Presents the life and career of the popular singer, from his childhood in Canada to his rise to fame and the future of his musical career.

The Sunday Times bestselling biography of the fresh-faced, charismatic and talented Justin Bieber, the teen singing sensation who has taken the music world by storm. Born on 1 March 1994, Justin grew up in the small city of Stratford in Canada. His love of singing was apparent from an early age and he was an avid member of the local church choir. His mum started posting videos on YouTube of her thirteen-year-old boy singing cover versions. Hits on the site started building almost immediately and it wasn't long before he had fans - of all ages, all over the world. When, in 2008, music-industry professional Scooter Braun became his manager, this young star was firmly on the path to stardom. His debut single 'One Time' was released in 2009 and went into the top 30 in ten countries around the world, and his album My World 2.0 caused instant excitement. In this book Chas Newkey-Burden explores this teenager's sensational story, making it the must-have book for anyone with Bieber Fever!

Justin Bieber Quiz Book

One of the most critically acclaimed books of the year, Whiting Award-winner Teddy Wayne’s second novel is “more than a scabrous sendup of American celebrity culture; it’s also a poignant portrait of one young artist’s coming of age” (Michiko Kakutani, The New York Times)—and an enduring yet timely portrait of the American dream gone awry. In his rave on the cover of The New York Times Book Review, Jess Walter praised Wayne’s writing for its “feats of unlikely virtuosity” and the boy at its center as “a being of true longing and depth, and...a devastating weapon of cultural criticism...You’d have to be made of triple platinum not to ache for Jonny Valentine.” With “assured prose and captivating storytelling” (Oprah.com’s Book of the Week), The Love Song of Jonny Valentine also showcases “one of the most complicated portrayals of the mother-son relationship since Room” (BookPage). Touring the country in a desperate attempt to save a career he’s not sure he even wants, Jonny is both driven by his mother’s ambition and haunted by his father’s absence, constantly searching for a familiar face among the crowds. Utterly convincing, whip-smart, yet endearingly vulnerable, with an “unforgettable” voice (Publishers Weekly, starred review), the eleven-year-old pop megastar sounds “like Holden Caulfield Jr. adrift in Access Hollywood hell” (Rolling Stone). Called “a showstopper” (The Boston Globe), “hugely entertaining” (The Washington Post), “heartbreakingly convincing” (People), “buoyant, smart, searing” (Entertainment Weekly), and “touching and unexpectedly suspenseful” (The Wall Street Journal), this extraordinary novel has been widely embraced as a literary masterpiece and the rare “satire with a heart” (Library Journal, starred review).

Justin Bieber is a phenomenon. He’s sold more than 10 million albums, with My World 2.0 hitting the top of the charts. His 3-D concert film, Never Say Never, was the highest grossing concert film in more than 20 years. Yet despite his fame, Justin has always loved staying in touch with his fans, whether on Twitter or YouTube or in person. Now, the kids who love Justin can get even closer to him with the Justin Bieber Dress-up Sticker Book! Using over 100 super-fun stickers, kids can style the singing sensation for hours on end! Judah Smith, New York Times bestselling author of Jesus Is _____, helps readers understand what steals their peace of mind and outlines the path to peace and fulfillment: understanding and implementing the healthy soul environment God originally designed. Modern everyday life is stressful and confusing, full of overly packed schedules and circumstances outside one’s control. This can be especially troubling for Christians who are wrestling with reality while trying to put their trust in God. But the truth is, anxiety does not have to be the constant from day to day. In fact, all the things people most desire in life--peace of mind, hope for tomorrow--are rooted in one simple thing: how they care for the health of their souls. In How’s Your Soul?!, Judah Smith explores the various facets and needs of the inner person, demonstrating that the path to cultivating healthy souls starts with discovering God’s original design. He helps readers find real peace and security by bringing their feelings into alignment with God’s truth, discover a healthy sense of identity from God and feel empowered to face the future with a new security and confidence, and learn the four elements necessary for a healthy soul environment. Sharing his own often humorous mistakes and foibles, Judah offers a helping hand as readers find their way through the emotional rollercoasters of life to discover the soul-healing essentials rooted in what he calls the soul’s only true home--God himself.

