

Motley Crue The Dirt

Looks at the life of Dave Grohl, a rock star known for his work with Nirvana, Queens of the Stone Age, Them Crooked Vultures and the band he founded, Foo Fighters, in a book that draws on personal interviews with Nirvana producer Butch Vig, Queens of the Stone Age front man Josh Homme and Grohl himself.

'Man, there's nothing like being told you're dying to make you feel alive.' In 2013, Dr Feelgood founder, Blockheads member and musical legend Wilko Johnson was diagnosed with terminal cancer. With ten months to live, he decided to accept his imminent death and went on the road. His calm, philosophical response made him even more beloved and admired. And then the strangest thing happened: he didn't die. Don't You Leave Me Here is the story of his life in music, his life with cancer, and his life now - in the future he never thought he would see.

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone

calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

Offers reviews on a wide range of American works, providing insights into the authors' styles and techniques and making recommendations for readers.

Emergency

This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of The Heroin Diaries. A combination of powerful prose and dramatic photographs, This Is Gonna Hurt is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world. This Is Gonna Hurt chronicles Sixx's experiences—from his early years filled with toxic waste, to his success with Motley Crue, to his near death from an OD and his eventual rebirth through music, photography, and love. Love story, social commentary, family memoir, This Is

Gonna Hurt offers the compelling insights of an artist and a man struggling to survive, connect, and find a happy ending—a search that fuels Sixx's being.

The band known as much for their talent onstage as their antics offstage, Mötley Crüe epitomized the drug-fueled, sex-riddled excess of 1980's metal acts. In the process, they forged a rock dynasty few other bands have been able to achieve. Nikki Sixx, Tommy Lee, Mick Mars, and Vince Neil became household names, the scourge of the Christian right, and the darlings of the Billboard charts. Read about their meteoric rise and fall in this issue of Orbit!

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography *The Dirt* on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album *Shout at the Devil* through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and

those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

'Packed with war stories from a golden age of rock, and insights into the stars that made that music' CLASSIC ROCK MAGAZINE

'On reading Getcha Rocks Off you realise just how drastically things have changed in the rock industry but books like this perfectly evoke what they were like. Good times...' RECORD COLLECTOR Hanging out with rock stars, trying to steal their chicks, or throwing up over their guitars after launching into the hospitality a little too enthusiastically, Mick Wall spent much of the 1980s sprawled in limos and five-star hotels with the biggest rock bands in the world, including Led Zeppelin, Guns N' Roses, Metallica, Black Sabbath, Mötley Crüe, Thin Lizzy, Deep Purple, Alice Cooper, Van Halen, Motörhead and more. He was Kerrang! magazine's star writer and the presenter of Monsters of Rock, his own weekly show on Sky TV, and the decade passed in a blur of hard drugs, hot women, and some of the heaviest people your mother definitely would not like. Depicting a world where vague concepts like 'the

future' are disdained in favour of nights that last a week and weeks that last forever, Getcha Rocks Off is a rock apocalypse Cider With Roadies, and a more frank and disturbing Apathy for the Devil. It is the kind of book you need to put on your leather jacket to read, open that bottle of Jack and reach for the Charlie. And let the good times roll...

Dirt. The Autobiography of Motley Crue To Hell and Back with One of Rock's Most Notorious Frontmen

A Year in the Life of a Shattered Rock Star

Donnie Brasco takes on both the Russian and Italian mobs. But this time, it's not his life on the line--it's his daughter's life.

Ten years ago, Motley Crue's bestselling *The Dirt*—penned with rock chronicler extraordinaire Neil Strauss—set a new bar for rock 'n' roll memoirs. A genuine cultural phenomenon, this turbocharged blockbuster, with more than half a million copies in print, is now available in this deluxe,

slipcased hardcover edition, timed to celebrate thirty wild years with rock's most infamous band.

