Be curious...Be adventurous...Be brave...BE YOU! Discover a joyful reminder of the ways that every child is unique and special, from the beloved creator of The Dot, Happy Dreamer, and New York Times bestseller, The Word Collector. Here, Reynolds reminds readers to "be your own work of art." To be patient, persistent, and true. Because there is one, and only one, YOU. In the tradition of books like Oh, the Places You'll Go! and I Wish You More comes a wholly original, inspirational celebration of individuality as only Peter H. Reynolds can create!

This is an unflinching and hilarious look at a child's potential for mischief. In a plain palette, with childishly elemental line drawings, Willems has captured the essence of unreasonableness in the very young.

Do you have what it takes to succeed in any situation? According to a retired commander who ran training for Navy SEALs, true optimal performance goes beyond just skill. It's all about THE ATTRIBUTES. “Diviney’s incredible book explains why some people thrive—even when things get hard.”—Charles Duhigg, New York Times bestselling author of The Power of Habit During his twenty years as a Navy officer and SEAL, Rich Diviney was intimately involved in a specialized SEAL selection process, which whittled a group of hundreds of extraordinary candidates down to a handful of the most elite performers. Diviney was often surprised by which candidates washed out and which succeeded. Some could have all the right skills and still fail, while others he might have initially dismissed would prove to be top performers. The seemingly objective criteria weren’t telling him what he most needed to know: Who would succeed in one of the world’s toughest military assignments? It is similarly hard to predict success in the real world. It happens often enough that underdog students accomplish exceptional achievements while highly skilled, motivated employees fail to meet expectations. Dark-horse companies pull away from the pack while dream teams flush with talent and capital go under. In working with and selecting top special operators for decades, Diviney saw that beneath obvious skills are hidden drivers of performance, surprising core attributes—including cunning, adaptability, courage, even narcissism—that determine how resilient or perseverant we are, how situationally aware and how conscientious. These attributes explain how we perform as individuals and as part of a team. The same methodology that Diviney used in the military can be applied by anyone in their personal and professional lives, and understanding these attributes can allow readers and their teams to perform optimally, at any time, in any situation. Diviney defines the core attributes in fresh and practical ways and shares stories from the military, business, sports, relationships, and even parenting to show how understanding your own attributes and those of the people around you can create optimal performance in all areas of your life.

At recess, he threw sand and chased little kids. Jamaica certainly wasn't sorry to learn that Russell was going to move away. She didn't even want to make a card for him, the way the others in her class were doing. But then something happened to change her mind . . .

Contemplations on Pidgin Culture

Have you ever been REALLY mad at your best friend? * "This well-crafted story is an excellent choice for those seeking books featuring conflict-resolution." -- Booklist, starred reviewIn two little houses,on two little hills,lived two best friends..So begins the story of Rita and Ralph. Every day they meet to play beneath the apple tree. It's always fun and games -- until one roundly rotten day when a new game means someone ends up crying. Who knew it could be so hard to say "I'm sorry?"Just when it seems nothing will ever be right again, a surprising thing happens. The old friends try something new, that isn't new at all. Something they've done a hundred times...Carmen Agra Deedy's brilliant storytelling combined with Pete Oswald's spirited illustrations make for a comforting tale of healing and true friendship.

Young readers first met the Pigeon, a beleaguered bird desperate for a shot behind the wheel of a bus, in 2003. Don't Let the Pigeon Drive the Bus! went on to sell millions of copies, receive a Caldecott Honor, and spawn additional picture books, apps, games, and even silly bands. But did you know the Pigeon was born many years earlier in the pages of a sketchbook? In Don't Pigeonhole Me! Two Decades of the Mo Willems Sketchbook, readers are given a rare glimpse into the mind of the man the New York Times described as "The biggest new talent to emerge thus far in the '00s." Since he was a teenager, Mo has been creating characters and scribbling ideas in the pages of sketchbooks. In the early 1990s, he started self-publishing collections of his drawings, and The Mo Willems Sketchbook was created. What began as a calling card for his work has morphed over the years from a form of therapy, to an opportunity to explore and experiment, to a gift for friends and loved ones. But these sketchbooks have always been (and continue to be) the well from which Mo draws ideas and inspiration. Featuring a foreword by Eric Carle and an introduction by Mo, this volume includes all twenty sketchbooks from the last two decades. Don't Pigeonhole Me! reveals the author/illustrator at his most truthful, most experimental, most grown-up. Most Mo. Want to know where ideas come from? Look inside.

A friendly little caterpillar inches his way along, watching the insects, ants, toads, beetles, and rabbits that are busy in the tall grass.

The differences between cats and dogs have never been funnier! In this hilarious story from the illustrator of I Don't Want to Be a Frog, a little girl really, really wants a dog . . . but gets a cat instead! "Look what I got for my birthday! A pet dog!" says a little girl holding a . . . cat? Rocky doesn't listen or obey like all the other dogs. (Because Rocky is a cat.) And Rocky hates her leash and doesn't seem to like other dogs. (Probably because Rocky is a cat.) And rather than play fetch, Rocky prefers to . . . lick between her toes? Ew. Rocky is a bad "dog"! BUT Rocky doesn't bark, and is so cute when she sleeps in sunny spots. Maybe Rocky IS a good dog? (Or, you know, maybe Rocky is a cat.) Cat lovers and dog lovers alike will howl with laughter at this little girl's willful insistence that her cat is a dog. The hilarious ways in which cats and dogs are different are brilliantly illuminated with each turn of the page and will leave young readers and their grown-ups giggling.
