Small Animal
Emergency and
Critical Care: Case
Studies in Client
Communication,
Morbidity and
Mortality provides a
unique opportunity
to learn from real-
life case examples.
Presented as a
collection of short

Read Free Critical Care Secrets 5e

case studies, the book examines a wide range of situations likely to arise in emergency practice. The approach is modeled on the Morbidity and Mortality Conferences which were first established as a training and

Read Free Critical Care Secrets 5e

educational tool for
medical doctors.

They have now been
successfully adopted
in veterinary
medicine as a forum
for case review and
learning
opportunities,
encouraging
thorough review
from different

Read Free Critical Care Secrets 5e

perspectives. Each chapter presents a real case, and highlights the pitfalls that both novice and experienced veterinarians can encounter. A key theme of the book is on communication issues. Owner perspectives are

Read Free Critical Care Secrets 5e

discussed, as well as how communications between clinicians and owners can be optimized to allow veterinarians to better meet owner expectations. The cases were provided by a variety of experienced