A BUSTLE PERFECT VACATION READ USA

Today Bestseller From #1 New York Times bestselling author Lisa Jackson comes a new novel of nerve-jangling suspense as a woman haunted by guilt realizes that nothing can be trusted—not even her own memory . . . IF YOU THINK SOMEONE IS OUT TO GET YOU . . . There are people in Edgewater, Oregon, who think that twenty years ago, Rachel Gaston got away with murder. But Rachel still has no idea how a foolish teenaged game turned deadly—or who replaced her soft pellet air gun with a real weapon. When a figure jumped out at her from the darkness, she fired without thinking. By the time she recognized her half-brother, Luke, it was too late. Blood bloomed around his chest . . . AND SOMEONE REALLY IS . . . Rachel's horrifying dreams about that night continue. Her anxiety contributed to her divorce from Detective Cade Ryder, though he blames himself too. And now, as Rachel's high school reunion nears, she feels her imagination playing

tricks on her. She's sure that there's a hint of unfamiliar cologne in the air. That someone is tailing her car. Watching her home . . . THEN YOU'RE NOT PARANOID . . . She's right to be scared. And as connections surface between a new string of murders and Luke's death, Rachel realizes there's no escaping the past. And the truth may be darker than her worst fears . . .

In the early nineties, Scarlet, a painter and high fashion model, finds herself working in some of the world's most famous fashion capitals. As her adventure continues, she meets Johnny of The Westies, an up-and-coming band on the cusp of superstardom. What ensues is an unhinged ride of a novel following the audacious lead female protagonist as she navigates her life through fame, addiction, infidelity, and all the ups and downs of dating a legendary musician from one of the biggest rock bands in history. A riveting and heartfelt journey of figuring out one's own path and championing that aspect to finding their dreams. Rich in spirit and relatable for all those who have ever

had the courage to chase their dreams and pursue an unconventional path in this glorious world. A page-turner, frequently injected with laugh-out-loud humor, front row seat of fun debut that is being heralded as the earnest generation of authenticity of a nineties voyage, Susan Holmes McKagan shines in *The Velvet Rose*.

How I Became Nikki Sixx

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of

File Type PDF Motley Crue The Dirt

fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Neil Strauss can uncover the naked truth like nobody else. With his groundbreaking book *The Game*, Strauss penetrated the secret society

File Type PDF Motley Crue The Dirt

of pickup artists. Now, in *Everyone Loves You When You're Dead*, the Rolling Stone journalist collects the greatest moments from the most insane music interviews of all time. Join Neil Strauss, "The Mike Tyson of interviewers," (Dave Pirner, *Soul Asylum*), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & is asked to smoke Kurt Cobain's ashes by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with . . . you'll find out who inside. Enjoy many, many more awkward moments and accidental adventures with the world's number one stars in *Everyone Love You When You're Dead*. An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant's rock anthem "Cherry Pie." Who could forget the sexy "Cherry Pie" girl from hair metal band Warrant's infamous music video? Bobbie Brown

became a bona fide vixen for her playful role as the object of lead singer Jani Lane's desires. But the wide-eyed Louisiana beauty queen's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood's hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy's Jay Gordon, and many more. No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party-barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days -

sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

The Velvet Rose

NPR Best Books of 2017 In this sweeping history of popular music in the United States, NPR's acclaimed music critic examines how popular music shapes fundamental American ideas and beliefs, allowing us to communicate difficult emotions and truths about our most fraught

social issues, most notably sex and race. In Good Booty, Ann Powers explores how popular music became America's primary erotic art form. Powers takes us from nineteenth-century New Orleans through dance-crazed Jazz Age New York to the teen scream years of mid-twentieth century rock-and-roll to the cutting-edge adventures of today's web-based pop stars. Drawing on her deep knowledge and insights on gender and sexuality, Powers recounts stories of forbidden lovers, wild shimmy-shakers, orgasmic gospel singers, countercultural perverts, soft-rock sensitivos, punk Puritans, and the cyborg known as Britney Spears to illuminate how eroticism—not merely sex, but love, bodily freedom, and liberating joy—became entwined within the rhythms and melodies of American song. This cohesion, she reveals, touches the heart of America's anxieties and hopes about race, feminism, marriage, youth, and freedom. In a survey that spans more than a century of music, Powers both heralds little known artists such as Florence Mills, a contemporary of Josephine Baker, and gospel queen Dorothy Love Coates, and sheds new light on artists we think we know well, from the Beatles and Jim Morrison to Madonna and Beyoncé. In telling the history of how American popular music and sexuality intersect—a magnum opus over two decades in the making—Powers offers new insights into our nation psyche and our soul.

