

New Headway Intermediate Test Booklet

A new edition with a modified syllabus and extensive new material.

New Headway English Course takes the successful Headway series into an exciting new era. It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating. The course combines the best of traditional methods with more recent approaches, to help students use English both accurately and fluently. Learners at the upper-intermediate level require a different approach. It is no longer appropriate to examine language items in isolation. In New Headway Upper-intermediate, grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language. This new upper-intermediate course provides around 120 hours of language learning. It follows on from New Headway Intermediate, and together with Headway Elementary, Headway Pre-intermediate, and Headway Advanced, provides a fully comprehensive language teaching series. Key features:

- New, universal topics selected from a wide variety of sources, including authentic listening texts.
- In-depth treatment of grammar: Each unit starts with a Test your grammar section, followed by Language in context, where students work out

In addition to the Student's Book, there is a Teacher's Book with extra photocopiable activities, two Class Cassettes, a Workbook, and an optional Workbook Cassette.
