

## Doug The Pug 2018 Wall Calendar Dog Breed Calendar

Get in on the fun with the "King of Pop Culture" Doug the Pug as he eats his way around the world in this delightful coloring book, packed with dozens of illustrations and fun activities. Whether he's cozing up on the couch with take out and television, hanging out with celebrities on the red carpet, or attending the latest music festival, Doug the Pug has stolen hearts around the world. In this adorable coloring book, join Doug on his adventures sampling a wide range of wonderful flavors from country to country and coast to coast. Along with 75 illustrations that capture the planet's most famous pug with his local snack of choice, this charming coloring book includes entertaining themed interactive activities. As adorable as its namesake, Doug the Pug is a must-have for the king's fans, dog lovers, and coloring enthusiasts of all ages.

He's taller than the Chrysler Building. He drools more than a baby sucking on a piece of Jello. Dog people will love him. Chick and Pug know him only as . . . The Dude. When the larger-than-life Dude ambles into Pug's territory and steals Squeaky Hamburger, Pug's most favorite chew toy, Chick is ready to take down the slobbering soundrel. But that would require making Pug get up. . . . Will Chick save the day? Will Pug nap through all the best parts? One thing's for sure: The Dude has arrived. Stay tuned!

This collection of Inkpug's illustrated pug-themed poetry covers a range of pressing and scandalous topics such as food, more food, pug aesthetics, and stunning physical prowess.

Doug the Pug is a charming little baggy dog. Here, he shares tales of his busy life as a working dog.

NEW YORK TIMES BESTSELLERAMAZON BEST BOOK OF THE YEAR Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, ESTHER THE WONDER PIG follows Steve and Derek's adventure—from reluctant pig parents to farm-owning advocates for animals.

As part of the new Let's Read Together collection, this hilarious story introduces young readers to the value of perseverance and encourages language development. Three little pugs named Bubbles, Bandini and Beauty live with their mother in the woods. One day, she tells them that it's time for them to set out on their own. The pugs head out to build their own houses—but can they steer clear of the Big, Bad Cat? Let's Read Together is an ideal series to share special readings time with a child while introducing important gentle lessons. The series explores a variety of topics, including friendship, acceptance, teamwork, and empathy, all the while encouraging the development of language and reading skills.

Go on then: lock the doors and see what happens. Show me how much power you really have. When We Have Sufficiently Tortured Each Other breaks through the surface of contemporary debate to explore the messy, often violent nature of desire and the fluid, complicated roles that men and women play. Using Samuel Richardson's novel Pamela as a provocation, six characters act out a dangerous game of sexual domination and resistance. When We Have Sufficiently Tortured Each Other premiered at the National Theatre, London, in January 2019.

WALL-E, a trash-compacting robot from Earth who followed the robot probe EVE back to the spaceship Axiom, helps to free the rejected robot servants held in the repair ward of the spaceship.

If These Walls Could Talk: Chicago Bears

Changing the World One Heart at a Time

Esther the Wonder Pig

The Pocket Guide to Everyday Conversations

The Coloring and Activity Book

*Led by stars like Walter Payton, Jim McMahon, Mike Singletary, William "Refrigerator" Perry, head coach Mike Ditka, and defensive coordinator Buddy Ryan, the Chicago Bears in the 1980s were an NFL powerhouse. As anyone who's seen "The Super Bowl Shuffle" surely knows, they were also an unforgettable group of characters. Otis Wilson, the Bears starting outside linebacker, was right in the center of the action, and in this book, Wilson provides a closer look at the great moments and personalities that made this era legendary. Readers will meet the players, coaches, and management and share in their moments of triumph and defeat. Be a fly on the wall as Wilson recounts stories from those days in Chicago, including the 1985 Super Bowl-winning season. If These Walls Could Talk: Chicago Bears will make fans a part of the team's storied history.*

*It's the first day of school for Penelope Rex, and she can't wait to meet her classmates. But it's hard to make human friends when they're so darn delicious! That is, until Penelope gets a taste of her own medicine and finds she may not be at the top of the food chain after all. . . . Readers will gobble up this hilarious new story from award-winning author-illustrator Ryan T. Higgins.*

*What happens when your cat makes a mistake like ruining something valuable or going outside the litter box? You can't ground or take away their allowance when your cat gets in trouble. So what is the next best thing? Cat Shaming! Cat Shaming is a hilarious collection of photos from owners who express their frustration when their furry best friend does something bad. Millions of cat owners can relate to the antics of these felines while the picture shows a shamed but adorable, innocent looking kitty.*

*"I too am not a bit tamed—I too an untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans.The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.*

