, and changing social values have torn apart his world. He is assaulted by conflicting messages from his Catholic school, his damaged drunken father, and the black spot he acknowledges stains his soul.

"Pastaman" is a coming-of-age story reverberating in the rhythms of a great city in turmoil, reflected through the characters living in Tony's south side Italian

Koala is NOT a bear! (Or is he?) Find out why Koala is so mad in this new, irresistibly funny picture book from Aaron Blabey, the bestselling creator of Pig the Pug! "G'day, my name is Warren and I've got something to share... Just because I'm furry DOESN'T MEAN THAT I'M A BEAR." Koala is sick of being called the wrong thing. Koalas are NOT bears, and it is time that everyone knows it! Follow this feisty little koala as he explains why he is certainly NOT a bear (and why no one ever seems to believe him). Rich with author-illustrator Aaron Blabey's hysterical text and unforgettably wacky illustrations -- plus nonfiction facts woven throughout -- Don't Call Me Bear! is a hilarious story about making sure everyone knows exactly who you are!

Don't Call Me Angel By: Natalie M. Monet Don't Call Me Angel started one night as the author was writing in her journal. She was moved to expose Satan and how he plays his games. She wishes for the world to see the true face of Satan and how he works in an individual's life to pull them into darkness and control them. I am saying I am Angel of God and that I want to see how Satan is working in your life. The night Natalie finished her

book, Saint Michael was standing at the end of her bed, guarding her. She told him, you don't have to babysit me, I'm fine. Her entire bed was shaking and she shouted out, "Knock it Off"! It was the Angels telling Michael and her that God wants to acknowledge her and her book. She found herself standing before God. He was the size of the tallest building you ever seen. He placed one finger on her head, for her to bow. A crown was placed on her head. She found herself back in room. She wanted to ask her Father a question. She was then standing next to his ear. She asked him a question in a whisper. He just laughed and said yes. But suddenly found herself in Heaven, standing before God. He placed a finger on her head and pushed her down to bow before Him. She felt a crown placed on her head. She was back in her room and wanted to ask her Father a question. Then she was next to His ear, asked the question, and He just laughed and said "yes."

Faking it till you make it doesn't work—at least, not long enough to build a sustainable business. This book by a CEO and public relations expert shows how authentic leadership eliminates the need for short-cuts that sabotage success. Self-doubt and the intense pressure of facing the unknown are real problems for entrepreneurs and leaders. But there's a difference between feigning confidence and running a con game; Elizabeth Holmes and Billy McFarland thrived on faking it for a short while, but their businesses were all aspiration, no foundation, and so collapsed disastrously. This book revisits the core of leadership, defines authentic, reality-based business integrity, and shows readers how to attain and maintain it. Through the double lens of running her own PR firm in Silicon Valley and advising hundreds of other executives, award-winning CEO Sabrina Horn shows leaders how to attend to the fundamentals and gain the clarity of thought necessary to make sound business decisions. She delivers real, workable strategies and best practices with firsthand accounts of painful lessons. Horn's fake-free advice will empower leaders to disarm fear and organize risk, manage setbacks, plan for the unexpected, and create a company culture designed for long-term, sustainable growth.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

My Friend Anna

The True Story of a Fake Heiress

Tito Santana

Don't Call Me Chico

"He's just a bleeder," they said. "He can't wrestle. All he can do is bleed!" Mad Man Pondo never argued when people called him "just a bleeder." He knows who he is, and he's embraced it. He knows that his high tolerance for pain, his fearless nature, and his talent for bleeding are the reason he's wrestled all around the world, starred in three video games, appeared in a horror film with one of his great heroes, befriended celebrities from the A-list to the D-list, and become a legend to deathmatch wrestling fans

everywhere. Now, Mad Man Pondo is telling his story his way. He takes you from his early days as a wrestling fan in Flora, Illinois who accidentally got his butt kicked by Jos LeDuc to his glory days as a headliner for Big Japan. You'll read about in-ring encounters with Junkyard Dog, Terry Funk, and Kevin Sullivan; real life run-ins with David Blaine and Benny Hinn; and unexpected confrontations outside the ring with crazed fans and the Yakuza. You'll learn how his small cable access show Skull Talk led him to become a casting agent for Jerry Springer and how a deathmatch legend gets to rub shoulders with the likes of MC Hammer, Jonny Fairplay, Mick Foley, Eli Roth, and Robert Englund. Pondo shares stories about his most legendary deathmatch encounters and the inspirational story behind his all-women's promotion, Girl Fight. And you'll read his unforgettable speech from the Juggalo March on Washington D.C. at the Lincoln Memorial where Forrest Gump once cried out, "Jenny!!!" With a foreword by Vanilla Ice (yes, THE Vanilla Ice!), dozens of must-see photos, and countless stories from friends, fans, and fellow grapplers, *Memoirs of a Mad Man* is an all-out extreme autobiography as graphic and over the top as a *Four Corners of Pain Deathmatch*.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm

way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Melbourne, the late 1940s. A young conservative Australian poet named Christopher Chubb decides to teach his country a lesson about pretension and authenticity. Choosing as his target the most avant-garde of the literary magazines, he submits for publication the entire oeuvre of one Bob McCorkle, a working-class poet of raw power and sexual frankness, conveniently dead at twenty-four and entirely the product of Chubb's imagination. Not only does the magazine fall for the hoax, but the local authorities also sue its editor for publishing obscenity. At the trial someone uncannily resembling the faked photograph of the invented McCorkle, leaps to his feet. At this moment a horrified Chubb is confronted by the malevolent being he has himself manufactured...