You thought you knew the story behind the world's most notorious rock band...the music, the mayhem...it is the stuff of rock n roll legend, chronicled in the New York Times bestselling book and subsequent Netflix movie, The Dirt. Now, as Nikki Sixx, Tommy Lee, Vince Neil and Mick Mars emerge from self-imposed exile from all corners of the globe, the REAL story behind the band can finally be told...as the exploits of Mötley Crüe working as special undercover government operatives are revealed in this graphic novel.

The manager who shepherded Van Halen from obscurity to rock stardom goes behind the scenes to tell the complete, unadulterated story of David Lee Roth, Eddie Van Halen, and the legendary band that changed rock music. Van Halen's rise in the 1980s was one of the most thrilling the music world had ever seen—their mythos an epic party, a sweaty, sexy, never-ending rock extravaganza. During this unparalleled run of success, debauchery, and drama, no one was closer to the band than Noel Monk. A man who'd worked with some of rock's biggest and most notorious names, Monk spent seven years with Van Halen, serving first as their tour manger then as their personal manager until 1985, when both he and David Lee Roth exited as controversy, backstabbing, and disappointment consumed the band. Throughout Van Halen's meteoric rise and abrupt halt, this confidant,

fixer, friend, and promoter saw it all and lived to tell. Now, for the first time, he shares the most outrageous escapades—from their coming of age to their most shocking behavior on the road; from Eddie's courtship and high profile wedding to Valerie Bertinelli to the incredible drug use which would ultimately lead to everyone's demise. Sharing never-before-told stories, Monk paints a compelling portrait of Eddie Van Halen, bringing into focus the unique combination of talent, vision, hardship, and naiveté that shaped one of the greatest rock guitarists of all time—and made him and his brother vulnerable to the trappings and failings of fame. Illustrated with dozens of rare photographs from Monk's vaults, Runnin' with the Devil is manna from rock heaven no Van Halen fan can miss. Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock n' roll debauchery. You've seen The Dirt on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess.

Vince's break with the band and his arduous reuniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. Tattoos and Tequila reveals the real Vince Neil, from his many vices--booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

A Visual History: 1983 - 1990

My Undercover Life in the Mafia

The New York Times bestseller by the author of the forthcoming novel *Alice & Oliver* | Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters | A New York Times Notable Book "One word: bravo."—The

New York Times Book Review “Truly powerful . . . Beautiful Children dazzles its readers on almost every page. . . . [Charles Bock] knows how to tug at your heart, and he knows how to make you laugh out loud, often on the same page, sometimes in the same sentence.”—Newsweek One Saturday night in Las Vegas, twelve-year-old Newell Ewing goes out with a friend and doesn’t come home. In the aftermath of his disappearance, his mother, Lorraine, makes daily pilgrimages to her son’s room and tortures herself with memories. Equally distraught, the boy’s father, Lincoln, finds himself wanting to comfort his wife even as he yearns for solace, a loving touch, any kind of intimacy. As the Ewings navigate the mystery of what’s become of their son, the circumstances surrounding Newell’s vanishing and other events on that same night reverberate through the lives of seemingly disconnected strangers: a comic book illustrator in town for a weekend of debauchery; a painfully shy and possibly disturbed young artist; a stripper who imagines moments from her life as if they were movie scenes; a bubbly teenage wiccan anarchist; a dangerous and scheming gutter punk; a band of misfit runaways. The people of Beautiful Children are “urban nomads,” each with a past to hide and a pain to nurture, every one of them searching for salvation and barreling toward destruction, weaving their way through a neon underworld of