Doug the Pug and the Kindness Crew

Cat Shaming

A Disney Hyperion E-book With Audio

Dog Shaming

A PostSecret Book

Sit, Speak, Do Good. Ever since Doug the Pug became an internet sensation, his guiding rule of thumb has been to make people smile. With over 18 million followers across his social media and well over 1 billion Facebook video views, Doug the Pug knows a thing or two about being a good boy. Whether he's obsessing about drool-worthy treats, parodying a hit music video, or raising money to visit his favorite kids at St. Jude, Doug knows the power of pawsitivity and inclusiveness. His bright new book is bold and pretty (just like him), and shares inspiring, lighthearted messages of humor, love, and acceptance.

Based on the pug phenomenon Dogshaming and containing photos that are all-new and exclusive to the book, this hilarious album showcases adorable snapshots of shamed pups confessing their biggest - and grossest - sins.

'I WANT A DOG!'Who hasn't heard that screamed from a child or partner? They want a dog but you don't want one because you know it will be your responsibility to look after it when they grow bored. Well, this book isn't necessarily for you. This book is for those who want a dog but have no idea what they're really letting themselves in for. You see, I wanted a dog. I was one of those annoying people ranting and raving how badly I wanted one. 'Now I am an adult, I should be allowed to get a dog! It's my house!'I got my dog. I got what I wanted. I even chose the dog. Now, as I sit here typing out this blurb, I weep. Why did I do this to myself? Why have I just committed to this little bastard for God knows how many years?If you want a dog of your own. Read this book. Perhaps see things you didn't necessarily think of (on top of having to clean up its shit from when you go on walks or when it runs in your garden). Then, when you have read the book, make your decision again. Decide if it really is for you.Don't want a dog? Well this is about a pug called Chewie... Read about Chewie's first year and just laugh at my misadventures and misery...From Matt Shaw, author of 'Wasting Stamps', 'Plentyoffreaks' and 'Im fine'

Doug the Pug makes his picture book debut in this original illustrated story. Doug the Pug loves pizza, posing for paw-traits, and above all else, spreading paw-sitivity. Join the Kindness Crew and follow Doug as he embarks on an adventure across town to share kindness with everyone he meets. With messages of kindness, acceptance, and inclusion, this beautifully illustrated picture book is perfect for Doug the Pug's youngest fans and anyone looking to make the world a kinder place.

Who is Doug the Pug? Just the most beloved dog on the Internet! Now you can dig in with Doug and discover all his favorite foods, plus much more! Dig in with Doug! Stuff yourself full of Doug's favorite phrases, memes, and of course food! Each page will have your mouth watering for more of Doug's clever commentary on the world of pizza, doughnuts, and ice cream around him!

Looking at them, you would never guess that pugs can be so useful and versatile. Yet, if you watch them closely, it s clear to see that these dynamic dogs perform scores of tasks. This book provides photographic proof of pugs functioning as car security systems, weed killers, moist towelettes, foot warmers, and more. In need of some minor garment alterations? Look no further than an industrious pug! A total of 101 uses for a pug reveal why these dogs are so lovable and popular.

Sort through a sea of silly dogs to help Doug find his canine companion! Speaking directly to the reader, the interactive text by debut author Jane Caston prompts children to pat, tickle and call to the different dogs - a fun way to practice early math skills, like spotting similarities and differences, sorting and more! Bursting with goofy pooches, Carmen Saldaña's cheerful watercolor illustrations bring a fresh, modern look that will captivate young and old dog lovers alike. You'll laugh all the way to the hilarious surprise ending!

This book takes an in-depth look at the phenomenon of police officer suicide. Centered on statistical information collected from cases of officer suicide from 2017 to 2019, this volume helps readers understand the circumstances surrounding death by suicide amongst law enforcement personnel and makes recommendations for identification and prevention. Through interview and case presentations, this volume examines the lives and last days and weeks of several officers, using findings from social media, departmental surveys, medical examiner reports, toxicology reports and interviews with loved ones and colleagues to create a psychological autopsy. With 14 chapters contributed by former law enforcement, researchers, and mental health professionals, it addresses national, state, and local policy implications and strategies, presenting a theory for better understanding and preventing the phenomenon of officer suicide. This volume will be of interest to researchers in policing, to law enforcement and first responder leadership and administrative professionals, and to mental health practitioners and clinicians working with this unique population

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Ready to have your heartstrings tugged? Look no further than Adorable Hedgehogs 2022, featuring 13 images of the sweetest little hedgehogs around! While these little guys might look prickly, hedgehogs are actually kindehearted sweeties who just want to be loved. Enjoy their photogenic adventures through their small world for the whole year! With a handy page that shows the months of September, October, November, and December 2021, followed by individual pages for the months of 2022, this 12" x 12" wall calendar features full-color photos of these "quill kids" as they party, pig out, poke around, and have the time of their hedgie little lives! The perfect gift for the animal lover in your life, Adorable Hedgehogs 2022 will have you smiling all year long.