The protagonist of this novel, Ya Rose, quit her job in her native country and travelled to the United Kingdom to seek greener pastures. There, she found life extremely hard contrary to her expectations. Consequently, she resorted to luring men into relationships with the aim of manoeuvring her way out of the awkward situation in which she found herself, as can be seen in the excerpts below: 'I will be saying pleasant things to you and giving you good things to make you feel comfortable and happy if you marry me. I will transform you into a very young boy.' 'I believe you can make me happy, but I wonder how you can turn an old man into a young lad. Do you have magical powers to do that?'

Fake

Don't Call Me Brother

Alison's ordinary teenage problems suddenly become overshadowed by the discovery that she has diabetes. Grades 5-8.

"Dave has always been my friend, and he has always been one of my heroes too. He could walk that walk and talk that talk. David Schultz was a man's man. As fearless as he was dangerous, yet one of the most honorable wrestlers the wrestling business ever knew." - Bret "Hitman" Hart, Two-time WWE Hall of Famer Ask anyone who watched wrestling in the early 80s who the most dangerous man in wrestling was and they will tell you it was Dr. D. Trained by Herb Welch, the Tennessee native terrorized fans in Tennessee, Memphis, Florida, Calgary, Japan and Minnesota before being recruited into the WWF at the request of Hulk Hogan. Dr. D was a singles and tag team champion for multiple promotions, and he faced some of the most dangerous men in the business:

Antonio Inoki, Abdullah the Butcher, Bruiser Brody, and Johnny Rodz. Yet he is remembered to this day for taking down a very different opponent: ABC reporter John Stossel, who dared to utter the words, "I think this is fake." While the Stossel incident precipitated the end of his wrestling career, but it's hardly the end of the story. Dr. D turned babyface in real life, finding an even greater calling as a professional bounty hunter. Working out of Connecticut, Dr. D traveled the world and brought back hundreds of "skips" who had fled from justice. Dr. D tracked fugitives from New York to California to Puerto Rico and even Egypt with a 100% capture rate. If he couldn't coax you into coming back of your own free will, he still possessed the skills taught by Herb Welch that could turn even the biggest thug into a crybaby. Call him a wrestler. Call him a bounty hunter. Just don't call him fake! Dr. D David Schultz is the real deal, a hero in the wrestling locker room who became an even greater hero in his post wrestling career, clearing the streets of dangerous men and women with his Southern charm and a shooter's grip.

"Olmsted makes you insanely hungry and steaming mad--a must-read for anyone who cares deeply about the safety of our food and the welfare of our planet." -Steven Raichlen, author of the Barbecue! Bible series "The world is full of delicious, lovingly crafted foods that embody the terrain, weather, and culture of their origins. Unfortunately, it's also full of brazen impostors. In this entertaining and important book, Olmsted helps us fall in love with the real stuff and steer clear of the fraudsters." -Kirk Kardashian, author of Milk Money: Cash, Cows, and the Death of the American Dairy Farm You've seen the headlines: Parmesan cheese made from wood pulp. Lobster rolls containing no lobster at all. Extra-virgin olive oil that isn't. So many fake foods are in our supermarkets, our restaurants, and our kitchen cabinets that it's hard to know what we're eating anymore. In Real Food / Fake Food, award-winning journalist Larry Olmsted convinces us why real food matters and empowers consumers to make smarter choices. Olmsted brings readers into the unregulated food industry, revealing the shocking deception that extends from high-end foods like olive oil, wine, and Kobe beef to everyday staples such as coffee, honey, juice, and cheese. It's a massive bait and switch in which counterfeiting is rampant and in which the

consumer ultimately pays the price. But Olmsted does more than show us what foods to avoid. A bona fide gourmand, he travels to the sources of the real stuff to help us recognize what to look for, eat, and savor: genuine Parmigiano-Reggiano from Italy, fresh-caught grouper from Florida, authentic port from Portugal. Real foods that are grown, raised, produced, and prepared with care by masters of their craft. Part cautionary tale, part culinary crusade, *Real Food / Fake Food* is addictively readable, mouthwateringly enjoyable, and utterly relevant.