sex, drugs, and the spinning wheels of chance. In this masterly debut novel, Charles Bock mixes incandescent prose with devious humor to capture Las Vegas with unprecedented scope and nuance and to provide a glimpse into a microcosm of modern America. Beautiful Children is an odyssey of heartache and redemption heralding the arrival of a major new writer. Praise for Beautiful Children “Exceptional . . . This novel deserves to be read more than once because of the extraordinary importance of its subject matter.”—The Washington Post Book World “Magnificent . . . a hugely ambitious novel that succeeds . . . Beautiful Children manages to feel completely of its moment while remaining unaffected by literary trends. . . . Charles Bock is the real thing.”—The New Republic “A wildly satisfying and disturbing literary journey, led by an author of blazing talent.”—The Dallas Morning News “Wholly original—dirty, fast, and hypnotic. The sentences flicker and skip and whirl.”—Esquire “An anxious, angry, honest first novel filled with compassion and clarity . . . The language has a rhythm wholly its own—at moments it is stunning, near genius.”—A. M. Homes “From start to finish, Bock never stops tantalizing the reader.”—San Francisco Chronicle “Rich and compelling . . . captures the hallucinogenic setting like a fever dream.”—Los

Angeles Times

'Someone called and said Kurt died. I just f*****g lost it.'

The author offers a candid view of his life, from his early days and the founding of the Christian rock band Stryper, to his split with them, subsequent solo career, and eventual reunion with the band. Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller *The Game*, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes—and now of world financial meltdown—Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The*

Dirt, and How to Make Love Like a Porn Star, Emergency traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world—and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

From Steven Adler, the original drummer for Guns N' Roses, comes My Appetite for Destruction, the inside story of GNR. Offering a different perspective from the bestselling Slash, Adler chronicles his life

with the band, and own intense struggle with addiction, as seen on Dr. Drew's Celebrity Rehab and Sober House.

*When Hollywood comes to a small Georgia town, the cautious locals don't know what to expect. Feathers ruffle, secrets bloom, and sparks fly in this funny and sexy New York Times Bestseller. *Special edition for the motion picture release of HOLLYWOOD DIRT: The Movie and includes photos from filming, along with an extended ending.*

The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocking requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal paean to hair-band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, FARGO ROCK CITY chronicles Klosterman's formative years through the lens of heavy metal, the irony-deficient genre that, for better or worse, dominated the pop charts throughout the 1980s. For readers of Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and

his eye-opening trip to Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

*(Guitar Play-Along). The Guitar Play-Along Series will help you play your favorite songs quickly and easily! Just follow the tab, listen to the online audio to hear how the guitar should sound, and then play along using the separate backing tracks. The melody and lyrics are also included in the book in case you want to sing, or to simply help you follow along. 8 songs: Dr. Feelgood * Girls, Girls, Girls * Kickstart My Heart * Live Wire * Looks That Kill * Shout at the Devil * Too Young to Fall in Love * Wild Side.*

Getcha Rocks Off

Confessions of the World's Most Notorious Rock Band

Paranoid

In this atmospheric, terrifying novel that draws strongly from "The Legend of Sleepy Hollow," the author of Alice and The Girl in Red works her trademark magic, spinning an engaging and frightening new story from a classic tale. Everyone in Sleepy Hollow knows about the

Horseman, but no one really believes in him. Not even Ben Van Brunt's grandfather, Brom Bones, who was there when it was said the Horseman chased the upstart Crane out of town. Brom says that's just legend, the village gossips talking. More than thirty years after those storied events, the village is a quiet place. Fourteen-year-old Ben loves to play "Sleepy Hollow boys," reenacting the events Brom once lived through. But then Ben and a friend stumble across the headless body of a child in the woods near the village, and the discovery makes Ben question everything the adults in Sleepy Hollow have ever said. Could the Horseman be real after all? Or does something even more sinister stalk the woods?

A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

The Dirt (The Anniversary Edition) Confessions of the World's Most Notorious Rock Band It Books

From the highly-acclaimed rock history website read millions of times, Chronological Crue is THE definitive source of fact on the world's most notorious rock band: Mötley Crüe. It is used worldwide by TV networks, music industry journalists, critics, and fans as an invaluable reference on Mötley Crüe. First published in paperback during 2006 and having been out-of-print for many years, fans have been asking for this expanded and updated second edition. It includes a Foreword by Neil Strauss: best-selling author of The Dirt. There's over a quarter-million words on Motley Crue in over 1,000 pages across all 4 volumes in this series - Vol 1. The Eighties, Vol 2.