A New York Times Bestseller Doug the Pug is the king of pop culture. More than seven million adoring fans on Facebook, Instagram, Twitter, and Snapchat can't get enough of him. Doug spreads love everywhere he goes, and now with his literary debut, he's coming to living rooms around the world. It's hard to find a more well-connected pup than Doug. He's homies with the hottest stars out there: Justin Bieber, Steven Tyler, Ed Sheeran, John Legend, and Tom Hanks, to name just a few. Did you catch him in Fall Out Boy's latest music video? Doug can ball with the best of them. He's a rising star and everyone's favorite squishy face. Doug has made appearances at music festivals including Lollapalooza and the Billboard Hot 100 Music Fest, but he doesn't let fame go to his head. Doug is a humble pug, but the people have asked for more, so he's obliged with this awesome New York Times bestselling collection of photos. Doug is a fashion icon, a culinary gourmand, and an all-around happenin' guy. This book is just a sneak peek at some of his greatest adventures so far. From his furry heart to yours, enjoy!

16-Month Calendar - September 2021 Through December 2022

A Massively Collaborative Open U.S. History Textbook, Vol. 1: To 1877

Presents practical information on the handling, treatment, & disposal of septage in a concise, recommendations-oriented format for use by administrators of waste management programs, septage haulers, & managers or operators of septage handling facilities. Does not provide detailed engineering design information. Septage Ó is the material removed from a septic tank by pumping. This guide focuses on septage of domestic origin. When properly treated, domestic septage is a resource. A valuable soil conditioner, septage contains nutrients that can reduce reliance on chemical fertilizers for agriculture. Charts & tables.

Based on the beloved Twitter sensation, Thoughts of Dog contains never-before-seen, sweet and funny reflections on life from the pup-spective of a goooood dog, who, above all else, loves their human. Join a dog and their stuffed " fren " sebastian as they navigate life ' s adventures through the most wholesome lens imaginable. The mastermind behind WeRateDogs, Matt Nelson, expands the Thoughts of Dog universe born on social media with his new book for anyone looking for a smile.

Join the call for a better world with this New York Times bestselling picture book about a school where diversity and inclusion are celebrated. The perfect back-to-school read for every kid, family and classroom! In our classroom safe and sound. Fears are lost and hope is found. Discover a school where all young children have a place, have a space, and are loved and appreciated. Readers will follow a group of children through a day in their school, where everyone is welcomed with open arms. A school where students from all backgrounds learn from and celebrate each other's traditions. A school that shows the world as we will make it to be. " An important book that celebrates diversity and inclusion in a beautiful, age-appropriate way. " – Trudy Ludwig, author of The Invisible Boy

This book brings together authoritative information about the child/dog bond as it is manifested with family dogs, visiting therapy dogs, and service dogs trained to assist children with disabilities. Despite the widely accepted view that participating in a dog ' s care and interacting with dogs in behaviorally healthy ways is a route to becoming responsible and compassionate, research on this complex dynamic is difficult to design, time-consuming to collect, and challenging to analyze. This volume synthesizes theory, research, and practice, bringing all to bear upon child/dog interactions in homes, schools, libraries, and the community at large. Children, Dogs and Education serves as a handbook for a diverse group of adults who seek to build positive relationships between children and dogs—parents/families, professional dog trainers, teachers, librarians, mental health professionals, health care professionals, and university faculty. The study of interactions between human and nonhuman animals has captured the imagination of an international community of researchers from many different fields and professions. Even though dogs are ubiquitous in the lives of most children, studies of children ' s interactions with dogs in families and communities are lacking. Most of the previous research on the human-canine bond has focused on adolescents and adults or, even when younger children are the focus, it has tended to rely on parents to report for children. There are three features of this book that make it unique. First, it goes beyond exploring the child/dog bond to examine additional important issues, including: children ' s concepts of responsible care, their ability to interpret dogs ' behavioral cues, and their ideas about canine behavioral issues/training. Second, unlike most other work to date, it represents children ' s voices through cases, interviews, and drawings. Finally, the contributors to this edited work use their collective wisdom to draw educational implications and suggest direction in preparing the next generation of dog guardians.

