*Three prequel novellas to the Dorothy Must Die series that follow Dorothy Gale as she transforms from good girl to Wicked Witch.*

*Seventeen-year-old Snow lives within the walls of the Whittaker Institute, a high security mental hospital in upstate New York. Deep down, she knows she doesn't belong there, but she has no memory of life outside, except for the strangest dreams. And then a mysterious, handsome man, an orderly in the hospital, opens a door—and Snow knows that she has to leave ... She finds herself in icy Algid, her true home, with witches, thieves, and a strangely alluring boy named Kai. As secret after secret is revealed, Snow discovers that she is on the run from a royal lineage she's destined to inherit, a father more powerful and ruthless than she could have imagined, and choices of the heart that could change everything. Heroine or villain, queen or frozen girl, frozen heart or true love, Snow must choose her fate ... A wonderfully icy fantastical romance, with a strong heroine choosing her own destiny, Danielle Paige's irresistibly page-turning Snow Queen is like Maleficent and Frozen all grown up.*

*In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Cossackie, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.*

*There's a new wicked witch in Oz—and her name is Dorothy. The Wonderful Wizard of Oz meets Kill Bill in this edgy, fast-paced, fantasy-adventure series from New York Times bestselling author Danielle Paige. The first two novels and three novellas are available together here for the first time: Dorothy Must Die: Oz has turned into a savage dystopia under Dorothy's rule—and now a new girl from Kansas must take her down. Amy Gunn been recruited by the Revolutionary Order of the Wicked. Her mission: Remove the Tin Woodman's heart. Steal the Scarecrow's brain. Take the Lion's courage. And—Dorothy must die. The Wicked Will Rise: With the Revolutionary Order of the Wicked scattered across Oz, Amy Gunn is on her own in the twisted fairyland. As she searches the kingdom in the hopes of destroying Dorothy once and for all, Amy realizes that nothing is what it seems in Oz and everyone has their own agenda. This collection also contains the three prequel novellas No Place Like Oz, The Witch Must Burn, and The Wizard Returns.*

*The New York Times bestselling first book in a dark new series that reimagines the Oz saga, from debut author Danielle Paige. I didn't ask for any of this. I didn't ask to be some kind of hero. But when your whole life gets swept up by a tornado—taking you with it—you have no choice but to go along, you know? Sure, I've read the books. I've seen the movies. I know the song about the rainbow and the happy little blue birds. But I never expected Oz to look like this. To be a place where Good Witches can't be trusted, Wicked Witches may just be the good guys, and winged monkeys can be executed for acts of rebellion. There's still a road of yellow brick—but even that's crumbling. What happened? Dorothy. They say she found a way to come back to Oz. They say she seized power and the power went to her head. And now no one is safe. My name is Amy Gumm—and I'm the other girl from Kansas. I've been recruited by the Revolutionary Order of the Wicked. I've been trained to fight.*

*And I have a mission: Remove the Tin Woodman's heart. Steal the Scarecrow's brain. Take the Lion's courage. And—Dorothy must die.*

*In this New York Times bestselling sequel to Dorothy Must Die, who is good—and who is actually Wicked? The Wicked Will Rise is perfect for fans of richly reimagined fairy tales and classic tales like Marissa Meyer's Lunar Chronicles and Gregory Maguire's Wicked. My name is Amy Gumm—and I'm the other girl from Kansas. After a tornado swept through my trailer park, I ended up in Oz. But it wasn't like the Oz I knew from books and movies. Dorothy had returned, but she was now a ruthless dictator. Glinda could no longer be called the Good Witch. And the Wicked Witches who were left? They'd joined forces as the Revolutionary Order of the Wicked, and they wanted to recruit me. My mission? Kill Dorothy. Except my job as assassin didn't work out as planned. Dorothy is still alive. The Order has vanished. And the home I couldn't wait to leave behind might be in danger. Somehow, across a twisted and divided land, I have to find the Order, protect the true ruler of Oz, take Dorothy and her henchmen down—and try to figure out what I'm really doing here.*