The Nineties, Vol 3. The Naughties, Vol 4. The Onesies - collect them all! The brand-new Vol 4. takes readers through to the last concert of The Final Tour on Crue Year's Eve 2015, and also contains a bonus Gigography that lists every Motley Crue performance - over 1,700 in total. "Nobody on the planet has dedicated their life to documenting the entire history of Mötley Crüe more accurately, thoroughly, and continuously than Paul Miles. Rather than recount the story of the most reckless musical act the world has ever seen in the past tense, this book will guide you through every step of the way as it all unfolded. Pulling no punches and telling no lies, Paul Miles will reveal facts that have been covered up, forgotten, or falsified by every previous account. Get ready to find out the real truth behind the highest highs and lowest lows in the Crüe's perilous kingdom of sex, drugs, and rock n' roll..." Steve-O, of MTV's Jackass and Wildboyz infamy "Paul knows more about us than we know." Tommy Lee "I've read it before and gone, we did THAT?" Nikki Sixx "Chronological Crue is without a doubt the definitive Mötley Crüe reference work. I used it extensively in writing the script of The Dirt and I highly recommend it to not only fans of the band, but anyone with an interest in the history of rock n' roll. For contained on these sweaty pages is a treasure trove of sleazy tidbits on not just the band but the slew of other musicians, critics, groupies, scum sucking corporate-types, famous wives and infamous playthings who came across their path. If Mötley played with them, partied with them or shagged them silly, it's here for all to see. It is a compulsive completist's dream, filled with the sort of

arcane minutia that can settle arguments, win bets, or simply allow you to sleep after pondering for hours the exact date of Nikki Sixx's first overdose in the back alleys of Hammersmith. Now hurry up and buy it so Paul Miles can finally feel as if his life has meaning." Rich Wilkes, screenwriter of Mötley's movie The Dirt

Bestselling Biography of Dave Grohl

A Motley Crue Day-By-Day

The Dirt (The Anniversary Edition)

Kicking Up Dirt

A Novel

Rock-and-roll icon and three-time bestselling author Nikki Sixx tells his origin story: how Frank Feranna became Nikki Sixx, chronicling his fascinating journey from irrepressible Idaho farmboy to the man who formed the revolutionary rock group Mötley Crüe. Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe, who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time but deeply troubled. Frankie ended up living

with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid—hunting, fishing, chasing girls, and playing football—but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle—the president of Capitol Records—for a short time. But there was no easy path to the top. He was soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads's band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality—and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. It's also a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it. In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead

singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. *Scar Tissue* is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

At nineteen, Ashley Fiolek is already the top female competitor in a tough men's sport: motocross, a form of off-road motorcycle racing that is one of the most competitive

and dangerous extreme sports in the world. Since going pro in late 2007, Fiolek has taken gold at the X Games, won the American Women's Motocross Championship twice, and become the first woman in American motocross history to be signed to a factory team—the highest echelon of industry backing. But Fiolek's rise has not come without obstacles. Fiolek was born profoundly deaf, a handicap that makes everyday life difficult—and competition on the track downright dangerous. Originally misdiagnosed as "mildly retarded," she was a painfully shy and introverted child—until her parents introduced her to the world of dirt bikes, which helped her escape the silence in her head and connect with others who shared her passion. She began racing at seven, and as her successes grew through hard work and no small number of broken bones, so did her confidence. Fiolek has never believed her disability should stand in the way of her dreams. Nor has she allowed her gender to limit her career—motocross historically has been a men's sport, but with the love and support of her dirt-obsessed family, including her "Grandpa Motorcycle," her little brother, Kicker, and her dogs, Turbo and Rocco, Ashley has emerged as one of the sport's most talked-about stars, changing the way the entire industry views women. Armed with her extraordinary talent, contagious grin, and deep faith in God, Fiolek continues to venture into unknown territory, relentlessly

pushing herself—and women's motocross—to ever-greater heights. Kicking Up Dirt is a remarkable, inspiring tale of a young woman's courage and determination to succeed in the face of truly challenging obstacles.

(Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia shots and photography the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain.

Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that reprises his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band now 35 years on and in the midst of completing its final tour ever.