You may have cheered him. You may have booed him out of the building. But until now, you've never really known "The Most Dangerous Man in Wrestling." For the first time, Jerome "New Jack" Young opens up about his rise to stardom in Extreme Championship Wrestling. From his crazed dives off balconies and scaffolds to his bloody weapons matches that trampled the line between reality and entertainment, this candid memoir reveals the man behind the infamy, with new disclosures about the Mass Transit incident, the brutal beat-down of Gypsy Joe, and the stabbing of a fellow wrestler in Florida. Beyond the gimmicks that united white supremacists and the NAACP against him, New Jack discusses his violent youth that nearly led him to a life of crime, his career as a bounty hunter, a near-fatal drug addiction, the last months of ECW, and his place in wrestling history.

Don't Call Me Angel

Tito Santana's new in-depth autobiography, *Chico*, will bring you everything you ever wanted in a wrestling autobiography about wrestling's most famous golden age Latino wrestler. This book will cover the man who Minnesota's Governor Jesse Ventura called "Chico Santana," with a comprehensive & historical look at his life in and out of the ring.

It was the perfect plan. I needed a wife--temporarily--in order to inherit the family business. And she needed a favor--the kind that takes nine months to deliver. We had it all worked out, from the no-touching policy on our wedding night (her rule) to the no-falling-in-love decree (mine). She'd marry me, I'd give her the means to have the baby she'd always wanted, and one year later we'd amicably part ways with no hassle, no demands, and certainly no regrets. After all, Bianca DeRossi and I are experts at infuriating one another--we've been doing it since we were kids. Trouble is, she grew up gorgeous and

feisty, and she still knows exactly how to get under my skin. And that wedding night? Well, it doesn't exactly go down hands-free. Then she moves in with me, and I really start to lose my mind. From her sexy little pout to her wicked sense of humor to those meatball sandwiches she makes just because she knows they're my favorite . . . I find myself wanting to break every rule we put in place. Our story was never supposed to end with happily ever after. But call me crazy, I just might be in love with my wife.

This book is not pleasant. Nor is it simple, relaxing, easy, or fun. Because life with mental illness is none of those things. It is painful, complex, and challenging. But it's also other things. Inspiring. Beautiful. Meaningful. And most of all, important. Life in those experiencing mental illness is important. For all of us. There are hundreds of books on mental illness. The super optimistic ones that totally lie about everything. The ones that read like a medical undergrad's essay. Ones that claim to teach the catch-all, miraculous cure based only on what you believe. The book in your hands is none of those. This is the story of life with mental illness. No holds barred. No sugar coating. No fluff. No crazy-sounding fake solutions. Just the world through the eyes of someone living with mental illness.

Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. FAKE is book 3 of 4 in the MADISON KATE series.

The blurb below will contain spoilers for previous books, and I urge you not to read it until you've finished both HATE and LIAR. "You'll always be mine." The latest taunt from my stalker reminded me I was nothing more than a possession to my father, to the Reapers, to Archer D'Ath. Even to Kody and Steele. Princess Danvers-the prize. His wife. Archer D'Ath's wife. I hated them. They lied to me. Over and over again. I knew they lied and I hated myself for letting it happen. For believing in the fake relationships I had wanted so desperately to be real. Fake. It was all fucking fake. My stalker isn't letting me go. None of them are. Archer and his boys think they control me. My stalker wants to possess me. I'm not an idiot, I know my newest allies are using me, too. That's fine. I'll use all of them. I'll use them to take back what's mine. My life. My freedom. My name. No one owns Madison Kate Danvers.

The Real Story of Dr. D David Schultz

Ask a Manager

How organizations can foster diversity, equity, and inclusion: taking action to address and prevent workplace bias while centering women of color. Few would disagree that inclusion is both the right thing to do and good for business. Then why are we so terrible at it? If we believe in the morality and the profitability of including people of diverse and underestimated backgrounds in the workplace, why don't we do it? Because, explains Ruchika Tulshyan in this eye-opening book, we don't realize that inclusion takes awareness, intention, and regular practice. Inclusion doesn't just happen; we have to work at it. Tulshyan presents inclusion best practices, showing how leaders and

organizations can meaningfully promote inclusion and diversity. Tulshyan centers the workplace experience of women of color, who are subject to both gender and racial bias. It is at the intersection of gender and race, she shows, that we discover the kind of inclusion policies that benefit all. Tulshyan debunks the idea of the “level playing field” and explains how leaders and organizations can use their privilege for good by identifying and exposing bias, knowing that they typically have less to lose in speaking up than a woman of color does. She explains why “leaning in” doesn’t work—and dismantling structural bias does; warns against hiring for “culture fit,” arguing for “culture add” instead; and emphasizes the importance of psychological safety in the workplace—you need to know that your organization has your back. With this important book, Tulshyan shows us how we can make progress toward inclusion and diversity—and we must start now.

From acclaimed author Donna Cooner comes this gripping and timely story about identity, revenge, and the lies -- and truths -- we tell online.