201 Fascinating Justin Bieber Facts

Justin Bieber’s rise from “regular kid” to one of the most famous people on the planet has captivated a nation of devoted fans called “Beliebers.” With hit records, 33 million followers on Twitter and the third-largest grossing documentary film of all time, the 18-year-old Canadian pop star

dubbed “Super Boy” on Rolling Stone’s recent cover has countless fans who hang on his every word. But is there more to this pop idol’s startling success than his legendary haircut and unusual talent? “The success I’ve achieved comes ... from God,” Bieber says “I feel I have an obligation to plant little seeds with my fans. I’m not going to tell them, ‘You need Jesus,’ but I will say at the end of my show, ‘God loves you.’” The bold yet humble faith that grounds Bieber’s worldview may just be the key to his extraordinary appeal. Recognizing that music and film are the language of this new generation, author and religion journalist Cathleen Falsani’s hope is that this book will encourage faith leaders as well as parents to engage with popular culture in a different way so they can better talk to their kids about what matters most.

"Dreams can often turn into heartbreak. Just ask Kaleb, a renowned female illusionist whose tumultuous journey from Texas to New York to Hollywood, and back again, serves as the catalyst for this tragic but ultimately inspiring true story. Appearing on national television as his alter ego "Sarah Summers," Kaleb immerses himself in the Hollywood celebrity culture, including heavy drug and alcohol abuse. He uses his talents to beguile women while confusing men. When he falls in love with a famous rock star, his world is turned upside down. Every peak Kaleb reaches in the entertainment world is followed by stumbles into many self-imposed despairing valleys. A series of tragic events sends him back to New York where his world becomes even darker and more ominous as this once enchanting creature turns into a homeless alcoholic struggling through New York City’s shelter system. Kaleb’s determination to turn his life around and resurrect his entertainment career is hard fought and awe inspiring." This is the true story of my life. Winner of the 2018 National Book Critics Circle Award for Criticism A New York Times Notable Book From Zadie Smith, one of the most beloved authors of her generation, a new collection of essays Since she burst spectacularly into view with her debut novel almost two decades ago, Zadie Smith has established herself not just as one of the world’s preeminent fiction writers, but also a brilliant and singular essayist. She contributes regularly to The New Yorker and the New York Review of Books on a range of subjects, and each piece of hers is a literary event in its own right. Arranged into five sections--In the World, In the Audience, In the Gallery, On the Bookshelf, and Feel Free--this new collection poses questions we immediately recognize. What is The Social Network--and Facebook itself--really about? "It’s a cruel portrait of us: 500 million sentient people entrapped in the recent careless thoughts of a Harvard sophomore." Why do we love libraries? "Well-run libraries are filled with people because what a good library offers cannot be easily found elsewhere: an indoor public space in which you do not have to buy anything in order to stay." What will we tell our granddaughters about our collective failure to address global warming? "So I might say to her, look: the thing you have to appreciate is that we’d just been through a century of relativism and deconstruction, in which we were informed that most of our fondest-held principles were either uncertain or simple wishful thinking, and in many areas of our lives we had already been asked to accept that nothing is essential and everything changes--and this had taken the fight out of us somewhat." Gathering in one place for the first time previously unpublished work, as well as already classic essays, such as, "Joy," and, "Find Your Beach," Feel Free offers a survey of important recent events in culture and politics, as well as Smith’s own life. Equally at home in the world of good books and bad politics, Brooklyn-born rappers and the work of Swiss novelists, she is by turns wry, heartfelt, indignant, and incisive--and never any less than perfect company. This is literary journalism at its zenith. Zadie Smith’s new book, Grand Union, is on sale 10/8/2019.

This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don’t envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references The Walking Dead and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity accessible in the 21st century. In Own The Moment, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn’t care less about church to leading one of the country’s fastest-growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music icon in an NBA player’s Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about “living the dream” and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in Own The Moment—a powerful book that redefines not just Christianity but spirituality as a whole.