What Doug the Pug Teaches Us: Sit, Speak, Do Good

Children, Dogs and Education

A monster tries to chomp any reader who wants to go past the first page of the book in order to keep his cakes safe.

Wall Street Journal Bestseller CNN news anchor Brooke Baldwin explores the phenomenon of "huddling," when women lean on one another—in politics, Hollywood, activism, the arts, sports, and everyday friendships—to provide each other support, empowerment, inspiration, and the strength to solve problems or enact meaningful change. Whether they are facing adversity (like workplace inequity or a global pandemic) or organizing to make the world a better place, women are a highly potent resource for one another. Through a mix of journalism and personal narrative, Baldwin takes readers beyond the big headline-making huddles from recent years (such as the Women's March, #MeToo, Times Up, and the record number of women running for public office) and embeds herself in groups of women of all ages, races, religions and socio-economic backgrounds who are banding together in America. HUDDLE explores several stories including: The benefits of all-girls learning environments, such as Karlie Kloss's Kode with Klossy and Reese Witherspoon's Filmmaker Lab for Girls in which young women are given the freedom to make mistakes, and find their confidence. The tactics employed by huddles of women who work in male-dominated industries including a group of US veterans/Democratic Congresswomen, a huddle of African-American judges in Harris County, Texas, and an all-female writers room in Hollywood. The wisdom of huddling from trusted pioneers such as Gloria Steinem, Billie Jean King, and Madeleine Albright as well as contemporary trailblazers like Stacey Abrams and Ava DuVernay. How professionals such as Chef Dominique Crenn and sports agent Lindsay Colas use their success to amplify other women in their fields. The ways huddles of women are dedicated to making seismic change, including a look at Indigenous women saving the planet, the women who founded Black Lives Matter, the mothers fighting for sensible gun laws, America's favorite female athletes (Megan Rapinoe, Hilary Knight, and Sue Bird to name a few) agitating for equal pay, and female teachers rallying to improve their working conditions. The bond between women who practice self-care and trauma healing together, including the women who courageously survived sexual abuse, and the women who heal together in The Class and GirlTrek. The ways women are becoming more intentional about the life-saving power of friendship, including the bonds between military wives, new moms, and nurses getting through the time of Covid. Throughout her examination of this fascinating huddle phenomenon, Baldwin learns about the periods of huddle 'droughts" in America, as well as the ways that Black women have been huddling for centuries. She also uncovers how huddling can be the "secret sauce" that makes many things possible for women: success in the workplace, effective grassroots change, confidence in girlhood, and a better physical and mental health profile in adulthood. Along the way, Baldwin takes readers through her own personal journey of growing up in the South and climbing the ladder of a male-dominated industry. Like so many women in her field, she encountered many sharp elbows on her career path, but became an early believer in adding more seats to the table and huddling with other women for strength and solidarity. In the process of writing HUDDLE, Baldwin learns that this seemingly new phenomenon is actually something women have been doing for generations—a quiet, collective power she learns to unlock in her transformation from journalist to champion for women.

From haute couture Oscar dresses and character classics, superheroes to inanimate objects, there isn't a creature on earth that can rock a costume quite like a pug. With over 100 full color, candid photographs of these adorable dogs in outfits ranging from adorable to hysterical to downright absurd, this book is a pure delight for animal lovers of all stripes. Packed with 128 pages of color photographs, some of the pugs you'll meet in this volume include: - Scarlett O'Pugra - Bob Pugley - Pugzilla - Chewpugca and Pug Vader - Evita Pugron - The Ba HumPug! And many, many more.

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

Winner of the Alex Award Mike Muñoz is a Holden Caulfield for a New Millennium—a 10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation! . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America. --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work—and just fired from his latest gig as a lawn boy on a landscaping crew—he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity—who just so happens to find himself along the way.

Gemma Gene's adorable comics celebrate fur-parenthood and the extreme love you experience when you look into your dog's eyes. If you are never alone when you go to the bathroom, are forced to share your food, and find your life ruled by a sassy fur ball, Living With Mochi is the perfect book for you. When architect-turned-cartoonist Gemma Gené first met her pet pug, Mochi, she felt as if time stopped. This dramatic moment and her adoring relationship with the rambunctious pug led her to begin chronicling her adventures with Mochi in a series of incredibly cute webcomics that have gained a social media following of half a million loyal readers. The comics chronicle Mochi's life from puppyhood to adulthood, featuring Mochi's unrequited dog friendships, his jealousy of his two dog-brothers, and his love of food. Readers and dog parents will love this humorous tale of a sincerely loyal friendship between one grumpy pug and his adoring owner.
